Item 1.01 Entry into a Material Definitive Agreement.

On November 11, 2011, ADVENTRX Pharmaceuticals, Inc. (the Company) entered into an Underwriting Agreement (the Underwriting Agreement) with Rodman & Renshaw, LLC, as the underwriter (the Underwriter), relating to the sale and issuance (the Offering) by the Company in a public offering, underwritten on a firm commitment basis, of 21,250,000 shares of the Company's common stock, par value \$0.001 per share (Common Stock), and warrants to purchase up to 10,625,000 shares of the Common Stock issuable upon exercise of the warrants (Warrants). The securities will be sold in multiples of a fixed combination consisting of one share of Common Stock and a Warrant to purchase up to 0.5 of a share of Common Stock. The Warrants are exercisable at any time on or after their date of issuance, which will be the closing date of the Offering, and on or before the fifth anniversary of their date of issuance at an exercise price of \$1.10 per share. The shares of Common Stock and the Warrants being offered will be issued separately, but can only be purchased together in the fixed combination. Each fixed combination will be sold at a public offering price of \$0.80.

Under the terms of the Underwriting Agreement, the Company has also granted the Underwriter a 45-day over-allotment option to purchase up to an additional 3,187,500 shares of Common Stock and warrants to purchase up to an aggregate of 1,593,750 shares of Common Stock at the public offering price, less underwriting discounts and/or commissions, to cover over-allotments, if any. The net proceeds to the Company from the Offering are expected to be approximately \$15.7 million, after deducting underwriting discounts and/or commissions and estimated offering expenses payable by the Company, assuming no exercise by the Underwriter of its over-allotment option. The Company currently intends to use net proceeds of the Offering to fund continued development of its current lead product candidates and for general corporate purposes.

The transactions contemplated by the Underwriting Agreement are expected to close on or about November 16, 2011, subject to the satisfaction of customary closing conditions.

The Offering was made pursuant to the Company's shelf registration statement on Form S-3 (File No. 333-165691), which was declared effective by the Securities and Exchange Commission (the SEC) on April 1, 2010, and the base prospectus included therein, as supplemented by a final prospectus supplement (collectively, the Offering Prospectus) to be filed with the SEC pursuant to Rule 424(b) under the Securities Act of 1933, as amended (the Securities Act).

The Underwriting Agreement contains customary representations, warranties and agreements by the Company, customary conditions to closing, indemnification obligations of the Company and the Underwriter, including for liabilities under the Securities Act, other obligations of the parties and termination provisions.

Pursuant to the Underwriting Agreement, subject to certain exceptions, the Company and its directors and officers have agreed not to sell or otherwise dispose of any Common Stock or securities convertible or exercisable or exchangeable for Common Stock for a period ending 90 days after the date of the Underwriting Agreement without first obtaining the written consent of the Underwriter, subject to extension in certain circumstances described in the Underwriting Agreement.

The legal opinion, including the related consent, of DLA Piper LLP (US) is filed as Exhibit 5.1 to this Current Report.

Pursuant to the terms of the Underwriting Agreement, the Underwriter will receive an underwriting commission of 6.5% on the fixed combination price of \$0.80, or \$0.052 per fixed combination, for an aggregate commission of \$1,105,000, assuming no exercise by the Underwriter of its over-allotment option. The Company has also agreed to issue to the Underwriter and/or its designees warrants to purchase up to an aggregate of 1,062,500 shares of the Common Stock at an exercise price of \$1.00 per share, with an expiration date of April 1, 2015 (the Underwriter Warrants). Neither the Underwriter Warrants nor the Common Stock issuable upon exercise of the Underwriter Warrants are covered by the Offering Prospectus.

On November 11, 2011, the Company entered into a Warrant Agent Agreement (the Warrant Agent Agreement) with American Stock Transfer & Trust Company, LLC (the Transfer Agent), pursuant to which the Company engaged the Transfer Agent to act as registrar and transfer agent for the Warrants. The terms and conditions of the Warrants are set forth in the Warrant Agent Agreement and the form of Common Stock Purchase Warrant is attached as Exhibit A thereto. The Warrants will initially be issuable in book-entry registration only and evidenced by a global warrant certificate deposited with the Depository Trust Company or its nominee, which will be the sole registered holder of the Warrants.

The foregoing descriptions of the terms of the Underwriting Agreement, the Warrants and the Underwriter Warrants do not purport to be complete and are subject to, and qualified in their entirety by reference to, the Underwriting Agreement, the Warrant Agent Agreement and the form of Underwriter Warrant, which are filed herewith as Exhibits 1.1, 4.1 and 4.2, respectively, and are incorporated herein by reference. The provisions of the Underwriting Agreement, including the representations and warranties contained therein, are not for the benefit of any party other than the parties to such agreement and are not intended as a document for investors and the public to obtain factual information about the current state of affairs of the parties to that document. Rather, investors and the public should look to other disclosures contained in the Company's filings with the SEC.
