A Notice of Internet Availability of Proxy Materials, which we refer to as the notice will be mailed to our stockholders of record and beneficial owners (stockholders who own their stock through a nominee such as a bank or broker). The document will instruct stockholders on how to access the proxy materials on a secure website referred to in the notice or how to request printed copies.

In addition, by following the instructions in the notice, stockholders may request to receive proxy materials in printed form by mail or electronically by e-mail on an ongoing basis. Choosing to receive your future proxy materials by e-mail will save us the cost of printing and mailing documents to you. If you choose to receive future proxy materials by e-mail, you will receive an e-mail next year with instructions containing a link to those materials and a link to the proxy voting site. Your election to receive proxy materials by e-mail will remain in effect until you terminate it.

You should follow the instructions you receive from your nominee to vote these shares.

You may revoke your proxy at any time before it is voted at the meeting by:

properly executing and delivering a later-dated proxy (including a telephone or Internet proxy authorization);

voting by ballot at the meeting; or

sending a written notice of revocation to the inspector of election in care of the Corporate Secretary of the Company at the address listed above.

Unless so revoked, the shares represented by proxies will be voted at the meeting. The shares represented by the proxies solicited by our board of directors will be voted in accordance with the directions given therein, but if no direction is given, such shares will be voted (i) FOR the election of the two named director nominees as Class I directors, and (ii) FOR the ratification of the appointment of Deloitte & Touche LLP as the independent registered public accounting firm of the Company for the 2013 fiscal year.

Stockholders vote at the meeting by casting ballots (in person or by proxy) which are tabulated by a person who is appointed by the board of directors before the meeting to serve as inspector of election at the meeting and who has executed and verified an oath of office. The affirmative vote of (i) a plurality of the shares present at the meeting and entitled to vote on the subject matter is required to elect the two director nominees to the board of directors as Class I directors, (ii) a majority of the shares present at the meeting and entitled to vote on the subject matter is required to ratify the selection of Deloitte & Touche LLP as our independent registered public accounting firm for the 2013 fiscal year and (iii) a majority of the shares present at the meeting and entitled to vote on the subject matter is required to approve any other business which may properly come before the meeting. Abstentions and broker non-votes are included in the determination of the number of shares present at the meeting for quorum purposes. Abstentions will count as a vote against the proposals, other than for the election of directors. Abstentions will not have an effect on the election of directors because directors are elected by a plurality of the votes cast. Broker non-votes are not counted in the tabulations of the votes cast or present at the meeting and entitled to vote on any of the proposals and therefore will have no effect on the outcome of the proposals. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner.

On May 7, 2012, which we refer to as the *distribution date*, Carrols Restaurant Group, Inc., our former indirect parent company, which we refer to as *Carrols Restaurant Group*, completed the spin-off of Fiesta Restaurant Group from Carrols Restaurant Group in the form of a pro rata dividend of all of our issued and outstanding common stock to Carrols Restaurant Group's stockholders whereby each stockholder of Carrols Restaurant Group common stock of record on April 26, 2012, which we refer to as the *spin-off record date*, received one share of our common stock for every one share of Carrols Restaurant Group common stock held, which we refer to as the *spin-off*. As a result of the spin-off, we are an independent company whose common stock is traded on The NASDAQ Global Select Market under the symbol FRGI. Carrols Restaurant Group's common stock continues to trade on The NASDAQ Global Market under the symbol TAST.

Our principal executive offices are located at 14800 Landmark Boulevard, Suite 500, Addison, Texas 75254. The approximate date on which the Notice was first sent or given to stockholders was on or about April 25, 2013.

Information Regarding the Board of Directors and Committees

Family Relationships

There are no family relationships between any of our executive officers or directors.

Independence of Directors

During the fiscal year ended December 30, 2012, our board of directors met or acted by unanimous consent on ten occasions. During the fiscal year ended December 30, 2012, each of the directors attended at least 75% of the aggregate number of meetings of the board of directors and of any committees of the board of directors on which they served. We do not have a policy on attendance by directors at our annual meeting of stockholders. The Meeting on June 12, 2013 will be our first annual meeting of stockholders.

As required by the listing standards of NASDAQ, a majority of the members of our board of directors must qualify as independent, as affirmatively determined by our board of directors. Our board of directors determines director independence based on an analysis of such listing standards and all relevant securities and other laws and regulations regarding the definition of independent.

Consistent with these considerations, after review of all relevant transactions and relationships between each director, any of his or her family members, and us, our executive officers and our independent registered public accounting firm, the board of directors has affirmatively determined that a majority of our board of directors is comprised of independent directors. Our independent directors pursuant to NASDAQ are Ms. Rauch and Messrs. Friedman, Elker, Alperin, Daraviras and Smith.

