Questions and Answers About the Annual Meeting and Voting

This Question and Answer section provides some background information and brief answers to several questions you might have about the enclosed proposals. We encourage you to read this Proxy Statement in its entirety.

What is a proxy?

A proxy is your legal designation of another person, called a proxy holder, to vote the shares that you own. If you designate someone as your proxy holder in a written document, that document is called a proxy.

When I vote my shares, whom am I designating as my proxy?

We have designated James F. Brashear, our Vice President, General Counsel and Corporate Secretary, and Michael W. English, our Chief Financial Officer, to act as proxy holders at the Annual Meeting as to all shares for which proxy cards are returned or voting instructions are provided by Internet or telephonic voting.

What is a proxy statement?

A proxy statement is a document that SEC regulations require us to give you when we ask you to sign a proxy card designating the proxy holders described above to vote on your behalf.

What is the record date?

The record date for the Annual Meeting is April 15, 2013. The record date is established by our Board of Directors as required by Texas law. Only shareholders of record at the close of business on the record date are entitled to receive notice of the Annual Meeting and to vote their shares at the meeting.

What is the difference between a shareholder of record and a shareholder who holds stock in street name, also called a beneficial owner ?

If your shares are registered in your name at our stock registrar and transfer agent, Computershare Trust Company, N.A., you are a shareholder of record.

If your shares are registered at our stock registrar and transfer agent, Computershare Trust Company, N.A., in the name of a broker, bank, trustee, nominee, or other similar shareholder of record, your shares are held in street name and you are the beneficial owner of the shares.

What methods can I use to vote?

By Written Proxy. All shareholders may vote by mailing the written proxy card.

By Telephone and Internet Proxy. All shareholders of record may vote by telephone from the U.S. using the toll-free telephone number on the proxy card, or by the Internet, using the procedures and instructions described on the proxy card and other enclosures. Street name holders may vote by telephone or the Internet if their bank, broker, or other shareholder of record makes those methods available, in which case the bank, broker, or other shareholder of record will enclose the instructions with the Proxy Statement. The telephone and Internet voting procedures, including the use of control numbers, are designed to authenticate shareholders' identities, to allow shareholders to vote their shares, and to confirm that their instructions have been properly recorded.

By In-Person Ballot. Shareholders of record and street name holders may vote in person at the Annual Meeting as described in the following question and answer.

How do I cast a ballot in person at the Annual Meeting?

Shareholders of Record. You will need to bring a government-issued photo identification card to obtain a ballot to vote in person at the Annual Meeting.

Table of Contents

Street Name Holders. You will need to ask your broker or bank for an admission ticket in the form of a legal proxy and you will need to bring the legal proxy with you to the meeting. If you do not receive the legal proxy in time, bring your most recent brokerage statement with you to the meeting. We can use that to verify your ownership of Common Stock and admit you to the meeting; however, you will not be able to vote your shares at the meeting without a legal proxy. You will also need to bring a government-issued photo identification card to obtain a ballot to vote in person at the Annual Meeting. Please note that if you own shares in street name and you are issued a legal proxy, any previously executed proxy will be revoked and your vote will not be counted unless you appear at the meeting and vote in person.

What will occur at the Annual Meeting?

First, we will determine whether we have a quorum of shares represented at the Annual Meeting to conduct business. If a quorum is not present at the Annual Meeting, we will adjourn or reschedule the meeting. If enough shares are represented at the Annual Meeting to conduct business, then we will vote on the proposals described in this Proxy Statement and any other business that is properly brought before the meeting and any adjournments or postponements thereof. We know of no other matters that will be presented for consideration at the Annual Meeting. If, however, other matters or proposals are presented and properly come before the meeting, the proxy holders intend to vote all proxies in accordance with their best judgment in the interest of Zix Corporation and our shareholders.

A representative of Whitley Penn LLP, our independent registered public accounting firm, is expected to be present at the Annual Meeting and will be afforded the opportunity to make a statement, if that representative so desires, and to respond to appropriate questions. A representative of Broadridge Financial Solutions, Inc. will count the votes and act as the independent inspector of election.

What is a quorum?

The holders of a majority of the shares who are entitled to vote at the Annual Meeting must be represented at the meeting in person or by proxy to have a quorum for the transaction of business at the meeting and to act on the matters specified in the notice. A shareholder will be deemed to be represented at the Annual Meeting if the shareholder:

Is present in person; or

Is not present in person, but has voted by proxy card before the Annual Meeting; or

Is not present in person, but a broker has cast for the shareholder a discretionary vote on Proposal 2.

As of the record date, there were 61,861,970 shares outstanding and entitled to vote at the Annual Meeting, held by or through 467 holders of record. Each share of our common stock is entitled to one vote. Our shareholders are entitled to cast an aggregate of 61,861,970 votes at the Annual Meeting, so a quorum equals 30,930,986 shares of our common stock.

What proposals are shareholders being asked to consider at the Annual Meeting?

At the Annual Meeting, we will ask our shareholders to consider and vote on the following:

Proposal 1 is to elect seven members of our Board of Directors for a one-year term;

Proposal 2 is to ratify the selection of Whitley Penn LLP as our independent registered public accountants for the fiscal year ending December 31, 2013;

Proposal 3 is a vote to approve, on an advisory basis, the compensation of our named executive officers; and

Edgar Filing: ZIX CORP - Form DEF 14A

Any other matters properly brought before the meeting or any adjournment or postponement thereof.

Table of Contents

What are my voting choices on Proposal 1 for director nominees?

For the vote on the election of the director nominees, shareholders may:

Vote in favor of all nominees;

Vote to withhold votes from all nominees; or

Vote to withhold votes as to specific nominees, and in favor of the remaining nominees.

What vote is needed to elect directors?

The seven nominees will be elected who receive a plurality of the FOR votes out of all votes cast (either FOR or WITHHELD) in person or by proxy at the Annual Meeting.

*The Board recommends that you vote **FOR** Proposal 1 and **FOR** each of the director nominees.*

What is a plurality of the votes?

In order to be elected, a director nominee does not have to receive a majority of FOR votes cast out of all votes cast either affirmatively or withheld in person or by proxy at the Annual Meeting. Instead, the seven nominees who will be elected are those seven who receive the most FOR votes of all the votes cast on Proposal 1 in person or by proxy at the meeting.

What are my voting choices on Proposal 2, the ratification of the appointment of Whitley Penn LLP as the Company's independent registered public accounting firm?

For the vote on the ratification of the appointment of our independent registered public accounting firm, shareholders may:

Vote in favor of the ratification;

Vote against the ratification; or

Abstain from voting on the ratification.

*Our Board recommends that you vote **FOR** Proposal 2.*

What vote is required to ratify the appointment of the Company's auditors?

The proposal to ratify the appointment of our independent registered public accounting firm requires the affirmative vote of a majority of the votes entitled to be cast affirmatively or negatively by the shares of stock present in person or by proxy at the Annual Meeting and entitled to vote thereon.

What are my voting choices on Proposal 3, the advisory vote to approve on executive compensation?

For the advisory vote on executive compensation, shareholders may:

Vote for approval on an advisory basis to approve the executive compensation;

Vote against the executive compensation advisory approval; or

Abstain from voting on the advisory proposal.

Our Board recommends that you vote FOR Proposal 3.

