Dear Stockholder:

The Board of Directors of Material Sciences Corporation ("MSC") has adopted, and MSC has entered into, an Agreement and Plan of Merger (the "Merger Agreement"), dated as of January 8, 2014, among MSC, Zink Acquisition Holdings Inc. ("Parent") and Zink Acquisition Merger Sub Inc. ("Merger Sub"), a wholly owned subsidiary of Parent, which provides for the merger of Merger Sub with and into MSC, with MSC surviving the merger as a wholly owned subsidiary of Parent (the "Surviving Entity"). Parent and Merger Sub are affiliates of New Star Metals Inc. If the Merger is completed, each share of MSC common stock that you own will be converted into the right to receive \$12.75 in cash, without interest and less applicable withholding taxes, unless you exercise and perfect your appraisal rights under the Delaware General Corporation Law as more fully described in the accompanying proxy statement.

You will be asked, at a special meeting of MSC's stockholders, to consider and vote on a proposal to adopt the Merger Agreement.

At the special meeting, you also will be asked to consider and vote upon a proposal to approve, by an advisory vote, the compensation that may be paid or become payable to or on behalf of MSC's named executive officers that is based on or otherwise relates to the Merger and the agreements and understandings pursuant to which such compensation may be paid or become payable, as disclosed in the accompanying proxy statement under the heading "The Merger: Interests of Executive Officers and Directors of MSC in the Merger; Executive Compensation that May Be Paid or Become Payable in Connection with the Merger."

You will also be asked to approve the adjournment of the special meeting, if necessary or appropriate, for the solicitation of additional proxies in the event that there are not sufficient votes at the time of the special meeting to adopt the Merger Agreement.

After careful consideration, our Board of Directors adopted the Merger Agreement and the transactions contemplated by the Merger Agreement and declared that the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement are advisable, fair to and in the best interests of MSC and its stockholders. **The Board of Directors of MSC unanimously recommends that you vote FOR adoption of the Merger Agreement, FOR approval, by non-binding advisory vote, of the compensation that may be paid or become payable to our named executive officers that is based on or otherwise relates to the Merger, and FOR the proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies.**

The proxy statement accompanying this letter provides you with information about the Merger and the special meeting of MSC's stockholders. MSC encourages you to read the entire proxy statement carefully, including the attached Annexes. You may also obtain more information about MSC from documents MSC has filed with the Securities and Exchange Commission.

This proxy statement is dated February 20, 2014, and is first being mailed to stockholders of MSC on or about February 21, 2014.

Your vote is important. Adoption of the Merger Agreement requires the affirmative vote of the holders of a majority of the outstanding shares of MSC common stock entitled to vote thereon. The failure of any stockholder to vote will have the same effect as a vote against adopting the Merger Agreement. Accordingly, whether or not you plan to attend the special meeting, you are requested to promptly vote your shares by completing, signing and dating the enclosed proxy card and returning it in the envelope provided, or by voting over the telephone or over the Internet as instructed in these materials. If you sign, date and mail your proxy card without indicating how you wish to vote, the shares represented by your properly signed proxy will be voted FOR adoption of the Merger Agreement, FOR

approval (on an advisory basis) of the executive compensation that may be paid or become payable in connection with the Merger and FOR adjourning the special meeting, if necessary or appropriate, to solicit additional proxies.

Table of Contents

If your shares of MSC common stock are held in street name by your bank, brokerage firm or other nominee, you should have received voting instructions with these materials from that organization. You should instruct such organization to vote your shares following the procedures they provided. Please note that if you are a beneficial owner and wish to vote in person at the special meeting, you must provide a legal proxy from your bank, brokerage firm or other nominee at the special meeting. Failure to instruct your bank, brokerage firm or other nominee to vote your shares will have the same effect as voting AGAINST the adoption of the Merger Agreement.

Voting by proxy will not prevent you from voting your shares in person if you subsequently choose to attend the special meeting.

If you have any questions or need assistance voting your shares of MSC common stock, please contact Morrow & Co., LLC, MSC's proxy solicitation agent, by calling toll-free at (800) 662-5200 or collect at (203) 658-9400, or e-mailing MASC.info@morrowco.com.

Thank you for your cooperation and continued support.

Sincerely,

JOHN P. REILLY

Non-Executive Chairman of the Board

("Parent") and Zink Acquisition Merger Sub Inc. ("Merger Sub"), a wholly owned subsidiary of Parent, as it may be amended from time to time (the "Merger Agreement"). 2. **Approval of Executive Compensation that May Be Paid or Become Payable in Connection with the Merger.** To consider and vote on a proposal to approve, by a non-binding advisory vote, the compensation that may be paid or become payable to or on behalf of MSC's named executive officers that is based on or otherwise relates to the Merger and the agreements and understandings pursuant to which such compensation may be paid or become payable, as disclosed in the accompanying proxy statement under the heading "The Merger: Interests of Executive Officers and Directors of MSC in the Merger; Executive Compensation that May Be Paid or Become Payable in Connection with the Merger" ;
3. **Adjournment of the Special Meeting.** To approve the adjournment of the special meeting or any adjournment or postponement thereof, if necessary or appropriate, for the solicitation of additional proxies in the event that there are not sufficient votes at the time of the special meeting to adopt the Merger Agreement; and

The Board of Directors of MSC unanimously recommends that you vote FOR adoption of the Merger Agreement, FOR approval, by non-binding advisory vote, of the compensation that may be paid or become payable to our named executive officers that is based on or otherwise relates to the Merger, and FOR adjourning the special meeting, if necessary or appropriate, to solicit additional proxies.

Edgar Filing: MATERIAL SCIENCES CORP - Form DEFM14A

Only stockholders of record at the close of business on February 18, 2014 are entitled to notice of and to vote at the special meeting and at any adjournment of the special meeting. A list of stockholders entitled to vote at the special meeting will be available for inspection by stockholders of record during business hours at MSC's principal executive offices located at 2200 East Pratt Boulevard, Elk Grove Village, Illinois 60007 for ten days prior to the date of the special meeting and will also be available at the special meeting. All stockholders of record are cordially invited to attend the special meeting in person. To ensure your representation at the meeting in case you cannot attend, you are urged to vote your shares by completing, signing, dating and returning the enclosed proxy card as promptly as possible in the postage prepaid envelope enclosed for that purpose or submitting your proxy by telephone or through the Internet in accordance with the instructions contained in the accompanying proxy statement under the heading Questions and Answers About the Merger How do I vote? Any stockholder attending the special meeting may vote in person even if he or she has returned or otherwise submitted a proxy card.

Table of Contents

Stockholders of MSC that do not vote in favor of adopting the Merger Agreement will have the right to seek appraisal of the fair value of their shares if the Merger is completed, but only if they submit a written demand for appraisal to MSC prior to the time the vote is taken on the Merger Agreement and comply with all other requirements of the Delaware General Corporation Law (DGCL). A copy of the applicable DGCL statutory provisions is included as Annex C to the accompanying proxy statement, and a summary of these provisions can be found under the heading Appraisal Rights in the accompanying proxy statement.

The adoption of the Merger Agreement requires the affirmative vote of the holders of a majority of the outstanding shares of MSC common stock entitled to vote thereon. The failure to vote will have the same effect as a vote against adopting the Merger Agreement. Even if you plan to attend the special meeting in person, please complete, sign, date and return the enclosed proxy or vote over the telephone or the Internet as instructed in these materials as promptly as possible to ensure that your shares will be represented at the special meeting if you are unable to attend. If you do attend the special meeting and wish to vote in person, you may withdraw your proxy and vote in person. If you sign, date and mail your proxy card without indicating how you wish to vote, the shares represented by your properly signed proxy will be voted FOR the adoption of the Merger Agreement, FOR the approval, by an advisory vote, of the executive compensation that may be paid or become payable in connection with the Merger, and FOR adjourning the special meeting, if necessary or appropriate, to solicit additional proxies. If you fail to return your proxy card, the effect will be that your shares will not be counted for purposes of determining whether a quorum is present at the special meeting and will effectively be counted as a vote against the adoption of the Merger Agreement.

If your shares of MSC common stock are held in street name by your bank, brokerage firm or other nominee, you should have received voting instructions with these materials from that organization. You should instruct such organization to vote your shares following the procedures they provided. Please note that if you are a beneficial owner and wish to vote in person at the special meeting, you must provide a legal proxy from your bank, brokerage firm or other nominee at the special meeting. Failure to instruct your bank, brokerage firm or other nominee to vote your shares will have the same effect as voting AGAINST the adoption of the Merger Agreement.

IF YOU PLAN TO ATTEND:

Please note that space limitations make it necessary to limit attendance to stockholders of MSC. Registration will begin at 9:00 a.m., local time, and seating will begin at 9:45 a.m., local time. Each stockholder may be asked to present valid picture identification, such as a driver's license or passport. Stockholders holding stock through a bank, brokerage firm or other nominee (street name holders) will need to bring a copy of the voting instruction card or a brokerage statement reflecting stock ownership as of the record date. Cameras, recording devices and certain other electronic devices will not be permitted at the meeting.

Stockholder Votes (see page 21)

You are being asked to vote to (i) adopt the Merger Agreement, pursuant to which MSC would be acquired by Parent; (ii) approve, by a non-binding advisory vote, the compensation that may be paid or become payable to or on behalf of MSC's named executive officers that is based on or otherwise relates to the Merger and the

Table of Contents

agreements and understandings pursuant to which such compensation may be paid or become payable; and (iii) approve the adjournment of the special meeting, if necessary or appropriate, for the solicitation of additional proxies in the event that there are not sufficient votes at the time of the special meeting to adopt the Merger Agreement. Adoption of the Merger Agreement requires the affirmative vote of the holders of a majority of the shares of MSC common stock outstanding at the close of business on the record date (the **Stockholder Approval**), as described herein. Approval of the executive compensation that may be paid or become payable in connection with the Merger and approval of the adjournment of the special meeting, if necessary or appropriate, for the solicitation of additional proxies in the event that there are not sufficient votes at the time of the special meeting to adopt the Merger Agreement each requires the affirmative vote of a majority of the shares of MSC common stock present in person or represented by proxy at the special meeting and entitled to vote thereon.

Price for Your Shares (see page 64)

Upon completion of the Merger, holders of shares of MSC common stock will receive \$12.75 per share in cash, without interest and less applicable withholding taxes (the **Per Share Merger Consideration**), other than shares held by stockholders who properly demand and perfect appraisal rights under the Delaware General Corporation Law (the **DGCL**).

Treatment of Equity Awards, Phantom Stock Units and the Employee Stock Purchase Plan (see page 64)

Options to purchase shares of MSC common stock, restricted stock and phantom stock units outstanding at the effective time of the Merger, and MSC's Employee Stock Purchase Plan, will be treated as follows under the Merger Agreement:

- **Stock Options.** Immediately prior to the effective time of the Merger, each outstanding stock option, whether or not vested, will become fully vested and exercisable and, at the effective time of the Merger, will be cancelled and converted into the right to receive a cash payment equal to the excess, if any, of \$12.75 over such option's exercise price. Each outstanding stock option that has an exercise price equal to or greater than \$12.75 will be cancelled without the right to receive any consideration.
- **Restricted Stock.** Immediately prior to the effective time of the Merger, each outstanding share of MSC restricted stock, whether or not vested, will become free of all restrictions, fully vested and transferable and, at the effective time of the Merger, other than shares held by stockholders who properly demand and perfect appraisal rights under the DGCL, will be cancelled and converted into the right to receive \$12.75 in cash, without interest and less applicable withholding taxes, under the same terms and conditions as apply to the receipt of the Per Share Merger Consideration by holders of shares of the Company's common stock generally.
- **Phantom Stock Units.** In connection with the consummation of the Merger, MSC is required to redeem each outstanding phantom stock unit held by members of the Board, in accordance with the terms of the grant agreements therefor, at the same \$12.75 Per Share Merger Consideration (without interest and less applicable withholding taxes) in cash payable to stockholders of MSC in the Merger.
- **Employee Stock Purchase Plan.** Pursuant to the Merger Agreement, the Company will take all action necessary to suspend or terminate the Material Sciences Corporation 2007 Employee Stock Purchase Plan (the **Stock Purchase Plan**), in accordance with the suspension and termination provisions of the Stock Purchase Plan, effective as of February 28, 2014 (i.e., the end of the current purchase period). Effective as of such suspension or termination, no additional purchase periods will commence, and no additional purchases of shares of MSC common stock will be permitted, under the Stock Purchase Plan.

Board Recommendation; Reasons for the Merger (see page 34)

Edgar Filing: MATERIAL SCIENCES CORP - Form DEFM14A

After consideration of various factors, including those described in the section titled "The Merger - Recommendation of the Board; Reasons for the Merger," the Board unanimously determined that it is advisable

Table of Contents

and in the best interests of MSC and its stockholders to consummate the Merger and the other transactions contemplated by the Merger Agreement, and unanimously recommends that stockholders vote **FOR** the proposal to adopt the Merger Agreement, **FOR** the approval, by a non-binding advisory vote, of the executive compensation that may be paid or become payable in connection with the Merger and **FOR** the proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies. In making this determination, the Board considered various factors described in the section titled The Merger The Recommendation of the Board; Reasons for the Merger.

In considering the recommendation of the Board with respect to the proposal to adopt the Merger Agreement, you should be aware that our directors and executive officers may have interests in the Merger that may be different from, or in addition to, yours. The Board was aware of and considered these interests, among other matters, in evaluating and negotiating the Merger Agreement and the Merger, and in recommending that the Merger Agreement be adopted by the stockholders of the Company. See the section titled The Merger Interests of Executive Officers and Directors of MSC in the Merger; Executive Compensation that May Be Paid or Become Payable in Connection with the Merger beginning on page 37.

Opinion of MSC's Financial Advisor (see page 45)

In connection with the Merger, the Company's financial advisor, Robert W. Baird & Co. Incorporated (Baird), delivered an oral opinion, subsequently confirmed in writing, to the Board, based upon and subject to the qualifications, limitations, procedures and assumptions stated in its written opinion and as of the date of the opinion, as to the fairness, from a financial point of view, to MSC's stockholders (other than Parent and its affiliates) of the Per Share Merger Consideration to be paid to those stockholders in the Merger.

The full text of the written opinion, which describes the assumptions made, procedures followed, factors considered and limitations on the review undertaken, is attached to this proxy statement as Annex B and is incorporated herein by reference. You should read the opinion carefully in its entirety. Baird's opinion was provided to the Board (solely in its capacity as the Board) in connection with its evaluation of the Per Share Merger Consideration from a financial point of view. Baird's opinion did not address any other aspects or implications of the Merger and did not constitute a recommendation to the Board, any holder of shares of MSC common stock or any other person as to how such person should vote or act with respect to the Merger Agreement or any other matter.

Financing (see page 56)

Parent and Merger Sub estimate that the total amount of funds necessary to pay the consideration under the Merger Agreement, and the fees and expenses related to the Merger, is approximately \$150 million. On January 8, 2014, New Star Metals Holdings LLC (New Star Holdings) entered into (i) a binding debt commitment letter, dated January 8, 2014, with GSO Capital Partners LP (the GSO Debt Commitment Letter), which provides for a \$160 million senior secured term loan facility for New Star Holdings, New Star and its subsidiaries, and (ii) a binding debt commitment letter, dated January 8, 2014, from PNC Bank, National Association (the PNC Debt Commitment Letter and, together with the GSO Debt Commitment Letter, the Debt Commitment Letters), which provides for a \$90 million senior secured revolving credit facility for New Star Holdings, New Star and its subsidiaries. The funding under each of the Debt Commitment Letters, which is subject to certain conditions, will be used to fund part of the cash consideration for the Merger and related fees and expenses. Also on January 8, 2014, Insight Equity II LP (Insight II) entered into a binding equity commitment letter with New Star (the Insight Equity Commitment Letter) pursuant to which Insight II committed to purchase, at or immediately prior to the consummation of the Merger, \$15 million of equity securities of New Star in the aggregate, and New Star entered into a binding equity commitment letter with Parent (the New Star Equity Commitment Letter and, together with the Insight Equity Commitment Letter, the

Table of Contents

Equity Commitment Letters) pursuant to which New Star committed to purchase, at or immediately prior to the consummation of the Merger, \$15 million of equity securities of Parent, in order to allow Parent to fund a portion of the aggregate consideration and to pay fees and expenses related to the Merger. Of the \$265 million to be raised under the Debt Commitment Letters and the Equity Commitment Letters, approximately \$85 million will be used to refinance existing indebtedness of Parent. Parent and Merger Sub have represented that, with the aggregate proceeds of this debt and equity financing, they will have sufficient funds at the closing of the Merger to fund the payment of the consideration for the Merger, and the fees and expenses related to the Merger. For a more complete description of Parent's financing for the Merger, see the section titled "The Merger - Financing."

The Special Meeting of MSC's Stockholders (see page 20)

- *Date, Time and Place.* The special meeting will be held at 10:00 a.m., local time, on March 20, 2014, at MSC's principal executive offices located at 2200 East Pratt Boulevard, Elk Grove Village, Illinois 60007.
- *Who Can Vote at the Meeting.* All stockholders of record of shares of MSC common stock as of the record date, which was the close of business on February 18, 2014, are entitled to receive notice of the special meeting or any adjournments of the special meeting. Each holder of MSC common stock will be entitled to cast one vote on each matter presented at the special meeting for each share of MSC common stock that such holder owned as of the record date. On the record date, there were 10,331,549 shares of MSC common stock outstanding. The presence, in person or by proxy, of holders of a majority of the outstanding shares of MSC common stock will constitute a quorum for purposes of the special meeting. Shares held in "street name" whose nominees are not provided with voting instructions by the beneficial owner (which we refer to as broker non-votes) will not be voted at the special meeting but will be counted as part of the quorum. If you own shares that are registered in the name of someone else, such as a broker, you need to direct that person to vote those shares or obtain an authorization from them and vote the shares yourself at the special meeting.
- *Vote Required.* The adoption of the Merger Agreement requires the affirmative vote of the holders of a majority of the shares of MSC common stock outstanding at the close of business on the record date described above. A failure to vote or a vote to abstain has the same effect as a vote AGAINST approval of the Merger Agreement. Each of Frank L. Hohmann III, a member of the Board, and Privet Fund LP and Privet Fund Management LLC (collectively, "Privet"), which collectively beneficially own shares of MSC's common stock representing approximately 19% of the outstanding shares, has entered into a voting agreement (each, a "Voting Agreement" and, collectively, the "Voting Agreements") with Parent. Pursuant to each Voting Agreement, the stockholder party thereto has agreed, among other things, to vote shares beneficially owned by such stockholder (and has granted Parent an irrevocable proxy with respect to such matters) in favor of the adoption of the Merger Agreement. Ryan J. Levenson, a member of the Board, is the managing member of Privet Fund Management LLC. Approval of the executive compensation that may be paid or become payable in connection with the Merger and approval of the adjournment of the special meeting, if necessary or appropriate, for the solicitation of additional proxies in the event that there are not sufficient votes at the time of the special meeting to adopt the Merger Agreement each requires the affirmative vote of a majority of the shares of MSC common stock present in person or represented by proxy at the special meeting and entitled to vote thereon. A failure to vote will have no effect on the proposal to approve the Merger-related executive compensation or the proposal to adjourn the special meeting, if necessary or appropriate, and a vote to abstain will have the same effect as a vote AGAINST such proposals.
- *Procedure for Voting.* You can vote shares you hold of record by attending the special meeting and voting in person, by mailing the enclosed proxy card, or by voting over the telephone or over the Internet in accordance with the instructions in the section titled "Questions and Answers About the

Table of Contents

Merger How do I vote? If you sign and return a proxy card without giving voting instructions, your shares will be voted FOR adoption of the Merger Agreement, FOR approval (on a non-binding advisory basis) of the executive compensation that may be paid or become payable in connection with the Merger and FOR adjourning the special meeting, if necessary or appropriate, to solicit additional proxies. If your shares of MSC common stock are held in street name by a bank, brokerage firm or other nominee, you should instruct your bank, broker or other nominee on how to vote your shares using the instructions provided by your bank, broker or other nominee. If you do not instruct your bank, broker or other nominee to vote your shares, your shares will not be voted.

How to Revoke Your Proxy. You may revoke your proxy at any time before the vote is taken at the special meeting. To revoke your proxy, you must either advise MSC's Corporate Secretary in writing, deliver a proxy dated after the date of the proxy you wish to revoke, or attend the meeting and vote your shares in person. Merely attending the special meeting will not constitute revocation of your proxy. If you have instructed your broker to vote your shares, you must follow the directions provided by your broker to change those instructions.

Procedure for Receiving the Per Share Merger Consideration (see page 65)

Parent will appoint a paying agent to coordinate the payment of the cash Per Share Merger Consideration in respect of shares of MSC common stock following the Merger. If you own shares of MSC common stock that are held in street name by your bank, brokerage firm or other nominee, you will receive instructions from your bank, brokerage firm or other nominee as to how to surrender your street name shares and receive cash for those shares. If you hold certificated shares, the paying agent will send you written instructions for surrendering your certificates and obtaining the cash Per Share Merger Consideration at or shortly after the date on which MSC completes the Merger. Do not send in your share certificates now.

Material U.S. Federal Income Tax Consequences of the Merger to U.S. Holders (see page 59)

The receipt of cash in exchange for MSC common stock will be a taxable transaction for U.S. federal income tax purposes and may also be taxable under applicable state, local, foreign or other tax laws. In general, U.S. holders of MSC common stock who receive cash in exchange for their shares pursuant to the Merger Agreement will recognize a gain or loss for U.S. federal income tax purposes equal to the difference, if any, between the holder's adjusted tax basis in the shares exchanged and the amount of cash received (determined before the deduction of any applicable withholding taxes). *Tax matters are very complex, and the tax consequences of the Merger to you will depend on the facts of your own situation. You are urged to read the discussion in the section titled "The Merger—Material U.S. Federal Income Tax Consequences of the Merger to U.S. Holders" beginning on page 59 and to consult your tax advisor as to the U.S. federal income tax consequences of the Merger, as well as the effects of state, local and non-U.S. tax laws or any other U.S. federal tax laws.*

Required Antitrust Approvals (see page 60)

Under the provisions of the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the "HSR Act"), the Merger may not be consummated until notification and report forms have been filed with the Antitrust Division of the U.S. Department of Justice (the "Antitrust Division") and the Federal Trade Commission (the "FTC") by Parent and MSC, and the applicable waiting period has expired or been terminated. Parent and MSC filed the notification and report forms under the HSR Act with the FTC and the Antitrust Division on January 23, 2014, and requested early termination of the waiting period. Termination of the waiting period was granted on February 10, 2014.

Parent and MSC have determined that the Merger does not require the filing of information with, or obtaining the approval of, antitrust or competition authorities under any foreign merger control statutes or regulations.

