USE OF PROCEEDS

To the extent Series 4 warrants are exercised on a cashless basis, we will receive no proceeds. To the extent the warrants are exercised for cash, we will receive the exercise price for those warrants. Otherwise, the net proceeds from any disposition of the shares covered hereby will be received by the Selling Stockholders. We will not receive any of the proceeds from the sale by the Selling Stockholders of the common stock offered by this prospectus. If all of the warrants covered by this prospectus are exercised in full for cash, we will receive proceeds of approximately \$45 million.

We intend to use any net proceeds from the exercise of the warrants to repay indebtedness under our term loan facility at least to the extent required by the facility if it remains outstanding at the time of such exercise, and to use the remainder for working capital and general corporate purposes. Our term loan facility requires that 75% of the net proceeds of the exercise of our warrants covered by this prospectus be used to reduce indebtedness outstanding under our term loan facility.

The warrants covered by this prospectus are Series 4 warrants we issued on June 4, 2009, when we closed a private placement offering of 17,391,302 shares of common stock and Series 4 warrants to purchase 12,173,913 shares of our common stock. The securities were issued in the form of units (Units), with each Unit consisting of one share of our common stock and seven-tenths of a Series 4 common stock purchase warrant. The Units were sold at a price of \$3.45 per Unit. Each whole warrant is exercisable for a share of our common stock at a price of \$3.68 per share beginning on or about December 7, 2009 (the Initial Exercise Date) and during the 181 day period following the Initial Exercise Date, except as such period may be extended by reason of the unavailability of the registration statement of which this prospectus is a part. See discussion of the Registration Rights Agreement below. Rodman & Renshaw, LLC (Rodman) acted as the placement agent for the private placement offering.

More information concerning the offering of Units can be obtained from our Current Report on Form 8-K filed with the SEC on June 8, 2009, which is incorporated by reference in this prospectus. Please refer to Where You Can Find More Information below for directions on obtaining the document.

Pursuant to the securities purchase agreement (Securities Purchase Agreement), we sold the Units to the Selling Stockholders for aggregate gross proceeds of approximately \$60,000,000 (the Placement). As the Placement Agent for the Placement, Rodman received a cash fee of four percent (4%) of the gross proceeds (\$2,400,000). As part of the Placement, we also entered into a registration rights agreement with the Selling Stockholders (the Registration Rights Agreement), pursuant to which we are required to use our commercially reasonable efforts to file a registration statement with the SEC and to maintain its effectiveness for a period of time, with respect to resales of the shares of common stock and the common stock underlying the warrants we sold in the Placement. This prospectus is part of the registration statement filed in satisfaction of our obligations under the Securities Purchase Agreement and the Registration Rights Agreement, each of which is included as an exhibit to our Current Report on Form 8-K filed with the SEC on June 8, 2009, which is incorporated by reference in this prospectus. Please refer to Where You Can Find More Information below for directions on obtaining those documents.

Table of Contents**SELLING STOCKHOLDERS**

We have prepared this prospectus, in part, to facilitate the sale by the Selling Stockholders, from time to time, of up to 29,565,215 shares of our common stock (including 12,173,913 shares of common stock which they may acquire upon the exercise of Series 4 warrants).

All of the common stock offered by this prospectus may be offered by the Selling Stockholders for their own accounts. We would not receive any proceeds from any such sale of these shares. To the extent any of the Series 4 warrants are exercised for cash, if at all, we will receive the exercise price for those warrants.