What vote is required for the advisory approval of the Company's executive compensation?

The Company's executive compensation will receive the advisory approval of the shareholders if the votes cast FOR the proposal are a majority of the votes entitled to be cast affirmatively or negatively by the shares of stock present in person or by proxy at the Annual Meeting and entitled to vote thereon.

Table of Contents

How often will the Company hold an advisory vote to approve executive compensation?

Our Board intends to hold an annual advisory vote for shareholders to approve the compensation of our named executive officers.

What if a shareholder does not specify a choice for a matter when returning a proxy?

Shareholders should specify their choice for each proposal described on the enclosed proxy card. Proxy cards that are signed and returned will be voted FOR proposals described in this proxy statement for which no specific instructions are given.

How are withheld votes, abstentions and broker non-votes counted?

Both abstentions and broker non-votes are counted as present for purposes of determining the existence of a quorum at the Annual Meeting. Shares voted WITHHELD as to a director nominee on Proposal 1 will count as votes against the indicated nominee.

Shares voted ABSTAIN on any of Proposals 2 and 3 will have the same effect as votes cast AGAINST that proposal. Broker non-votes will not be included in vote totals and will not affect the outcome of the vote on the proposals.

Why did I receive more than one Proxy Statement?

If you received more than one Proxy Statement, your shares are probably registered in different names or are in more than one account. Please vote each proxy card that you receive.

What if I want to change my vote?

You may revoke your vote on any proposal at any time before the Annual Meeting for any reason. To revoke your proxy before the meeting, write to Zix Corporation, Attention: Corporate Secretary, 2711 North Haskell Avenue, Suite 2200, LB 36, Dallas, Texas 75204-2960. You will need to include a copy of your earlier voted proxy and may be required to provide other information to facilitate the administrative steps actually required to properly revoke your prior proxy and properly record the revocation. You may also come to the Annual Meeting and change your vote in writing. You will need to bring a copy of your earlier voted proxy and may be required to provide other information to facilitate the administrative steps actually required to properly revoke your prior proxy and properly record the revocation.

Where will I find the voting results of the Annual Meeting?

We will announce the preliminary voting results at the Annual Meeting and will publish the preliminary or final voting results in a Current Report on Form 8-K that we will file with the SEC within four business days after the Annual Meeting. If the voting results are not final when that Current Report is filed, we will publish the final voting results in a Current Report on Form 8-K that we will file with the SEC within four business days after the final voting results are determined. You may request a copy of that Current Report at investor.zixcorp.com or by contacting our Investor Relations office at (214) 515-7357.

Where can I find additional information? Who can help answer my questions?

You should carefully review the entire Proxy Statement, which contains important information regarding the proposals, before voting. The section titled WHERE YOU CAN FIND MORE INFORMATION describes additional sources from which to obtain this Proxy Statement, our public filings under the Securities Exchange Act of 1934 and other information about our Company. Additionally, a copy of this Proxy Statement is available on our Company's website at investor.zixcorp.com.

PROXY STATEMENT

Annual Meeting of Shareholders

June 12, 2013

Information Concerning Solicitation And Voting

General

This Proxy Statement is furnished on behalf of the Board of Directors of Zix Corporation (we, us, our or the Company) to solicit proxies to be voted at the Annual Meeting of our Shareholders to be held on Wednesday, June 12, 2013, at 10:00 a.m. Central Time, and at any adjournment or postponement of the Annual Meeting for the purposes set forth herein and in the accompanying Notice of Annual Meeting of Shareholders.

Whether or not you personally attend, it is important that your shares be represented and voted at the Annual Meeting. Most shareholders have a choice of voting over the Internet, by using a toll-free telephone number, or by completing a proxy card and mailing it in the postage-paid envelope provided. Check your proxy card or the information forwarded by your bank, broker, or other shareholder of record to determine which voting options are available to you. Please be aware that if you vote over the Internet, you may incur costs such as telecommunication and Internet access charges for which you will be responsible. The Internet voting and telephone voting facilities for shareholders of record will be available until 11:59 p.m., local time, on June 11, 2013. This Proxy Statement and the accompanying proxy card were first mailed on or about May 3, 2013.

NO PERSON IS AUTHORIZED TO GIVE ANY INFORMATION OR TO MAKE ANY REPRESENTATIONS OTHER THAN THOSE CONTAINED IN THIS PROXY STATEMENT, AND, IF GIVEN OR MADE, THE INFORMATION OR REPRESENTATIONS MUST NOT BE RELIED UPON AS HAVING BEEN AUTHORIZED. THE DELIVERY OF THIS PROXY STATEMENT SHALL, UNDER NO CIRCUMSTANCES, CREATE ANY IMPLICATION THAT THERE HAS BEEN NO CHANGE IN OUR AFFAIRS SINCE THE DATE OF THIS PROXY STATEMENT.

Solicitation of Proxies

This solicitation is being made on behalf of our Board of Directors. We will bear the expense of the preparation, printing and distribution of the enclosed proxy card, Notice of Annual Meeting of Shareholders and this Proxy Statement, and any additional material relating to the Annual Meeting that may be furnished to our shareholders by our Board related to the furnishing of this Proxy Statement. We have engaged Georgeson Inc. to assist in the solicitation of proxy materials from shareholders at a fee of approximately \$7,500 plus reimbursement of reasonable out-of-pocket expenses. Proxies may also be solicited without additional compensation by our officers or employees by telephone, fax, e-mail, or personal interview. We will reimburse banks and brokers who hold shares in their name or custody, or in the name of nominees for others, for their out-of-pocket expenses incurred in forwarding copies of the proxy materials to those persons for whom they hold those shares. To obtain the necessary representation of shareholders at the Annual Meeting, supplementary solicitations may be made by mail, telephone, fax, e-mail, or personal interview by our officers or employees, without additional compensation, or by selected securities dealers. We anticipate that the cost of those supplementary solicitations, if any, will not be material.

Purpose of Annual Meeting

The purpose of the Annual Meeting is to obtain approval for the proposals described in this Proxy Statement and to consider any other business that may properly come before the Annual Meeting, including any adjournment or postponement thereof. At the meeting, we will ask shareholders to consider and vote on the following proposals:

Edgar Filing: ZIX CORP - Form DEF 14A

Proposal 1: elect seven members of our Board of Directors for a one-year term;

Proposal 2: ratify the appointment of Whitley Penn LLP as our independent registered public accountants for the fiscal year ending December 31, 2013; and

Table of Contents

Proposal 3: approve, on an advisory basis, the compensation of our named executive officers.

Record Date and Shares Outstanding

Only shareholders who owned shares of our common stock at the close of business on April 15, 2013, referred to in this Proxy Statement as the Record Date, are entitled to notice of, and to vote at, the Annual Meeting. As of the Record Date, 61,861,970 shares of our common stock were outstanding and entitled to vote at the Annual Meeting. Shareholders are entitled to one vote, in person or by proxy, for each share of common stock held in their name on the record date.

Quorum

A majority of the outstanding shares of our common stock entitled to vote at the Annual Meeting must be represented, in person or by proxy, at the Annual Meeting to constitute a quorum to conduct business at the meeting. As of the Record Date, there were 61,861,970 shares outstanding and entitled to vote at the Annual Meeting, so we will require a quorum of at least 30,930,986 shares represented at the Annual Meeting in order to conduct business at the meeting.