Solicitation of Other Offers (the "Go-Shop" Provision) (see page 72)

From the date of the Merger Agreement until 11:59 p.m. (Chicago time) on February 12, 2014 (the "Go-Shop Period"), MSC and its representatives were permitted to solicit or engage in discussions or negotiations with any third party regarding a proposal to acquire MSC or a significant interest in MSC, and to continue discussions or negotiations until 11:59 p.m. (Chicago time) on February 27, 2014, with any third party that made an acquisition proposal during the Go-Shop Period which MSC's Board of Directors determined constituted or could reasonably be expected to lead to a superior proposal (as defined in the section titled "The Merger Agreement - Other Acquisition Proposals"). MSC did not receive any alternative acquisition proposals during the Go-Shop Period.

Now that the Go-Shop Period has expired, the Merger Agreement contains restrictions on MSC's ability to solicit or engage in discussions or negotiations with any third party regarding a proposal to acquire MSC or a significant interest in MSC. Under certain limited circumstances, the Company may respond to an acquisition proposal that did not result from a breach of the non-solicitation provisions of the Merger Agreement and terminate the Merger Agreement to enter into an acquisition agreement with respect to a superior proposal. In the event that MSC terminates the Merger Agreement to enter into an acquisition agreement with respect to a superior proposal, MSC will be required to pay Parent a termination fee. See the section titled "The Merger Agreement - Termination Fees and Reimbursement of Expenses."

Conditions to the Merger (see page 77)

Each party's obligation to complete the Merger is subject to the satisfaction or waiver of various conditions, including the following:

- the approval of the Merger Agreement by MSC's stockholders;
- the expiration or termination of the waiting period under the HSR Act and under any other applicable antitrust law; and
- the absence of any injunctions or other legal prohibitions preventing the consummation of the Merger.

The obligation of Parent and Merger Sub to complete the Merger is subject to the satisfaction or their waiver of certain additional conditions, including the following:

- the accuracy of MSC's representations and warranties in the Merger Agreement to varying standards depending on the representation and warranty;
- MSC's performance of its obligations contained in the Merger Agreement in all material respects;

Edgar Filing: MATERIAL SCIENCES CORP - Form DEFM14A

- no Company Material Adverse Effect has occurred (as defined in the section titled The Merger Agreement Representations and Warranties); and
- the delivery to Parent of an officer s certificate from MSC confirming that the conditions described in the immediately preceding three bullets have been satisfied.

MSC s obligation to complete the Merger is subject to the satisfaction or its waiver of certain additional conditions, including the following:

- the accuracy of Parent s and Merger Sub s representations and warranties in the Merger Agreement, unless such inaccuracies, individually or in the aggregate, would not prevent, materially delay or materially impede the ability of Parent or Merger Sub to consummate the Merger and the other transactions contemplated by the Merger Agreement;

Table of Contents

- each of Parent's and Merger Sub's performance of its obligations contained in the Merger Agreement in all material respects; and
- the delivery to MSC of an officer's certificate from Parent confirming that the conditions described in the immediately preceding two bullets have been satisfied.

Termination of the Merger Agreement (see page 78)

The Merger Agreement can be terminated under certain circumstances, including:

- by mutual written consent of MSC and Parent;
- by either Parent or MSC, if:
 - the Merger has not been consummated on or before July 8, 2014;
 - the Stockholder Approval is not obtained at the special meeting or any postponement or adjournment thereof; or
 - there is an order permanently restraining, enjoining or otherwise prohibiting the consummation of the Merger.
- by MSC if:
 - MSC enters into an alternative acquisition agreement with respect to a superior proposal immediately prior to, or substantially concurrently with, the termination of the Merger Agreement, provided that MSC pays the applicable termination fee and complies with certain other requirements;
 - either of Parent or Merger Sub materially breaches or fails to perform any of its representations, warranties, covenants or agreements in the Merger Agreement such that the conditions to MSC's obligation to complete the Merger would not be satisfied, and such breach is not cured by Parent or Merger Sub within certain time periods;
 - a change of recommendation occurs (as described in the section titled "The Merger Agreement - Other Acquisition Proposals"), provided that MSC pays the applicable termination fee and complies with certain other requirements; or
 - if the Merger is not consummated within three business days after the conditions to the obligations of Parent and Merger Sub to complete the Merger have been satisfied.
- by Parent if:

Edgar Filing: MATERIAL SCIENCES CORP - Form DEFM14A

- a change of recommendation occurs, the Board approves, recommends or enters into an agreement with respect to another acquisition proposal, MSC breaches, in any material respect, the non-solicitation provisions (as described in The Merger Agreement Other Acquisition Proposals), MSC fails to include the Board recommendation in this proxy statement, the Board authorizes any of the foregoing or the Board fails to recommend against a tender offer within 10 business days after its public announcement or commencement;
- MSC materially breaches or fails to perform any of its representations, warranties, covenants or agreements in the Merger Agreement such that the conditions to Parent's and Merger Sub's obligations to complete the Merger would not be satisfied, and such breach is not cured within certain time periods; or
- there has been a Company Material Adverse Effect (as defined in the section titled The Merger Agreement Representations and Warranties).

Termination Fees and Expenses (see page 80)

Upon termination of the Merger Agreement under specified circumstances, including with respect to the Company's entry into an agreement with respect to a superior proposal, the Company will be required to pay Parent a termination fee of \$4.0 million, or \$2.5 million depending on the circumstances, or reimburse certain expenses of Parent up to \$1.25 million. The Merger Agreement also provides that Parent will be required to pay the Company a reverse termination fee of \$8.5 million under certain specified circumstances set forth in the Merger Agreement. See the section titled "The Merger Agreement – Termination Fees and Reimbursement of Expenses."

Interests of MSC's Directors and Executive Officers in the Merger (see page 37)

You should be aware that some of MSC's directors and executive officers have interests in the Merger that are different from, or are in addition to, the interests of MSC's stockholders generally. The Board was aware of and considered these interests, among other matters, in evaluating and negotiating the Merger Agreement, and in recommending that the Merger Agreement be adopted by our stockholders. These interests relate to, among other things, equity awards held by such persons; severance arrangements with MSC's executive officers; indemnification of MSC's directors and officers by the Surviving Corporation following the Merger; and the possibility of continuing employment of certain executive officers with the Surviving Corporation. For a more complete description of the interests of our directors and executive officers in the Merger, see "The Merger – Interests of Executive Officers and Directors of MSC in the Merger; Executive Compensation that May Be Paid or Become Payable in Connection with the Merger."

Appraisal Rights (see page 83)

If certain criteria are satisfied, the DGCL provides you with the right to seek an appraisal of your shares, provided that you perfect those rights in the manner provided for in the DGCL. This means that if you are not satisfied with the amount you are receiving in the Merger, you may be entitled to have the value of your shares determined by the Delaware Court of Chancery and to receive payment based on that valuation. The amount you ultimately receive as a dissenting stockholder in an appraisal proceeding may be more, the same as or less than the amount you would be entitled to receive under the terms of the Merger Agreement. Annex C to this proxy statement contains the full text of Section 262 of the DGCL, which relates to appraisal rights. Your failure to follow exactly the procedures specified under the DGCL may result in the loss of your appraisal rights. We encourage you to read these provisions carefully and in their entirety.

Shares Held by Directors and Executive Officers (see page 88)

As of the close of business on February 18, 2014, the directors and executive officers of MSC on such date were deemed to beneficially own an aggregate of 2,433,714 shares of MSC common stock, which represented approximately 22.8% of the shares of MSC common stock outstanding on that date. Beneficial ownership is determined in accordance with the rules of the Securities and Exchange Commission (the "SEC") as described in the section titled "Security Ownership of Certain Beneficial Owners and Management."

Delisting and Deregistration (see page 61)

Edgar Filing: MATERIAL SCIENCES CORP - Form DEFM14A

If the Merger is completed, MSC's common stock will be delisted from NASDAQ and deregistered under the Securities Exchange Act of 1934, as amended (the Exchange Act). As such, we would no longer file reports with the SEC on account of our common stock.

Table of Contents

MSC's Stock Price (see page 87)

Shares of MSC's common stock are listed on NASDAQ under the trading symbol MASC. On January 8, 2014, which was the last trading day before the announcement of the Merger, the closing price for MSC's common stock was \$11.22 per share. On February 18, 2014, which was the most recent practicable date before this proxy statement was mailed to stockholders, the closing price for MSC's common stock was \$12.74 per share.

QUESTIONS AND ANSWERS ABOUT THE MERGER

The following questions and answers address briefly some questions you may have regarding the special meeting and the proposed Merger. These questions and answers may not address all questions that may be important to you as a stockholder of MSC. Please refer to the more detailed information contained elsewhere in this proxy statement, including the Annexes and the documents we refer to or incorporate by reference in this proxy statement.

Q: Why am I receiving these materials?

A: You are receiving this proxy statement and the proxy card because you own shares of MSC common stock. The Board is providing these proxy materials to give you information for use in determining how to vote in connection with the special meeting.

The Merger and Related Transactions

Q: What is the proposed transaction?

A: The proposed transaction is the acquisition of MSC by Parent pursuant to the Merger Agreement. Once the Merger Agreement has been adopted by MSC's stockholders and the other closing conditions under the Merger Agreement have been satisfied or waived (other than those which, by their nature, are to be satisfied at the closing of the Merger), Merger Sub will merge with and into MSC. MSC will be the surviving corporation in the Merger and will become wholly owned by Parent. Parent and Merger Sub are affiliates of New Star. The Merger Agreement is attached as Annex A to this proxy statement.

Q: As an MSC stockholder, what will I receive in the Merger?

A: If the Merger is completed, you will be entitled to receive \$12.75 in cash, without interest and less applicable withholding taxes, for each share of MSC common stock that you own immediately prior to the effective time of the Merger, unless you exercise and perfect your appraisal rights under the DGCL.

Q: How are stock options and restricted stock treated in the Merger?

A: Immediately prior to the effective time of the Merger, each outstanding stock option, whether or not vested, will become fully vested and exercisable and, at the effective time of the Merger, will be cancelled and converted into the right to receive the option's spread value in cash (i.e., a cash payment equal to the excess, if any, of \$12.75 over such option's exercise price). Each outstanding stock option that has an exercise price equal to or greater than \$12.75 will be cancelled without the right to receive any cash payment or other consideration. Immediately prior to the effective time of the Merger, each outstanding share of MSC restricted stock, whether or not vested, will become free of all restrictions, fully vested and transferable and, at the effective time of the Merger, other than shares held by stockholders who properly demand and perfect appraisal rights under the DGCL, will be cancelled and converted into the right to receive \$12.75 in cash, without interest and less applicable withholding taxes under the same terms and conditions as apply to the receipt of the Per Share Merger Consideration by holders of shares of MSC's common stock generally.

Q: What happens if the Merger is not completed?

Edgar Filing: MATERIAL SCIENCES CORP - Form DEFM14A

- A: If the Merger Agreement is not adopted by MSC's stockholders or if the Merger is not completed for any other reason, you will not receive any payment for your shares of MSC common stock in connection with the Merger. Instead, MSC will remain a publicly traded company and its common stock will continue to be listed and traded on NASDAQ. The Merger Agreement contains certain termination rights for MSC and Parent. Upon termination of the Merger Agreement under specified circumstances, including with respect to the Company's entry into an agreement with respect to a superior proposal, the Company will be required

Table of Contents

to pay Parent a termination fee of \$4.0 million, or \$2.5 million depending on the circumstances, or reimburse certain expenses of Parent up to \$1.25 million. The Merger Agreement also provides that Parent will be required to pay the Company a reverse termination fee of \$8.5 million under certain specified circumstances set forth in the Merger Agreement. See The Merger Agreement Termination Fees and Reimbursement of Expenses.

Q: What effects will the Merger have on the Company?

A: Upon completion of the Merger, MSC will cease to be a publicly traded company and will be a wholly owned subsidiary of Parent. As a result, you will no longer have any monetary interest in our future performance. Following completion of the Merger, the registration of our common stock and our reporting obligations with respect to our common stock under the Exchange Act are expected to be terminated and shares of MSC's common stock will no longer be listed on NASDAQ.

Q: Is completion of the Merger subject to any conditions?

A: Yes. Consummation of the Merger is subject to customary conditions, including the approval of the Merger by the holders of a majority of the outstanding shares of common stock of the Company entitled to vote on the Merger and the expiration or termination of the waiting period applicable to the consummation of the Merger under the HSR Act. For a more complete description of the conditions that must be satisfied or waived prior to completion of the Merger, see the section titled The Merger Agreement Conditions to the Merger.

Q: What are the United States federal income tax consequences of the Merger to holders of MSC common stock?

A: The receipt of cash in exchange for MSC common stock will be a taxable transaction for U.S. federal income tax purposes and may also be taxable under applicable state, local, foreign or other tax laws. In general, U.S. holders of MSC common stock who receive cash in exchange for their shares pursuant to the Merger will recognize a gain or loss for U.S. federal income tax purposes equal to the difference, if any, between the holder's adjusted tax basis in the shares exchanged and the amount of cash received (determined before the deduction of any applicable withholding taxes). *Tax matters are very complex, and the tax consequences of the Merger to you will depend on the facts of your own situation. You are urged to read the discussion in the section titled The Merger Material U.S. Federal Income Tax Consequences of the Merger to U.S. Holders beginning on page 59 for a more detailed description of U.S. federal income tax consequences of the Merger and to consult your tax advisor as to the U.S. federal income tax consequences of the Merger, as well as the effects of state, local and non-U.S. tax laws or any other U.S. federal tax laws.*

Q: When do you expect the Merger to be completed?

A: MSC and Parent are working to complete the Merger as quickly as possible after the special meeting. However, the exact timing and likelihood of completion of the Merger cannot be predicted because the Merger is subject to certain conditions, including adoption of the Merger Agreement by our stockholders and receipt of regulatory approvals. Neither MSC nor Parent or Merger Sub is obligated to complete the Merger unless the applicable closing conditions in the Merger Agreement have been satisfied or waived. See The Merger Agreement Conditions to the Merger.

Q: Do any MSC directors or officers have interests in the Merger that may differ from or be in addition to my interests as a stockholder?

A: Yes. In considering the recommendation of the Board with respect to the adoption of the Merger Agreement, you should be aware that our directors and executive officers may have interests in the Merger that are different from, or in addition to, the interests of our stockholders generally. The Board was aware of

Table of Contents

and considered these interests, among other matters, in evaluating and negotiating the Merger Agreement and the Merger, and in recommending that the Merger Agreement be adopted by our stockholders. See *The Merger* Interests of Executive Officers and Directors of MSC in the Merger; Executive Compensation that May Be Paid or Become Payable in Connection with the Merger.

The Special Meeting

Q: Where and when is the special meeting?

A: The special meeting will take place at 10:00 a.m., local time, on March 20, 2014, at MSC's principal executive offices located at 2200 East Pratt Boulevard, Elk Grove Village, Illinois 60007.

Q: Who is eligible to vote?

A: Holders of MSC common stock as of the close of business on February 18, 2014, the record date for the special meeting, are eligible to vote.

Q: How many votes do MSC's stockholders have?

A: Each holder of MSC common stock has one vote for each share of MSC common stock that such holder owned at the close of business on February 18, 2014, the record date for the special meeting. As of the record date for the special meeting, 10,331,549 shares of MSC common stock were issued and outstanding.

Q: What vote of MSC's stockholders is required to approve the Merger Agreement and the other matters being decided at the special meeting?

A: The following are the vote requirements for the proposals:

- *Adoption of the Merger Agreement.* In order to complete the Merger, holders of a majority of the outstanding shares of MSC common stock entitled to vote thereon must vote FOR the adoption of the Merger Agreement.

Because the affirmative vote required to approve the proposal to adopt the Merger Agreement is based upon the total number of outstanding shares of MSC common stock, if you fail to submit a proxy or vote in person at the special meeting, or abstain, or if your shares are held in street name and you do not provide your bank, brokerage firm or other nominee with voting instructions on the proposal, as applicable, this will have the same effect as a vote AGAINST the proposal to adopt the Merger Agreement.

- *Advisory vote approving the executive compensation that may be paid or become payable in connection with the Merger.*

In order to approve, by an advisory (non-binding) vote, the executive compensation that may be paid or become payable in connection with the Merger, holders of a majority of the shares present in person or represented by proxy at the special meeting and entitled to vote thereon must vote FOR the approval, by an advisory (non-binding) vote, of the executive compensation that may be paid or become payable in connection with the Merger.

If you fail to submit a proxy or vote in person at the special meeting, or if your shares are held in street name and you do not provide your bank, brokerage firm or other nominee with voting instructions on the issue, as applicable, the shares of MSC common stock held by you or your broker will not be counted in respect of, and will not have an effect on, the proposal to approve the executive compensation that may be paid or become payable in connection with the Merger. If you abstain, the shares of MSC common stock held by you will have the same effect as a vote against the proposal to approve the executive compensation that may be paid or become payable in connection with the Merger.

Table of Contents

- *Adjournment (if necessary)*. The affirmative vote of the holders of a majority of the shares present in person or represented by proxy at the special meeting and entitled to vote thereon will be required to approve the adjournment of the special meeting, if necessary or appropriate, to solicit additional proxies.

If you fail to submit a proxy or vote in person at the special meeting, or if your shares are held in street name and you do not provide your bank, brokerage firm or other nominee with voting instructions on the issue, as applicable, the shares of MSC common stock held by you or your broker will not be counted in respect of, and will not have an effect on, the proposal to adjourn the special meeting. If you abstain, the shares of MSC common stock held by you or your broker will have the same effect as a vote against the proposal to adjourn the special meeting.

Q: Why am I being asked to cast an advisory (non-binding) vote to approve the executive compensation that may be paid or become payable in connection with the Merger?

A: The SEC has adopted rules that require MSC to seek an advisory (non-binding) vote with respect to certain payments that may be paid or become payable to MSC's named executive officers in connection with the Merger.

Q: What will happen if the stockholders do not approve the executive compensation that may be paid or become payable in connection with the Merger?

A: Approval of the executive compensation that may be paid or become payable in connection with the Merger is not a condition to the completion of the Merger. The vote with respect to the executive compensation that may be paid or become payable in connection with the Merger is an advisory vote and will not be binding on MSC. Therefore, if the other requisite stockholder approvals are obtained and the Merger is completed, the amounts that may be paid or become payable as executive compensation in connection with the Merger will still be paid to MSC's executive officers as long as any other conditions applicable thereto are satisfied.

Q: What constitutes a quorum for the special meeting?

A: A quorum of stockholders is required in order to transact business at the special meeting. A majority of the outstanding shares of MSC common stock entitled to vote being present in person or represented by proxy constitutes a quorum for the special meeting. If you are a stockholder of record and you submit a properly executed proxy card by mail, submit your proxy by telephone or via the Internet or vote in person at the special meeting, then your shares of MSC common stock will be counted as part of the quorum. If you are a street name holder of shares and you provide your bank, brokerage firm or other nominee with instructions as to how to vote your shares or obtain a legal proxy from such broker or nominee to vote your shares in person at the special meeting, then your shares will be counted as part of the quorum. Broker non-votes will be counted as part of the quorum. All shares of MSC common stock held by stockholders that are present in person or represented by proxy and entitled to vote at the special meeting, regardless of how such shares are voted or whether such stockholders abstain from voting, will be counted as part of the quorum.

Q: How does MSC's Board recommend that I vote?

A: The Board unanimously determined that it is advisable and in the best interests of MSC and its stockholders to consummate the Merger and the other transactions contemplated by the Merger Agreement, and recommends that stockholders vote **FOR** the proposal to adopt the Merger Agreement, **FOR** the approval, by advisory (non-binding) vote, of the executive compensation that may be paid or become payable in connection with the Merger and **FOR** the proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies. The Board is soliciting stockholder votes consistent with the Board's recommendation. You should read the section titled "The Merger – The Recommendation of the Board; Reasons for the Merger" for a discussion of the factors that the Board considered in deciding to recommend voting for adoption of the Merger Agreement.

Table of Contents

Q: Have any stockholders already agreed to adopt the Merger Agreement?

A: Each of Frank L. Hohmann III, a member of the Board, and Privet, which collectively beneficially own shares of the Company's common stock representing approximately 19% of the outstanding shares of the Company's common stock, has entered into a Voting Agreement with Parent, pursuant to which such stockholder has agreed, among other things, to vote shares beneficially owned by such stockholder (and has granted Parent an irrevocable proxy with respect to such matters) in favor of the adoption of the Merger Agreement.

Q: What is the difference between holding shares as a stockholder of record and as a beneficial owner?

A: If your shares of MSC common stock are registered directly in your name with MSC's transfer agent, you are considered, with respect to those shares of MSC common stock, as the stockholder of record. If you are a stockholder of record, this proxy statement and your proxy card have been sent directly to you by MSC.

If your shares are held through a bank, brokerage firm or other nominee, you are considered the beneficial owner of shares of MSC common stock held in street name. In that case, this proxy statement has been forwarded to you by your bank, brokerage firm or other nominee who is considered, with respect to those shares of MSC common stock, the stockholder of record. As the beneficial owner, you have the right to direct your bank, brokerage firm or other nominee how to vote your shares of MSC common stock in connection with the Merger by following their instructions for voting. You are also invited to attend the special meeting. However, because you are not the stockholder of record, you may not vote your shares in person at the special meeting unless you request and obtain a valid proxy from your broker or other agent.

Q: How do I vote?

A: If you are a stockholder of record, you may vote in person at the special meeting, vote by proxy using the enclosed proxy card, vote by proxy over the telephone, or vote by proxy on the Internet. If you vote by proxy, your shares will be voted as you specify on the proxy card, over the telephone or on the Internet. Whether or not you plan to attend the meeting, MSC urges you to vote by proxy to ensure your vote is counted. You may still attend the special meeting and vote in person if you have already voted by proxy.

- To vote in person, come to the special meeting and you will be given a ballot when you arrive.
- To vote using the enclosed proxy card, simply complete, sign and date the enclosed proxy card and return it promptly in the enclosed return envelope. If you return your signed proxy card to MSC before the special meeting, MSC will vote your shares as you direct.
- To vote over the telephone, dial the toll-free telephone number located on the enclosed proxy card using a touch-tone phone and follow the recorded instructions. You will be asked to provide the company number and control number from the enclosed proxy card. Your vote must be received by 11:59 p.m., Eastern Time, on March 19, 2014 to be counted.
- To vote on the Internet, go to the web address located on the enclosed proxy card to complete an electronic proxy card. You will be asked to provide the company number and control number from the enclosed proxy card. Your vote must be received by 11:59 p.m., Eastern Time, on March 19, 2014 to be counted.

If you are a beneficial owner and your shares of common stock are held in street name by your bank, brokerage firm or other nominee, you should have received voting instructions with these proxy materials from that organization rather than MSC. You should instruct such organization to vote your shares following the procedures they provided. Please note that if you are a beneficial owner and wish to vote in person at the special meeting, you must provide a legal proxy from your bank, brokerage firm or other nominee at the special meeting.