Committees of the Board

The standing committees of our board of directors consist of an Audit Committee, a Compensation Committee, a Corporate Governance and Nominating Committee, and a Finance Committee. Our board of directors may also establish from time to time any other committees that it deems necessary or advisable.

Audit Committee

Our Audit Committee consists of Messrs. Elker, Smith and Alperin, with Mr. Elker serving as the Chairman of the Audit Committee. All three current members of the Audit Committee satisfy the independence requirements of Rule 10A-3 of the Securities Exchange Act of 1934, as amended, which we refer to as the *Exchange Act*, and Rule 5605 of the NASDAQ listing standards. Each member of our Audit Committee is financially literate. In addition, Mr. Elker serves as our Audit Committee financial expert within the meaning of Item 407 of Regulation S-K of the Securities Act of 1933, as amended, which we refer to as the *Securities Act*, and has the financial sophistication required under the NASDAQ listing standards. Our Audit Committee, among other things:

reviews our annual and interim financial statements and reports to be filed with the SEC;

monitors our financial reporting process and internal control system;

appoints and replaces our independent outside auditors from time to time, determines their compensation and other terms of engagement and oversees their work;

oversees the performance of our internal audit function;

conducts a review of all related party transactions for potential conflicts of interest and approves all such related party transactions;

establishes procedures for the receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters and the confidential anonymous submission by employees of concerns regarding questionable accounting or auditing matters; and

oversees our compliance with legal, ethical and regulatory matters.

The Audit Committee has the sole and direct responsibility for appointing, evaluating and retaining our independent registered public accounting firm and for overseeing their work. All audit services to be provided to us and all permissible non-audit services, other than de minimis non-audit services, to be provided to us by our independent registered public accounting firm are approved in advance by our Audit Committee. During the fiscal year ended December 30, 2012, the Audit Committee met or acted by unanimous consent on five occasions. The Audit Committee has adopted a formal written Audit Committee charter that complies with the requirements of the Exchange Act and the NASDAQ listing standards. Audit Committee Report

The Company's management has the primary responsibility for the financial statements and the reporting process, including the Company's system of internal controls and disclosure controls and procedures. The independent registered public accounting firm audits the Company's financial statements and expresses an opinion on the financial statements based on their audit. The Audit Committee oversees on behalf of the board (i) the accounting, financial reporting and internal control processes of the Company and (ii) the audits of the financial statements and internal controls of the Company. The Audit Committee operates under a written charter adopted by the board.

The Audit Committee reviews and approves the internal audit plan once a year and receives periodic updates of internal audit activity in meetings held at least quarterly throughout the year. Updates include discussions of audit project results, as well as quarterly assessments of internal controls.

The Audit Committee has met and held discussions with management and Deloitte & Touche LLP (*Deloitte*), the Company's independent registered public accounting firm. Management represented to the Audit Committee that the Company's financial statements for the year ended December 30, 2012 were prepared in accordance with generally accepted accounting principles. The Audit Committee discussed the financial statements with both management and Deloitte. The Audit Committee also discussed with Deloitte the matters required to be discussed by the statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1. AU section 380), as adopted by the Public Company Accounting Oversight Board (PCAOB). The Audit Committee also discussed with Deloitte the firm's independence from the Company and management, including the independent auditors' written disclosures required by Independent Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*) as adopted by the PCAOB.

The Audit Committee also discussed with Deloitte the overall scope and plans for the audit. The Audit Committee met with Deloitte both with and without management, to discuss the results of their examination, the evaluation of the Company's internal controls and the overall quality of the Company's financial reporting.

Management has completed its annual documentation, testing, and evaluation of the Company's system of internal control over financial reporting in response to the requirements set forth in Section 404 of the Sarbanes-Oxley Act of 2002 and related regulations. The Audit Committee continues to oversee the Company's efforts related to its internal controls.

Compensation Committee

Our Compensation Committee consists of Ms. Rauch, Mr. Friedman and Mr. Smith, with Ms. Rauch serving as the Chairperson of the Compensation Committee. All of these members of our Compensation Committee are independent as defined under Rule 5605 of the NASDAQ listing standards. The principal purpose of our Compensation Committee is to discharge the responsibilities of our board of directors relating to compensation of our executive officers and members of our board of directors. Our Compensation Committee, among other things:

provides oversight on the development and implementation of the compensation programs for our executive officers and outside directors and disclosure relating to these matters; and

reviews and approves the compensation of our Chief Executive Officer and the other executive officers of us and our subsidiaries. The Compensation Committee designs our executive compensation programs to enable us to attract, motivate, and retain qualified executives. The Compensation Committee seeks to determine programs that are competitive in the market place, reward the achievement of specific annual, long-term and strategic goals by us and align the interests of the executives with our stockholders by rewarding performance above established goals to increase stockholder value.