Revocability of Proxies

You may revoke your proxy at any time before it is exercised. Execution of the proxy will not affect your right to attend the Annual Meeting in person. Revocation may be made before the Annual Meeting by written revocation or through a duly executed proxy bearing a later date sent to Zix Corporation, Attention: Corporate Secretary, 2711 North Haskell Avenue, Suite 2200, LB 36, Dallas, Texas 75204-2960; or your proxy may be revoked personally at the Annual Meeting by written notice to the Secretary at the Annual Meeting before the voting of the proxy. Any revocation sent to the Company must include the shareholder's name and must be received before the Annual Meeting to be effective.

How Your Proxy Will Be Voted

In the absence of specific instructions to the contrary, shares represented by properly executed proxies received by the Company, including unmarked signed proxies, will be voted FOR each of the proposals that will be considered at the Annual Meeting. In addition, if any other matters properly come before the Annual Meeting the persons named as proxy holders in the enclosed proxy card will have discretion as to how they will vote the shares they represent. Other than the proposals described in this Proxy Statement, we have not received notice of any matters that may properly be presented at the Annual Meeting.

Dissenters' Rights

Under Texas law, shareholders are not entitled to dissenters' rights with respect to any of the proposals that will be considered at the Annual Meeting.

Tabulation of Votes

Votes cast at the Annual Meeting will be tabulated by a representative of Broadridge Financial Solutions, Inc. as the independent inspector of election.

Vote Required to Approve Proposals

Proposal 1

On Proposal 1, shares may either be voted FOR an individual director nominee or voted WITHHELD as to an individual director nominee. If a quorum is represented at the Annual Meeting, the seven nominees who receive the greatest number of FOR votes (also called a plurality of FOR votes) will be elected as directors. Brokers cannot cast discretionary votes in the election of directors, so you must instruct your broker how to vote your shares on Proposal 1. A vote WITHHELD as to any director effectively will be counted as a vote against the election of that director. In the election of directors, shareholders are not entitled to cumulate their votes or to vote for a greater number of persons than the number of nominees named in this Proxy Statement.

Table of Contents

Proposal 2

On Proposal 2, shares may either be voted FOR the ratification of the appointment of Whitley Penn LLP as the Company's independent auditors for the fiscal year ending December 31, 2013, or voted AGAINST that ratification, or voted to ABSTAIN. If a quorum is represented at the Annual Meeting, the approval of Proposal 2 would require the FOR vote of the holders of a majority of the shares entitled to vote on the proposal and represented in person or by proxy at the Annual meeting. Because votes to ABSTAIN are counted as shares represented at the meeting, they will have the same effect as votes AGAINST Proposal 2.

Proposal 3

On Proposal 3, shares may either be voted FOR the approval, on an advisory basis, of the compensation of our named executive officers, or voted AGAINST that advisory approval, or voted to ABSTAIN. If a quorum is represented at the Annual Meeting, approval of Proposal 3 requires the FOR vote of the holders of a majority of the shares entitled to vote on the proposal and represented in person or by proxy at the Annual Meeting. Broker non-votes will not be included in vote totals and will not affect the outcome of the vote on this proposal. Because votes to ABSTAIN are counted as shares represented at the meeting, they will have the same effect as votes AGAINST Proposal 3.

Other Matters

An affirmative vote of a majority of the shares represented at the Annual Meeting is generally required for action on any other matters that may properly come before the Annual Meeting.

Effect of Broker Non-Votes

If your shares are held in a brokerage account and you do not instruct your broker how to vote on a particular proposal, your brokerage firm could either:

Vote your shares on that proposal in the broker's discretion, if the rules permit; or

Leave your shares unvoted on that proposal.

A broker non-vote occurs when a broker or nominee holding shares for a beneficial owner does not vote on a particular proposal because the broker or nominee does not have the discretionary voting power with respect to that proposal and has not received instructions from the beneficial owner. Under applicable rules, brokers do not have discretionary authority to vote on Proposals 1 or 3, but they do have the discretionary authority to vote on Proposal 2.

Shareholders Proposals

If you would like to submit a proposal to be included in the Proxy Statement for the 2014 Annual Meeting of Shareholders next year, the submission must be in writing and received by us no later than January 3, 2014. Submissions of shareholder proposals after that date will be considered untimely for inclusion in the Proxy Statement and form of proxy for our 2014 Annual Meeting. A shareholder proposal that does not qualify under SEC Rule 14a-8 for inclusion in our Proxy Statement must be received by the Corporate Secretary at the principal executive offices of the Company no earlier than February 12, 2014 and no later than March 14, 2014.

All notices of proposals, whether or not to be included in our proxy materials, should be sent to our principal executive offices at Zix Corporation, Attention: Corporate Secretary, 2711 North Haskell Avenue, Suite 2200, LB 36, Dallas, Texas 75204-2960.

Reducing the Costs of Proxy Solicitation

To reduce the expenses of delivering duplicate proxy materials, we take advantage of the SEC's householding rules that permit us to deliver only one set of proxy materials to shareholders who share an address, unless otherwise requested. If you share an address with another shareholder and have received only one set of proxy materials, you may request a separate copy of these materials at no cost to you by contacting Zix Corporation, Attention: Corporate Secretary, 2711 North Haskell Avenue, Suite 2200, LB 36, Dallas, Texas 75204-2960 or (214) 370-2000. For future Annual Meetings, you may request separate voting materials, or request that we send

only one set of proxy materials to you if you are receiving multiple copies, by calling or writing to us at the phone number and address given above.

Shareholders of Record: If you vote on the Internet at www.proxyvote.com, simply follow the prompts for enrolling in the electronic proxy delivery service.

Beneficial Owners: If you hold your shares in a brokerage account, you also may have the opportunity to receive copies of these documents electronically. PROPOSAL 3 APPROVE, ON AN ADVISORY BASIS, THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (Dodd-Frank Act), enables the Company's shareholders to vote to approve, on an advisory (nonbinding) basis, the compensation of the Company's named executive officers. The Company seeks your advisory vote and asks that you support the compensation of the named executive officers as disclosed in this proxy statement. Our Board of Directors intends to conduct an annual advisory vote on the compensation of the Company's named executive officers.

As described in detail under COMPENSATION DISCUSSION AND ANALYSIS, our compensation programs are designed to motivate our executives to create a successful company. We believe that our compensation program, with its balance of short-term incentives and long-term incentives (including equity awards that vest over multiple years) rewards sustained performance that is aligned with long-term shareholder interests.

This proposal, commonly known as a say on pay proposal, gives the Company's shareholders the opportunity to express their views on the compensation of its named executive officers. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the Company's named executive officers described in this proxy statement.

Accordingly, the Board invites you to review carefully the Compensation Discussion and Analysis beginning on page 24 and the tabular and other disclosures on compensation under Executive Compensation beginning on page 31, and to cast a vote to approve the Company's executive compensation programs through the following resolution:

Resolved, that shareholders approve the compensation of the Company's named executive officers, as discussed and disclosed in the Compensation Discussion and Analysis, the executive compensation tables, and any narrative executive compensation disclosure contained in this proxy statement.