Table of Contents

MSC provides Internet proxy voting to allow you to vote your shares online, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your Internet access, such as usage charges from Internet access providers and telephone companies.

Q: If my shares of MSC common stock are held in street name by my bank, brokerage firm or other nominee, will my bank, brokerage firm or other nominee vote my shares of common stock for me?

A: Brokers that hold shares in street name for their customers which are the beneficial owners of those shares typically have the authority to only vote on certain routine items in the event that they have not received instructions from beneficial owners. When a proposal is not a routine matter and a broker has not received voting instructions from the beneficial owner of the shares with respect to that proposal, the brokerage firm may not vote the shares on that proposal since it does not have discretionary authority to vote those shares on that matter. A broker non-vote is submitted when a broker returns a proxy card and indicates that, with respect to a particular matter, it is not voting a specified number of shares on that matter, as it has not received voting instructions with respect to those shares from the beneficial owner and does not have discretionary authority to vote those shares on such matter. While broker non-votes are considered present, in person or represented by proxy, for purposes of determining whether a quorum is present at the special meeting, they will not be considered entitled to vote at the special meeting with respect to the matters to which they apply. Broker non-votes with respect to the special meeting will have the same effect as a vote AGAINST the proposal to adopt the Merger Agreement, and will not have any effect on the proposal to approve the Merger-related executive compensation or on the proposal to adjourn the special meeting.

Q: May I vote in person?

A: If you are the stockholder of record of shares of MSC common stock, you have the right to vote in person at the special meeting with respect to those shares. If you are the beneficial owner of shares of MSC common stock, you are invited to attend the special meeting. However, if you are not the stockholder of record with respect to any shares of MSC common stock, you may not vote those shares in person at the special meeting, unless you obtain a legal proxy from your broker, bank or other nominee giving you the right to vote such shares at the special meeting. *Even if you plan to attend the special meeting as a stockholder of record, we recommend that you also submit your proxy card or voting instructions as described in the above Q&A titled How do I vote? so that your vote will be counted if you later decide not to, or are unable to, attend the special meeting.*

Q: Can I change my vote after I have delivered my proxy?

A: Yes. If you are a stockholder of record, you can change your vote at any time before your proxy is voted at the special meeting by properly submitting a later-dated proxy either by mail, Internet or telephone or attending the special meeting in person and voting. You also may revoke your proxy by delivering notice of revocation to MSC's Corporate Secretary at 2200 East Pratt Boulevard, Elk Grove Village, Illinois 60007, Attention: Corporate Secretary, prior to the vote at the special meeting. If your shares of MSC common stock are held in street name, you must contact your bank, brokerage firm or other nominee to revoke your proxy.

Q: What happens if I sell or otherwise transfer my shares of MSC common stock before the special meeting?

A: The record date for the special meeting is earlier than the date of the special meeting and the date the Merger is expected to be completed. If you sell or otherwise transfer your shares of MSC common stock after the record date but before the special meeting, you will retain your right to vote at the special meeting, but you will transfer your right to receive the Per Share Merger Consideration. Even if you sell or otherwise

Table of Contents

transfer your shares of MSC common stock after the record date, we urge you to complete, sign, date and return the enclosed proxy or submit your proxy card via the Internet or telephone.

Q: What does it mean if I receive more than one set of materials?

A: This means you own shares of MSC common stock that are registered under different names. For example, you may own some shares directly as a stockholder of record and other shares through a broker or you may own shares through more than one broker. In these situations, you will receive multiple sets of proxy materials. You must complete, sign, date and return each of the proxy cards that you receive, or vote all of your shares by telephone or via the Internet in accordance with the instructions above in order to vote all of the shares you own. Each proxy card you receive comes with its own prepaid return envelope and control number(s); if you vote by mail, make sure you return each proxy card in the return envelope that accompanies that proxy card, and if you vote by telephone or via the Internet, use the control number(s) on each proxy card.

Q: Am I entitled to appraisal rights under the DGCL instead of receiving the Per Share Merger Consideration for my shares of MSC common stock?

A: Yes. As a holder of MSC common stock, you are entitled to exercise appraisal rights under Section 262 of the DGCL in connection with the Merger if you take certain actions and meet certain conditions. See Appraisal Rights and Annex C of this proxy statement for more information.

Q: Should I send in my stock certificates now?

A: No. After the date of completion of the Merger, if you hold certificated shares, you will receive a letter of transmittal with instructions informing you how to send in your stock certificates to Parent's paying agent in order to receive the Per Share Merger Consideration. You should use the letter of transmittal to exchange stock certificates for the Per Share Merger Consideration to which you are entitled as a result of the Merger. **Do not send any stock certificates with your proxy.**

If you own shares of MSC common stock that are held in street name by your bank, brokerage firm or other nominee, you will receive instructions from your bank, brokerage firm or other nominee as to how to surrender your shares held in street name and receive the Per Share Merger Consideration for those shares following the completion of the Merger.

Q: How can I receive the Per Share Merger Consideration if I do not know where my stock certificate is?

A: The materials the paying agent will send you after completion of the Merger will include the procedures that you must follow if you have misplaced your stock certificate. These will include an affidavit that you will need to sign attesting to the loss of your certificate and an indemnity agreement that you will enter into with Parent. In addition, you may also have to provide a bond in order to cover any potential losses.

Q: What do I need to do now?

A: Please read this proxy statement carefully, including its Annexes, to consider how the Merger affects you and how you should vote on each of the proposals to be considered at the special meeting. After you read this proxy statement, you should complete, sign and date your proxy card and mail it in the enclosed return envelope or submit your proxy by telephone or via the Internet as soon as possible so that your shares can be voted at the special meeting of MSC's stockholders. If you sign, date and mail your proxy card without indicating how you wish to vote, the shares represented by your properly signed proxy will be voted **FOR** the adoption of the Merger Agreement, **FOR**

Edgar Filing: MATERIAL SCIENCES CORP - Form DEFM14A

the approval, by non-binding advisory vote, of the executive compensation that may be paid or become payable in connection with the Merger, and **FOR** the proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies.

THE SPECIAL MEETING

Date, Time and Place of the Special Meeting

The special meeting will take place at 10:00 a.m., local time, on March 20, 2014, at MSC's principal executive offices located at 2200 East Pratt Boulevard, Elk Grove Village, Illinois 60007.

Purpose of the Special Meeting

At the special meeting, MSC's stockholders will be asked to consider and vote upon:

- a proposal to adopt the Merger Agreement;
- a proposal to approve, by an advisory (non-binding) vote, the executive compensation that may be paid or become payable in connection with the Merger; and
- a proposal to adjourn the special meeting, if necessary or appropriate, for the solicitation of additional proxies in the event that there are not sufficient votes at the time of the special meeting to adopt the Merger Agreement.

MSC does not expect that any matter other than the proposals listed above will be brought before the special meeting. If, however, other matters are properly brought before the special meeting, or any adjournment or postponement of the special meeting, the persons named as proxies will vote in accordance with their judgment on such matters.

MSC Board Recommendation

The Board unanimously determined that it is advisable and in the best interests of MSC and its stockholders to consummate the Merger and the other transactions contemplated by the Merger Agreement, and recommends that the stockholders vote **FOR** the proposal to adopt the Merger Agreement, **FOR** the proposal to approve, by a non-binding advisory vote, the executive compensation that may be paid or become payable in connection with the Merger and **FOR** the proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies.

Who Can Vote at the Special Meeting

Only holders of record of MSC common stock as of the close of business on February 18, 2014, which is the record date for the special meeting, are entitled to receive notice of, and to vote at, the special meeting. If you own shares that are registered in the name of someone else, such as a

Edgar Filing: MATERIAL SCIENCES CORP - Form DEFM14A

broker, you need to direct that person to vote those shares or obtain an authorization from them and vote the shares yourself at the special meeting. On the record date, there were 10,331,549 shares of MSC common stock outstanding.

Quorum

To conduct business at the special meeting, there must be a sufficient number of shares of MSC common stock represented (in person or by proxy) to constitute a quorum. A majority of the outstanding shares of MSC common stock entitled to vote being present in person or represented by proxy constitutes a quorum for the special meeting. If you are a stockholder of record and you submit a properly executed proxy card by mail, submit your proxy by telephone or via the Internet or vote in person at the special meeting, then your shares of MSC common stock will be counted as part of the quorum. If you are a street name holder of shares and you provide your bank, brokerage firm or other nominee with instructions as to how to vote your shares or obtain a legal proxy from such broker or nominee to vote your shares in person at the special meeting, then your shares will be counted as part of the quorum. Broker non-votes will be counted as part of the quorum. All shares of MSC common stock held by stockholders that are present in person or represented by proxy and entitled to vote

Table of Contents

at the special meeting, regardless of how such shares are voted or whether such stockholders abstain from voting, will be counted as part of the quorum. If a quorum shall fail to attend the meeting, the stockholders entitled to vote at the special meeting, present in person or by proxy, may adjourn the meeting to another place, date or time.

Vote Required

The approval of the proposal to adopt the Merger Agreement requires MSC to obtain the affirmative vote of a majority of the outstanding shares of MSC common stock entitled to vote thereon. For the proposal to adopt the Merger Agreement, you may vote **FOR**, **AGAINST** or **ABSTAIN**. Abstentions will not be counted as votes cast in favor of the proposal to adopt the Merger Agreement, but they will count for the purpose of determining whether a quorum is present. **If you fail to submit a proxy, fail to vote in person at the special meeting, or abstain, it will have the same effect as a vote AGAINST the proposal to adopt the Merger Agreement.**

If your shares of MSC common stock are registered directly in your name with MSC's transfer agent, you are considered, with respect to those shares of MSC common stock, the stockholder of record. This proxy statement and proxy card have been sent directly to you by MSC.

If your shares of MSC common stock are held through a bank, brokerage firm or other nominee, you are considered the beneficial owner of those shares of MSC common stock held in street name. In that case, this proxy statement has been forwarded to you by your bank, brokerage firm or other nominee who is considered, with respect to those shares of MSC common stock, the stockholder of record. As the beneficial owner, you have the right to direct your bank, brokerage firm or other nominee how to vote your shares by following instructions they have provided to you. You are also invited to attend the special meeting. However, because you are not the stockholder of record, you may not vote your shares in person at the special meeting unless you request and obtain a valid proxy from your broker, brokerage firm or other nominee.

Brokers that hold shares in street name for their customers which are the beneficial owners of those shares typically have the authority to only vote on certain routine items in the event that they have not received instructions from beneficial owners. When a proposal is not a routine matter and a broker has not received voting instructions from the beneficial owner of the shares with respect to that proposal, the brokerage firm may not vote the shares on that proposal since it does not have discretionary authority to vote those shares on that matter. A broker non-vote is submitted when a broker returns a proxy card and indicates that, with respect to a particular matter, it is not voting a specified number of shares on that matter, as it has not received voting instructions with respect to those shares from the beneficial owner and does not have discretionary authority to vote those shares on such matter. While broker non-votes are considered present, in person or represented by proxy, for purposes of determining whether a quorum is present at the special meeting, they will not be considered entitled to vote at the special meeting with respect to the matters to which they apply. Broker non-votes with respect to the special meeting will have the same effect as a vote **AGAINST** the proposal to adopt the Merger Agreement, and will not have any effect on the proposal to approve the Merger-related executive compensation or on the proposal to adjourn the special meeting.

The affirmative vote of a majority of the shares of MSC common stock present in person or represented by proxy at the special meeting and entitled to vote thereon will be required to approve, by a non-binding advisory vote, the executive compensation that may be paid or become payable in connection with the Merger. For the proposal to approve the executive compensation that may be paid or become payable in connection with the Merger, you may vote **FOR**, **AGAINST** or **ABSTAIN**. If you fail to submit a proxy or vote in person at the special meeting, or if your shares are held in street name and you do not provide your bank, brokerage firm or other nominee with voting instructions on the issue, as applicable, the shares of MSC common stock held by you or your broker will not be counted in respect of, and will not have an effect on, the proposal to approve the Merger-related executive compensation. If you abstain, the shares of MSC common stock held by you will have

Table of Contents

the same effect as a vote AGAINST the proposal to approve the executive compensation that may be paid or become payable in connection with the Merger.

The affirmative vote of a majority of the shares of MSC common stock present in person or represented by proxy at the special meeting and entitled to vote thereon will be required to approve the adjournment of the special meeting, if necessary or appropriate, for the solicitation of additional proxies, whether or not a quorum is present. For the proposal to adjourn the special meeting, if necessary or appropriate, you may vote FOR, AGAINST or ABSTAIN. If you fail to submit a proxy or vote in person at the special meeting, or if your shares are held in street name and you do not provide your bank, brokerage firm or other nominee with voting instructions on the issue, as applicable, the shares of MSC common stock held by you or your broker will not be counted in respect of, and will not have an effect on, the proposal to adjourn the special meeting. If you abstain, the shares of MSC common stock held by you will have the same effect as a vote AGAINST the proposal to adjourn the special meeting.

If you are a stockholder of record, you may vote in person at the special meeting, vote by proxy using the enclosed proxy card, vote by proxy by telephone, or vote by proxy via the Internet. If you vote by proxy, your shares will be voted as you specify on the proxy card, by telephone or via the Internet. Whether or not you plan to attend the meeting, MSC urges you to vote by proxy to ensure your vote is counted if you decide not to, or are unable to, attend the special meeting. You may still attend the special meeting and vote in person if you have already voted by proxy.

To summarize, you may vote as follows:

- To vote in person, come to the special meeting and you will be given a ballot when you arrive.
- To vote using the enclosed proxy card, simply complete, sign and date the enclosed proxy card and return it promptly in the enclosed return envelope. If you return your signed proxy card to MSC before the special meeting, the designated proxies will vote your shares as you direct.
- To vote by telephone, dial the toll-free telephone number located on the enclosed proxy card using a touch-tone phone and follow the recorded instructions. You will be asked to provide the company number and control number from the enclosed proxy card. Your vote must be received by 11:59 p.m., Eastern Time, on March 19, 2014 to be counted.
- To vote via the Internet, go to the web address located on the enclosed proxy card to complete an electronic proxy card. You will be asked to provide the company number and control number from the enclosed proxy card. Your vote must be received by 11:59 p.m., Eastern Time, on March 19, 2014 to be counted.

If you are a beneficial owner and your shares of common stock are held in street name by your bank, brokerage firm or other nominee, you should have received voting instructions with these proxy materials from that organization rather than MSC. You should instruct your bank, brokerage firm or other nominee to vote your shares following the procedures provided by that organization. Please note that if you are a beneficial owner and wish to vote in person at the special meeting, you must provide a legal proxy from your bank, brokerage firm or other nominee at the special meeting.

Please refer to the instructions on your proxy or voting instruction card to determine the deadlines for submitting a proxy by telephone or via the Internet. If you choose to submit your proxy by mailing a proxy card, your proxy card must be filed with our Corporate Secretary by the time the special meeting begins. **Please do NOT send in your stock certificates with your proxy card.** If you are a holder of stock certificates, when

Edgar Filing: MATERIAL SCIENCES CORP - Form DEFM14A

the Merger is completed, a separate letter of transmittal will be mailed to you that will enable you to receive the Per Share Merger Consideration in exchange for your stock certificates.

If you vote by proxy, regardless of the method you choose to vote, the individuals named on the enclosed proxy card, and each of them, with full power of substitution, or other proxies named by you, will vote your

Table of Contents

shares of MSC common stock in the way that you indicate. When completing the Internet or telephone processes or the proxy card, you may specify whether your shares of MSC common stock should be voted FOR or AGAINST or to ABSTAIN from voting on all, some or none of the specific items of business to come before the special meeting.

If you properly sign your proxy card but do not mark the boxes showing how your shares of our common stock should be voted on a matter, the shares of MSC common stock represented by your properly signed proxy will be voted FOR the adoption of the Merger Agreement, FOR the approval of the proposal to approve, by non-binding advisory vote, the executive compensation that may be paid or become payable in connection with the Merger, and FOR the approval of the proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies.

It is important that you submit a proxy to vote your shares of MSC common stock promptly. Whether or not you plan to attend the special meeting, please complete, date, sign and return, as promptly as possible, the enclosed proxy card in the accompanying prepaid envelope or submit your proxy by telephone or via the Internet. Stockholders who attend the special meeting may revoke their proxies by voting in person.

Proxies and Revocation

Any stockholder of record entitled to vote at the special meeting may submit a proxy by telephone, via the Internet, or by returning the enclosed proxy card in the accompanying prepaid reply envelope, or may vote in person at the special meeting. If your shares of MSC common stock are held in street name by your bank, brokerage firm or other nominee, you should instruct your bank, brokerage firm or other nominee on how to vote your shares of MSC common stock using the instructions provided by your bank, brokerage firm or other nominee.

You may revoke your proxy at any time before the vote is taken at the special meeting. To revoke your proxy, you must either advise MSC's Corporate Secretary in writing at 2200 East Pratt Boulevard, Elk Grove Village, Illinois 60007, deliver a proxy dated after the date of the proxy you wish to revoke, or attend the special meeting and vote your shares in person. Please note that to be effective, your new proxy card, Internet or telephonic voting instructions or written notice of revocation must be received by MSC's Corporate Secretary prior to the special meeting and, in the case of Internet or telephonic voting instructions, must be received by 11:59 p.m., Eastern Time, on March 19, 2014. Attendance at the special meeting will not by itself constitute revocation of a proxy. If you have instructed your broker to vote your shares, you must follow the directions provided by your broker to change those instructions.

Adjournments

Although it is not currently expected, the special meeting may be adjourned for the purpose of soliciting additional proxies if there are insufficient votes at the time of the special meeting to approve the adoption of the Merger Agreement. If a quorum is present at the meeting, any such adjournment must be approved by the affirmative vote of the majority of the votes cast at the special meeting. If no instructions are indicated on your proxy card, your shares of common stock will be voted FOR the adjournment of the special meeting, if necessary or appropriate, to solicit additional proxies.

Any adjournment of the special meeting for the purpose of soliciting additional proxies will allow MSC's stockholders who have already sent in their proxies to revoke them at any time before voting occurs at the special meeting, as adjourned. Under the Merger Agreement, MSC is

permitted to adjourn or postpone the special meeting in the following cases:

- with the consent of Parent in its sole discretion;
- for the absence of a quorum;

Table of Contents

- to the extent necessary to ensure that any supplement or amendment to the proxy statement required under applicable law is provided to the holders of shares of MSC common stock within a reasonable period of time in advance of the special meeting;
- to allow reasonable additional time to solicit additional proxies;
- to the extent required by law or any court of competent jurisdiction; or
- if the Company has provided a written notice to Parent that it intends to make a change of recommendation or enter into an alternative acquisition proposal in connection with a superior proposal and the applicable notice period has not yet expired.

Rights of Stockholders Who Object to the Merger

Stockholders of MSC are entitled to appraisal rights under the DGCL in connection with the Merger. This means that you are entitled to have the value of your shares determined by the Delaware Court of Chancery and to receive payment based on that valuation. The ultimate amount you receive as a dissenting stockholder in an appraisal proceeding may be more than, the same as or less than the amount you would have received under the Merger Agreement.

To exercise your appraisal rights, you must submit a written demand for appraisal to the Company before the vote is taken on the Merger Agreement, you must not vote in favor of the proposal to adopt the Merger Agreement and you must continuously hold your shares of MSC common stock from the date you make the demand for appraisal through the effective date of the Merger. Merely voting against adoption of the Merger Agreement will not preserve your appraisal rights, which require you to take all steps provided under the DGCL. Your failure to follow exactly the procedures specified under the DGCL may result in the loss of your appraisal rights. See **Appraisal Rights** and the full text of Section 262 of the DGCL, which relates to appraisal rights, reproduced in its entirety as Annex C to this proxy statement. If you hold your shares of MSC common stock through a bank, brokerage firm or other nominee and you wish to exercise appraisal rights, you should consult with your bank, brokerage firm or other nominee to determine the appropriate procedures for the making of a demand for appraisal by your bank, brokerage firm or nominee. In view of the complexity of the DGCL, stockholders who may wish to pursue appraisal rights should consult their legal and financial advisors.

Solicitation of Proxies

MSC will pay all of the costs of this proxy solicitation. In addition to soliciting proxies by mail, directors and officers of MSC may solicit proxies personally and by telephone, e-mail or otherwise. None of these persons will receive additional or special compensation for soliciting proxies. MSC will, upon request, reimburse brokers, banks and other nominees for their expenses in sending proxy materials to their customers who are beneficial owners of shares of MSC common stock and obtaining their voting instructions.

MSC has engaged Morrow & Co., LLC to assist in the solicitation of proxies for the special meeting. MSC will pay Morrow a fee of approximately \$8,500, plus reimbursement of out-of-pocket expenses. You can call Morrow toll-free at (800) 662-5200 or collect at (203) 658-9400, or you can e-mail Morrow at MASC.info@morrowco.com.

THE MERGER

(PROPOSAL 1)

The following is a discussion of the Merger, including the process undertaken by MSC and the Board in identifying and determining whether to engage in the proposed transaction. This discussion of the Merger is qualified by reference to the Merger Agreement, which is attached to this proxy statement as Annex A. You should read the entire Merger Agreement carefully as it is the legal document that governs the Merger.

Background of the Merger

The Board, together with senior management, regularly evaluates MSC's business strategy, strategic alternatives, prospects for growth and opportunities to maximize value for MSC's stockholders.

On October 9, 2012, Clifford Nastas, MSC's Chief Executive Officer, met with Pat Murley, New Star's Chief Executive Officer, to express MSC's potential interest in acquiring New Star's Electric Coating Technologies business. Mr. Murley subsequently responded that New Star was not interested in selling this business.

On July 10, 2013, MSC released financial results for the fiscal 2014 first quarter ended May 31, 2013. Net sales declined 17.6% versus the same period of the prior year, and net income declined 36%.

On July 31, 2013, Mr. Nastas met with Jack Waterstreet, Executive Vice President of New Star, and Mr. Waterstreet expressed a potential interest by New Star to acquire MSC.

On August 27, 2013, Mr. Nastas received a letter from Mr. Waterstreet providing a preliminary indication of interest in acquiring MSC at a valuation of \$11.75 per share. In the letter, Mr. Waterstreet outlined the contemplated structure as the acquisition of 100% of the equity of MSC and the funding of the acquisition through a combination of debt and equity financing. Mr. Waterstreet indicated in the letter that New Star had retained financial and legal advisors, Moelis & Company (Moelis) and Hunton & Williams LLP (Hunton), respectively, for the transaction. Finally, the letter requested that New Star be permitted to conduct its due diligence.

