Item 7.01. Regulation FD Disclosure.

On September 10, 2013, Fibrocell Science, Inc. (the Company) posted the presentation attached as exhibit 99.1 on its web site. The presentation is incorporated by reference herein.

The information contained in Item 7.01 and Exhibit 99.1 to this report (i) is not to be considered filed under the Securities Exchange Act of 1934, as amended (the Exchange Act) and (ii) shall not be incorporated by reference into any previous or future filings made by or to be made by the Company with the Securities and Exchange Commission (SEC) under the Securities Act of 1933, as amended, or the Exchange Act.

The information contained in this report and the attached exhibit contains certain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. While management has based any forward-looking statements contained therein on its current expectations, the information on which such expectations were based may change. These forward-looking statements rely on a number of assumptions concerning future events and are subject to a number of risks, uncertainties, and other factors, many of which are outside of the Company s control, that could cause actual results to materially differ from such statements. Such risks, uncertainties, and other factors include, but are not necessarily limited to, those set forth under Item 1A

Risk Factors in the Company s Annual Report on Form 10-K for the year ended December 31, 2012, as updated in Item 1A. Risk Factors in the Company s Quarterly Reports on Form 10-Q filed since the annual report. The Company operates in a highly competitive and rapidly changing environment, thus new or unforeseen risks may arise. Accordingly, investors should not place any reliance on forward-looking statements as a prediction of actual results.