The say-on-pay vote is advisory, and therefore not binding on the Company, the Compensation Committee or the Board of Directors. The Board of Directors and Compensation Committee value the opinions of the Company's shareholders and to the extent there is any significant vote against the named executive officers compensation as disclosed in this proxy statement, the Board will consider the shareholders' concerns and the Compensation Committee will evaluate whether any actions are necessary to address those concerns, particularly in the event that there is a significant vote against the compensation of our named executive officers as disclosed in this proxy statement. Our Board intends to hold an annual advisory vote for shareholders to approve the compensation of our named executive officers.

OUR BOARD OF DIRECTORS RECOMMENDS

THAT YOU VOTE FOR PROPOSAL 3.

We are in compliance with corporate governance requirements, including those of the Sarbanes-Oxley Act of 2002, the Dodd-Frank Wall Street Reform and Consumer Protection Act, and the NASDAQ Listing Rules. We will continue to monitor our policies and procedures to ensure compliance with developing standards in the corporate governance area. Our Board has also designated our Corporate Secretary as the Company's Chief Governance Officer and looks to this officer to keep the Board informed of corporate governance matters.

Director Independence

Our Board has determined that all of our Board members other than Richard D. Spurr are independent as defined in the NASDAQ Listing Rules. The NASDAQ independence definition includes a series of objective tests, that the subject director is not an employee of the Company and has not engaged in various types of business dealings with the Company. In addition, as further required by the NASDAQ Listing Rules, our Board has made a subjective determination as to each independent director that no relationships exist which, in the opinion of our Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In determining whether Mr. Sanchez qualified as independent, our Board considered the fact that quite some time ago Mr. Sanchez served as an employee of the Company.

Board Leadership Structure

The Board believes that the independent oversight of management is an important function of an effective Board of Directors. The Board designated Robert C. Hausmann as Lead Independent Director and has adopted a written description of the authority, duties and roles of that position. Among other roles, the Lead Independent Director acts as an advisor to the CEO as to his relationship and communication with the Board, as the principal liaison between the independent members of the Board and the CEO, and as chair of regular private sessions of the independent members of the Board.

The independent members of our Board have determined that the most effective Board leadership structure for our Company at the present time is for the Chief Executive Officer to also serve as Chairman of the Board. The independent members of the Board believe that because the Chief Executive Officer is ultimately responsible for the day-to-day operation of the Company and for executing our strategy, and because the performance of the Company is an integral part of Board deliberations, the Chief Executive Officer is the director best qualified to act as Chairman of the Board. Richard D. Spurr currently serves as both our Chairman of the Board and Chief Executive Officer. The Board retains the authority to modify this structure.

Risk Oversight by the Board

Our management is responsible for assessing and managing the various risks our Company faces. Our Board is responsible for overseeing management in this effort. In exercising its oversight responsibilities, our Board has allocated some areas of focus to its standing committees. Specifically, our Audit Committee has oversight responsibility for financial and compliance risks, such as accounting, finance, internal controls, tax and other

Table of Contents

compliance matters, in addition to overseeing compliance with our Code of Conduct and Code of Ethics. Our Nominating and Corporate Governance Committee oversees succession management and compliance with our corporate governance principles. Our Compensation Committee is responsible for overseeing and monitoring our executive compensation programs and monitoring and assessing the interplay between those programs and risks in our business.

Throughout the year, our Chief Executive Officer, Chief Financial Officer and General Counsel and other officers review and discuss various risks with the Board and its committees. Our Board has also designated our General Counsel as the Company's Chief Compliance Officer and looks to this officer to keep the Board apprised of material developments with respect to the compliance-related risks that the Company faces, as well as the Company's efforts to manage those risks.

Political Activities and Contributions

The Company provides to policymakers, directly and by participating in business and industry associations, information and opinions on matters related to its business. The Company's activity in this respect is principally to offer comments on legislative or regulatory initiatives dealing with privacy or cyber security. The Company has no intention to directly use shareholder funds for advocacy in elections for any public office or to contribute shareholder funds to any third party for that purpose.

Attendance at Board Meetings and Annual Meeting

Our Board meets during the year to monitor our performance, review significant developments and act on matters requiring Board approval. Our Board met on thirteen occasions during 2012. Each of the current directors attended at least 75% of the aggregate of all meetings of our Board and its committees held in 2012 during periods in which that director served on the Board and those committees. Directors are encouraged to attend our Annual Meeting of Shareholders. All six of our then-current directors attended our 2012 Annual Meeting of Shareholders.

Committees of the Board of Directors

Our Board has three standing committees: Audit Committee, Compensation Committee, and Nominating and Corporate Governance Committee. These committees devote attention to specific subjects and to assist our Board in discharging its business and risk oversight and governance responsibilities. Each committee's charter is available on our website at www.zixcorp.com/company/corporate-governance.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee comprises Robert C. Hausmann (chair), Taher A. Elgamel and Antonio R. Sanchez III. Our Board has determined that each member of the Nominating and Corporate Governance Committee qualifies as independent in accordance with the NASDAQ Listing Rules. Under its charter, the committee's principal responsibilities include: establishing the criteria for nominating new directors, identifying suitable individuals under those criteria who are qualified to serve as directors; recommending to the Board nominees for election as directors; developing and recommending to the Board corporate governance principles or practices that the Committee believes should be adopted or implemented by the Company, the Board or its committees. The Nominating and Corporate Governance Committee presents qualified director candidate(s) to our Board as appropriate. There is no third party that we currently pay to assist in identifying or evaluating potential director nominees. The Nominating and Corporate Governance Committee met on five occasions during 2012.

Shareholder Nomination of Director Candidates

The Nominating and Corporate Governance Committee has a policy with respect to the consideration of director candidates recommended by shareholders. The Nominating and Corporate Governance Committee will consider director nominations suggested by shareholders, in accordance with the Committee's bylaws and the Director Nomination Process that is available on our website at www.zixcorp.com/company/corporate-governance.

A shareholder desiring to nominate a person for election to our Board must send a written notice to our principal executive offices at Zix Corporation, Attention: Corporate Secretary, 2711 North Haskell Avenue, Suite 2200, LB 36, Dallas, Texas 75204-2960. Shareholder nominations for the 2014 annual meeting must be received no earlier than February 12, 2014, and not later than March 14, 2014. The written notice must contain the information required by section 1.12 of our bylaws, including all information required to be disclosed in solicitations of proxies

for election of directors and as otherwise required pursuant to Regulation 14A under the Securities Exchange Act of 1934. The final selection of director nominees is within the sole discretion of our Board.

Diversity of Directors

The Board of Directors and the Nominating and Corporate Governance Committee believe that the Board should include directors with diversity of education, experience, skills, qualities, backgrounds and other attributes. The Board does not follow any ratio or formula to determine the appropriate mix of directors, but instead uses its judgment to identify nominees whose education, experience, skills, qualities, backgrounds and other attributes, taken as a whole, will contribute to the diversity of the Board.

Director Qualification Criteria

The criteria considered by the Nominating and Corporate Governance Committee and the Board of Directors in evaluating director candidates include characteristics such as the following:

Integrity

The candidate's ability to objectively analyze complex business problems and develop creative solutions.

The candidate's business and financial sophistication.

The candidate's availability and ability to participate in Board activities and fulfill the responsibilities of a director, including attendance at, and active participation in, meetings of the Board and its committees.

The candidate's ability to work well with the other directors and senior management of the Company.

