ITEM 2.02 Results of Operations and Financial Condition.

On August 6, 2012, Bristow Group Inc. (the "Company") issued a press release which summarized its financial results for the quarter ended June 30, 2012 (the "Financial Results"). This press release was issued in anticipation of a conference call and Q&A session starting at 10:00 a.m. ET (9:00 a.m. CT) on Tuesday, August 7, 2012, to review the Financial Results. A copy of the press release is furnished with this report as Exhibit 99.1, and is incorporated herein by reference.

The press release includes certain non-GAAP financial measures under Regulation G of the Securities Exchange Act of 1934 (the "Exchange Act"), including Adjusted EBITDAR. Adjusted EBITDAR is calculated by taking our net income and adjusting for interest expense, depreciation and amortization, rent expense, benefit (provision) for income taxes, gain (loss) on disposal of assets and special items, if any. Additionally, our operating income, net income and diluted earnings per share in this release have been presented in certain instances excluding gain (loss) on disposal of assets and special items detailed in the press release; these items are presented as adjusted operating income, adjusted net income and adjusted diluted earnings per share. Management believes that such non-GAAP financial measures are important metrics for evaluating our operating performance, and they provide investors with additional information that is not directly available in a GAAP presentation. Such non-GAAP financial measures are useful to investors as they eliminate items that are not a function of our current operating performance and affect our GAAP results regardless of performance. In addition, certain of these items may vary significantly from period to period and may have a disproportionate effect in a given period, which may affect the comparability of the results. Such non-GAAP measures should not be viewed as an alternative to our GAAP financial statements, but should be read as a supplement to, and in conjunction with, our GAAP financial statements.