On September 4, 2013, the Board held a telephonic meeting to discuss the August 27 letter, which James Pawlak, MSC's Chief Financial Officer, and representatives of Katten Muchin Rosenman LLP, MSC's outside legal counsel (Katten), also attended. At this meeting, the Board authorized Mr. Nastas to request additional information from New Star such as its potential financing sources, diligence requirements, and transaction timeline for the Board to begin to evaluate the proposal. The Board confirmed that there were no conflicts of interest between New Star and its affiliates and any of the Board members. In addition, the Board authorized Mr. Nastas to interview potential financial advisors to assist the Board in its evaluation of the offer. Management of MSC was currently in the process of preparing a strategic plan to present to the Board at a regularly scheduled October Board meeting, but the Board requested that MSC management accelerate the preparation of the three year strategic plan so that the Board could better analyze the proposal set forth in the letter in light of management's standalone outlook for the Company. At this meeting, Katten discussed the fiduciary duties applicable to the Board in general and in the context of the letter from Mr. Waterstreet.

Following the September 4th Board meeting, Mr. Nastas requested additional information from New Star related to its proposal. On September 9, 2013, Mr. Waterstreet provided to Mr. Nastas a list of New Star's initial business diligence requests, a list of New Star's third party diligence service providers, and a proposed detailed timeline for New Star to complete its diligence. Mr. Nastas then provided this information to the Board.

On September 10, 2013, Mr. Nastas met separately with a representative of Baird and with a representative of another financial advisory firm to discuss potential engagement as a financial advisor to the Board, and invited representatives of Baird and the other advisory firm to meet with the Board on September 16, 2013.

Table of Contents

On September 11, 2013, the Board held a telephonic meeting to again discuss the August 27 letter and the related additional materials from New Star, with Mr. Pawlak and representatives of Katten also in attendance. At this meeting, Mr. Pawlak reviewed with the Board a preliminary financial analysis of the proposed \$11.75 per share price. Mr. Nastas and Mr. Pawlak also presented to the Board a financial forecast for MSC's 2014 fiscal year and a preliminary discounted cash flow valuation analysis. The Board then reviewed the materials provided by New Star to MSC on September 9, and the Board confirmed no conflicts of interest between MSC and New Star's advisors. Mr. Nastas also updated the Board on his meetings with potential financial advisors. The Board directed Mr. Nastas to continue the engagement process for a financial advisor and to provide New Star with an update that MSC was evaluating the proposal and retaining advisors.

Also at the September 11, 2013 Board meeting, John Reilly, Chairman of the Board, informed the Board of a conversation he had recently had with representatives of Party A regarding their potential interest in a strategic business combination between MSC and Party A. The Board directed Mr. Reilly and Mr. Nastas to schedule a meeting with Party A to explore a potential business combination.

On September 16, 2013, the Board held a meeting for the purpose of selecting a financial advisor. Immediately preceding the meeting the Board met separately with representatives of Baird and another financial advisory firm. The representatives of Baird met with the Board and discussed with them Baird's credentials, the engagement professionals, the New Star proposal, advisory fee proposals, and possible next steps. The representatives of the other financial advisory firm also met with the Board and discussed their credentials, the engagement professionals, the New Star proposal, advisory fee proposals and possible next steps. Following these presentations, the Board discussed each firm's credentials and experience, and the Board determined to engage Baird as its financial advisor.

On September 25, 2013, the Board held a telephonic meeting that Mr. Pawlak and representatives of Katten also attended. The meeting was called at the request of Board member Ryan Levenson to consider the formation of a special committee of the Board to serve as the main point of contact for, and to coordinate activities with, the Board's advisors and MSC's management with respect to a proposed transaction. Frank Hohmann, chairman of the Compensation, Organization and Corporate Governance Committee of the Board (the "COCG Committee"), reviewed discussions with the other members of the COCG Committee with respect to the scope of powers, membership and compensation of the proposed special committee. Based on these discussions, Mr. Hohmann noted that the COCG Committee recommended that the Board form a special committee. Following discussion by the Board on authority, composition and compensation of a special committee, the Board formed a special committee consisting of Dominick Schiano, as chairman, Mr. Levenson and John Reilly to assist with and coordinate activities with the Board's advisors and MSC's management with respect to the proposal from New Star and other strategic alternatives (the "Special Committee"). The Board resolved not to pay the members of the Special Committee any compensation.

On September 26, 2013, MSC executed an engagement letter with Baird.

On September 30, 2013, the Special Committee held a telephonic meeting, which representatives of Baird also attended, to establish procedures and a schedule in order for it to carry out its mandate. The Special Committee also discussed how to respond to New Star and the next steps for discussions with Party A. The Special Committee concluded that it would discuss how to respond to New Star at the next regularly scheduled Board meeting to be held on October 2 and 3, 2013.

On October 2, 2013, the Board held an in person meeting that Mr. Pawlak also attended and representatives of Baird and Katten attended telephonically. Representatives of Baird updated the Board on their work relating to the Company since the last Board meeting, discussed the Company's updated current year financial forecast, discussed preliminary Company valuation ranges and suggested proposed next steps with New Star. Although the Board was not considering a sale of MSC prior to New Star submitting its offer, the Board authorized moving forward with discussions with New Star to determine whether such a transaction might be in the best interests of

MSC's stockholders. The Board also requested that New Star be asked to submit a revised indication of interest and to increase its proposed price. The Board also directed the Special Committee to contact Party A and request a formal written proposal. Finally, the Special Committee reported to the Board on its actions taken to date, and the Board conducted regularly scheduled business, including, among other things, review of quarterly results and the strategic plan prepared by MSC management.

On October 4, 2013, a Baird representative had a discussion with Mr. Waterstreet and another officer of New Star. The Baird representative conveyed the Board's desire for a higher price and asked that New Star submit a revised indication of interest. The Baird representative informed the New Star officers that, subject to New Star executing a customary non-disclosure agreement, MSC would provide certain non-public information and management would make a presentation to New Star to assist New Star in preparing a revised proposal.

On October 7 and 14, 2013, the Special Committee held telephonic meetings, which representatives of Baird also attended. A Baird representative reported on his discussions with representatives of New Star. The Special Committee discussed MSC's updated forecast for 2014, the contents of the proposed management presentation to be made to New Star and the contemplated contents of the non-public information to be provided to New Star. Finally, Mr. Reilly reported he had left a message for representatives of Party A.

During the weeks of October 7 and 14, 2013, MSC management, representatives of Baird and Katten and representatives of New Star and Hunton negotiated the terms of a non-disclosure agreement, and on October 20, 2013, MSC and New Star executed a non-disclosure agreement. The non-disclosure agreement between MSC and New Star contains a standstill provision (a "standstill") preventing New Star, for a period of eighteen months, from offering to purchase shares of MSC or taking certain other actions with respect to seeking control of MSC without the written invitation of MSC. In addition, the non-disclosure agreement contains a provision stating that New Star is not permitted to ask for a waiver of the standstill (a "no-ask, no-waiver" provision). Following execution of the non-disclosure agreement, representatives of Baird provided New Star with MSC's historical and management's most recent financial projections for MSC based upon MSC's most current strategic plan.

On October 10, 2013, MSC released financial results for the fiscal 2014 second quarter ended August 31, 2013. Net sales declined 8% versus the same period last year, and net income declined 23%.

On October 16, 2013, Party A delivered a letter to the Board with an indication of interest in a potential stock for stock, no premium merger of Party A and MSC. The letter proposed that Party A would merge with and into MSC, with MSC being the surviving corporation and shareholders of Party A receiving shares of MSC, and that MSC, in connection with such merger, would declare a dividend to its legacy stockholders of all of its existing cash and assume Party A's debt. Also, the letter proposed that Party A and its affiliates would assume a majority of the seats on the board of directors of the combined entity. Party A is a private company owned by a private equity investor.

On October 21, 2013, the Special Committee held a telephonic meeting that representatives of Baird also attended. The Special Committee discussed the contents of the proposed management presentation and the proposal from Party A. The Special Committee requested that Baird assist the Board in its evaluation of the Party A proposal at an upcoming meeting.

On October 22, 2013, on the evening prior to the management presentation by MSC, representatives of Baird and MSC met with representatives of New Star, and on October 23, 2013, MSC management delivered a management presentation to representatives of New Star.

presentation made to New Star, and a Baird representative discussed the progress of ongoing due diligence by New Star. The Special Committee also directed the Baird representatives to reiterate to New Star that it would need to increase its proposed price of \$11.75 per share.

On November 1, 2013, MSC received a letter from New Star that maintained the \$11.75 per share price noting MSC's decrease in financial performance and stock price since New Star's initial proposal, and outlined a timeline for completion of business due diligence and next steps for third party service provider confirmatory due diligence.

On November 4, 2013, the Board held a telephonic meeting that Mr. Pawlak and representatives of Baird and Katten also attended. Representatives of Baird and members of the Special Committee updated the Board on the status of the discussions with New Star and Party A since the last Board meeting on October 2, 2013. The Board discussed the revised indication of interest from New Star and discussed the Board's desire for an increase in the purchase price in order for the Board to continue to consider a transaction, given that MSC was not otherwise exploring a sale. The Board directed Baird to continue discussions with New Star in an effort to increase the price and indicate that further due diligence would not be authorized unless New Star increased its price. The Board discussed the proposal from Party A.

During the weeks of November 4 and November 11, 2013, representatives of Baird and New Star had numerous conversations about diligence and valuation. On November 14, 2013, New Star orally conveyed to a representative of Baird that New Star was willing to increase its purchase price to \$12.75 per share. After numerous further discussions between representatives of Baird and New Star, New Star stated that \$12.75 per share represented its best and final offer, assuming that an acceptable merger agreement could be negotiated. New Star indicated that if the price was acceptable, New Star anticipated being able to complete confirmatory due diligence and sign a merger agreement in a 30-day time period.

On November 15, 2013, the Special Committee held a telephonic meeting that Mr. Nastas, Mr. Pawlak and representatives of Baird also attended. A Baird representative updated the Special Committee on his discussion with Mr. Waterstreet and the increased bid of \$12.75 per share, which New Star indicated was its best and final offer. The Special Committee discussed with the Baird representatives whether a further price increase should be sought, and concluded that New Star had made its best and final offer. In light of the Company's declining performance and the challenges and risks of continuing the Company's standalone strategy and immediate prospects of the Company and after discussions with representatives of Baird, the Special Committee determined to recommend to the Board that MSC pursue a transaction with New Star at a purchase price of \$12.75 per share. The Special Committee also discussed the potential transaction proposed by Party A.

On November 18, 2013, the Board held a telephonic meeting that Mr. Pawlak and representatives of Baird and Katten also attended. A representative of Baird informed the Board of the increased \$12.75 per share purchase price offered by New Star and relayed New Star's position that this represented New Star's best and final offer. A representative of Baird discussed Baird's preliminary evaluation of the \$12.75 per share price. Mr. Schiano advised the Board that the Special Committee recommended pursuing a transaction with New Star at the \$12.75 per share price in light of the Board's views of the challenges and risks of continuing the Company's standalone strategy and immediate prospects of the Company. Following discussions on the revised New Star bid, the Board authorized MSC management and its advisors to pursue a transaction with New Star at the \$12.75 per share price by permitting New Star to commence confirmatory due diligence and the negotiation of a definitive merger agreement.

At the November 18, 2013 telephonic meeting the Board also discussed the proposal of a merger transaction with Party A. Representatives of Baird discussed the terms of the proposed transactions with New Star and Party A. The Board determined that Mr. Schiano should contact Party A to see if it had an interest in making an all-cash offer for MSC. Finally, representatives of Katten advised the Board of its fiduciary duties, in general and in connection with the proposals from New Star and Party A. The Board discussed potential market checks and

Table of Contents

concluded that any transaction that the Board would approve would require the flexibility for the Board to pursue an alternative transaction that is in the best interests of the MSC stockholders. Finally, the Board instructed Baird to prepare a list of other possible strategic acquirors.

On November 19, 2013, New Star delivered a letter to a representative of Baird with New Star's proposal to acquire 100% of the equity of MSC for \$12.75 per share and that this price was a best and final price.

On November 20, 2013, Mr. Schiano had a discussion with a representative of Party A. Mr. Schiano stated that if Party A was interested in a strategic transaction with MSC, Party A should make an all cash offer to acquire MSC. The representative of Party A indicated that the request would be discussed internally by Party A.

Also, on November 20, representatives of Katten and Hunton discussed the drafting of a definitive agreement. A representative of Baird had expressed to New Star the Board's desire for the transaction to be structured as a tender offer and that a go-shop provision would need to be included in any merger agreement. Hunton indicated they had begun preparation of a definitive agreement with a contemplated structure as a one-step merger (i.e., no tender offer) and no go-shop provision.

On November 24, 2013 and December 2, 2013, the Special Committee held telephonic meetings that Mr. Nastas, Mr. Pawlak and representatives of Baird and Katten also attended. Representatives of Baird reported on the status of New Star's due diligence and the progress in satisfying New Star's requests for information. MSC management reported on the progress on the updated internal forecast for the remainder of the 2014 fiscal year. Representatives of Katten reported on their discussions with Hunton regarding the structure of the transaction. In addition, Mr. Schiano reported on his November 20 discussion with Party A, but that no further communication from Party A had been received since that date. Finally, the Special Committee reviewed a list of potential strategic acquisition parties prepared by Baird with the assistance of management and the Special Committee members. It was the Special Committee members' view that contacting such parties would not be productive, and carried risks to the New Star transaction and to the ongoing business of the Company. The Special Committee determined that the list should be provided to the Board for discussion at the next scheduled meeting on December 5, 2013.

On December 5, 2013, the Board held a telephonic meeting that Mr. Pawlak and representatives of Baird and Katten also attended. At the meeting, representatives of Baird discussed the progress of New Star's diligence and the proposed sources of financing for New Star's funding of the merger consideration. Representatives of Baird reported that New Star planned to finance the transaction by increasing New Star's existing asset-backed revolving credit facility and using additional debt financing in the form of a term loan with a third party lender. A Baird representative discussed with the Board that: (i) commitment letters from the sources of debt financing had not been provided; (ii) Hunton would be providing a draft definitive agreement; and (iii) he had conveyed to New Star that a go-shop period (i.e., a period of time after the execution of a definitive agreement during which MSC is permitted to solicit or engage in discussions or negotiations with third parties regarding a proposal to acquire MSC or a significant interest in MSC) would be imperative in order for the Board to support a transaction with New Star. Mr. Nastas and Mr. Pawlak discussed MSC's year-to-date performance compared against the forecast and the upcoming site visits by representatives of New Star to certain MSC facilities. Mr. Schiano reported that there had been no response from Party A since his request for them to submit an all cash offer if they were interested in a combination. Finally, the Board discussed the list of potential acquirors prepared by representatives of Baird with the assistance of MSC management and the members of the Special Committee, which included Party A, and the probable interest and strategic logic with respect to each of the parties. The Board discussed the risk of compromising the potential transaction with New Star by contacting the parties on the list. The Board concluded that MSC should continue to pursue a transaction with New Star without contacting other potential acquirors, but that the inclusion of a go-shop period in the definitive agreement would need to be a condition to entering into any definitive agreement with New Star. The Board directed its advisors to continue to report to, and take direction from, the Special Committee on developments and comments on the draft definitive agreement once it was received. Mr. Schiano, as Chair of the Special Committee would have

discretion as he determined to seek additional direction from the Special Committee and the Board as a whole in connection with, and to direct, the negotiations of the definitive agreement, provided the definitive agreement would in all events be subject to the review and approval of the entire Board.

Also on December 5, 2013, Hunton provided a draft merger agreement to Katten reflecting a one-step merger transaction with no go-shop period. Over the next few days, Hunton and Katten discussed the structure of the potential transaction and New Star agreed that it would consider structuring the transaction as a tender offer, but continued to resist a go-shop period. New Star directed Hunton to prepare a draft of the merger agreement that was structured as a tender offer. While awaiting this revised draft merger agreement, Katten and MSC management began reviewing and revising the representations and warranties in the initial draft merger agreement and began preparing related disclosure schedules.

On December 12, 2013, representatives of New Star and Hunton and representatives of Baird and Katten held a conference call to discuss the structure of the transaction. New Star expressed a strong preference for a one-step merger transaction, but indicated that Hunton would provide a draft reflecting a tender offer structure. New Star also expressed a position that it would only be willing to accept a go-shop period in the context of the one-step merger transaction. On December 13, 2013, Katten received a draft merger agreement from Hunton providing for a tender offer transaction that did not include a go-shop period and was otherwise identical to the one-step merger agreement, except for provisions related to a tender offer. Katten prepared and delivered to the Special Committee a summary of the material issues in the draft merger agreement for the Special Committee that included, among other things, (i) identities of the parties to the merger agreement, (ii) the limited financing covenants, (iii) the absence of a go-shop period, (iv) a five business day match right period, (v) a buyer favorable formulation of the definition of material adverse effect, (vi) a \$4.0 million MSC termination fee accompanied in all instances by up to \$2 million of expense reimbursement with no credit against the termination fee and (vii) a reverse termination fee of only \$5 million.

On December 16, 2013, the Special Committee held a telephonic meeting that Mr. Nastas, Mr. Pawlak and representatives of Baird and Katten also attended. Representatives of Baird updated the Special Committee on the status of New Star's due diligence and that substantially all requests had been satisfied. Mr. Nastas and Mr. Pawlak also updated the Special Committee on the performance of MSC through November as compared to the MSC forecast. Representatives of Katten then discussed the summary of material issues in the draft merger agreement that was previously provided to the members of the Special Committee. The Special Committee and the advisors discussed these issues and Katten was directed to deliver the summary to the Board prior to its upcoming meeting on December 20, 2013. Also, the Special Committee discussed the pros and cons of a one-step versus a tender offer and merger transaction and concluded that the advisors should engage New Star's advisors in negotiating a one-step merger transaction if progress could be made on the issues raised by Hunton's initial draft of the merger agreement. However, the Special Committee directed Baird and Katten not to engage in negotiations with respect to the draft merger agreement, other than with respect to representations and warranties, until drafts of the debt financing commitments were received and such drafts were in a form acceptable to MSC.

On December 19, 2013, at the direction of the Special Committee, Katten provided to Hunton a markup of the representations and warranties set forth in the draft merger agreement and an initial draft of the disclosure schedules. Over the course of the next day, Hunton provided a draft of its proposed voting agreement to be executed by certain stockholders of MSC.

On December 20, 2013, the Board held a telephonic meeting that Mr. Pawlak and representatives of Baird and Katten also attended. The Special Committee reported to the Board that there were delays from New Star's proposed 30-day timeline due to negotiations between the parties on the structure of the transaction and delays in delivery of third party debt financing commitments. Representatives of Baird and Katten then discussed certain issues raised by the draft merger agreement. Following discussion on the structure of the transaction, the Board directed its advisors to engage with New Star with respect to a one-step merger transaction, so long as New Star

Table of Contents

was flexible with respect to the other issues raised by its proposed draft merger agreement, including the necessity of a go-shop period, provided the advisors should not engage with New Star's advisors until the draft debt financing commitments were received and such drafts were in a form acceptable to MSC.

Between December 23 and 26, 2013, the proposed lenders to New Star provided their draft debt financing commitments. Katten reviewed and prepared markups of these debt financing commitments to limit the conditionality on funding.

On December 26, 2013, the Special Committee held a telephonic meeting that Mr. Pawlak and representatives of Baird and Katten also attended. Representatives of Baird and Katten discussed the terms of the debt financing commitments and the sources and uses of funds for the transaction. Representatives of Baird stated that New Star noted in its communications transmitting the debt commitment letters that the drafts were not complete and numerous conditions on funding were to be deleted. After discussion among the members of the Special Committee on these items, the Special Committee directed Katten to send to Hunton revised drafts of the merger agreement and the debt financing commitments. As directed, on December 26, Katten sent to Hunton revised drafts of the debt financing commitments, and on December 27, Katten sent to Hunton a revised draft of the merger agreement that was not structured as a tender offer but did include (i) New Star as the entity that is Parent, (ii) a go-shop provision with a 40-day go-shop period, no subsequent end date, and a \$2 million termination fee payable by MSC for a transaction with an excluded party, (iii) a \$4 million termination fee payable by MSC for transactions outside of the go-shop period or for certain other termination events, and (iv) up to a \$1.5 million dollar expense reimbursement payable by MSC only in the event of a termination due to MSC's breach of the merger agreement.

On December 29, 2013, Hunton delivered to Katten revised drafts of the disclosure schedules and the representations and warranties. On December 30, 2013, Hunton delivered to Katten drafts of the equity commitment and limited guaranty. On December 31, 2013, Katten delivered to Hunton a revised draft of the voting agreement, and Hunton delivered a fully revised draft of the merger agreement.

On January 2, 2014, Katten circulated to the members of the Special Committee a summary of key issues outstanding on the merger agreement, including, among others (i) the identities of the parties to the merger agreement, (ii) the financing covenants and lack of third party beneficiary rights for MSC under the equity commitment letters, (iii) that New Star would accept a 30 day go-shop period with a 10-day subsequent end date, (iv) the fiduciary out provisions, including a four business day match right period, (v) a \$3 million termination fee payable by MSC for a transaction with an excluded party prior to the excluded party end date, (vi) expense reimbursement of up to \$1.5 million payable by MSC with a \$4.0 million termination fee payable by MSC in numerous instances and (vii) a reverse termination fee of \$6 million. The Special Committee held telephonic meetings with representatives of Baird and Katten on January 2, 2014 in the morning and in the afternoon. During the morning meeting, the Special Committee discussed the key issues in the merger agreement as outlined in the summary prepared by Katten. The Special Committee directed Baird and Katten to have a call with New Star, Moelis and Hunton on these issues and report back to the Special Committee in the afternoon. During the afternoon call, representatives of Baird and Katten reported on the discussions with New Star and Hunton. The Special Committee directed Katten to return a revised draft of the merger agreement to Hunton substantially maintaining MSC's positions on the key points discussed. On January 2, Katten delivered a revised draft of the merger agreement to Hunton, as directed, and revised drafts of the equity financing commitment and limited guaranty.

During the course of January 3, 2014, Hunton delivered revised drafts of the debt financing commitments that were substantially in the form proposed by Katten. In addition, Hunton delivered a summary of certain threshold issues that New Star wanted to resolve before engaging more broadly on the remaining issues in the merger agreement, including (i) the identity of Parent, with New Star proposing a newly formed entity as Parent and New Star and Insight II serving as guarantors under the limited guaranty, (ii) the amount of the reverse termination fee, with New Star proposing \$7 million, (iii) that any damages for which New Star could be liable under the merger

Table of Contents

agreement be limited to the amount of the reverse termination fee and (iv) the duration of the go-shop period, with New Star proposing a 35-day go-shop period with a 15-day subsequent end date and a reduced termination fee of \$2.5 million for MSC for a transaction with an excluded party prior to the excluded party end date. Finally, on January 3, 2014, Katten delivered a revised draft of the disclosure schedules to Hunton.

