

INTERMOUNTAIN COMMUNITY BANCORP

Form 424B3

May 02, 2012

PROSPECTUS SUPPLEMENT NO. 2
(TO PROSPECTUS DATED May 2, 2012)

**FILED PURSUANT TO RULE 424(B)(3)
REGISTRATION NO. 333-180071**

INTERMOUNTAIN COMMUNITY BANCORP

8,700,000 SHARES OF COMMON STOCK

This prospectus supplement No. 2 supplements information contained in that certain prospectus dated April 23, 2012, (as subsequently amended or supplemented, the Prospectus) relating to the offer to shareholders of record on January 20, 2012 subscription rights to purchase up to 8,700,000 shares of common stock of Intermountain Community Bancorp.

This prospectus supplement includes a Rights Offering Slide Presentation dated May 2012 which Intermountain intends to use in presentations to its shareholders in connection with the Rights Offering.

The information contained in the Rights Offering Presentation included in this prospectus supplement is dated as of the date of such document. This prospectus supplement should be read in conjunction with the Prospectus that was previously delivered, except to the extent that the information in this prospectus supplement updates and supersedes the information contained in the Prospectus.

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of these securities or determined if this prospectus is truthful or complete. Any representation to the contrary is a criminal offense.

The date of this Prospectus Supplement is May 2, 2012

Disclosure

This presentation contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Such forward-looking statements may include but are not limited to statements about the Company's plans, objectives, expectations and intentions and other statements contained in this report that are not historical facts. These forward-looking statements are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are beyond the Company's control. Actual results may differ materially from the results discussed in these forward-looking statements because of numerous possible risks and uncertainties. These include but are not limited to the following and the other risks described in the Risk Factors, Business, and Management's Discussion and Analysis of Financial Condition and Results of Operations sections, as applicable, of the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2011; the possibility of adverse economic developments that may, among other things,

increase default and delinquency risks in the Company's loan portfolio; shifts in interest rates that may result in lower interest rate margins; shifts in the demand for the Company's loan and other products; a continued decline in the housing and real estate market; a continued increase in unemployment or sustained high levels of unemployment; changes in accounting policies; changes in the monetary and fiscal policies of the federal government; and changes in laws, regulations and the competitive environment. Readers are cautioned that forward-looking statements in this presentation speak only as of the date of this release. The Company does not undertake any obligation to update any forward-looking statement, whether as a result of new information, future events or otherwise.

No express or implied representations or warranties as to the accuracy or completeness of any of the information in this presentation are being made, and Intermountain expressly disclaims any and all liability for any errors or omissions herein or relating to or arising from the use of the information contained herein.

Capital
Purchase Program.
Use of Proceeds

The prospectus and other offering materials were issued to registered shareholders and to brokers on or about April 25, 2012. To invest, please read the prospectus and, if applicable, broker information carefully and follow the instructions contained therein.

Exercising shareholder rights

Rights to purchase up to 1.0324 common voting shares for each share owned as of the record date for the purchase price of \$1.00 per share. Rights are not transferable.

Basic Subscription Right

Backstop Commitment

If the offering is not fully subscribed, then certain of the investors who invested in the January capital raise are obligated to purchase additional shares at the \$1.00 offering price in a private placement, but are limited to the lower of the pro-rata shares needed to fully subscribe the \$8.7 million offering or certain regulatory restrictions on the percentage of shares they may own.

Company
Overview

State
of
Industry

Banking sector still recovering from financial crisis

Credit losses are decreasing

Companies facing net interest margin pressure

Low interest rates and keen competition for loans

Future liability interest rate deductions limited

Regulatory burden increasing

Pressure on non-interest income

Compliance cost burden

Significant pressure on small banks

Lower revenues, higher fixed costs

Older board and management teams

Industry bi-furcating into haves
and have nots
based on capital and adequate size

Consolidation beginning to pick up

9

Company Overview: Management Focus

Priorities over the past 3 years:

Credit quality

Problem loans below industry average and loss provisions down significantly (comparisons as of 12/31/11 1Q bank numbers show further improvement)

Non Performing Loans/Total Assets at 1.78% vs. peer group 2.78%

30-day delinquent at 0.27% vs. peer group 0.97%

Other Real Estate owned at 0.62% vs. peer group 0.82%

Capital

successfully raised net \$42.3 million in January

Regulatory capital ratios now among strongest in peer group

Liquidity

core deposit growth and capital raise

Non-interest bearing demand deposits comprise 27% of deposits at 3/31/12

Brokered and CDARs CDs only total 3.2% of deposits at 3/31/12

Operating expense reduction

Operating expense in 2011 was down \$11.3 million or 22.8% over 2009

Efforts continue -

1Q 2012 expense down \$1.4 million or 14.8% over 1Q 2011.

Restructuring for the future

Community-focused

Leaner operation

Scalability