The candidate's ability to meet the independence criteria that have been adopted by the Board.

Candidates who will serve on our Audit Committee must have the following additional characteristics:

The candidate must meet additional independence requirements in accordance with applicable rules and regulations.

The candidate must have the ability to read and understand fundamental financial statements, including a company's balance sheet, statement of operations and statement of cash flows.

At least one member of the Audit Committee must meet the requirements of an audit committee financial expert under SEC rules and regulations.

Other factors considered in candidates may include, but are not limited to, the following:

Edgar Filing: ZIX CORP - Form DEF 14A

The extent to which the candidate possesses pertinent technological, political, business, financial or social/cultural expertise and experience.

The extent of the candidate's commitment to increasing shareholder value.

The candidate's achievement in education, career and community.

The candidate's past or current service on boards of directors of public or private companies, charitable organizations and community organizations.

The extent of the candidate's familiarity with issues affecting the Company's business and industry.

The candidate's expected contribution to the Board's desired balance and diversity.

The Nominating and Corporate Governance Committee will evaluate a nominated candidate and, after consideration taking account of the Director Qualification Criteria described above, will determine whether or not to proceed with the candidate. These procedures have not been materially modified since our disclosure of these procedures in our proxy statement in connection with our 2012 Annual Meeting of Shareholders. These procedures do not create a contract between our Company, on the one hand, and a Company shareholder(s) or a candidate recommended by a shareholder(s), on the other hand. We reserve the right to change these procedures at any time, consistent with the requirements of applicable law, rules and regulations, and the discretion of our Board. There are no material differences in the procedures for evaluating new director nominees based on whether they are recommended by a security holder in or by our Board.

Audit Committee

Our Audit Committee is comprised of Maribess L. Miller (chair), Mark J. Bonney and Robert C. Hausmann. Our Board determined that all three members of the Audit Committee satisfy the independence and other requirements for audit committee membership required by the NASDAQ Listing Rules and the SEC, and that each has sufficient knowledge in reading and understanding our financial statements to serve on the Audit Committee. Our Board determined that Ms. Miller qualifies as an audit committee financial expert under SEC rules. Our Board determined that each of the other directors on the Audit Committee may also qualify as an audit committee financial expert under SEC rules, but our Board did not formally designate them as such.

Our Audit Committee oversees our financial reporting process, related controls and audit functions on behalf of our Board, pursuant to a written charter adopted by our Board that is available on our website at www.zixcorp.com/company/corporate-governance. The Audit Committee met on nine occasions during 2012.

Compensation Committee

Our Compensation Committee consists of Taher A. Elgamel (chair), Michael E. Dailey and Maribess L. Miller. Our Board has determined that each member of the Compensation Committee qualifies as independent in accordance with the NASDAQ Listing Rules. Our Board determines the compensation payable to our executives and directors and has established the Compensation Committee to assist it in compensation decisions. The Compensation Committee met on eight occasions during 2012.

The Compensation Committee operates under a written charter that is available on our website at www.zixcorp.com/company/corporate-governance. Under its charter, the Compensation Committee's primary responsibilities are to:

Establish and review the Company's overall management compensation philosophy and policies;

Directly review and approve corporate goals and objectives relevant to the compensation of the Company's CEO and other executive officers, including annual and long-term performance goals and objectives;

Evaluate the performance of the Company's CEO and other executive officers in light of those goals and objectives; and determine and approve the compensation of the CEO and other executive officers based on that evaluation, including incentive-based cash compensation and equity-based compensation;

Review and authorize any employment, compensation, benefit or severance agreement with any executive officer (and any amendments or modifications thereto);

Administer and oversee any equity-based or other compensation plan or program as to which the Board has delegated such responsibility to the Committee; and

Review and make recommendations to the Board with respect to the Company's overall director compensation philosophy and policies.

The Compensation Committee's charter provides that the Compensation Committee, in its sole discretion, has the authority to retain a compensation consultant. Paradox Compensation Advisors (Paradox), was retained directly by the Compensation Committee in 2012 to provide various advice to the Compensation Committee. In the Spring of 2012, the Compensation Committee engaged Paradox to prepare an executive compensation study with the following objectives:

Edgar Filing: ZIX CORP - Form DEF 14A

Analyze competitive market pay (base salary, bonus and long-term compensation) for the named executive officers and other direct reports of the CEO,

Determine appropriate executive pay components and, as necessary, revise the annual incentive plan and develop long-term incentive specifications and award opportunities, and

Table of Contents

Guide decisions regarding level and mix of pay (base salaries versus incentives) for key executive positions.

In the Fall of 2012, the Compensation Committee engaged Paradox to assess and evaluate the Company's Board compensation structure, with the following objectives:

Advise the Compensation Committee as to best practices for Board compensation in the Company's industry,

Assess the competitiveness of the Company's Board compensation, both in terms of type (equity versus cash) and amount, and

Implement a structure for 2013 that reflects both industry best practice and competitive data.

In April 2013, the Compensation Committee evaluated the independence of Paradox in light of new SEC rules and NASDAQ Listing Rules, which require consideration of the following factors:

Whether any other services are provided to the Company by the consultant;

The fees paid by the Company as a percentage of the consulting firm's total revenue;

The policies or procedures maintained by the consulting firm that are designed to prevent a conflict of interest;

Any business or personal relationships between the individual consultants involved in the engagement and a member of the Compensation Committee;

Any company stock owned by the individual consultants involved in the engagement; and

Any business or personal relationships between our executive officers and the consulting firm or the individual consultants involved in the engagement.

The Compensation Committee discussed these considerations and concluded that the engagement of Paradox and the services provided to the Compensation Committee by Paradox did not raise any conflict of interest.

Policies, Procedures, and Practices

Our processes and procedures for the consideration and determination of executive and director compensation are as follows:

Our Compensation Committee requests recommendations from the CEO with respect to the elements of compensation to be considered by the Compensation Committee and recommended by it to the independent directors on our Board for the members of management that are direct reports to the CEO;

Our Compensation Committee consults with and meets with the CEO as required to discuss his recommendations, meets in executive session, or discusses among themselves, as appropriate, in order to formulate a recommendation to the independent

directors on our Board;

Our Compensation Committee then makes a recommendation to the independent directors on our Board;

The independent directors on our Board consult and meet with the CEO and the members of the Compensation Committee as required to discuss the latter's recommendation, meet in executive session, or discuss among themselves, as appropriate, to reach a decision; and

The independent directors' decision is communicated to the CEO.

Table of Contents

As required by NASDAQ Listing Rules, the CEO does not participate in discussions or decisions regarding his own compensation.

For the consideration and determination of director compensation, our Board typically refers the matter to the Compensation Committee in order for it to review the matter and make a recommendation to the entire Board.

The Committee has the authority to create one or more subcommittees of two or more of its members. The Committee may delegate any of its responsibilities to a subcommittee of this Committee so long as such delegation is not otherwise inconsistent with law and applicable rules and regulations of the SEC and NASDAQ.

Compensation Committee Interlocks and Insider Participation

During 2012, the Compensation Committee was composed entirely of independent directors. None of the members of the Compensation Committee is or was, during 2012 or previously, an officer or employee of our Company or any of our subsidiaries and none had any relationship requiring disclosure under Item 404 of the SEC's Regulation S-K. During 2012, none of our executive officers served as a member of a Board of Directors or compensation committee of any other entity that had one or more executive officers serving as a member of our Board or Compensation Committee.