In August 2012, the Compensation Committee engaged the services of Pearl Meyer & Partners (PM&P), an outside independent compensation consultant, to assist it with the design of its executive compensation programs to be implemented in 2013. The role of PM&P in recommending executive compensation programs and the nature and scope of PM&P's assignment and the material elements and direction with respect to their engagement was determined by the Compensation Committee prior to commencement of the engagement.

In formulating its recommendations for the Compensation Committee, PM&P prepared analyses of external competitive compensation consisting of publicly traded U.S. companies with similar industry characteristics, revenues and market capitalization. PM&P also provided relevant analysis in order to evaluate the market positioning of key executive roles. PM&P also apprised the Compensation Committee of evolving corporate governance trends and best practices as they relate to executive compensation. While the recommendations of PM&P were incorporated into the determination of compensation programs by the Compensation Committee, the decisions made by the Compensation Committee are the responsibility of the Compensation Committee and reflect factors and considerations in addition to information and recommendations of PM&P.

In addition to input from the outside compensation consultant, the Compensation Committee engages in active discussions with the CEO in connection with their formulation of compensation programs and considers recommendations from the CEO regarding determinations of levels of compensation and performance targets, and well as evaluating the extent to which previous year criteria are achieved. Final determination of overall executive compensation and programs, however, is determined by the Compensation Committee. The Compensation Committee may form one or more subcommittees, each of which shall take such actions as shall be delegated by the Compensation Committee. The Compensation Committee has adopted a formal, written Compensation Committee charter that complies with SEC rules and regulations and the NASDAQ listing standards. During the fiscal year ended December 30, 2012, the Compensation Committee met or acted by unanimous consent on nine occasions. A copy of the Compensation Committee charter is available on the investor relations section of our website at www.frgi.com.

Corporate Governance and Nominating Committee

Our Corporate Governance and Nominating Committee consists of Ms. Rauch and Messrs. Friedman, Elker, Alperin, Daraviras and Smith, with Mr. Smith serving as the Chairman of the Corporate Governance and Nominating Committee. All of these members are independent as defined under Rule 5605 of the NASDAQ listing standards. Our Corporate Governance and Nominating Committee, among other things:

establishes criteria for board and committee membership and recommends to our board of directors proposed nominees for election to the board of directors and for membership on committees of the board of directors;

makes recommendations regarding proposals submitted by our stockholders; and

makes recommendations to our board of directors regarding corporate governance matters and practices.

The Corporate Governance and Nominating Committee has adopted a formal written Corporate Governance and Nominating Committee charter that complies with SEC rules and regulations and the NASDAQ listing standards. During the fiscal year ended December 30, 2012, the Corporate Governance and Nominating Committee met or acted by unanimous written consent on three occasions. A copy of the Corporate Governance and Nominating Committee charter is available on the investor relations section of our website at www.frgi.com.

Nominations For The Board Of Directors

The Corporate Governance and Nominating Committee of the board of directors considers director candidates based upon a number of qualifications. The qualifications for consideration as a director nominee vary according to the particular area of expertise being sought as a complement to the existing composition of the board. At a minimum, however, the Corporate Governance and Nominating Committee seeks candidates for director who possess:

the highest personal and professional ethics, integrity and values;

the ability to exercise sound judgment;

the ability to make independent analytical inquiries;

willingness and ability to devote adequate time, energy and resources to diligently perform board and board committee duties and responsibilities; and

a commitment to representing the long-term interests of the stockholders.

In addition to such minimum qualifications, the Corporate Governance and Nominating Committee takes into account the following factors when considering a potential director candidate:

whether the individual possesses specific industry expertise and familiarity with general issues affecting our business; and

whether the person would qualify as an independent director under SEC and NASDAQ rules.

The Corporate Governance and Nominating Committee has not adopted a specific diversity policy with respect to identifying nominees for director. However, the Corporate Governance and Nominating Committee takes into account the importance of diversified board membership in terms of the individuals involved and their various experiences and areas of expertise.

The Corporate Governance and Nominating Committee shall make every effort to ensure that the board and its committees include at least the required number of independent directors, as that term is defined by applicable standards promulgated by NASDAQ and/or the SEC. Backgrounds giving rise to actual or perceived conflicts of interest are undesirable. In addition, prior to nominating an existing director for re-election to the board, the Corporate Governance and Nominating Committee will consider and review such existing director's board and committee attendance and performance, independence, experience, skills and the contributions that the existing director brings to the board.

The Corporate Governance and Nominating Committee has not in the past relied upon third-party search firms to identify director candidates, but may employ such firms if so desired. The Corporate Governance and Nominating Committee generally relies upon, receives and reviews recommendations from a wide variety of contacts, including current executive officers, directors, community leaders, and stockholders as a source for potential director candidates. The board retains complete independence in making nominations for election to the board.