December 2008 Registered Direct Sale of Common Stock and Series 1 and Series 2 Warrants

On December 11, 2008, pursuant to a Securities Purchase Agreement dated December 10, 2008, we sold to those Selling Stockholders identified in a footnote to the table below, approximately 10,244,000 shares of our common stock, priced at \$2.05 per share, along with Series 1 warrants to purchase up to 7,682,927 shares of our common stock at an exercise price of \$2.45 per share and Series 2 warrants to purchase up to 7,682,927 shares of our common stock at an exercise price of \$2.35 per share. The Series 2 warrants expired unexercised on February 28, 2009. The Series 1 warrants were exercisable beginning on June 9, 2009 and expire on or about June 9, 2014. Rodman acted as our placement agent for the offering, and received a placement fee equal to \$945,000 as well as Series 1 warrants to purchase 460,976 shares of our common stock at an exercise price of \$2.56 per share. The shares of our common stock and the Series 1 and Series 2 warrants were offered and sold under a base prospectus dated as of September 7, 2007, as supplemented by a prospectus supplement filed with the SEC on December 10, 2008.

Security Holdings of Selling Stockholders

The following table sets forth information with respect to our common stock known to us to be beneficially owned by the Selling Stockholders as of August 11, 2009, including shares obtainable under Series 4 warrants, and being offered under this prospectus. We are not able to estimate the amount of shares that will be held by each Selling Stockholder after the completion of this offering because each Selling Stockholder may offer all or some of its shares, and, except as indicated in the following table, there currently are no agreements, arrangements, or understandings with respect to the sale of any of the shares. The following table assumes that all of the shares being registered pursuant to this prospectus, including shares issuable upon exercise of the Series 4 warrants, will be sold in the offering.

PLAN OF DISTRIBUTION

Exercise of the Warrants

Holders of the Series 4 warrants may exercise their respective warrants to purchase shares of our common stock on or before the applicable expiration date by delivering to us (i) notice of exercise, appropriately completed and duly signed, and (ii) if such holder is not utilizing the cashless exercise provisions with respect to the warrants, payment of the exercise price for the number of shares with respect to which the warrant is being exercised. Warrants may be exercised in whole or in part, but only for full shares of common stock, and any portion of a warrant not exercised prior to the expiration date shall be and become void and of no value.

In addition, the holders of the warrants may make a cashless exercise if, at any time after the six month anniversary of the date of the issuance of the Series 4 warrants, there is no effective registration statement registering, or no current prospectus available for, the issuance or resale of the shares of common stock underlying the warrants. This means the holders of the warrants would receive fewer shares of common stock without paying the cash exercise price. The number of shares to be issued would be determined by a formula based on the total number of shares with respect to which the warrant is being exercised, the volume weighted average of the prices per share of our common stock on the trading date immediately prior to the date of exercise and the applicable exercise price of the warrants.

The shares of common stock issuable on exercise of the warrants will be, when issued and paid for in accordance with the respective warrants, duly and validly authorized, issued and fully paid and non-assessable. We will authorize and reserve at least that number of shares of common stock equal to the number of shares of common stock issuable upon exercise of all outstanding Warrants.

As discussed above in Use of Proceeds, each warrant is exercisable on or after the Initial Exercise Date and during the 181 day period following the Initial Exercise Date. However, if we are not current with the public information requirements set forth in Rule 144 under the Securities Act at any time that is required in order for the Selling Stockholders to sell our common stock under Rule 144, then for each trading day that such failure occurs the exercise period shall be extended by one additional trading day.

Resales

Each Selling Stockholder of our common stock and any of their pledgees, assignees and successors-in-interest may, from time to time, sell any or all of their shares of common stock covered hereby on the New York Stock Exchange or any other stock exchange, market or trading facility on which the shares are traded or in private transactions. These sales may be at fixed prices, at prevailing market prices at the time of the sale, at varying prices determined at the time of sale, or negotiated prices. A Selling Stockholder may use any one or more of the following methods when selling shares:

ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;

block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;

purchases by a broker-dealer as principal and resale by the broker-dealer for its account;

an exchange distribution in accordance with the rules of the applicable exchange;

privately negotiated transactions;

settlement of short sales entered into after the effective date of the registration statement of which this prospectus is a part;

in transactions through broker-dealers that agree with the Selling Stockholders to sell a specified number of such shares at a stipulated price per share;

through the writing or settlement of options or other hedging transactions, whether through an options exchange or otherwise;

a combination of any such methods of sale; or

any other method permitted pursuant to applicable law.