The Special Committee held a telephonic meeting on the morning of January 4, 2014, with representatives of Baird and Katten participating, to discuss the threshold issues provided by New Star. After lengthy discussion on the issues, the Special Committee directed Baird to communicate the following to Moelis: (i) New Star would not need to be a party to the merger agreement, but it and Insight II must guaranty the payment of the reverse termination fee, which would serve as the damages cap, and MSC must have third party beneficiary rights under the equity commitment letters, (ii) the go-shop period must be 35 days with a 15-day subsequent end date and (iii) a termination fee package consisting of a \$9.5 million reverse termination fee and a \$4.5 million Company termination fee that would be reduced to \$2.5 million for a transaction with an excluded party prior to the excluded party end date with no additional expense reimbursement in any instance.

Later on January 4, 2014, representatives of Baird and Moelis held a call to discuss these threshold issues. The parties agreed in principal with the exception of the termination fee package, which would need to be discussed internally by New Star. With the exception of the termination fee package, during January 4, 2014, Katten and Hunton had extensive discussions to negotiate the remaining issues on the merger agreement. On January 5, 2014, Hunton delivered a revised draft of the merger agreement to Katten based on these negotiations. Katten subsequently prepared a summary of the remaining issues and delivered it to the Special Committee on January 5, 2014, and Katten also prepared revised drafts of the merger agreement, equity financing commitments and limited guaranty that were delivered to Hunton on January 6, 2014.

In the afternoon of January 6, 2014, representatives of Moelis called representatives of Baird and delivered a proposal with a reverse termination fee of \$8 million and a termination fee for the Company of \$4.0 million. Over the next 24 hours, the parties continued to negotiate the remaining open issues on the merger agreement, including the reverse termination fee amount, and the ancillary documents. Through the course of negotiations, the parties agreed to a reverse termination fee of \$8.5 million, a \$2.5 million termination fee payable by MSC for a transaction with an excluded party prior to the excluded party end date, a termination fee payable by MSC of \$4.0 million for termination under other circumstances with expense reimbursement of \$1.25 million only in one instance (with a credit against any termination fee payable in that instance), and finalized the terms of the merger agreement and ancillary documents. Hunton delivered a revised draft of the merger agreement and ancillary documents to Katten that were promptly reviewed, finalized and delivered to the Board.

On January 8, 2014, the Board held a telephonic meeting that Mr. Pawlak and representatives of Baird and Katten attended. Representatives of Katten provided an overview of the Board's fiduciary duties, both generally and in the context of taking action with respect to the proposed transaction. The representatives of Katten then reviewed the structure and terms of the proposed transaction, the merger agreement and the ancillary documents, including the financing commitments and limited guaranty. Representatives of Baird discussed the financing in the proposed transaction, the terms of the go-shop, and the go-shop process that would commence upon execution of the merger agreement. Finally, representatives of Baird presented Baird's financial analysis of the merger consideration offered by New Star to MSC's stockholders (other than Parent and its affiliates). Baird then delivered to the Board its oral opinion (which was subsequently confirmed in writing) as of such date and subject to the qualifications, limitations, procedures and assumptions to be set forth in its written opinion, as to the fairness, from a financial point of view, to MSC's stockholders (other than Parent and its affiliates) of the \$12.75 per share merger consideration to be received by those stockholders. Representatives from Katten then also discussed certain items related to the proposed transaction with New Star, including amendments to the by-laws and to certain officers severance and change in control agreements, press release, employee communications, and a Current Report on Form 8-K. Following consideration of various matters and discussion, the Board unanimously adopted resolutions approving the Merger Agreement and recommending the Merger with New Star and the other business related to the Merger Agreement.

Table of Contents

Following such meeting, in the evening of January 8, 2014, the Merger Agreement was signed. Prior to the opening of the financial markets in the United States on January 9, 2014, MSC and New Star issued a joint press release announcing the execution of the Merger Agreement.

Under the terms of the Merger Agreement, until 11:59 p.m., Chicago time, on February 12, 2014, MSC was permitted to initiate, solicit and encourage alternative acquisition proposals from third parties, provide nonpublic information to third parties pursuant to acceptable confidentiality agreements and participate in discussions and negotiations with third parties regarding alternative acquisition proposals (the go-shop). Representatives of Baird commenced the go-shop process on behalf of MSC on January 9, 2014. Baird contacted a total of 174 parties, including 38 strategic parties and 136 financial sponsors, during the go-shop period to inquire whether they would be interested in exploring a transaction with MSC. Party A was one of the parties contacted and it expressed no interest in exploring a transaction with MSC.

During the go-shop period, 11 entities, including three strategic parties and eight financial sponsors, signed confidentiality agreements to receive non-public information concerning MSC. Consistent with the terms of the Merger Agreement, these confidentiality agreements contained terms no less favorable to MSC than those contained in the non-disclosure agreement between MSC and New Star. These agreements therefore contained a standstill and a no-ask, no waiver provision. In addition, pursuant to the terms of the Merger Agreement, after the expiration of the go-shop period for all potential bidders other than an Excluded Party, and after the Excluded Party End Date for an Excluded Party (as such terms are defined in the Merger Agreement), MSC cannot grant a waiver or release of any standstill or similar agreement. Neither the existence of a standstill or a no-ask, no waiver provision nor MSC's obligations under the Merger Agreement not to waive or release any standstill or similar agreement after the go-shop period prevented MSC from contacting potential bidders and seeking an alternative acquisition proposal during the go-shop period or from seeking an alternative acquisition proposal after the expiration of the go-shop period and before the Excluded Party End Date from an Excluded Party.

MSC did not receive any alternative acquisition proposals during the go-shop period, including from any of the 11 parties who signed confidentiality agreements, each of whom indicated that it was not interested in making an alternative acquisition proposal that might constitute a superior proposal. Nobody is, therefore, defined as an Excluded Party under the Merger Agreement, and, consistent with the terms of the Merger Agreement and the confidentiality agreements signed with certain potential bidders, none of the potential bidders who signed a confidentiality agreement can make an alternative acquisition proposal that might constitute a superior proposal or request that MSC grant a waiver of the standstill in order to make an alternative acquisition proposal that might constitute a superior proposal.

The Recommendation of the Board; Reasons for the Merger

The Board, at a meeting held on January 8, 2014, unanimously determined that it was in the best interests of the Company and its stockholders for the Company to enter into the Merger Agreement and approved and declared advisable the Merger Agreement and the transactions contemplated thereby, including the Merger. The Board also directed that the adoption of the Merger Agreement be submitted to a vote at a meeting of the stockholders of the Company with the recommendation of the Board that the stockholders of the Company adopt the Merger Agreement.

In the course of its deliberations, the Board considered a number of factors, including the following:

- *Cash Consideration.* The Per Share Merger Consideration to be paid to holders of shares of MSC's common stock is cash, giving such holders an opportunity to immediately realize value for their investment in the Company and providing liquidity and certainty of value. The Board also considered the fact that the Per Share Merger Consideration of \$12.75 per share represents a premium of approximately 13.8% over the closing price per share of the common stock on January 7, 2014, and a

Table of Contents

premium of approximately 27.8% over the volume-weighted average share price of the common stock during the 90-day period prior January 7, 2014.

- *Terms of the Merger Agreement.* The Board considered the terms and conditions of the Merger Agreement, including, but not limited to:
 - MSC's ability during the Go-Shop Period beginning on the date of the Merger Agreement and continuing until 11:59 p.m., Chicago time, on February 12, 2014 to initiate, solicit and encourage any inquiry or the making of acquisition proposals from third parties, including by providing third parties with nonpublic information pursuant to acceptable confidentiality agreements, and to engage or enter into, continue or otherwise participate in discussions or negotiations with any person with respect to any acquisition proposal;
 - following the expiration of the Go-Shop Period and prior to obtaining Stockholder Approval, to consider and respond, in certain circumstances and in accordance with the procedures set forth in the Merger Agreement, to an unsolicited third party proposal to acquire the Company that is, or would reasonably be expected to result in, a Superior Proposal (as defined in the Merger Agreement);
 - the ability of the Board to (i) change its recommendation in favor of the Merger and/or terminate the Merger Agreement prior to obtaining Stockholder Approval under certain circumstances in order to enter into a binding written agreement concerning a transaction that constitutes a superior proposal, if the Board determines in good faith that the failure to change its recommendation and/or terminate the Merger Agreement would be inconsistent with its fiduciary duties, and (ii) change its recommendation in favor of the Merger prior to obtaining Stockholder Approval, in the absence of a superior proposal, if a material event, fact or circumstance that affects MSC occurs that was not known prior to the date of the Merger Agreement that becomes known to the Board after the date of the Merger Agreement and the Board determines in good faith that the failure to change its recommendation would be inconsistent with its fiduciary duties;
 - the parties' representations, warranties and covenants, the conditions to their obligations to complete the Merger and their ability to terminate the Merger Agreement, after consultation with legal counsel, were considered to be reasonable and consistent with precedents deemed relevant;
 - the \$4 million termination fee, and the \$2.5 million fee in connection with entering into an alternative acquisition agreement with an excluded party prior to the excluded party end date (as defined in the Merger Agreement), and reimbursement of certain expenses of Parent up to \$1.25 million that could be payable to Parent upon the termination of the Merger Agreement for certain reasons set forth therein, which the Board believed were reasonable in the context of break-up fees and expense reimbursements that were payable in other comparable transactions and would not preclude acceptance of a superior proposal; and
 - the \$8.5 million reverse termination fee that could be payable by Parent to the Company under certain circumstances set forth in the Merger Agreement.
- *Prospects as an Independent Public Company.* The Board considered the Company's prospects if it were to remain an independent public company.
- *Historical Information and Projections.* The Board considered historical information and projections concerning the Company's business, financial performance and condition, operations, products, product development efforts, management and competitive position.

Financial Market Conditions and Stock Prices. The Board considered current financial market conditions and historical market prices, volatility and trading information with respect to the common stock of the Company.

Table of Contents

- *Company and Industry Risks.* The Board considered the inherent risks of the Company's industry and business, as reflected in the risk factors disclosed in the Company's filings with the SEC to which the Company and its stockholders would remain subject if the Company remains an independent public company.
- *Opinion and Analyses of the Company's Financial Advisor.* The Board considered Baird's financial analyses with respect to the \$12.75 Per Share Merger Consideration and its opinion to the Board, as of January 8, 2014, and based upon and subject to the various assumptions made, procedures followed, matters considered and limitations on the review undertaken as set forth in the written opinion, as to the fairness, from a financial point of view, to the Company's stockholders (other than Parent and its affiliates) of the Per Share Merger Consideration of \$12.75 per share of MSC common stock in cash to be received by those stockholders pursuant to the Merger, as more fully described in the section titled "Opinion of the Company's Financial Advisor."
- *Limited Guaranty and Equity Commitments.* The Board considered that in connection with the execution of the Merger Agreement:
 - New Star and Insight II provided MSC with a limited guarantee in favor of MSC guaranteeing, jointly and severally, the payment of Parent's cash reverse termination fee in the event it is payable by Parent; and
 - Insight II entered into the Insight Equity Commitment Letter pursuant to which Insight II committed to purchase, at or immediately prior to the consummation of the Merger, \$15 million of equity securities of New Star in the aggregate, and New Star entered into the New Star Equity Commitment Letter pursuant to which New Star committed to purchase, at or immediately prior to the consummation of the Merger, \$15 million of equity securities of Parent, in order to allow Parent to fund a portion of the aggregate consideration and to pay fees and expenses related to the Merger, and that MSC is a third party beneficiary of such equity commitment letters.
- *Likelihood of Completion.* The Board considered its understanding that the Merger would likely be completed, based on, among other things, the fact that New Star and Insight II provided the limited guaranty and equity financing commitments, the limited conditions to Parent and Merger Sub's obligation to complete the Merger and the absence of significant regulatory approvals necessary to complete the Merger that could potentially prevent or materially delay the Merger or require significant effort by, or resources of, the parties to the Merger Agreement. The Board also considered that, in connection with the execution of the Merger Agreement, PNC Bank, National Association and GSO Capital Partners LP had delivered binding commitment letters and that the terms of these commitment letters, including the limited number and the nature of the conditions to the consummation of the debt financings, increased the likelihood that the debt financings would be completed.
- *Appraisal Rights.* The Board considered the availability of appraisal rights under the DGCL to stockholders who do not vote in favor of the Merger and comply with all of the required procedures under the DGCL, including the fact that such stockholders will have the right to demand appraisal and payment of the fair value of their shares of common stock as determined by the Delaware Court of Chancery.

The Board also considered a number of uncertainties, risks and negative factors in its deliberations concerning the transactions contemplated by the Merger Agreement. These negative factors included the following:

- *Effect of Failure to Complete the Merger.* The Board considered the possibility that the Merger might be materially delayed or might not be consummated and the adverse effects that a material delay or failure to consummate the Merger could have on (1) the Company's business, operations and financial performance, (2) the Company's relationships with customers, suppliers and other business partners and with key employees, and (3) the progress of certain business and product development initiatives, and

Table of Contents

the market price for MSC's common stock. The Board considered the risk of loss of key employees, disruption in normal business relationships and substantial distraction of management attention while the Merger is pending.

- *Requirement for Financing.* The Board considered the fact that Parent requires financing to complete the Merger, and the ongoing uncertainty in the financing markets generally, which the Board believed was mitigated by the debt commitment letters and equity commitment letters obtained by Parent described under "The Merger - Financing," and the related remedies available to the Company.
- *Limited Remedies.* The Board considered the fact that MSC's remedy in the event of a breach of the Merger Agreement by Parent or Merger Sub or other circumstances may be limited to receipt of the reverse termination fee, and that if the Merger Agreement is terminated under certain circumstances MSC may not be entitled to a reverse termination fee at all.
- *Interests of Directors and Officers.* The Board considered the fact that the Company's directors and executive officers may have interests in the transaction that are different from, or in addition to, those of the Company's other stockholders.
- *Disruption of Operations.* The Board considered the risk of disruptions to the operation of the Company's business, including the risk that the operations of the Company would be disrupted by employee concerns or departures and any adverse impact on its ability to attract new personnel, or changes to or termination of the Company's relationships with its customers, suppliers and/or other business partners, following announcement of the Merger.
- *No Participation in Future Growth or Earnings.* The Board considered the fact that the Company's stockholders will not participate in future earnings or growth of the Company following the Merger and will not benefit from any appreciation in value of the Surviving Corporation.
- *Interim Restrictions on Business.* The Board considered the fact that the Merger Agreement restricts the Company's ability to conduct its business to the extent that the Merger Agreement requires the Company to obtain Parent's consent to engage in a variety of actions prior to the consummation of the Merger.

The Board concluded that, overall, the potential benefits of the Merger to the Company and its stockholders outweighed the risks, uncertainties, restrictions and other reasons not to consummate the Merger.

The foregoing discussion of the information and factors considered by the Board is not intended to be exhaustive but includes the material factors considered by the Board. In view of the complexity and wide variety of factors considered, the Board did not find it useful to and did not attempt to quantify, rank or otherwise assign weights to these factors. In considering the factors described above, individual members of the Board may have given different weights to different factors.

*The Board unanimously determined that the Merger Agreement, and the terms of the Merger and the other transactions contemplated by the Merger Agreement, are advisable, fair to and in the best interests of the Company and its stockholders, and unanimously recommends that stockholders vote **FOR** the proposal to adopt the Merger Agreement. When you consider the Board's recommendation, you should be aware that our directors may have interests in the Merger that may be different from, or in addition to, your interests. These interests are described in "The Merger - Interests of Executive Officers and Directors of MSC in the Merger; Executive Compensation That May Be Paid or Become Payable in Connection with the Merger."*

Interests of Executive Officers and Directors of MSC in the Merger; Executive Compensation that May Be Paid or Become Payable in Connection with the Merger

In considering the recommendation of the Board with respect to the Merger, MSC stockholders should be aware that certain executive officers and directors of MSC have interests in the Merger that may be different

from, or in addition to, the interests of MSC stockholders generally. The Board was aware of the interests described below and considered them, among other matters, when approving the Merger Agreement and recommending that MSC stockholders vote to adopt the Merger Agreement.

Prior to the execution of the Merger Agreement there were no agreements among New Star, Parent or any of their respective affiliates, on the one hand, and any executive officer or director of the Company, on the other hand, regarding the terms of any possible post-acquisition employment or other roles of such individuals with Parent or the Surviving Corporation.

Treatment of Stock Options

As of February 18, 2014, our executive officers and directors held options to purchase an aggregate of 559,984 shares of Company common stock granted under the Company's equity incentive plans, of which options with respect to (1) an aggregate of 192,484 shares are vested but unexercised and (2) an aggregate of 367,500 shares are not vested. On March 1, 2014, outstanding options held by our executive officers with respect to an aggregate of 150,000 shares of Company common stock will vest and become exercisable pursuant to their terms. Pursuant to the terms of the Merger Agreement, immediately prior to the effective time of the Merger, each outstanding stock option, whether or not vested, will become fully vested and exercisable and, at the effective time of the Merger, will be cancelled and converted into the right to receive a cash payment equal to the excess, if any, of \$12.75 over such option's exercise price. Each outstanding stock option that has an exercise price equal to or greater than \$12.75 will be cancelled without the right to receive any consideration.

The following table sets forth the proceeds resulting from the Merger, assuming completion of the Merger on February 18, 2014, relating to outstanding and unexercised stock options, vested or unvested, held by our executive officers and non-employee directors:

As of February 18, 2014, our executive officers and directors held an aggregate of 55,425 shares of Company restricted stock granted under the Company's equity incentive plans. On February 28, 2014, an aggregate of 10,000 shares of MSC restricted stock held by Mr. Nastas will vest pursuant to the terms of the applicable incentive plan and award agreement. On March 8, 2014, an aggregate of 900 shares of MSC restricted stock held by Mr. Nastas will vest pursuant to the terms of the applicable incentive plan and award agreement. In addition, if the Merger does not occur prior to March 1, 2014, in accordance with the 2012 Long-Term Incentive Plan for Non-Employee Directors and the Material Sciences Corporation 2012 Incentive Compensation Plan, the Company intends to make, on March 1, 2014, its regularly scheduled grant on the first day of each fiscal quarter to each non-employee director of a number of shares of MSC restricted stock equal to the quotient of \$8,500 divided by the closing sale price of MSC common stock on the day preceding the grant date. Immediately prior to the effective time of the Merger, each outstanding share of MSC restricted stock will become free of all restrictions, fully vested and transferable and, at the effective time of the Merger, other than shares held by stockholders who properly demand and perfect appraisal rights under the DGCL, will be cancelled and converted into the right to receive \$12.75 in cash, without interest and less applicable withholding taxes, under the same terms and conditions as apply to the receipt of the Per Share Merger Consideration by holders of shares of the Company's common stock generally.

The following table sets forth the proceeds resulting from the Merger, assuming completion of the Merger on February 18, 2014, relating to outstanding shares of Company restricted stock held by our executive officers and non-employee directors:

Treatment of Phantom Stock Units

The Board adopted the Fiscal Year 2006 Long-Term Incentive Plan for Non-Employee Directors effective March 1, 2005 (which plan was terminated in June 2012 and replaced by the 2012 Long-Term Incentive Plan for Non-Employee Directors). The plan provided for phantom stock units (payable only in cash) to be granted to each non-employee director on the first trading day on or after March 1, June 1, September 1 and December 1 of

each fiscal year. Each unit represents the number of shares of MSC common stock equal to the quotient of \$8,500 divided by the closing sale price of MSC common stock on the trading day preceding the grant date (rounded up to the nearest whole number of shares). In connection with the consummation of the Merger (and the termination of the members of the Board concurrently therewith), MSC is required to redeem each outstanding phantom stock unit held by members of the Board, in accordance with the terms of the grant agreements therefor and the Fiscal Year 2006 Long-Term Incentive Plan for Non-Employee Directors, at the same \$12.75 Per Share Merger Consideration (without interest and less applicable withholding taxes) in cash payable to holders of common stock of MSC in the Merger. In addition, on March 1, 2014, an aggregate of 50,496 phantom stock units are scheduled to be, and will be, redeemed, in accordance with the terms of the grant agreements therefor and the Fiscal Year 2006 Long-Term Incentive Plan for Non-Employee Directors, at a price per phantom stock unit equal to the average closing sales price for MSC's common stock for the 30 consecutive trading days ending on March 1, 2014.

The following table sets forth the proceeds resulting from the Merger, assuming completion of the Merger on February 18, 2014, relating to outstanding phantom stock units held by our non-employee directors:

Severance and Change in Control Agreements

The Company entered into a severance and change in control agreement (as amended and in effect from time to time, each, a "Severance Agreement" and, collectively, the "Severance Agreements") with (1) Clifford D. Nastas, Chief Executive Officer of MSC, which originally became effective on July 1, 2007, and was modified and reissued on July 1, 2011, (2) Michael R. Wilson, Vice President, Global Operations of the Company, which originally became effective on February 1, 2008, and was modified and reissued on July 1, 2011, (3) James D. Pawlak, Vice President, Chief Financial Officer, Corporate Controller and Corporate Secretary of MSC, which originally became effective on February 10, 2010, and was modified and reissued on July 1, 2011, and (4) Matthew M. Murphy, Vice President, Sales and Marketing of the Company, which originally became effective on April 24, 2008, and was modified and reissued on July 1, 2011. Each of the Severance Agreements entered into between the Company and the Company's executive officers was amended on January 8, 2014 in connection with MSC's entry into the Merger Agreement. The Severance Agreements have a term of one year and are automatically renewable for successive one-year terms unless either party gives written notice at least 60 days prior to the expiration of the then current term that such party seeks to terminate the agreement as of June 30 of the then current year.

The Severance Agreements provide that if, within 15 months of a change in control, the executive's employment with the Company is terminated by the Company for any reason other than for cause, death or disability, or if the executive terminates his employment in the event of a constructive discharge, the executive will be entitled to receive the sum of all accrued but unpaid salary and accrued but unused paid time off as of the date of termination and severance in the amount of 1.5 times the sum of (1) the greater of the executive's annual rate of salary as of (a) the date or event upon which the amount of compensation is being determined, or (b) the

Table of Contents

date that is 30 days prior to the date of a change in control, plus (2) the greater of (x) the cash amount paid or earned by the executive under the Company's management incentive plan for the most recently completed fiscal year preceding the date or event upon which the amount of compensation is being determined, or (y) the amount earned during the current fiscal year, but not yet paid, in which the triggering event takes place (such sum, the Compensation Amount). The Severance Agreements also provide that if, prior to a change in control, the executive's employment with the Company is terminated by the Company for any reason other than for cause, death or disability, or if the executive terminates his employment in the event of a constructive discharge, the executive will be entitled to receive severance benefits in the amount of 1.0 times such executive's Compensation Amount.