The Corporate Governance and Nominating Committee will consider qualified director candidates recommended by stockholders in compliance with our procedures and subject to applicable inquiries. The Corporate Governance and Nominating Committee's evaluation of candidates recommended by stockholders does not differ materially from its evaluation of candidates recommended from other sources. Pursuant to our amended and restated bylaws, as amended, any stockholder may recommend nominees for director not less than 90 days nor more than 120 days in advance of the anniversary date of the immediately preceding annual meeting of stockholders, by writing to Joseph A. Zirkman, Vice President, General Counsel and Secretary, Fiesta Restaurant Group, Inc., 14800 Landmark Boulevard, Suite 500, Addison, Texas 75254, giving the name, Company stockholdings and contact information of the person making the nomination, the candidate's name, address and other contact information, any direct or indirect holdings of our securities by the nominee, any information required to be disclosed about directors under applicable securities laws and/or stock exchange requirements, information regarding related party transactions with us, the nominee and/or the stockholder submitting the nomination, and any actual or potential conflicts of interest, the nominee's biographical data, current public and private company affiliations, employment history and qualifications and status as independent under applicable securities laws and/or stock exchange requirements. All of these communications will be reviewed by our Secretary and forwarded to Jack A. Smith, the Chairman of the Corporate Governance and Nominating Committee, for further review and consideration in accordance with this policy. Any such stockholder recommendation should be accompanied by a written statement from the candidate of his or her consent to be named as a candidate and, if nominated and elected, to serve as a director.

Finance Committee

Our Finance Committee consists of Messrs. Alperin and Daraviras with Mr. Alperin serving as Chairman of the Finance Committee. Lynn S. Schweinfurth, our Vice President, Chief Financial Officer and Treasurer, serves as a non-board advisor of the Finance Committee. Our Finance Committee, among other things:

reviews and provides guidance to our board of directors and management about policies relating to the Company's working capital; stockholder dividends and distributions; share repurchases; significant investments; capital and debt issuances; material financial strategies and strategic investments; and other transactions or financial issues that management desires to have reviewed by the Finance Committee; and

obtains or performs an annual evaluation of the Committee's performance and makes applicable recommendations to the board of directors.

A copy of the Finance Committee charter is available on the investor relations section of our website at www.frgi.com.

Board Leadership Structure and Role in Risk Oversight

Board Leadership

Our board of directors believes that our current model of separate individuals serving as Chairman of the board of directors and as Chief Executive Officer is the appropriate leadership structure for us at this time. The board of directors believes that each of the possible leadership structures for a board has its particular pros and cons, which must be considered in the context of the specific circumstances, culture and challenges facing a company, and that such consideration falls squarely on the shoulders of a company's board and necessitates a diversity of views and experiences. The board of directors has determined that having an independent director serve as Chairman of the board of directors is in the best interest of our stockholders at this time. This structure ensures a greater role for the independent directors in the oversight of Fiesta Restaurant Group, active participation of the independent directors in setting agendas and establishing the board of directors' priorities and procedures, including with respect to our corporate governance. Further, this structure permits the Chief Executive Officer to focus on the management of our day-to-day operations and the execution of our strategy, while at the same time participating in the establishment of such strategy in his capacity as an employee director.

Risk Oversight

Our board of directors believes that oversight of risk management is the responsibility of the full board, with support from its committees and senior management. The board of directors' principal responsibility in this area is to ensure that sufficient resources, with appropriate technical and managerial skills, are provided throughout the Company to identify, assess and facilitate processes and practices to address material risks. We believe that the current leadership structure enhances the board of directors' ability to fulfill this oversight responsibility, as the Chairman, with the support and input of the Chief Executive Officer, is able to focus the board's attention on the key risks facing us.

Some risks, particularly those relating to potential operating liabilities, the protection against physical loss or damage to our facilities, and the possibility of business interruption resulting from a large loss event, are contained and managed by legal contracts of insurance. Our insurance contracts are reviewed, managed and procured by our Risk Management and Legal departments along with our Chief Financial Officer to optimize their completeness and efficacy. Periodic presentations are made to the board to identify and discuss risks and the mitigation of risk and the board members, particularly the Audit Committee, assesses and oversees business risks as a component of their review of the business and financial activities of the Company.