The Selling Stockholders may also sell shares under Rule 144, if available, rather than under this prospectus.

Broker-dealers engaged by the Selling Stockholders may arrange for other brokers-dealers to participate in sales. Broker-dealers may receive commissions or discounts from the Selling Stockholders (or, if any broker-dealer acts as agent for the purchaser of shares, from the purchaser) in amounts to be negotiated, but, except as set forth in a supplement to this Prospectus, in the case of an agency transaction not in excess of a customary brokerage commission in compliance with FINRA Rule 2440; and in the case of a principal transaction a markup or markdown in compliance with FINRA IM-2440.

In connection with the sale of the common stock or interests therein, the Selling Stockholders may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the common stock in the course of hedging the positions they assume. The Selling Stockholders may also sell shares of the common stock short and deliver these securities to close out their short positions or to return borrowed shares in connection with such short sales, or loan or pledge the common stock to broker-dealers that in turn may sell these securities. The Selling Stockholders may also enter into option or other transactions with broker-dealers or other financial institutions

Edgar Filing: HECLA MINING CO/DE/ - Form 424B3

or create one or more derivative securities which require the delivery to such broker-dealer or other financial institution of shares offered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction).

The Selling Stockholders and any broker-dealers or agents that are involved in selling the shares may be deemed to be underwriters within the meaning of the Securities Act in connection with such sales. In such event, any commissions received by such broker-dealers or agents and any profit on the resale of the shares purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act. Each Selling Stockholder has informed us that it does not have any written or oral agreement or understanding, directly or indirectly, with any person to distribute the common stock. In no event shall any broker-dealer receive fees, commissions and markups which, in the aggregate, would exceed eight percent (8%).

We are required to pay certain fees and expenses incurred by us incident to the registration of the shares. We have agreed to indemnify the Selling Stockholders against certain losses, claims, damages and liabilities, including liabilities under the Securities Act.

The Selling Stockholders will be subject to the prospectus delivery requirements of the Securities Act including Rule 172 thereunder unless an exemption therefrom is available.

The Selling Stockholders have advised us that there is no underwriter or coordinating broker acting in connection with the proposed sale of the resale shares by the Selling Stockholders.

We agreed to keep this prospectus effective until the earlier of (i) the date on which the shares may be resold by the Selling Stockholders without registration and without regard to any volume or manner-of-sale limitations by reason of Rule 144 and without the requirement for us to be in compliance with the current public information under Rule 144 or any other rule of similar effect or (ii) all of the shares have been sold pursuant to this prospectus or Rule 144 or any other rule of similar effect. The resale shares will be sold only through registered or licensed brokers or dealers if required under applicable state securities laws. In addition, in certain states, the resale shares of common stock covered hereby may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and is complied with.

Under applicable rules and regulations under the Exchange Act, any person engaged in the distribution of the resale shares may not simultaneously engage in market making activities with respect to the common stock for the applicable restricted period, as defined in Regulation M, prior to the commencement of the distribution. In addition, the Selling Stockholders will be subject to applicable provisions of the Exchange Act and the rules and regulations thereunder, including Regulation M, which may limit the timing of purchases and sales of shares of the common stock by the Selling Stockholders or any other person. We will make copies of this prospectus available to the Selling Stockholders and have informed them of the need to deliver a copy of this prospectus to each purchaser at or prior to the time of the sale (including by compliance with Rule 172 under the Securities Act).

There can be no assurance that any selling stockholder will sell any or all of the shares of common stock registered pursuant to the registration statement, of which this prospectus forms a part.

Once sold under the registration statement, of which this prospectus forms a part, the shares of common stock will be freely tradable in the hands of persons other than our affiliates.