Communications with Directors

Shareholders interested in communicating with our Board of Directors may do so by writing to our executive offices at Zix Corporation, Attention: Corporate Secretary, 2711 North Haskell Avenue, Suite 2200, LB 36, Dallas, Texas 75204-2960. Our Corporate Secretary will review all shareholder communications. Those that appear to contain subject matter reasonably related to matters within the purview of our Board will be forwarded, as appropriate, to the Board, Committee or individual Board member.

Code of Ethics

We have a Code of Conduct and Code of Ethics, which applies to all of our employees, officers and directors, including our Chief Executive Officer and senior financial officials. It is available on our website at www.zixcorp.com/company/corporate-governance. The Code of Conduct and Code of Ethics affirms that we expect all directors and employees to uphold our standards of ethical behavior and compliance with the law and to avoid conflicts of interest between the Company and their personal and professional affairs. It establishes procedures for the confidential reporting of suspected violations of the Code of Conduct and Code of Ethics. It also sets forth procedures to receive, retain, and treat complaints received regarding accounting, internal accounting controls, auditing or compliance matters and to allow for the confidential and anonymous submission by employees of concerns regarding questionable accounting, auditing or compliance matters. Our Code of Conduct and Code of Ethics also addresses conflicts between the interests of our directors or officers and our Company or its shareholders. Any waiver of our Code of Conduct and Code of Ethics must be approved by the Board of Directors, or a committee of the Board of Directors, as applicable, and in compliance with applicable law. Any waiver of our Code of Conduct and Code of Ethics will be publicly disclosed by posting the waiver on our website at www.zixcorp.com/company/corporate-governance.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee oversees, pursuant to its charter adopted by the Board of Directors, the Company's internal controls over financial reporting. The Audit Committee also has the sole authority and responsibility to select, evaluate, compensate and replace our independent registered public accountants. The Company's independent registered public accounting firm is responsible for auditing the financial statements. The activities of the Audit Committee are in no way designed to supersede or alter those traditional responsibilities.

Management has the primary responsibility for our financial statements and our reporting process, including our systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed with management for inclusion in our 2012 Annual Report on Form 10-K, the audited consolidated financial statements of the Company, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the consolidated financial statements.

The Audit Committee has reviewed and discussed with management and the independent accounting firm, as appropriate, the audited financial statements and management's report on internal controls over financial reporting and the independent accounting firm's related opinions. The Audit Committee has discussed with the independent registered public accounting firm, Whitley Penn LLP, the required communications specified by auditing standards together with guidelines established by the SEC and the Sarbanes-Oxley Act.

The Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by the applicable requirements of the Public Company Accounting Oversight Board (including the matters required to be discussed by the statement on Auditing Standards No. 61, as amended, as adopted by the Public Company Accounting Oversight Board in Rule 3200T), regarding the independent registered

public accounting firm's communications with the Audit committee concerning independence, and has discussed with Whitley Penn LLP the firm's independence.

Based on the review and discussions referred to above, the Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for 2012 filing with the SEC.

Cash flow from operations for the full year ended December 31, 2012, was \$12.5 million. Cash and cash equivalents at 2012 year-end was \$23.0 million, despite \$9.0 million spent on share repurchases during 2012. This \$23.0 million is an increase of \$2.3 million compared to the ending cash balance for 2011. The first of these two new products, ZixDLP, an email data loss prevention solution, was launched in the first quarter of 2013. The second, a mobile device data protection solution, we expect to launch mid-2013. Including the incremental \$1.8 million expense relating to these new product development projects, we delivered \$0.17 of GAAP diluted earnings per share in 2012.

Executive Compensation Overview

A significant portion of the compensation of our named executive officers was directly affected in 2012 by our financial results and stock price, both in the amount of cash compensation earned and the value of outstanding long-term equity awards.

For 2012, compensation designed for our executive officers included:

Base salary

Short-term cash performance awards based, in part, upon achieving objective targets

Long-term equity in the form of stock options, restricted stock and restricted stock unit grants

The same group health and welfare benefit programs and tax-qualified retirement plans that are available to all of our employees.

General

The independent, non-employee directors on our Board, with the assistance of the Compensation Committee, administer the cash and non-cash compensation programs applicable to our executive officers.

The independent directors on our Board also make all decisions about executive officer compensation, with advice from the Compensation Committee and after discussion with our Chief Executive Officer as to his subordinates. Consistent with NASDAQ requirements, our Chief Executive Officer's compensation is determined solely by the independent directors, and the Chief Executive Officer does not participate in those

discussions or decisions. The independent directors have often refined compensation recommendations made by the Chief Executive Officer or the Compensation Committee.

During 2012, our executive officers were Richard D. Spurr, James F. Brashear, Michael W. English, Russell J. Morgan, and David J. Robertson (collectively, named executive officers, or NEOs). The compensation paid in

Table of Contents

2012 to our NEOs, as set forth below in the Summary Compensation Table, primarily consisted of base salary, stock options, restricted stock or restricted stock units, and an annual variable compensation award. NEOs also received partial match contributions to the Company-sponsored 401(k) plan (which we offer on a non-discriminatory basis to all 401(k) plan participants) and Company-funded life insurance benefits (which we offer on a non-discriminatory basis to all full-time employees). We have no non-qualified deferred compensation arrangements, defined benefit retirement plans or meaningful NEO perquisites.

Compensation Philosophy and Objectives

Our Board of Directors believes that an effective executive compensation program is one that, among other things, accomplishes the following goals:

Attracts and retains executives with the experience, skills, and knowledge that our Company seeks and requires;

Attracts and retains executives committed to achieving our goals;

Rewards the achievement of specific, objective performance metrics established by our Board; and

Motivates management to increase long-term shareholder value.

Our Board and Compensation Committee seek to implement and maintain a compensation plan for our executive officers that is fair, reasonable, and competitive, and that attracts and retains talented and qualified personnel. Our Board believes that equity awards supplement the cash base salary and motivate the recipient to work to achieve long term value for our shareholders. Our Board also believes that equity awards, variable compensation awards, and termination benefit agreements are crucial to recruiting (and retaining) the services of qualified and talented personnel.

Risk Considerations

The Board and Compensation Committee reviewed with management the design and operation of our compensation programs for all employees, including executive officers, for the purpose of determining whether such programs might encourage inappropriate risk-taking that could have a material adverse effect on the Company. After conducting its evaluation, the Compensation Committee concluded that the Company's compensation programs do not encourage employees to take risks that are reasonably likely to have a material adverse effect on the Company.

Role of Executive Officers in Compensation Decisions

Our Board, the Compensation Committee and our management each play a role in our compensation process. The Compensation Committee reviews and makes recommendations to our Board regarding our executive compensation practices, after which the Board makes the final determinations. The CEO does not participate in discussions or decisions about his own compensation. The matrix below sets forth, in general, our current practices regarding the authority level for determining certain compensation related matters. As shown, our Board delegates to our management the authority to make certain compensation related decision for employees who are not executive officers.