Code of Ethics

We have adopted written codes of ethics applicable to our directors, officers and employees in accordance with the rules of the SEC and the NASDAQ listing standards. We make our codes of ethics available free of charge on the investor relations section of our website at www.frgi.com. We will disclose on our website amendments to or waivers from our codes of ethics in accordance with all applicable laws and regulations.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Spin-Off and Related Transactions

We and Carrols Restaurant Group have operated separately, each as independent public companies, since the completion of the spin-off on May 7, 2012. In order to govern the relationship between Carrols Restaurant Group and us after the spin-off and to provide mechanisms for an orderly transition, we and Carrols Restaurant Group entered into certain agreements which facilitated the spin-off, govern Carrols Restaurant Group's relationship with us after the spin-off and provide for the allocation of employee benefits, tax and other liabilities and obligations. The following is a summary of the terms of the material agreements that were entered into among Carrols Restaurant Group, Carrols Corporation or Carrols, our former direct parent company and a wholly-owned subsidiary of Carrols Restaurant Group, and us prior to the spin-off.

Separation and Distribution Agreement

The separation and distribution agreement, which we refer to as the *separation agreement*, dated as of April 24, 2012, among Carrols Restaurant Group, Carrols and us provides a framework for the relationship between Carrols Restaurant Group and us following the spin-off, requires cooperation between the parties to fulfill the terms of the spin-off and specifies the terms and conditions of the spin-off. The separation agreement provides that, except as otherwise provided in such agreement, we will assume all of the liabilities and perform all of the obligations arising under or relating to the operation of the Pollo Tropical and Taco Cabana businesses whether incurred before or after the spin-off. The separation agreement also contains certain mutual releases of liability and cross indemnification provisions customary for this type of transaction.

The Distribution. Among other things, the separation agreement required the parties to cause our Form 10 Registration Statement which registered our common stock under the Securities Exchange Act of 1934, as amended, to become effective, distribute the information statement, which was an exhibit to the Form 10 Registration Statement, to Carrols Restaurant Group's stockholders, take any necessary action under state securities laws and list our common stock on The NASDAQ Global Market. (Our common stock was approved for listing and is currently traded, on The NASDAQ Global Select Market.)

On April 19, 2012, we effected a 23,161.822 for one stock split to ensure that a sufficient number of shares of our common stock were available for the distribution by Carrols Restaurant Group to its stockholders. Prior to the distribution date, we issued to Carrols Restaurant Group, and Carrols Restaurant Group delivered to the distribution agent, a sufficient number of shares of our common stock for distribution to Carrols Restaurant Group's stockholders on the distribution date. On the distribution date, the record holders of Carrols Restaurant Group's common stock as of the spin-off record date received one share of our common stock for every one share of Carrols Restaurant Group common stock held by such holder.

Additional Covenants. Carrols is currently a guarantor under 38 Pollo Tropical and Taco Cabana restaurant property leases and the primary lessee on five Pollo Tropical restaurant property leases. The separation agreement provides that the parties will cooperate and use their commercially reasonable efforts to obtain the release of such guarantees. Unless and until any such guarantees are released, we agree to indemnify Carrols for any losses or liabilities or expenses that it may incur arising from or in connection with any such lease guarantees.

Carrols is currently a primary lessee of five Pollo Tropical restaurants which it subleases to our subsidiary. The separation agreement provides that the parties will cooperate and use their commercially reasonable efforts to cause us or our subsidiary to enter into a new master lease or individual leases with the lessor with respect to the Pollo Tropical restaurants where Carrols is currently a lessee. The separation agreement provides that until such new master lease or such individual leases are entered into, (i) Carrols will perform its obligations under the master lease for the five Pollo Tropical restaurants where it is a lessee and (ii) the parties will cooperate and use their commercially reasonable efforts to enter into with the lessor a non-disturbance agreement or similar

agreement which shall provide that we or one of our subsidiaries shall become the lessee under such master lease with respect to such Pollo Tropical restaurants and perform Carrols obligations under such master lease in the event of a breach or default by Carrols.

We, on the one hand, and Carrols Restaurant Group and Carrols, on the other hand, will provide each other with information (including, without limitation, corporate books and records) reasonably needed to comply with reporting, disclosure or filing requirements of governmental authorities; for use in judicial, regulatory, administrative and other proceedings or to satisfy audit, accounting, claims, regulatory litigation or similar requirements (other than claims or allegations that one party has against the other); to comply with obligations under the separation agreement and ancillary agreements; or other significant business purposes as mutually determined in good faith by the parties. Carrols Restaurant Group and Carrols, and us, will also provide further assurance to the other of execution and delivery of such other documentation as necessary or desirable to effect the purposes of the separation agreement.

We, on the one hand, and Carrols Restaurant Group and Carrols, on the other hand, have agreed to release each other and each other's respective directors, officers, members, managing members, agents and employees from all liabilities existing or arising from any acts or events occurring or failing to occur on or before the distribution date. These releases are subject to certain exceptions, including claims arising under the separation agreement and the ancillary agreements; any specified liabilities; any liability assumed by a party pursuant to the separation agreement; and liability for claims of third parties for which indemnification or contribution is available under the separation agreement.