The executives are also entitled to outplacement and other benefits, including the continuation of medical, dental, prescription drug and vision benefits, under the Severance Agreements, and are required, as a condition to receiving any payments or other benefits under the Severance Agreements, to agree to be bound by (1) non-solicitation covenants for a period of two years following the date of termination, and (2) non-competition covenants for periods ranging from twelve months (for terminations apart from a change in control) to eighteen months (for terminations occurring within 15 months after a change in control).

The definitions of cause, change in control, constructive discharge and disability under the Severance Agreements are as follows:

Cause means, with respect to the executive, one or more of the following: (1) the executive's commission of a felony or other crime involving moral turpitude or the commission of any other act or omission involving dishonesty, disloyalty or fraud with respect to the Company or any of its affiliates or any of their customers or suppliers, (2) the executive's reporting to work under the influence of alcohol or illegal drugs, the use of illegal drugs (whether or not at the workplace) or other conduct causing the Company or any of its affiliates public disgrace or disrepute or economic harm, (3) failure by the executive to perform duties as reasonably directed by such Company officer or other employee to whom the executive primarily reports (or, with respect to the Chief Executive Officer, the Board), (4) any act or omission aiding or abetting a competitor, supplier or customer of the Company or any of its subsidiaries to the disadvantage or detriment of the Company and its affiliates, (5) breach of fiduciary duty, negligence or misconduct with respect to the Company or any of its affiliates, or (6) if the executive is covered by an employment agreement with the Company or an affiliate, any breach of such agreement which is not cured to the Company's Chief Executive Officer's (or, with respect to such Chief Executive Officer, the Board's) reasonable satisfaction within fifteen days after written notice thereof to the executive.

Change in Control means (1) the acquisition by any person or persons acting in concert, of beneficial ownership (as defined in Rule 13d-3 under the Exchange Act, directly or indirectly, of more than fifty percent of the outstanding stock of the Company (calculated as provided in paragraph (d) of Rule 13d-3 under the Exchange Act in the case of rights to acquire stock); or (2) the consummation of (a) any consolidation or merger of the Company, other than a consolidation or merger of the Company in which holders of its common stock immediately prior to the consolidation or merger hold proportionately at least a majority of the outstanding common stock of the continuing or surviving corporation; or (b) any sale, lease, exchange or other transfer (in one transaction or a series of related transactions) of all or substantially all the assets of the Company (Transfer Transaction), except where (i) the Company owns all of the outstanding equity of the transferee entity or (ii) the holders of the Company's common stock immediately prior to the Transfer Transaction own proportionately at least a majority of the outstanding equity of the transferee entity, immediately after the Transfer Transaction; or (c) any consolidation or merger of the Company where, after the consolidation or merger, one person owns one hundred percent of the shares of common stock of the Company (except where the holders of the Company's common stock immediately prior to such merger or consolidation own proportionately at least a majority of the outstanding equity of such person immediately after such consolidation or merger).

Table of Contents

For purposes of the Severance Agreements, the consummation of the Merger would constitute a Change in Control.

Constructive discharge means the occurrence, without the express written consent of the executive, of any one of the following events: (1) the assignment to the executive of any duties significantly inconsistent with the executive's position and status with the Company or a substantial adverse alteration in the nature or status of the executive's employment responsibilities from those in existence on the date hereof; (2) the relocation of the executive's office or job location to a location not within 75 miles of the executive's present office or job location, except for required travel on the Company's business to an extent substantially consistent with the executive's present business travel obligations; (3) the liquidation, dissolution, consolidation or merger of the Company, or transfer of all or substantially all of its assets, other than a transaction or series of transactions in which the resulting or surviving transferee entity assumes the applicable Severance Agreement and all obligations and undertakings thereunder by operation of law or otherwise; or (4) a substantial reduction in the executive's compensation, other than a reduction that is part of an overall reduction in the compensation of all officers of the Company. For purposes of the Severance Agreements, a substantial reduction in the executive's compensation shall be deemed to have occurred if, at any time during the term thereof, the executive's compensation is reduced below eighty-five percent of his compensation as of the effective date of his Severance Agreement.

An event shall not be considered a constructive discharge unless the executive provides written notice to the Company specifying the event relied upon for constructive discharge within sixty days after the occurrence of such event. Within thirty days of receiving such written notice from the executive, the Company may cure or cause to be cured the event upon which the executive claims a constructive discharge and no constructive discharge shall have been considered to have occurred with respect to such event. The Company and the executive, upon mutual written agreement, may waive any of the provisions listed above which would otherwise constitute a constructive discharge.

Disability means a mental or physical illness that entitles the executive to receive benefits under the long-term disability plan of the Company, or, if there is no such plan or the executive is not covered by such a plan or the executive is not an employee of the Company, a mental or physical illness that renders the executive totally and permanently incapable of performing the executive's duties for the Company, as determined by the Compensation, Organization and Corporate Governance Committee of the Board. Notwithstanding the foregoing, no condition shall qualify as a disability for purposes of the Severance Agreement if it is the result of (1) a willfully self-inflicted injury or willfully self-induced sickness; or (2) an injury or disease contracted, suffered or incurred while participating in a criminal offence.

For additional information regarding the arrangements between the Company and Messrs. Nastas, Wilson, Pawlak and Murphy, see Advisory Vote Regarding Certain Executive Compensation that may be Paid or become Payable in connection with the Merger Golden Parachute Compensation.

Indemnification of Executive Officers and Directors

Section 145 of the DGCL provides that a Delaware corporation may indemnify any persons who are, or are threatened to be made, parties to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of such corporation), by reason of the fact that such person was an officer, director, employee or agent of such corporation, or is or was serving at the request of such person as an officer, director, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, provided that such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the corporation's best interests and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his or her conduct was illegal. A Delaware corporation also may indemnify any persons who are, or

Table of Contents

are threatened to be made, a party to any threatened, pending or completed action or suit by or in the right of the corporation by reason of the fact that such person was a director, officer, employee or agent of such corporation, or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit, provided such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the corporation's best interests, except that a corporation may not indemnify any person in respect of any claim, issue or matter as to which such person is adjudged to be liable to the corporation unless an appropriate court determines that, despite the adjudication of liability, such person is fairly and reasonably entitled to indemnity for such expenses as the court deems proper. Expenses incurred by any officer or director in defending any such action, suit or proceeding in advance of its final disposition shall be paid by the corporation upon delivery to the corporation of an undertaking, by or on behalf of such director or officer, to repay all amounts so advanced if it shall ultimately be determined that such director or officer is not entitled to be indemnified by the corporation. Where an officer or director is successful on the merits or otherwise in the defense of any action referred to above, the corporation must indemnify him or her against the expenses which such officer or director has actually and reasonably incurred.

Section 102(b)(7) of the DGCL permits a corporation to provide in its certificate of incorporation that a director of the corporation shall not be personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duties as a director, except for liability for any (1) breach of the director's duty of loyalty to the corporation or its stockholders; (2) act or omission not in good faith or that involves intentional misconduct or a knowing violation of law; (3) liability under Section 174 of the DGCL (which relates to unlawful payment of dividends and unlawful stock purchases or redemptions); or (4) transaction from which the director derives an improper personal benefit.

Each of the Company's Restated Certificate of Incorporation (the "Certificate of Incorporation") and the Company's bylaws provide that the Company shall indemnify its directors and officers to the fullest extent permitted by the DGCL. In addition, the Certificate of Incorporation limits the liability of directors to the full extent permitted by Section 102(b)(7) of the DGCL.

The Company has also entered into indemnification agreements with each of its directors and executive officers (each an "Indemnified Party"). These agreements require the Company, among other things, to indemnify and hold harmless each Indemnified Party to the fullest extent authorized by Delaware law against any expenses, judgments and other liabilities actually and reasonably incurred by such Indemnified Party in connection with any threatened, pending or completed action or proceeding by reason of the fact that such Indemnified Party is or was a director or officer of the Company, or is or was serving at the request of the Company as a director, officer, employee, fiduciary or agent of another entity. Notwithstanding the foregoing, the indemnification agreements provide that the Company may only indemnify an Indemnified Party in connection with a proceeding initiated by such Indemnified Party if such proceeding was authorized by the Board. The indemnification agreements further require that, in the event of a proceeding against an Indemnified Party that may give rise to a right of indemnification, the Company shall advance reasonable expenses to an Indemnified Party for the defense of such proceeding, following a written request by such Indemnified Party upon receipt of (1) an undertaking to repay such advanced amount if it is ultimately determined by final judgment of a court of competent jurisdiction that such Indemnified Party is not entitled to be indemnified, and (2) satisfactory documentation as to the amount of the expenses. If the Company denies a written request for indemnification or advancement of expenses, or if payment in full pursuant to such request is not made within 30 days after response by the Company, the right to indemnification or advancement of expenses will be enforceable by the Indemnified Party in any court of competent jurisdiction (with costs and expenses incurred in connection with successfully establishing the Indemnified Party's right to indemnification subject to indemnification by the Company). The indemnification agreements further require the Company to use its reasonable efforts to provide an Indemnified Party with directors' and officers' insurance coverage no less advantageous than that then in effect for directors and officers of the Company generally.

Pursuant to the Merger Agreement, Parent agreed that, during the period commencing at the effective time of the Merger and ending on the sixth anniversary thereof, the certificate of incorporation and bylaws of the Surviving Corporation, and the governing documents of each of its subsidiaries, contain will contain provisions no less favorable with respect to indemnification, advancement of expenses and exculpation of directors and officers than are set forth in the certificate of incorporation or bylaws of the Company or the governing documents of its applicable subsidiary as in effect on the date of the Merger Agreement.

The Merger Agreement further provides that during the period commencing at the effective time of the Merger and ending on the sixth anniversary thereof, the Surviving Corporation shall indemnify and hold harmless, to the fullest extent permitted under applicable law (and shall also advance expenses as incurred to the fullest extent permitted under applicable law upon receipt of an undertaking by or on behalf of a director or officer of the Company to repay such amount if it shall ultimately be determined that such director or officer is not entitled to be indemnified), each person who was as of the date of the Merger Agreement, has been at any time prior to such date or who becomes prior to the effective time of the Merger a director or officer of the Company or any of its subsidiaries against any fees, costs or expenses (including reasonable attorneys' fees and disbursements), judgments, fines, losses, claims, damages, liabilities or amounts paid in settlement incurred in connection with any claim, action, suit, proceeding or investigation, whether civil, criminal, administrative or investigative, arising out of or related to such director or officer's service as a director, officer, employee or agent of the Company or any of its subsidiaries or services performed by such director or officer at the request of the Company or any of its subsidiaries; provided, however, that if, at any time prior to the six-year anniversary of the effective time of the Merger, any such director or officer delivers to the Surviving Corporation a written notice asserting a claim for indemnification under the Merger Agreement, then the foregoing obligations of the Surviving Corporation to indemnify, hold harmless and advance expenses to any such director or officer in respect of the claim asserted in such notice shall survive the six-year anniversary of the effective time of the Merger until such time as such claim is fully and finally resolved.

In addition, the Merger Agreement provides that the Company will use commercially reasonable best efforts prior to the effective time of the Merger to purchase a six-year non-cancellable prepaid tail policy, with terms, conditions, retentions and limits of liability that are at least as favorable to the beneficiaries thereof as provided in the Company's existing directors' and officers' insurance policies and the Company's existing fiduciary liability insurance policies (the D&O Insurance) as of the date of the Merger Agreement, with respect to matters existing or occurring at or prior to the effective time of the Merger, covering, without limitation, the transactions contemplated by the Merger Agreement. In no event, however, will the Surviving Corporation be required to expend more than an amount per year in excess of 300% of the most recent annual premiums paid by the Company for the D&O Insurance to maintain insurance as otherwise required by the Merger Agreement. In the event annual premiums necessary to maintain the insurance coverage described above exceed such limit, the Surviving Corporation will be required to use commercially reasonable best efforts to maintain as much coverage as reasonably practicable for a cost not exceeding such limit. The Merger Agreement provides that the Company will not purchase the tail policy without the prior written consent of Parent.

If the Company fails for any reason to obtain the tail policy prior to the effective time of the Merger, the Surviving Corporation will maintain in effect for at least six years from the effective time of the Merger, at no expense to the beneficiaries thereof, the D&O Insurance, with terms, conditions, retentions and limits of liability that are at least as favorable to the beneficiaries thereof as provided as of the date of the Merger Agreement, with respect to matters existing or occurring at or prior to the effective time of the Merger (including the transactions contemplated by the Merger Agreement), subject to similar qualifications described above.

Termination of the Stock Purchase Plan

Pursuant to the Merger Agreement, the Company will take all action necessary to suspend or terminate the Stock Purchase Plan, in accordance with the suspension and termination provisions of the Stock Purchase Plan, effective as of February 28, 2014 (i.e., the end of the current purchase period). Effective as of such suspension or

termination, no additional purchase periods will commence, and no additional purchases of shares of MSC common stock shall be permitted, under the Stock Purchase Plan.

Continuing Employment with the Surviving Corporation

As of the date of this proxy statement, there are no agreements among New Star, Parent or any of their respective affiliates, on the one hand, and any executive officer or director of the Company, on the other hand, regarding the terms of any possible post-acquisition employment or other roles of such individuals with Parent or the Surviving Corporation. Parent may request certain of the Company's executive officers to continue their employment with the Surviving Corporation on an interim or long-term basis, with compensation and other terms of such employment to be negotiated between Parent and/or the Surviving Corporation and such executive officers. See Severance and Change in Control Agreements above for a description of the benefits each executive officer will receive in the event his employment with the Surviving Corporation is terminated by the Surviving Corporation in connection with, or within a specified period of time after, the consummation of the Merger.

Opinion of the Company's Financial Advisor

The Company engaged Baird to act as its financial advisor in connection with the Merger, and to render an opinion to the Board (solely in its capacity as such) as to the fairness, from a financial point of view, to the holders of MSC common stock (other than Parent and its affiliates) of the Per Share Merger Consideration to be received by such holders in the Merger. As a part of Baird's engagement, Baird was requested by the Company to solicit third party indications of interest in acquiring all or any part of the Company following MSC's entry into the Merger Agreement. As such, upon execution of the Merger Agreement, Baird began a process to solicit acquisition proposals from potential third-party acquirors during the 35-day go-shop period provided under the terms of the Merger Agreement.

On January 8, 2014, Baird rendered its oral opinion, which opinion was subsequently confirmed in a written opinion dated January 8, 2014, to the Board to the effect that, subject to various assumptions, qualifications and limitations set forth in its written opinion, as of such date, the Per Share Merger Consideration of \$12.75 in cash to be paid by Parent to the stockholders of the Company in the Merger was fair, from a financial point of view, to the holders of MSC common stock (other than Parent and its affiliates).

As a matter of policy, Baird's opinion was approved by a fairness committee, a majority of the members of which were not involved in providing financial advisory services on Baird's behalf to the Company in connection with the Merger.

The full text of Baird's written opinion, dated January 8, 2014, which sets forth the assumptions made, general procedures followed, matters considered and limitations on the scope of review undertaken by Baird in rendering its opinion, is attached as Annex B to this proxy statement and is incorporated herein by reference. Baird's opinion is directed only to the fairness of the Per Share Merger Consideration, as of the date of the opinion and from a financial point of view, to the holders of MSC common stock (other than Parent and its affiliates) and does not constitute a recommendation to any stockholder of the Company or any other person as to how such person should vote or act with respect to the Merger. Baird's opinion expresses no opinion about the fairness of any amount or nature of the compensation (including any allocation of the Per Share Merger Consideration) payable to any of the Company's creditors, officers, directors or employees, or any class of such persons, or to any particular stockholder relative to the Per Share Merger Consideration payable to the holders of MSC common stock. Baird was not asked to express, and its opinion does not express, any opinion with respect to any of the other financial or non-financial terms, conditions, determinations or actions with respect to the Merger. The summary of Baird's opinion set forth below is qualified in its entirety by reference to the full text of such opinion attached as Annex B to this proxy statement. The Company's stockholders are urged to read the opinion carefully in its entirety.

In conducting Baird's investigation and analyses and in arriving at its opinion, Baird reviewed such information and took into account such financial and economic factors, investment banking procedures and considerations Baird deemed relevant under the circumstances. In that connection, and subject to the various assumptions, qualifications and limitations set forth in its opinion, Baird, among other things: (i) reviewed certain internal information, primarily financial in nature, including the Forecasts furnished to Baird, and prepared, by the Company's management for purposes of Baird's analyses; (ii) reviewed certain publicly available information, including, but not limited to, the Company's recent filings with the SEC and equity analyst research reports covering the Company prepared by various research firms, including earnings estimates for the Company for the fiscal year ending February 28, 2014; (iii) reviewed the principal financial terms of the draft Merger Agreement dated January 8, 2014 (the "Draft Agreement") in the form presented to the Board as they related to Baird's analysis; (iv) compared the financial position and operating results of the Company with those of certain other publicly traded companies Baird deemed relevant; (v) compared the historical market prices, trading activity and market trading multiples of MSC common stock with those of certain other publicly traded companies Baird deemed relevant; (vi) compared the proposed Per Share Merger Consideration payable by Parent to stockholders of MSC (other than Parent and its affiliates) in the Merger with the reported implied enterprise value of certain other business combinations Baird deemed relevant; and (vii) considered the estimated present values of the forecasted cash flows of the Company reflected in the Forecasts. Baird also held discussions with members of the Company's senior management concerning the Company's historical and then-current financial condition and operating results, as well as the future prospects of the Company. Baird also considered such other information, financial studies, analyses and investigations and financial, economic and market criteria which Baird deemed relevant in arriving at its opinion.

In arriving at its opinion, Baird assumed and relied upon, without independent verification, the accuracy and completeness of all of the financial and other information that was publicly available or provided to Baird by or on behalf of the Company. Baird did not independently verify any information that was publicly available or supplied by the Company concerning the Merger that formed a substantial basis for Baird's opinion. Baird was not engaged to independently verify, did not assume any responsibility to verify, assumed no liability for, and expressed no opinion on any such information, and assumed, without independent verification, that the Company was not aware of any information prepared by it or its advisors that might be material to its opinion that was not provided to Baird. Baird assumed, without independent verification, that: (i) all material assets and liabilities (contingent or otherwise, known or unknown) of the Company were as set forth in the Company's financial statements provided to Baird; (ii) the financial statements of the Company provided to Baird presented fairly the results of operations, cash flows and financial condition of the Company for the periods, and as of the dates, indicated and were prepared in conformity with U.S. generally accepted accounting principles consistently applied; (iii) the Forecasts for the Company were reasonably prepared on bases reflecting the best available estimates and good faith judgments of the Company's senior management as to the future performance of the Company, and Baird relied, without independent verification, upon such Forecasts in the preparation of its opinion, although Baird expressed no opinion with respect to the Forecasts or any judgments, estimates, assumptions or bases on which they were based, and Baird assumed, without independent verification, that the Forecasts used in Baird's analyses will be realized in the amounts and on the time schedule contemplated; (iv) the Merger will be consummated in accordance with the terms and conditions of the Draft Agreement without any amendment thereto and without waiver by any party of any of the conditions to their respective obligations thereunder; (v) the representations and warranties contained in the Draft Agreement were true and correct and that each party will perform all of the covenants and agreements required to be performed by it under the Draft Agreement; and (vi) all corporate, governmental, regulatory or other consents and approvals (contractual or otherwise) required to consummate the Merger had been, or will be, obtained without the need for any changes to the Per Share Merger Consideration or other financial terms or conditions of the Merger or that would otherwise materially affect the Company or Baird's analyses. Baird relied, without independent verification, as to all legal matters regarding the Merger on the advice of legal counsel to the Company. In conducting its review, Baird did not undertake or obtain an independent evaluation or appraisal of any of the assets or liabilities (contingent or otherwise, known or unknown) or solvency of the Company nor did Baird make a physical inspection of the properties or facilities of the Company. Baird did not consider any expenses or

Table of Contents

potential adjustments to the Per Share Merger Consideration relating to the Merger as part of its analyses. In each case above, Baird made the assumptions and took the actions or inactions described above with the knowledge and consent of the Board.

Baird's opinion is based upon economic, monetary and market conditions as in effect on, and the information made available to Baird as of, the date of the opinion, and Baird's opinion does not predict or take into account any changes which may occur, or information which may become available, after the date thereof. It should be understood that subsequent developments may affect Baird's opinion, and Baird does not have any obligation to update, revise or reaffirm its opinion. Furthermore, Baird did not express any opinion as to the price or trading range at which any of the Company's securities (including MSC's common stock) will trade following the date of the opinion or as to the effect of the Merger (or announcement thereof) on such price or trading range. Such price and trading range may be affected by a number of factors, including but not limited to: (i) dispositions of MSC common stock by stockholders within a short period of time after, or other market effects resulting from, the announcement and/or effective date of the Merger; (ii) changes in prevailing interest rates and other factors which generally influence the price of securities; (iii) adverse changes in the current capital markets; (iv) the occurrence of adverse changes in the financial condition, business, assets, results of operations or prospects of the Company or in the Company's industry; (v) actions by, or restrictions of, federal, state or other governmental agencies or regulatory authorities; and (vi) whether or not the Merger is timely completed on terms and conditions that are acceptable to all parties to the Merger.

Baird's opinion does not address the relative merits or risks of: (i) the Merger, the Merger Agreement or any other agreements or other matters provided for, or contemplated by, the Merger Agreement; (ii) any other transactions that may be, or might have been, available as an alternative to the Merger; or (iii) the Merger compared to any other potential alternative transactions or business strategies considered by the Board and, accordingly, Baird relied upon discussions with the senior management of the Company with respect to the availability and consequences of any alternatives to the Merger. Baird's opinion does not constitute a recommendation to the Board, any stockholder of the Company or any other person as to how such person should vote or act with respect to the Merger.

The preparation of a financial opinion is a complex analytical process involving various determinations as to the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances and, therefore, a financial opinion does not necessarily lend itself to summary description. Baird arrived at its ultimate opinion based on the results of all analyses undertaken by it and assessed as a whole, and did not draw, in isolation, conclusions from or with regard to any one factor or method of analysis for purposes of its opinion. Accordingly, Baird believes that its analyses must be considered as a whole and that selecting portions of its analyses and factors or focusing on information presented in tabular format, without considering all analyses and factors or the narrative description of the analyses, could create a misleading or incomplete view of the processes underlying its analyses and opinion.

In its analyses, Baird considered industry performance; general business, economic, market and financial conditions, and other matters existing as of the date of its opinion, many of which are beyond the Company's control. No company, business or transaction reviewed is identical to the Company or the Merger. An evaluation of these analyses is not entirely mathematical. Rather, the analyses involve complex considerations and judgments concerning financial and operating characteristics and other factors that could affect the public trading or other values of the companies, business segments or transactions reviewed. Any estimates contained in Baird's analyses are not necessarily indicative of actual values, which may be significantly more or less favorable than as set forth therein. Estimates of values of companies do not purport to be appraisals or to necessarily reflect the prices at which companies may actually be sold. Because such estimates are inherently subject to uncertainty, Baird does not assume responsibility for their accuracy.