Competitive Market Information

In 2012, the Compensation Committee engaged Paradox to evaluate the Company's compensation for various selected positions, including the named executive officers, in order to assist the Compensation Committee in setting executive compensation that is market competitive. After consideration of company revenue and market capitalization of companies in the Company's technology industry segment, Paradox and the Compensation committee chose a group of 19 peer companies as compensation analysis comparators. This group consisted of the following companies:

Data from the compensation analysis peer group was evaluated with respect to base salary, actual total cash (base salary + last actual bonus), long-term incentive values, and total direct compensation (base salary + last actual bonus + total long-term incentive values).

Although comparisons varied by individual, on average Paradox considered the Company to have good positioning on total cash compensation for the named executive officers. While the data showed that total cash compensation was significantly below the median and mean for several positions, Paradox indicated that nine of the 19 companies in the compensation analysis peer group had low or no bonus awards, due to negative EBITDA. With positive EBITDA more consistently across the peer group, total cash compensation would have been expected to be higher.

However, the Company's total direct compensation for the named executive officers was significantly below median and mean, primarily due to lower-than-average long-term incentive awards. For example, for the CEO, total direct compensation was more than 25% below the median (50th percentile) of the compensation analysis peer group.

When evaluating the types of long-term incentive awards granted, Paradox recognized that a number of companies in the compensation analysis peer group had undergone initial public offerings relatively recently and did not necessarily have mature compensation design practices. Accordingly, when considering long-term incentive practices Paradox separately reviewed the compensation practices of a broader group of 23 companies in the industry, several of which were too large to include in the compensation analysis group (the industry practice comparators) and a select group of 10 additional companies recognized for having comprehensive, well-designed pay programs (the best practice comparators). These groups consisted of the following companies:

The analysis of practices among the industry practice comparators and the best practice comparators indicated, on average, such companies were granting a mix of both stock options and restricted stock awards to their executive officers.

Executive Officer Base Salaries and Compensation Comparisons

Our executive officers' salaries are, in general, established by (a) reference to each executive's position with our Company and (b) a subjective assessment of the cost to us of hiring executives with comparable experience and skills. For 2012, the Board also considered the executive compensation study prepared by Paradox. We believe this approach offers our executives, including our named executive officers, a reasonable base salary as subjectively determined by our Board following a recommendation by our CEO. The amount of compensation awarded to each of the executive officers relates primarily to the experience, responsibilities and performance of each executive officer, as well as to a subjective assessment of compensation paid by similar companies for comparable positions.

After consideration of these factors, Mr. Spurr's base salary was increased in January 2012 to \$330,000. In July of 2012 Mr. Robertson's base salary was increased to \$250,000 USD and Mr. English's base salary was increased to \$200,000.

Executive Officer Variable Compensation; Bonus

We believe that variable compensation, based on performance and achievement, is an important component of an executive's overall compensation package and helps to attract and retain executives with the skills, experience, and knowledge we seek. Furthermore, we believe a variable compensation element motivates the recipient to achieve financial and business objectives established by our Board and enables the recipient to share in the success of our business endeavors.

The Company's executive officers, other than executives whose primary function is sales, typically are eligible to receive awards under annual management variable compensation programs (VCP) approved by our Board. Each executive officer is provided a total variable compensation opportunity, with payment conditioned upon meeting objective performance metrics established by the Board. Achievement of the target performance, and payment of the associated variable compensation opportunity, is determined separately by the Board for each performance metric. Therefore, the Company need not meet all of the performance targets to pay variable compensation. For 2012, our Board approved VCPs with metrics based on four objective performance measures.

The 2012 VCP established award levels at 100 percent, 110 percent and 120 percent of the target for each of the four objective metrics. Each metric is given a 25% weighting. Note that payment may be, but is not necessarily, made in the year to which the metrics relate.

* Adjusted EBITDA and Adjusted EPS targets are based on detail budget information and are calculated by applying the same methodology used to determine the actual Adjusted EBITDA and Adjusted EPS reported quarterly in our earnings release. For a detailed description of how the Company uses non-GAAP metrics and arrived at Adjusted EBITDA and Adjusted EPS for the full year 2012, see our fourth quarter earnings release and Form 8-K dated February 19, 2013.

The table below sets forth the variable compensation amounts payable at 100% target achievement for our named executive officers under the 2012 VCP and the amounts actually paid.

Name	Year	Amount Payable at 100% Target Achievement ⁽¹⁾	Amount Actually Paid	Weighted Average Payout Percentage

Russell J. Morgan	2012	\$ 75,000	\$ 61,875	82.5%

(1) Payment for the 2012 VCP payment was made in December 2012 and in February 2013.

The target opportunity for variable compensation potentially payable to our executives who are exclusively or primarily sales executives was determined by Mr. Spurr. The target amount varies from year-to-year and is based on our specific sales goals (quota) for the year and quarter, as applicable, for the executive in question. The actual variable compensation paid to those executive is exclusively based on the achievement of the targeted sales goals. None of our NEOs participated in sales goals compensation programs.

Equity-based Awards

General

We historically have awarded stock options to our executives as a means of retaining and motivating them over the longer-term (and to attract potential executives to accept employment with us). Since our shareholders approved the Company's 2012 Incentive Plan, we have also awarded restricted stock to our executives based in the U.S., and restricted stock units to our executives based in Canada.

We have historically offered an equity compensation element to executive compensation for the following reasons:

Equity-based awards motivate the award recipient to work to achieve the financial and business metrics that our Board establishes from time-to-time because it enables the option recipient to share in the success of our Company's business as, if and when that success is reflected in our stock price.

Equity-based awards are crucial to recruiting and retaining the services of qualified and talented personnel (i.e., the award recipient).

We have no non-qualified deferred compensation arrangements and no defined benefit pension plans; accordingly, our Board believes that equity-based awards are a primary means by which our executives anticipate accumulating value for retirement. Equity awards, to the extent made, are made to our executive officers based on the following factors:

The importance of the individual's role to our Company;

The individual's experience, skills and/or knowledge in fulfilling that role;

The value of grants in employee retention and motivation for future performance;

An assessment of peer companies' equity-based compensation for similarly-situated executives; and

Achieving parity among our executive officers.

Policies and Practices

The Board generally considers and makes equity-based compensation grants to each of our executive officers on an annual basis. The Board generally grants equity awards in the first quarter of each year, following the public announcement of the Company's financial performance for the prior calendar year.

All stock options granted by the Company after 2009 have an exercise price equal to the market price of our common stock on the day of the grant. Before 2010, the Company granted some stock options with exercise prices higher than the market price of our common stock on the day of the grant. The Company expects that any stock options granted in the future would have an exercise price equal to the market price of our common stock on the day of the grant.

2012 Equity Awards

Edgar Filing: ZIX CORP - Form DEF 14A

The Board issued stock options to the named executive officers in March of 2012. As indicated above, the executive compensation study prepared by Paradox indicated that the Company's long-term incentive awards were below the average of the compensation analysis peer group and had been for several years. After consideration of the executive compensation study prepared by Paradox, the Board decided to grant additional awards in July of 2012, consisting of restricted stock awards and additional options. Mr. Morgan was granted restricted stock units, instead of restricted stock awards, because he is located in Canada.