Each of Carrols Restaurant Group and Carrols, on the one hand, and us, on the other hand, have agreed to indemnify the other party and the other party's respective affiliates, successors and assigns, stockholders, directors, officers, members, managing members, agents and employees against liabilities arising out of or resulting from the failure of the indemnifying party to perform or discharge liabilities for which it is responsible under the separation agreement; the business of such party; any liability contemplated to be assumed or retained by such party; any breach or failure to perform by such party of its obligations under the separation agreement or ancillary agreements; or any untrue statement or alleged untrue statement of a material fact or omission or alleged omission to state a material fact required to be stated or necessary to make the statements not misleading of such party in SEC filed registration statements or information statements. The amount of each party's indemnification obligations is subject to reduction by any insurance proceeds received by the party being indemnified. The separation agreement also specifies procedures with respect to claims subject to indemnification and related matters.

Subject to customary exceptions, the parties have agreed to hold in strict confidence and not to disclose without the other party's written consent, the confidential information of the other party. Each party has sole authority to determine whether to assert or waive attorney-client, work product or other privileges with respect to its own information.

The separation agreement provides for (i) tail insurance and the rights of the parties to report claims for occurrences prior to the separation and set forth procedures for the administration of insured claims and (ii) continuing indemnification provided for our officers, directors and employees under Carrols Restaurant Group's amended and restated certificate of incorporation and amended and restated by-laws, as amended, to the same extent as such persons were previously indemnified prior to the spin-off for acts and omissions occurring at or prior to the distribution date and rights to advancement of expenses relating thereto.

For a period of two years following the distribution date, the parties also agreed not to solicit, recruit or hire any person who is employed by the other party immediately after the distribution date or was employed by the other party at any time during the six month period prior to the distribution date.

Dispute Resolution. The dispute resolution procedures set forth in the separation agreement apply to all disputes, controversies and claims arising out of the separation agreement, the ancillary agreements, the

transactions that any of these agreements contemplate and the parties' commercial or economic relationship relating to the separation agreement or any ancillary agreement except as provided in the separation agreement.

Either party may commence the dispute resolution process by notice to the other party. The dispute notice, and the required written response of the other party, will set forth the position of the respective parties and a summary of their arguments. The parties will then attempt in good faith to resolve the dispute by negotiation between executives of each party who have authority to settle the dispute.

If for any reason the dispute is not resolved through mediation within 90 days of delivery of the dispute notice, then the dispute will be submitted to binding arbitration under the auspices of JAMS.

The parties are not required to negotiate a dispute before seeking relief from an arbitrator regarding a breach of any obligation of confidentiality or any claim where interim relief is sought to prevent serious and irreparable injury. However, the parties are required to make a good faith effort to negotiate the dispute while the arbitration proceeding is pending.

Tax Matters Agreement

The tax matters agreement, which we refer to as the *tax matters agreement*, dated as of April 24, 2012, among Carrols Restaurant Group, Carrols and us (1) governs the allocation of the tax assets and liabilities between Carrols Restaurant Group and Carrols and us, (2) provides for certain restrictions and indemnities in connection with the tax treatment of the spin-off and (3) addresses certain other tax related matters, including, without limitation, those relating to (a) the obligations of Carrols Restaurant Group, Carrols and us with respect to the preparation or filing of tax returns for all periods, and (b) the control of any income tax audits and any indemnities with respect thereto. The tax matters agreement provides that if we take any actions after Carrols Restaurant Group's distribution of our shares in the spin-off that result in or cause the distribution to be taxable to itself or Carrols Restaurant Group, we will be responsible under the tax matters agreement for any resulting taxes imposed on Carrols Restaurant Group or on Carrols or us. Similarly, the tax matters agreement provides that if Carrols Restaurant Group takes any such actions that result in or cause the distribution to be taxable to us or Carrols Restaurant Group, Carrols Restaurant Group will be responsible for such taxes. Further, the tax matters agreement provides that Carrols Restaurant Group and we will each be responsible for 50% of the losses and taxes of Carrols Restaurant Group and its affiliates and Fiesta Restaurant Group and its affiliates resulting from the spin-off not attributable to any such action of Carrols Restaurant Group or us.

Employee Matters Agreement

The employee matters agreement, which we refer to as the *employee matters agreement*, dated as of April 24, 2012, among Carrols Restaurant Group, Carrols and us provides for the transition of employee benefits arrangements and allocates responsibility for certain employee benefits matters on and after the spin-off, including, without limitation, the treatment of our existing welfare benefit plans, savings and retirement plans, equity-based plan and deferred compensation plan, and our establishment of new plans.

