There can be no assurance how many shares of Sports Properties common stock will be acquired under the plan(s). As previously announced, Sports Properties has entered into a Framework Agreement with Medallion Financial, which will result in Sports Properties continuing its business as a corporation that acquires, actively manages and leases taxicab medallions, operates on a selective basis, the taxicab fleets associated with those medallions and provides a range of services to the taxi industry, under its proposed new name Medallion Management, Inc. This report and the exhibits hereto may include forward-looking statements within the meaning of the safe harbor provisions of the United States Private Securities Litigation Reform Act of 1995. Sports Properties actual results may differ from its expectations, estimates and projections and, consequently, you should not rely on these forward looking statements as predictions of future events. Words such as expect, estimate, project, budget, forecast, anticipate, intend, plan, may, will, could, should, believes, predicts, potential, continue, and similar identify such forward-looking statements. These forward-looking statements include, without limitation, Sports Properties expectations with respect to future performance, anticipated financial impacts of the proposed transactions, certificate of incorporation and warrant amendments and related transactions; approval of the proposed certificate of incorporation and warrant amendments and related transactions by stockholders and warrant holders, as applicable; the satisfaction of the closing conditions to the proposed transactions, certificate of incorporation and warrant amendments and related transactions; and the timing of the completion of the proposed transactions, certificate of incorporation and warrant amendments and related transactions.

These forward-looking statements involve significant risks and uncertainties that could cause the actual results to differ materially from the expected results. Most of these factors are outside Sports Properties control and difficult to predict. Factors that may cause such differences include, but are not limited to, the following:

Regulatory changes affecting the taxicab industry;

The level of rental revenue Sports Properties achieves from its assets;

The market value and the supply of, and demand for, taxicab medallions;

The challenges that Sports Properties may face as a result of the current economic slow-down;

The conditions in the local markets in which Sports Properties operates, as well as changes in national economic and market conditions;

Sports Properties' ability to lease and acquire taxicab medallions;

The level of revenue Sports Properties achieves from its fleet operations;

Sports Properties' ability to enter into new leases or to renew leases with existing lessees of its taxicab medallions at favorable rates;

The competitive landscape impacting the taxicab industry;

Sports Properties' relationships with its lessees and their financial condition;

Sports Properties' use of leverage as part of its financing strategy and its ability to make payments or to comply with any covenants under any borrowings or other debt facilities Sports Properties obtains;

The growth or continuing importance of taxicabs located in the major metropolitan areas in which Sports Properties invests;

The level of Sports Properties' operating expenses, including amounts Sports Properties is required to pay to its management team;

Sports Properties' net realized gain or loss on the sale or other disposition of taxicab medallions; and

Changes in interest rates that could impact the market price of Sports Properties' common stock and the cost of its borrowings. Other factors include the possibility that the transactions contemplated by the Framework Agreement do not close, including due to the failure to receive required stockholder and warrant holder approvals, or the failure of other closing conditions.

Sports Properties cautions that the foregoing list of factors is not exclusive. Additional information concerning these and other risk factors is contained in Sports Properties' most recent filings with the SEC and in the definitive proxy statement to be used in connection with the transactions contemplated by the Framework Agreement, as described below. All subsequent written and oral forward-looking statements concerning Sports Properties, the Framework Agreement, the related transactions or other matters and attributable to Sports Properties or any person acting on its behalf are expressly qualified in their entirety by the cautionary statements above. Sports Properties cautions readers not to place undue reliance upon any forward-looking statements, which speak only as of the date made. Sports Properties does not undertake or accept any obligation or undertaking to release publicly any updates or revisions to any forward-looking statement to reflect any change in its expectations or any change in events, conditions or circumstances on which any such statement is based.