Baird was not requested to, and it did not, recommend the Per Share Merger Consideration. The type and amount of the Per Share Merger Consideration was determined through negotiations between the Company and

Parent, and the decision to enter into the Merger Agreement was solely that of the Board. Baird's opinion was only one of many factors considered by the Board in its evaluation of the Merger and should not be viewed as determinative of the views of the Board or management of the Company with respect to the Merger or the Per Share Merger Consideration.

The following is a summary of the material financial analyses performed by Baird in connection with rendering its opinion, which is qualified in its entirety by reference to the full text of such opinion attached as Annex B to this proxy statement and to the other disclosures contained in this section. In preparing its opinion, Baird performed a variety of financial and comparative analyses, including those described below. The following summary, however, does not purport to be a complete description of the financial analyses performed by Baird. The order of analyses described does not indicate the relative importance or weight given to the analyses performed by Baird, and Baird did not assign any particular weight or importance to any particular analysis. Some of the summaries of the financial analyses include information presented in a tabular format. These tables must be read together with the full text of each summary and alone are not a complete description of Baird's financial analyses. Except as otherwise noted, the following quantitative information is based on market and financial data as it existed on or before January 6, 2014 and is not necessarily indicative of current market conditions.

Implied Valuation and Transaction Multiples

Based on the Per Share Merger Consideration, Baird calculated the implied equity purchase price (defined as the Per Share Merger Consideration multiplied by the total number of diluted shares of common stock of the Company outstanding, including phantom stock units and gross shares issuable upon the exercise of stock options, less assumed option proceeds) to be \$139.1 million. In addition, Baird calculated the implied total purchase price (defined as the equity purchase price plus the book value of the Company's total debt-like liabilities, less cash and cash equivalents, each as reflected on the Company's balance sheet as of November 30, 2013) to be \$106.6 million. Baird then calculated the multiples of the total purchase price to the Company's last twelve months (LTM) ended November 30, 2013, estimated calendar year 2013 and projected calendar year 2014 revenue; adjusted earnings before interest, taxes, depreciation and amortization (EBITDA); and adjusted earnings before interest and taxes (EBIT), as provided by the senior management of the Company. Adjustments taken to arrive at adjusted EBITDA and adjusted EBIT include non-recurring items specified by management, including but not limited to pension and environmental expenses, gain on sale of assets, impairment charges, restructuring costs, certain product development costs and incentive plan adjustments. Baird also calculated the multiples of the Per Share Merger Consideration to the Company's LTM, estimated calendar year 2013 and projected calendar year 2014 adjusted fully diluted earnings per share based on information provided by the senior management of the Company and assuming the total number of diluted shares of common stock of the Company outstanding. These transaction multiples are summarized in the table below.

Table of Contents***Selected Publicly Traded Company Analysis***

Baird reviewed certain publicly available financial information and stock market information for certain publicly traded companies that Baird deemed generally relevant for comparative purposes. The group of selected publicly traded companies reviewed is listed below.

- Core Molding Technologies, Inc.
- Friedman Industries, Incorporated
- Lydall, Inc.
- Shiloh Industries, Inc.
- SIFCO Industries, Inc.
- STRATTEC Security Corporation
- Superior Industries International, Inc.
- Tower International, Inc.
- UFP Technologies, Inc.

Baird selected these companies based on a review of publicly traded companies that, in Baird's professional judgment, possessed a combination of operating, margin, size and end market characteristics representative of companies in the industry in which the Company operates. Baird noted that none of the companies reviewed is identical to the Company and that, accordingly, the analysis of such companies necessarily involves complex considerations and judgments concerning differences in the business, operating and financial characteristics of each company and other factors that affect the public market values of such companies.

For each company, Baird calculated the equity market value (defined as the market price per share of each company's common stock multiplied by the total number of diluted common shares outstanding of such company, including net shares issuable upon the exercise of stock options and warrants). In addition, Baird calculated the total market value (defined as the equity market value plus the book value of each company's total debt-like liabilities, preferred stock and minority interests, less cash, cash equivalents and marketable securities). Baird calculated the multiples of each company's total market value to its LTM (ended September 30, 2013 for all companies except Shiloh Industries, Inc., which ended October 31, 2013), estimated calendar year 2013 and projected calendar year 2014 revenue, adjusted EBITDA and adjusted EBIT. Baird also calculated multiples of each company's price per share to its LTM and to its estimated calendar year 2013 and projected calendar year 2014 adjusted fully diluted earnings per share. Baird then compared the transaction multiples implied in the Merger with the corresponding trading multiples for the selected companies. Stock market and historical financial information for the selected companies was based on publicly available information as of January 6, 2014, and projected financial information, when it existed, was based on publicly available research reports as of such date and mean consensus estimates as compiled by S&P Capital IQ. A summary of the implied multiples is provided in the table below.

Baird reviewed certain publicly available financial information concerning completed acquisition transactions that Baird deemed relevant. The group of selected acquisition transactions is listed below.

Date Announced	Target	Acquiror

06/24/2007	· Cumerio SA	· Norddeutsche Affinerie AG

Baird chose these acquisition transactions based on a review of completed acquisition transactions that, in its professional judgment, involved target companies possessing a combination of size, product and operating characteristics which were representative of companies in the industry in which the Company operates. Baird noted that none of the acquisition transactions or subject target companies reviewed is identical to the Merger or the Company, respectively, and that, accordingly, the analysis of such acquisition transactions necessarily involves complex considerations and judgments concerning differences in the business, operating and financial characteristics of each subject target company and each acquisition transaction and other factors that affect the values implied in such acquisition transactions.

For each transaction, Baird calculated the implied total purchase price (defined as the equity purchase price plus the book value of each target company's total debt-like liabilities, preferred stock and minority interests, less cash, cash equivalents and marketable securities). Baird calculated the multiples of each target company's implied total purchase price to its LTM revenue, adjusted EBITDA and adjusted EBIT. A summary of the implied multiples is provided in the tables below.

In addition, Baird calculated the implied per share equity values of MSC common stock based on the acquisition transaction multiples of the selected acquisition transactions shown in the table above and compared such values to the Per Share Merger Consideration. Table of Contents***Discounted Cash Flow Analysis***

Baird performed a discounted cash flow analysis utilizing the Company's projected unlevered free cash flows (defined as after-tax operating income, using a tax rate of 35% based on Company management's expectations, plus depreciation and amortization, less increases in net working capital (excluding cash and debt), less capital expenditures) from the periods including the fourth quarter of fiscal year 2014 through fiscal year 2019, as provided by the Company's senior management. Baird has assumed that the Company will realize its projected unlevered free cash flows for purposes of the discounted cash flow analysis. In such analysis, Baird calculated the present values of the unlevered free cash flows from the periods including the fourth quarter of fiscal year 2014 through fiscal year 2019 by discounting such amounts at rates ranging from 18.5% to 21.5%, which are estimates of the Company's weighted average cost of capital based on the selected publicly traded companies and include a small company size premium of 8.9% as estimated by Ibbotson Associates. Baird calculated the present values of the free cash flows beyond fiscal year 2019 by assuming terminal values ranging from 5.5x to 6.5x fiscal year 2019 adjusted EBITDA, determined by Baird in its professional judgment based on the selected companies, as well as the Company's historical trading multiples, and discounting the resulting terminal values at rates ranging from 18.5% to 21.5%. The summation of the present values of the unlevered free cash flows and the present values of the terminal values produced equity values ranging from \$11.86 to \$14.11 per share. Baird compared these implied per share equity values with the Per Share Merger Consideration.

Supplemental Price Activity Information

Although not an integral part of its analyses, Baird reviewed certain historical price and trading activity of MSC common stock with the Board and noted that the high and low closing prices for MSC common stock were \$11.81 and \$5.80, respectively, over the last three years as of January 6, 2014. Baird also noted that MSC's common stock price rose approximately 16% over the last twelve months and approximately 74% over the last three years.

Baird also calculated the premiums that the Per Share Merger Consideration represented over the closing market price of MSC common stock for various time periods ranging from one day to 360 days prior to January 6, 2014, based on the Per Share Merger Consideration. These premiums, along with selected acquisition premiums of all U.S. target announced transactions with an enterprise value between \$50 million and \$500 million (excluding premiums less than 0% and greater than 100%) between January 6, 2014 and the prior 360 days, that Baird identified, are summarized in the table below.

	As of January 6, 2014			Selected Acquisition Premiums		
	Stock Price	Implied Transaction Premium	Low	Mean	Median	High
1-Day Prior	\$ 11.80	8.1%	0.9%	30.6%	24.6%	96.3%

In its capacity as a co-manager for Emerge Energy's initial public offering, Baird sold an aggregate of 375,000 common units of Emerge Energy out of the total offering of 7.5 million common units. Nobody from Baird who performed services in connection with Emerge Energy's initial public offering performed services for MSC in connection with any aspect of the transactions described herein.

Certain Financial Projections

In connection with the Board's evaluation of a possible transaction, the Company's management prepared certain forecasts through February 28, 2014, and a five-year projection through February 28, 2019, concerning the business and operations of the Company (the Forecasts). In the course of negotiations relating to the Merger, the Company's management provided the Forecasts to Parent and met with Parent to discuss the Forecasts and the underlying assumptions. The Company's management also provided Baird with the Forecasts for its use in connection with the rendering of its opinion to the Board and performing its related financial analyses. The Company has included the material portions of the Forecasts below in order to give its stockholders access to this information as well. The risks inherent in the Forecasts were considered by the Board and discussed in management's meetings with Parent and representatives of Baird.

Table of Contents

The Company's management employed the following key assumptions in preparing the Forecasts summarized in the table below, which were provided to the Board, Baird and Parent:

- (1) Stub period represents December 2013 through February 2014.
- (2) Presented on a non-GAAP basis as described below. MSC also estimated that it incurred certain costs as a public company that some potential buyers would not incur such as costs of being a public company, pension expense, non-cash stock compensation expense and certain other non-recurring items. These cost estimates totaled approximately \$1.7 million in 2014, \$1.9 million in 2015, \$1.7 million in 2016 and \$1.8 million in 2017.

Unlevered free cash flow was derived from the estimates and projections relating to the Company's Adjusted EBITDA, or earnings before interest expense, income taxes, depreciation and amortization expense (adjusted to take into account certain non-recurring items), prepared by the Company (and made available to Parent and Baird) in order to calculate the Company's tax affected operating income, which were further adjusted to arrive at unlevered free cash flow. The unlevered free cash flow information is summarized below.

- (1) Stub period represents December 2013 through February 2014.
- (2) Presented on a non-GAAP basis. In the course of preparing the Forecasts, the Company did not develop estimates as to unlevered free cash flow. The unlevered free cash flow was calculated based upon the

Table of Contents

Forecasts provided by the Company, as set forth above, as Adjusted EBITDA less depreciation and amortization, less taxes, plus depreciation and amortization, less capital expenditures, less increases in net working capital. The Company did not deliver estimates as to unlevered free cash flows to Parent.

The Company does not typically make public any forecasts as to future performance or earnings. The Company's financial forecasts are generally prepared solely for internal use, such as budgeting and other management decisions. The Forecasts are not being included in this proxy statement to influence your decision whether to vote for or against the proposal to adopt the Merger Agreement, but are being included in this proxy statement because this information was provided to Parent, and was part of the information considered by the Board in evaluating the transaction with Parent. The Forecasts also were provided to the Company's financial advisor. The Forecasts were not prepared with a view toward public disclosure of any kind. The Forecasts also were not prepared in compliance with the published guidelines of the SEC or the guidelines established by the American Institute of Certified Public Accountants regarding projections or forecasts. The Company's independent registered public accounting firm has not examined, compiled or otherwise applied procedures to the Forecasts and, accordingly, assumes no responsibility for them.

The Forecasts do not purport to present operations in accordance with U.S. generally accepted accounting principles (GAAP). Adjusted EBITDA is defined as earnings before interest expense, income taxes, depreciation and amortization expense (EBITDA), adjusted to take into account non-recurring items specified by management, including but not limited to pension and environmental expenses, gain on sale of assets, impairment charges, restructuring costs, certain product development costs and incentive plan adjustments. Adjusted EBITDA is not a financial measure pursuant to GAAP and should not be considered in isolation. Adjusted EBITDA has limitations as an analytical tool because, among other things, Adjusted EBITDA: (1) does not reflect the Company's cash expenditures or future requirements for capital expenditures; (2) does not reflect changes in, or cash requirements for, the Company's working capital needs; (3) does not reflect cash requirements for income taxes; (4) EBITDA does not reflect interest expense for the Company's corporate indebtedness; and (5) although depreciation and amortization are non-cash charges, the assets being depreciated and amortized will often have to be replaced, and Adjusted EBITDA does not reflect any cash requirements for these replacements. The Company's stockholders are encouraged to review the Company's GAAP consolidated financial statements included in its periodic reports filed with the SEC, and the Company's stockholders should not rely solely or primarily on Adjusted EBITDA or any other single financial measure to evaluate the Company's liquidity or financial performance calculated and presented in accordance with GAAP.

The Forecasts reflect numerous estimates and assumptions made by the Company's management at the time they were prepared regarding industry performance, general business, economic, regulatory, market and financial conditions and other future events, as well as matters specific to the Company's business, all of which are difficult to predict and many of which are beyond the Company's control. The Forecasts also reflect subjective judgments made by the Company's management which are susceptible to multiple interpretations and periodic revisions based on actual experience and business developments. Accordingly, there can be no assurance that the assumptions, estimates and judgments made in preparing the Forecasts will prove accurate or that any of the Forecasts will be realized. In addition, the Forecasts cover multiple years and such information by its nature becomes less predictive with each successive year.

The Forecasts will be affected by our ability to achieve strategic goals, objectives and targets over the applicable periods. The assumptions upon which the Forecasts were based necessarily involve judgments with respect to, among other things, future economic, competitive and regulatory conditions and financial market conditions, all of which are difficult or impossible to predict accurately and many of which are beyond our control. The Forecasts also reflect assumptions as to certain business decisions that are subject to change. The inclusion of the Forecasts in this proxy statement should not be regarded as an indication that any of the Company, Parent or their respective affiliates or representatives considered or consider the Forecasts to be a prediction of actual future events, and the Forecasts should not be relied upon as such. The Forecasts do not take into account any circumstances or events occurring after the date they were prepared, including the transactions

Table of Contents

contemplated by the Merger Agreement. Further, the Forecasts do not take into account the effect of any failure of the Merger to occur and should not be viewed as accurate or continuing in that context. None of the Company, Parent or any of their respective affiliates or representatives intends to update or otherwise revise the Forecasts to reflect circumstances existing or arising after the date the Forecasts were generated or to reflect the occurrence of future events, even in the event that any or all of the assumptions, estimates and judgments underlying the Forecasts are shown to be in error or the Forecasts otherwise become inaccurate.

The Forecasts are subject to substantial risks and uncertainties that could cause actual results to differ materially from the forecasted results, including important factors described below and under the heading "Risk Factors" in the Company's Annual Report on Form 10-K for the year ended February 28, 2013, and in the Company's Quarterly Report on Form 10-Q for the quarterly period ended November 30, 2013. All forecasts contained in this proxy statement are forward-looking statements, and these and other forward-looking statements are expressly qualified in their entirety by the risks described or referred to above in "Cautionary Statement Concerning Forward-Looking Statements."

The Company's stockholders are cautioned not to place undue reliance, if any, on the Forecasts included in this proxy statement.

Financing

Parent and Merger Sub estimate that the total amount of funds required to complete the Merger and pay the fees and expenses related to the Merger will be approximately \$150 million. Parent expects to fund this amount through a combination of equity and debt financing (which are described in this section). The financing commitments obtained by Parent are subject to certain conditions, including conditions that relate directly to the Merger Agreement. We cannot assure you that the amounts committed under the financing commitments will be sufficient to complete the Merger. Those amounts might be insufficient if, among other things, one or more of the parties to the financing commitments fails to fund the committed amounts in breach of such financing commitments and/or if any of the conditions to such financing are not satisfied. Although obtaining the proceeds of any financing, including the financing under the equity and debt commitments described below, is not a condition to the completion of the Merger, the failure of Parent to obtain any portion of the equity and debt financing (or alternative financing) is likely to result in the failure of the Merger to be completed. In that case, Parent may be obligated to pay MSC a reverse termination fee of \$8.5 million. The obligation of Parent to pay the reverse termination fee is guaranteed by New Star and Insight II, as described below under the heading "The Merger – Limited Guaranty."

Equity Financing

On January 8, 2014, Insight II entered into the Insight Equity Commitment Letter with New Star, pursuant to which Insight II committed to purchase, at or immediately prior to the consummation of the Merger, \$15 million of equity securities of New Star in the aggregate, and New Star entered into the New Star Equity Commitment Letter with Parent, pursuant to which New Star committed to purchase, at or immediately prior to the consummation of the Merger, \$15 million of equity securities of Parent, in order to allow Parent to fund a portion of the aggregate consideration and to pay fees and expenses related to the Merger. The obligations of Insight II and New Star under the Equity Commitment Letters are subject to, among other things, the following conditions:

- the satisfaction or waiver of each of the conditions to the obligations of Parent and Merger Sub to complete the Merger (other than any conditions that by their nature are to be satisfied at the closing of the Merger, but subject to the satisfaction of such conditions); and
-

Edgar Filing: MATERIAL SCIENCES CORP - Form DEFM14A

the concurrent funding of the financing contemplated under the Debt Commitment Letters (as defined below) (or any alternative financing permitted by the Merger Agreement), or confirmation that the financing contemplated under the Debt Commitment Letters (or alternative financing) will be funded at the closing of the Merger if the equity commitment is funded at the closing.

Table of Contents

The Equity Commitment Letters will terminate upon the earliest to occur of (i) the closing of the Merger or (ii) the termination of the Merger Agreement in accordance with its terms. MSC is an express third-party beneficiary of the Equity Commitment Letters and has the right, under the circumstances in which MSC would be permitted by the Merger Agreement to obtain specific performance, to seek specific performance to enforce the obligations of Insight II and New Star under the Equity Commitment Letters.

Debt Financing

In connection with Parent and Merger Sub's entry into the Merger Agreement, on January 8, 2014, New Star Holdings entered into (i) the GSO Debt Commitment Letter with GSO Capital Partners LP, which provides for a \$160 million senior secured term loan facility for New Star Holdings, New Star and its subsidiaries (the "Term Loan Facility"), and (ii) the PNC Debt Commitment Letter with PNC Bank, National Association, which provides for a \$90 million senior secured revolving credit facility for New Star Holdings, New Star and its subsidiaries (the "Revolving Credit Facility" and, together with the Term Loan Facility, the "Credit Facilities").

Upon consummation of the Merger, the co-borrowers under the Credit Facilities are expected to be New Star Holdings, New Star and its subsidiaries, including MSC (collectively, the "Borrowers"). The Credit Facilities are expected to be guaranteed by certain subsidiaries of the Borrowers. The Term Loan Facility will be secured by (i) a first priority security interest in and lien on substantially all of the assets (excluding accounts receivable and inventory and general intangibles, contract rights, all rights to the payment of money, instruments, documents and chattel paper related to accounts receivable or inventory) of New Star Holdings, MSC and each subsidiary guarantor (collectively, the "Loan Parties"), (ii) a pledge of all stock of the Loan Parties (other than New Star Holdings), and (iii) subject to an intercreditor agreement with the parties to the Revolving Credit Facility, a second priority security interest and lien on all of the assets of the Loan Parties securing the Revolving Credit Facility (including, without limitation, accounts receivable and inventory and general intangibles, contract rights, all rights to the payment of money, instruments, documents and chattel paper related to accounts receivable or inventory). The Revolving Credit Facility is expected to be secured by (1) a first priority security interest in and lien on the accounts receivable, inventory and general intangibles, contract rights, rights to the payment of money, instruments, documents and chattel paper related to accounts receivable or inventory of the Loan Parties, and (2) subject to an intercreditor agreement with the parties to the Term Loan Facility, a second priority security interest in (A) the stock of the Loan Parties (other than New Star Holdings) and (B) all of the assets of the Loan Parties securing the Term Loan Facility.

Borrowings under the Term Loan Facility will bear interest at an annual rate of LIBOR plus 8.00%, subject to a 1.25% LIBOR floor. Borrowings under the Revolving Credit Facility will bear interest at either (i) a floating base rate equal to the highest of (A) the annual prime rate announced by PNC Bank, National Association, (B) the Federal Funds Open Rate plus 0.5% and (C) the one-month LIBOR rate plus 1%, plus a margin of 1.5%, or (ii) the one, two or three month LIBOR rate plus a margin of 2.5%.

Conditions to Debt Financing

The Credit Facilities contemplated by the Debt Commitment Letters are subject to certain closing conditions, including, without limitation:

- since the execution of the Debt Commitment Letters, there has been no occurrence of a Material Adverse Event (as defined in the Merger Agreement);
- execution and delivery of definitive loan documentation;

Edgar Filing: MATERIAL SCIENCES CORP - Form DEFM14A

- payment of applicable fees and expenses;
- the accuracy of certain representations and warranties in the Merger Agreement and the definitive loan documentation;

Table of Contents

- consummation of the Merger and related transactions in accordance with the Merger Agreement substantially concurrently with the closing under the Credit Facilities;
- the absence of any waivers, modifications or consents with respect to the Merger Agreement that are materially adverse to the lenders under the Credit Facilities;
- evidence that all actions necessary to perfect and protect the security interests of the lenders under the Credit Facilities have been or will be taken simultaneously with the closing under the Credit Facilities; and
- delivery of certain customary closing documents (including, among other things, legal opinions, officers' certificates, resolutions, insurance certificates, and guarantees).

In addition, the closing of the Term Loan Facility contemplated by the GSO Debt Commitment Letter is subject to the receipt by GSO Capital Partners LP of satisfactory evidence of the consummation of the equity financing described above, and the closing of the Revolving Credit Facility contemplated by the PNC Debt Commitment Letter is subject to the conditions that (i) the ultimate borrower under the Revolving Credit Facility has minimum excess revolving credit availability of \$10 million at the closing of the Revolving Credit Facility and (ii) PNC Bank, National Association has received evidence of insurance coverage reasonably satisfactory thereto, and a lender's loss payee endorsement, naming PNC Bank, National Association as loss payee or as an additional insured, as applicable.

The commitment under the GSO Debt Commitment Letter will expire upon the earliest of (i) the date the definitive documentation for the Term Loan Facility becomes effective, (ii) June 7, 2014, and (iii) the date the parties mutually determine to terminate the GSO Debt Commitment Letter. The commitment under the PNC Debt Commitment Letter will expire upon the earliest of (i) the date the definitive documentation for the Revolving Credit Facility becomes effective, (ii) April 6, 2014, and (iii) the date New Star Holdings gives written notice of its decision to terminate the PNC Debt Commitment Letter. See The Merger Agreement Financing; Cooperation for a description of Parent's obligations to use its commercially reasonable best efforts to obtain the equity and debt financing on the terms and conditions described in the Equity Commitment Letters and the Debt Commitment Letters.