The employee matters agreement generally provides for the following:

On or prior to the distribution date, to the extent not previously transferred, certain officers and employees of Carrols Restaurant Group or Carrols that were expected to be employed primarily in Carrols Restaurant Group's business were transferred to us. Except as provided in the employee matters agreement, Carrols retained as of the distribution date all liabilities under the Carrols benefit plans.

Our employees who participated in an existing benefit plan of Carrols Restaurant Group or Carrols transferred participation to a comparable plan that Fiesta Restaurant Group established as contemplated by the employee matters agreement.

We provided Carrols Restaurant Group employees who became our employees with credit for all purposes, including eligibility, vesting, determination of benefit levels and benefit accruals, under any of our benefit programs, policies and plans that we established to the same extent as was recognized by Carrols Restaurant Group. We also credited these employees with the amount of accrued but unused vacation time and other time-off benefits.

Treatment of Carrols Restaurant Group Stock Based Awards. Employees of Carrols Restaurant Group, Carrols and its subsidiaries have been eligible to participate in Carrols Restaurant Group's 2006 Stock Incentive Plan, as amended, which we refer to as the Carrols plan. Under the Carrols plan, Carrols Restaurant Group's compensation committee granted certain stock-based awards, including shares of restricted common stock of Carrols Restaurant Group and stock options to purchase Carrols Restaurant Group common stock to employees and other eligible participants. The outstanding stock-based awards held by employees and other eligible participants of Carrols Restaurant Group, Carrols and its subsidiaries in connection with the spin-off were treated as set forth below. Pursuant to the employee matters agreement Carrols Restaurant Group has continued to maintain the Carrols plan after the completion of the spin-off, and we have established a separate stock incentive plan.

Stock Options. In connection with the spin-off and in accordance with the Carrols plan, all outstanding vested stock options under the Carrols plan were converted on March 5, 2012 into shares of Carrols Restaurant Group common stock using a conversion formula to preserve the intrinsic value of each option to the holder. As part of the spin-off, holders who received shares of Carrols Restaurant Group common stock upon the conversion of vested stock options under the Carrols plan received a distribution of one share of our common stock for one share of Carrols Restaurant Group common stock on the distribution date. On March 5, 2012, Carrols Restaurant Group issued 666,090 shares of Carrols Restaurant Group common stock upon the conversion of outstanding vested stock options under the Carrols plan, and therefore, an additional 666,090 shares of our common stock were issued and distributed on the distribution date.

In connection with the spin-off and in accordance with the Carrols plan, all outstanding unvested stock options under the Carrols plan were converted on March 5, 2012 into restricted shares of Carrols Restaurant Group common stock using a conversion formula to preserve the intrinsic value of each option to the holder. The time period of the restrictions on transferability of the restricted shares of Carrols Restaurant Group common stock issued upon the conversion of unvested stock options under the Carrols plan equal the remaining vesting period of such unvested stock options, and such restricted shares continue to be governed by the terms of the Carrols plan. As part of the spin-off, holders who received restricted shares of Carrols Restaurant Group common stock upon the conversion of unvested stock options under the Carrols plan received a distribution of one restricted share of our common stock for one restricted share of Carrols Restaurant Group common stock on the distribution date subject to the same terms and conditions applicable to the restricted shares of Carrols Restaurant Group common stock, including, but not limited to, the time period remaining on the restrictions on transfer and forfeiture provisions. Following the distribution date, (a) our employees and other eligible participants under the Carrols plan continue to hold restricted shares of Carrols Restaurant Group common stock subject to the terms of the Carrols plan and (b) Carrols Restaurant Group employees and other eligible participants under the Carrols plan continue to hold the restricted shares of our common stock received on the distribution date subject to the terms of the Carrols plan. On March 5, 2012, Carrols Restaurant Group issued 288,435 restricted shares of Carrols Restaurant Group common stock upon the conversion of unvested stock options under the Carrols plan, and therefore, 288,435 restricted shares of our common stock were issued and distributed on the distribution date.

Restricted Stock. In connection with the spin-off and in accordance with the Carrols plan, on the distribution date persons who held shares of Carrols Restaurant Group restricted common stock issued under the Carrols plan received restricted shares of our common stock subject to the same terms and conditions applicable to the restricted shares of Carrols Restaurant Group common stock, including, but not limited to, the time period remaining on the restrictions on transfer and forfeiture provisions. The restricted shares of our common stock received on the distribution date continue to be governed by the terms of the Carrols plan. Each holder of restricted shares of Carrols Restaurant Group common stock received a distribution of one share of our restricted common stock for each one share of Carrols Restaurant Group restricted common

stock held by such holder on the spin-off record date. Following the distribution date, (a) our employees and other eligible participants under the Carrols plan continue to hold restricted shares of Carrols Restaurant Group common stock subject to the terms of the Carrols plan and (b) Carrols Restaurant Group employees and other eligible participants under the Carrols plan continue to hold the restricted shares of our common stock received on the distribution date subject to the terms of the Carrols plan. On the distribution date, 434,400 restricted shares of Carrols Restaurant Group common stock issued under the Carrols plan, which includes the 288,435 restricted shares of Carrols Restaurant Group common stock issued upon the conversion of unvested stock options under the Carrols plan, were outstanding, and therefore, 434,400 restricted shares of our common stock were issued and distributed on the distribution date.