Consideration of Last Year's Advisory Shareholder Vote on Executive Compensation

At the 2012 Annual Meeting of Shareholders, approximately 85.8% of the votes entitled to be cast affirmatively or negatively by the shares of stock present in person or by proxy at the Annual Meeting and entitled to vote thereon were voted to approve the compensation of the Company's named executive officers, as discussed and disclosed in the 2012 Proxy Statement. In considering the results of this advisory vote on executive compensation, the Compensation Committee concluded that the compensation paid to our named executive officers and the Company's overall pay practices enjoy strong stockholder support.

Table of Contents

In light of the stockholder support of the compensation paid to our named executive officers evidenced by the results of this advisory vote, the Board of Directors and the Compensation Committee have not made material changes to our executive compensation program for 2013. Going forward, future advisory votes on executive compensation will serve as an additional tool to guide the Board of Directors and the Compensation Committee in evaluating the alignment of the Company's executive compensation program with the interests of the Company and its stockholders.

Frequency of Advisory Shareholder Vote on Executive Compensation

At the 2011 Annual Meeting of Shareholders, our stockholders expressed a preference that advisory votes on executive compensation be held on an annual basis. Consistent with this preference, the Board of Directors determined to implement an advisory vote on executive compensation on an annual basis until the next required vote on the frequency of stockholder votes on the compensation of executive officers, which is scheduled to occur at the 2017 annual meeting.

Impact of Accounting and Tax Treatments of Compensation

The tax and accounting treatment of the salary compensation, variable compensation, stock options or stock awards paid or awarded to our executives generally is not a factor in determining the magnitude of compensation payable to our executives or the relative mix of these elements in their compensation packages.

We understand that compensation in excess of \$1,000,000 per year realized by any of our five most highly compensated executive officers is not deductible by us for federal income tax purposes unless the compensation arrangement complies with the requirements of Section 162(m) of the Internal Revenue Code of 1986, as amended. The independent directors retain authority under the VCP to adjust award levels in their discretion. We anticipate that none of our five most highly compensated executive officers would have annual compensation exceeding \$1,000,000, including any awards under the VCP. Thus, we do not expect our executive compensation programs to result in any disallowed compensation deduction in the ordinary course. Options granted to executives comply with the requirements of 162(m), other than the options granted to Mr. Spurr in connection with his hire in 2004, which were not granted under a shareholder-approved plan.

Equity Ownership Guidelines

We do not currently have stock ownership or equity award retention guidelines for our directors or executive officers.

Compensation Committee Report

The Compensation Committee has reviewed and discussed with management the foregoing Compensation Discussion and Analysis. Based on this review and discussion, the Compensation Committee has recommended to our Board that the Compensation Discussion and Analysis be included in our proxy statement for the 2012 Annual Meeting of Shareholders (and incorporated by reference into our 2012 Annual Report on Form 10-K).

Separation Payments and Change of Control Payments***General***

We have agreements with certain of our executive officers and other key executives which provide for payments to those executives if their employment is terminated under specified circumstances. The Board believes that these executive termination benefit agreements (ETBAs) encourage employee retention and were crucial to retention of senior executives in recent years. The Board also believes the benefits provided to executives under the ETBAs provide legal consideration supporting the enforceability of confidentiality, non-competition and non-solicitation obligations undertaken by our executives. These ETBAs, and the benefits potentially payable in certain scenarios, are summarized in the text and table below.

Termination Without Cause

Our ETBAs provide for the payment of a number of months base salary if the executive's employment is terminated other than for cause, as defined in the agreement. For Mr. Spurr, the termination payments equal 12 months base salary. For the other named executive officers with ETBAs, the termination payments vary with tenure with a minimum payment of 6 months base salary and a maximum of 12 months base salary. Payments are made over the number of months specified in the agreements and are conditioned upon the executive providing the Company a release of liability.

Resignation for Good Reason or a Change of Control Good Reason

In some cases, the ETBAs provide for the termination payments to be made to the affected executive upon a resignation for a change of control good reason or for a good reason, as defined in the agreements. The ETBAs do not permit any executive to resign voluntarily and receive severance payments, unless the resignation was for a good reason permitted by the agreement. Good reasons include, for example, a material diminution in the employee's authority, duties or responsibilities, a material diminution in the executive's base salary or a material change in the geographic location at which the employee must perform services. Severance payments are further conditioned upon the executive providing adequate notice to the Company affording it an opportunity to remedy the situation giving rise to the good reason.

Table of Contents**Accelerated Vesting of Equity-Based Awards**

Upon termination related to a change in control or upon an executive's termination without cause, all of that executive's unvested stock options, restricted stock and restricted stock units will immediately vest. The Board believes these vesting acceleration provisions encourage employee retention and in the case of a pending change in control transaction motivate the employee to exert efforts to see that the change in control transaction is consummated.

COBRA Payment

The Company will pay the cost of COBRA continuation of health benefits for twelve months for Mr. Spurr, 11 months for Mr. Robertson and 6 months for the other named executive officers upon a termination without cause, a resignation for a change of control good reason or for a resignation for good reason, as stated in the agreements.

Potential Payments

The table below summarizes the value of potential payments and benefits that our named executive officers would receive if they had terminated employment on December 31, 2012 under the circumstances shown, or if a change in control of the Company had occurred on December 31, 2012. The table excludes (1) amounts that would be paid in the normal course of continued employment, such as accrued but unpaid salary and earned annual bonus for 2012, and (2) vested account balances in our 401(k) Plan that are generally available to all of our employees. Actual amounts to be paid can only be determined at the time of such executive's termination of service.

Equity Compensation Plan Information

The following table provides information about our equity compensation arrangements that have been approved by our shareholders, as well as equity compensation arrangements that have not been approved by our shareholders, as of December 31, 2012:

Plan Category	Number of Securities to be Issued Upon Exercise of Outstanding Options, Warrants and Rights	Weighted-Average Exercise Price of Outstanding Options, Warrants and Rights	Number of Securities
			Remaining Available for Future Issuance Under Equity Compensation Plans (Excluding Securities Reflected in Column (a))
Equity compensation plans approved by shareholders	7,013,210	\$ 3.55	1,385,000
Equity compensation plans not approved by shareholders	784,566	\$ 10.14	0
Total	7,797,776	\$ 4.22	1,385,000

A description of the material terms of our equity arrangements that have not been approved by our shareholders follows:

Richard D. Spurr, Chairman and Chief Executive Officer

In February 2004, as part of his employment package, Mr. Spurr received options to acquire 650,000 shares of our common stock at an exercise price of \$10.80 per share. These options became fully vested in January 2007. As of December 31, 2012, all 650,000 options remained unexercised.

Other Non-Shareholder-Approved Stock Option Agreements With Employees

As of December 31, 2012, option grants to employees were outstanding covering 116,666 and 17,900 shares under our 2001 Employee Stock Option Plan and 2003 New Employee Stock Option Plan, respectively. The terms of these stock option plans and plan arrangements are substantially the same as the provisions of our 2004 Stock Option Plan. These options have exercise prices ranging from \$1.22 to \$11.00. The exercise price of all of these options was the fair market value of our common stock or greater on the date of grant, and the vesting periods ranged from immediately vested to vesting pro-rata over three years.

Non-Shareholder-Approved Stock Option Agreements With Third Parties

From time-to-time, we may grant stock options to advisory board members, consultants, contractors, and other third parties for services provided to our Company. At December 31, 2012, no options were outstanding under non-shareholder approved arrangements to non-employees.
