3. Overview of Services Offered by the Two Securities Companies to be Established

MUMSS and MSMS will support clients' business activities in Japan and overseas by collaborating closely in many respects, leveraging each of their strengths and by combining MUFG's extensive client bases and MS's global reach.

(a) Various Services Provided to Corporate Clients

MUMSS's head office and branch offices will continue to be the service channel to meet various needs of corporate clients.

(b) Investment Banking Services for Corporate Clients

The investment banking division to be strengthened by the integration will become the service channel of the investment banking operation and provide comprehensive investment banking services to meet the needs of corporate clients.

*M&A Advisory Needs:* MUMSS will collaborate with MS to provide clients with strategic advice and outstanding execution services using global and advanced know-how of MS.

*Financings, Capital Raisings and Risk Management Needs:* MUMSS will collaborate with MSMS to provide optimal financing, capital raising and risk management proposals to its clients by leveraging MS's track record in the global markets and MUFG's know-how in the Japanese market. MUMSS, MSMS and MS will collaborate to assist the IR activities of clients, including outside Japan.

(c) Sales & Trading Services for Corporate and Institutional Investors

MUMSS and MSMS will each continue offering its sales & trading products and services to corporate and institutional clients, utilizing its own strength. There will be further collaboration, such as introducing by MUMSS of MS's products and services to corporate clients based on their needs.

(d) Services for Retail Customers.

For retail customers, MUMSS will expand products and services by utilizing, in addition to its own advice and proposals depending upon the clients' needs, know-how and expertise of MS and MSMS.