- (1) For the 2012 fiscal year, the Compensation Committee did not approve and adopt a formal bonus plan since the spin-off was not completed until May 2012. Consequently, bonuses for fiscal 2012 were determined at the discretion of the Compensation Committee, with input from the Chief Executive Officer, and were based on an individual's achievement of certain goals and objectives as well as our performance in fiscal 2012 as compared to fiscal 2011. Amounts include cash bonuses paid in fiscal year 2013 and 2012 with respect to services rendered in fiscal year 2012 and 2011, respectively.
- (2) The amounts shown represents the aggregate grant date fair value of restricted stock granted and approved by the Compensation Committee in each of the fiscal years presented and is consistent with the grant date fair value of the award computed in accordance with FASB ASC Topic 718. There were no forfeitures in 2012 by the Named Executive Officers. These amounts reflect the grant date fair value for these awards and do not correspond to the actual value that will be recognized by the executives. The actual value, if any, that an executive may realize will depend on the stock price at the date of vesting. These grants are included and discussed further in the tables included below under Outstanding Equity Awards at Fiscal Year-End.
- (3) These amounts represent the above-market portion of earnings on compensation deferred by the Named Executive Officers under our nonqualified Deferred Compensation Plan. Earnings on deferred compensation are considered to be above-market to the extent that the rate of interest exceeds 120% of the applicable federal long-term rate. At December 31, 2012 and 2011, 120% of the federal long-term rate was 2.85% and 3.37% per annum, respectively, and the interest rate paid to participants was 8% per annum.
- (4) Pursuant to the Taft Letter Agreement (as defined below), on June 8, 2012, the one month anniversary of the date that the shares of Fiesta Restaurant Group common stock began trading publicly, Mr. Taft received a grant of 165,563 shares of our restricted common stock (the Initial Grant) which equaled the aggregate value of \$2 million based upon the average trading price of our common stock for the first four weeks the shares of our common stock commenced trading publicly. The restricted shares of our common stock granted to Mr. Taft will vest over four years at the rate of 25% per annum beginning on the first anniversary of the date of grant and are subject to provisions of the Fiesta Plan. The Initial Grant was awarded as part of a single grant with approximately one-half of such grant intended as a sign on award and one-half intended to cover a portion, or \$250,000, of the aggregate value of the shares of restricted stock that may be granted for each of the 2013, 2014, 2015 and 2016 compensation years to Mr. Taft. Consequently, the aggregate value of any award of restricted stock that Mr. Taft has the potential to receive in each such compensation year will be reduced by \$250,000.
- (5) Ms. Schweinfurth was appointed Vice President, Chief Financial Officer and Treasurer of Fiesta Restaurant Group effective July 16 2012.
- (6) Represents a one-time sign on award of 50,000 shares of our restricted stock granted to Ms. Schweinfurth on July 16, 2012 in connection with her appointment as our Vice President, Chief Financial Officer and Treasurer. For a further discussion of such stock award, see Schweinfurth Letter Agreement below.
- (7) Mr. Tunnessen retired from Fiesta Restaurant Group on January 31, 2013.
- (8) Pursuant to an Executive Retirement Agreement dated as of September 28, 2012 between us and Mr. Tunnessen, the amount represents eleven months of Mr. Tunnessen's 2012 base salary payable six months and one day following January 31, 2013, the date of Mr. Tunnessen's retirement from Fiesta Restaurant Group. See Tunnessen Retirement Agreement below.

The Initial Grant was awarded as part of a single grant with approximately one-half of such grant intended as a sign on award and one-half intended to cover a portion, or \$250,000, of the aggregate value of the shares of restricted stock that may be granted for each of the 2013, 2014, 2015 and 2016 compensation years to Mr. Taft. Any bonus earned by Ms. Schweinfurth for 2012 will be pro-rated.

Pursuant to the Schweinfurth Letter Agreement, within 30 days of July 16, 2012, the date of Ms. Schweinfurth's commencement of employment with the Company, Ms. Schweinfurth received a one-time sign on grant of 50,000 shares of restricted common stock of the Company in connection with her appointment as our Vice President, Chief Financial Officer and Treasurer.