Although the debt financing described in this proxy statement is not subject to due diligence or a market out provision, which would have allowed lenders not to fund their commitments if certain conditions in the financial markets prevail, there is still a risk that such debt financing may not be funded when required. Under the Merger Agreement, if any portion of the debt financing becomes unavailable on the terms and conditions contemplated in the Debt Commitment Letters, Parent must use its commercially reasonable best efforts to promptly arrange and obtain any such portion from alternative sources on terms not materially less favorable to Parent than those set forth in the Debt Commitment Letters (taking into account flex provisions) (as determined in the sole discretion of Parent).

The documentation governing the debt financing has not been finalized and, accordingly, the actual terms may differ from those described in this proxy statement.

Limited Guaranty

New Star and Insight II have entered into a limited guaranty in favor of the Company, pursuant to which New Star and Insight II have agreed to guarantee certain payment obligations of Parent and Merger Sub pursuant to the Merger Agreement, including the payment of the \$8.5 million reverse termination fee, if any, that may become payable by Parent to the Company pursuant to the Merger Agreement. The liability of New Star

and Insight II under the limited guaranty is limited to the \$8.5 million amount of the reverse termination fee.

Voting Agreements and Irrevocable Proxies

In connection with the parties' entry into the Merger Agreement, each of Frank L. Hohmann III, a member of the Board, and Privet Fund LP and Privet Fund Management LLC (collectively, "Privet"), entered into a voting agreement (each, a "Voting Agreement" and, collectively, the "Voting Agreements"). Ryan J. Levenson, a member of the Board, is the managing member of Privet Fund Management LLC.

Pursuant to each Voting Agreement, the stockholder party to such Voting Agreement has agreed to vote shares beneficially owned by such stockholder (and such stockholder has granted Parent an irrevocable proxy with respect to such matters): (1) FOR the adoption of the Merger Agreement, (2) AGAINST any acquisition proposal (as defined in the Merger Agreement) or any other proposal made in opposition of the adoption of the Merger Agreement, and (3) AGAINST any agreement or action that is intended to, or that could reasonably be expected to, prevent, materially impede, interfere with or delay the consummation of the Merger. The Voting Agreements will terminate upon the first to occur of (a) the effective time of the Merger, (b) the termination of the Merger Agreement in accordance with its terms, (c) the date of any material modification, waiver or amendment of the Merger Agreement that affects adversely the consideration payable to the Company's stockholders pursuant to the Merger Agreement, and (d) the mutual written consent of Parent and the stockholder party thereto.

As of February 18, 2014, Mr. Hohmann was the beneficial owner of an aggregate of 1,008,861 shares of MSC common stock that were subject to a Voting Agreement and Privet was the beneficial owner of an aggregate of 951,996 shares of MSC common stock that were subject to a Voting Agreement, collectively representing approximately 19% of the outstanding shares of the Company's common stock.

Material U.S. Federal Income Tax Consequences of the Merger to U.S. Holders

The following discussion summarizes the material U.S. federal income tax considerations that may be relevant to U.S. Holders (as defined below) of MSC common stock whose shares will be converted into cash in the Merger and who will not own (actually or constructively) any shares of MSC common stock after the Merger. This discussion is based on the Internal Revenue Code of 1986, as amended (the "Code"), treasury regulations, administrative decisions and rulings of the Internal Revenue Service (the "IRS"), court decisions, and other applicable authorities, all as in effect as of the date hereof, all of which are subject to change (possibly with retroactive effect) and all of which are subject to differing interpretation, which could result in U.S. federal income tax consequences different from those discussed below.

This discussion does not address all aspects of U.S. federal income taxation that may be relevant to beneficial holders of MSC common stock in light of their particular circumstances or to persons subject to special treatment under the U.S. federal income tax laws. In particular, this discussion deals only with persons that beneficially hold shares of MSC common stock as capital assets within the meaning of Section 1221 of the Code (generally, property held for investment). Except as expressly provided below, this discussion does not address the tax treatment of special classes of persons, such as banks, insurance companies, tax-exempt organizations, financial institutions, broker-dealers, traders in securities, regulated investment companies, real estate investment trusts, S corporations, persons holding shares of MSC common stock as part of a hedge, straddle or other risk reduction, constructive sale, conversion transaction, or other integrated transaction, U.S. expatriates, U.S. Holders whose functional currency is not the U.S. dollar, U.S. Holders who exercise appraisal rights, U.S. Holders that beneficially own stock of Parent, and persons who acquired shares of MSC common stock as compensation, pursuant to the exercise of MSC options or otherwise in connection with the performance of services to MSC or any of its affiliates. This discussion does not address any state, local or non-U.S. tax considerations or alternative minimum tax or non-U.S. federal income tax considerations or any other U.S. federal tax laws, including the estate and gift tax laws and the tax on certain net investment income imposed under Section 1411 of the Code. Furthermore, this discussion does not discuss the U.S. federal income tax consequences to a beneficial owner of MSC common stock who, for United States federal income tax purposes, is a non-resident alien individual, a foreign corporation, a foreign partnership or a foreign estate or trust.

Table of Contents

For purposes of the following discussion, a U.S. Holder means a beneficial owner of MSC common stock that is:

- a citizen or resident of the United States;
- a corporation (including an entity treated as a corporation for U.S. federal income tax purposes) created or organized under the laws of the United States or any state thereof or the District of Columbia;
- an estate, the income of which is subject to U.S. federal income taxation regardless of its source; or
- any trust if (i) a U.S. court is able to exercise primary supervision over the administration of such trust and one or more U.S. persons have the authority to control all substantial decisions of the trust or (ii) it has a valid election in place to be treated as a U.S. person.

If a partnership, or an entity treated as a partnership for U.S. federal income tax purposes, holds shares of MSC common stock, the U.S. federal income tax treatment of a partner in the partnership generally will depend on the status of the partner and the activities of the partnership. This discussion does not address the tax treatment of partnerships or persons who hold their shares of MSC common stock through partnerships for U.S. federal income tax purposes. A partner in a partnership holding shares of MSC common stock should consult its tax advisor regarding the consequences to them of the Merger.

Each holder of MSC common stock is urged to consult his, her or its own tax advisor regarding the specific U.S. federal, state, local and non-U.S. tax consequences of the Merger.

The exchange of shares of MSC common stock for cash pursuant to the Merger generally will be a taxable transaction to U.S. Holders for U.S. federal income tax purposes. A U.S. Holder of MSC common stock that exchanges such common stock in the Merger for cash should recognize a capital gain or loss equal to the difference, if any, between the amount of cash received in the Merger (determined before the deduction of any applicable withholding taxes) in exchange for such common stock and the U.S. Holder's adjusted basis in such common stock. Gain or loss should be determined separately for each identifiable block of shares of MSC common stock (generally, such stock acquired at different prices or at different times). Such gain or loss should be capital gain or loss and should be long-term capital gain or loss if the U.S. Holder's holding period for such shares is more than one year at the time of the Merger. The deductibility of capital losses is subject to certain limitations.

Cash payments received by a U.S. Holder in exchange for such U.S. Holder's MSC common stock in the Merger may be subject to information reporting, and may be subject to backup withholding at the applicable rate (currently 28%), unless the U.S. Holder or other payee (i) provides a valid taxpayer identification number on IRS Form W-9 (or other appropriate withholding form) and complies with certain certification procedures or (ii) otherwise establishes an exemption from backup withholding. Backup withholding is not an additional U.S. federal income tax, rather any amounts withheld may be credited against the U.S. Holder's federal income tax liability, and if the backup withholding results in an overpayment of taxes, a refund may be obtained from the IRS, provided that the required information is timely furnished to the IRS.

The discussion set forth above is included for general information only. Each beneficial owner of shares of MSC common stock should consult his, her or its own tax advisor as to the U.S. federal income tax consequences of the Merger, as well as the effects of state, local and non-U.S. tax laws or any other U.S. federal tax laws.

Required Antitrust Approvals

The Merger is subject to the HSR Act, which provides that certain acquisition transactions may not be consummated unless certain information has been furnished to the Antitrust Division and the FTC and certain waiting period requirements have been satisfied.

Table of Contents

On January 23, 2014, each of Parent and MSC filed under the HSR Act a Notification and Report Form for Certain Mergers and Acquisitions with the Antitrust Division and the FTC in connection with the acquisition of shares of MSC common stock pursuant to the Merger. The filings were subject to a 30-day initial waiting period, for which early termination was requested. Termination of the waiting period was granted on February 10, 2014.

The FTC and the Antitrust Division frequently scrutinize the legality under the Antitrust Laws (as defined below) of transactions such as Parent's acquisition of shares of MSC common stock pursuant to the Merger. At any time before or after the consummation of the Merger, either or both the Antitrust Division or the FTC could take such action under the Antitrust Laws as it deems or they deem necessary or desirable in the public interest, including seeking to enjoin the acquisition of shares pursuant to the Merger or otherwise seeking divestiture of substantial assets of Parent or its subsidiaries. Private parties, as well as state governments, may also bring legal action under the Antitrust Laws under certain circumstances. While Parent and MSC believe that the consummation of the Merger will not violate any Antitrust Laws, there can be no assurance that a challenge to the Merger on antitrust grounds will not be made or, if a challenge is made, what the result will be. If any such action is threatened or commenced by the FTC, the Antitrust Division or any state or any other person, Parent may not be obligated to consummate the Merger.

As used in this proxy statement, Antitrust Laws means and includes the Sherman Act, as amended, the Clayton Act, as amended, the HSR Act, the Federal Trade Commission Act, as amended, and all other U.S. federal and state statutes, rules, regulations, orders, decrees, administrative and judicial doctrines, and other laws that are designed or intended to prohibit, restrict or regulate actions having the purpose or effect of monopolization or restraint of trade.

Parent and MSC have determined that the Merger does not require the filing of information with, or obtaining the approval of, antitrust or competition authorities under any foreign merger control statutes or regulations.

Litigation Related to the Merger

MSC and members of the Board were named as defendants in a purported class action brought by an alleged MSC stockholder on January 15, 2014. The lawsuit, which named us, our directors, Parent, Merger Sub, New Star and Insight Equity as defendants, was filed in the Court of Chancery of the State of Delaware and is captioned *Hilary Coyne v. Material Sciences Corporation, et al., Case No. 9257*. The action, purportedly brought on behalf of a class of our stockholders, asserted claims that our directors purportedly breached their fiduciary duties to our stockholders in connection with the proposed Merger. The action further claimed that New Star and Insight Equity aided and abetted those alleged breaches of fiduciary duties. The plaintiff in the action sought equitable relief, including an injunction preventing the consummation of the Merger, rescission in the event the Merger is consummated, and an award of attorneys' and other fees and costs. We believe that the claims were without merit, and on February 12, 2014, the plaintiff in the lawsuit filed a notice of dismissal without prejudice which the Court granted on February 13, 2014.

Delisting and Deregistration of Our Common Stock

If the Merger is completed, MSC's common stock will be delisted from, and no longer traded on, NASDAQ and will be deregistered under the Exchange Act. Following the closing of the Merger, MSC will no longer be a public company and, as such, we will no longer file reports with the SEC.

Effects on the Company if the Merger is not Completed

If the Merger Agreement is not adopted by our stockholders or if the Merger is not completed for any other reason, our stockholders will not receive any payment for their shares of MSC common stock pursuant to the Merger Agreement. Instead, we will remain a public company and MSC common stock will continue to be

Table of Contents

registered under the Exchange Act and quoted on NASDAQ. In addition, if the Merger is not completed, we expect that our management will operate our business in a manner similar to that in which it is being operated today and that our stockholders will continue to be subject to the same risks and opportunities to which they currently are subject, including, among other things, the nature of the industry on which our business largely depends, and general industry, economic, regulatory and market conditions.

If the Merger is not completed, there can be no assurance as to the effect of these risks and opportunities on the future value of your shares of MSC common stock. In the event the Merger is not completed, the Board will continue to evaluate and review our business operations, prospects and capitalization, make such changes as are deemed appropriate and seek to identify acquisitions, joint ventures or strategic alternatives to enhance stockholder value. If the Merger Agreement is not adopted by MSC's stockholders, or if the Merger is not completed for any other reason, there can be no assurance that any other transaction acceptable to MSC will be offered or that MSC's business, prospects or results of operations will not be adversely impacted.

Upon termination of the Merger Agreement under specified circumstances, including with respect to the Company's entry into an agreement with respect to a superior proposal, the Company will be required to pay Parent a termination fee of \$4.0 million, or \$2.5 million depending on the circumstances, or reimburse certain expenses of Parent up to \$1.25 million. The Merger Agreement also provides that Parent will be required to pay the Company a reverse termination fee of \$8.5 million under certain specified circumstances set forth in the Merger Agreement. See The Merger Agreement Termination Fees and Reimbursement of Expenses.

THE MERGER AGREEMENT

The following is a summary of the material terms and conditions of the Merger Agreement. The description in this section and elsewhere in this proxy statement is qualified in its entirety by reference to the complete text of the Merger Agreement, a copy of which is attached as Annex A, and is incorporated by reference into this proxy statement. This summary does not purport to be complete and may not contain all of the information about the Merger Agreement that is important to you. We encourage you to read the Merger Agreement carefully and in its entirety because it is the legal document that governs the Merger.

The Merger Agreement and this summary of its terms have been included to provide you with information regarding the terms of the Merger Agreement and the transactions contemplated thereby and is not intended to modify or supplement any factual disclosures about the Company in the Company's public reports filed with the SEC. In particular, the Merger Agreement and this summary of its terms are not intended to be, and should not be relied upon as, disclosures regarding any facts or circumstances relating to the Company, Parent, Merger Sub, their respective subsidiaries and affiliates or any other party. The representations, warranties and covenants contained in the Merger Agreement have been negotiated only for the purpose of the Merger Agreement and are intended solely for the benefit of the parties thereto. In many cases, these representations, warranties and covenants are subject to limitations agreed upon by the parties and are qualified by certain supplemental disclosures provided by the parties to one another in connection with the execution of the Merger Agreement. Furthermore, many of the representations and warranties in the Merger Agreement are the result of a negotiated allocation of contractual risk among the parties and, taken in isolation, do not necessarily reflect facts about the Company, Parent, Merger Sub, their respective subsidiaries and affiliates or any other party. Likewise, any references to materiality contained in the representations and warranties may not correspond to concepts of materiality applicable to investors or stockholders. Finally, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement and these changes may not have been fully reflected in this proxy statement.

The Merger

The Merger Agreement provides that at the effective time of the Merger, Merger Sub will be merged with and into MSC. As a result of the Merger, the separate corporate existence of Merger Sub will cease and MSC will continue as the Surviving Corporation following the Merger as a wholly owned subsidiary of Parent.

At the effective time of the Merger, the certificate of incorporation and bylaws of MSC will be amended and restated as a result of the Merger so as to read in their entirety as set forth in the respective forms attached as exhibits to the Merger Agreement and, as so amended, shall be the certificate of incorporation and bylaws of the Surviving Corporation, until duly amended as provided therein or by applicable law.

After the effective time of the Merger, the directors of Merger Sub immediately prior to the effective time of the Merger will be the directors of the Surviving Corporation, until their successors are duly elected or appointed and qualified in accordance with applicable law and the terms of the certificate of incorporation and bylaws of the Surviving Corporation.

After the effective time of the Merger, the officers of MSC immediately prior to the effective time of the Merger will be the officers of the Surviving Corporation, until their successors are duly elected or appointed and qualified in accordance with applicable law and the terms of the certificate of incorporation and bylaws of the Surviving Corporation.

Closing and Effective Time of the Merger

The closing of the Merger will take place no later than the third business day after the date on which the conditions to closing of the Merger (described in The Merger Agreement Conditions to the Merger) have

Table of Contents

been satisfied or waived (other than the conditions that by their nature are to be satisfied at the closing of the Merger, but subject to the satisfaction or waiver of those conditions), unless another date is agreed to in writing by the parties to the Merger Agreement.

At the closing, the parties will file a certificate of merger with the Secretary of State of the State of Delaware. The effective time of the Merger will occur on the date that such certificate of merger is duly filed (or such later time as mutually agreed to by MSC and Parent and as specified in the certificate of merger).

Merger Consideration

At the effective time of the Merger, each outstanding share of MSC's common stock (other than (1) shares owned by Parent, Merger Sub, or any other wholly owned subsidiary of Parent, (2) shares owned by MSC as treasury stock or by any of its wholly owned subsidiaries, (3) shares that are also shares of MSC restricted stock and (4) shares owned by persons who properly exercise appraisal rights under Delaware law) will be automatically converted into the right to receive the Per Share Merger Consideration, without interest. All such shares of common stock converted into the right to receive the Per Share Merger Consideration will no longer be outstanding and will automatically be cancelled and will cease to exist, and holders of shares of MSC common stock immediately prior to the effective time of the Merger will cease to have any rights as a stockholder, except the right to receive the Per Share Merger Consideration, without interest.

Shares of MSC's common stock held by MSC as treasury stock or by any of its wholly owned subsidiaries or owned by Parent, Merger Sub or any other wholly owned subsidiary of Parent will be cancelled and no payment will be made with respect to those shares. Shares of MSC's common stock held by stockholders who did not vote in favor of the Merger (or consent thereto in writing) and who have properly exercised their appraisal rights for such shares in accordance with Section 262 of the DGCL will be entitled to payment of the appraised value of such shares in accordance with Section 262 of the DGCL. If, after the effective time of the Merger, any such stockholder fails to perfect, withdraws or otherwise loses such stockholder's rights to appraisal pursuant to Section 262 of the DGCL, that stockholder's shares will be converted into and become exchangeable for the right to receive \$12.75 per share in cash without interest and less applicable withholding taxes. See the section titled "Appraisal Rights" for more information on exercising your appraisal rights.

Treatment of Outstanding MSC Stock Options and Restricted Stock and the Employee Stock Purchase Plan

MSC Stock Options

Immediately prior to the effective time of the Merger, each outstanding and unexercised option to purchase shares of MSC common stock, whether or not vested, will become fully vested and exercisable and, at the effective time, each such option not exercised will be cancelled and automatically converted into the right to receive the option's spread value in cash (*i.e.*, a cash payment equal to the excess, if any, of \$12.75 over such option's exercise price), without interest. Each outstanding option that has an exercise price equal to or greater than \$12.75 will be cancelled without the right to receive any cash payment or other consideration.

MSC Restricted Stock

Edgar Filing: MATERIAL SCIENCES CORP - Form DEFM14A

Immediately prior to the effective time of the Merger, each outstanding share of MSC restricted stock, whether or not vested, will become free of all restrictions, fully vested and transferable and, at the effective time, will be cancelled and converted into the right to receive \$12.75 in cash without interest under the same terms and conditions as apply to the receipt of Per Share Merger Consideration by holders of MSC common stock generally. If any stockholder holding shares of MSC restricted stock was seeking appraisal rights, but ceases to be seeking appraisal rights, Parent will pay to the holder of such shares of MSC restricted stock \$12.75 per share in cash without interest and less applicable withholding taxes.

Table of Contents

Employee Stock Purchase Plan

MSC will take all action necessary to suspend or terminate the Material Sciences Corporation 2007 Employee Stock Purchase Plan, in accordance with the suspension and termination provisions set forth therein, effective as of the end of the current purchase period, which such purchase period expires on February 28, 2014. Effective as of such suspension or termination, no additional purchase periods will commence, and no additional purchases of common stock will be permitted.

Payment Procedures

Immediately prior to the effective time of the Merger, Parent will appoint a paying agent for the payment of the Per Share Merger Consideration in exchange for each share of MSC's common stock and will deposit with the paying agent the consideration to be paid under the Merger Agreement with respect to MSC common stock. Promptly after the effective time of the Merger, but not later than three business days after the effective time of the Merger, Parent will cause the paying agent to mail to each holder of record of MSC common stock at the effective time of the Merger (other than MSC and its subsidiaries, Parent, Merger Sub, any subsidiary of Parent, holders of MSC restricted stock, and persons who properly exercise appraisal rights under Delaware law) a letter of transmittal and instructions for use in such exchange.

Stockholders should not return their stock certificates with the enclosed proxy card and should not forward stock certificates to the paying agent without a letter of transmittal.

Upon (i) surrender of the stock certificate together with a properly completed letter of transmittal, or (ii) in the case of uncertificated shares the receipt of an agent's message by the paying agent or other evidence of transfer of uncertificated shares as the paying agent may reasonably request, the holder of such shares will be entitled to receive \$12.75 per share and such shares will be cancelled. Until so surrendered, each such certificate or uncertificated share will represent after the effective time of the Merger only the right to receive the Per Share Merger Consideration, without interest.

In the event of a transfer of ownership of shares of common stock that is not registered in the transfer records of MSC, payment to be delivered upon compliance with the procedures described above may be made to the transferee if the applicable letter of transmittal is accompanied by all documents reasonably required by the Surviving Corporation to evidence and effect such transfer and to evidence that any applicable stock transfer taxes have been paid or are not applicable.

If you have lost a certificate, or if it has been stolen or destroyed, then before you will be entitled to receive the Per Share Merger Consideration, you must (i) make an affidavit of the loss, theft or destruction, (ii) deliver an indemnity agreement reasonably acceptable to Parent, and (iii) if required by the Surviving Corporation, post a bond in a reasonable amount as directed by Parent as indemnity against any claim that may be made against it with respect to such certificate.

From and after the effective time of the Merger, there will be no further registration of transfers of shares of MSC's common stock that were outstanding prior to the effective time of the Merger. If, after the effective time of the Merger, certificated or uncertificated shares of MSC common stock are presented to the Surviving Corporation or the paying agent, they will be canceled and exchanged for the Per Share Merger Consideration. Any portion of the merger consideration made available to the paying agent that remains unclaimed one year after the effective time of the Merger will be returned to the Surviving Corporation, upon request, and any holder who has not exchanged shares of MSC's common

Edgar Filing: MATERIAL SCIENCES CORP - Form DEFM14A

stock prior to that time may thereafter look only to the Surviving Corporation and Parent for payment of the merger consideration due to such holder, without any interest thereon. None of MSC, Parent, the Surviving Corporation or the paying agent will be liable to any holder of shares of MSC's common stock for any merger consideration paid to a public official pursuant to applicable abandoned property, escheat or similar laws.

Financing; Cooperation

Parent and Merger Sub will each use its commercially reasonable best efforts to obtain equity financing on the terms and conditions described in the Equity Commitment Letters. Neither Parent nor Merger Sub will amend, alter or waive, or agree to amend, alter or waive, any term of the Equity Commitment Letters, without the prior written consent of MSC.

Parent will use its commercially reasonable best efforts to obtain debt financing on the terms and conditions described in the Debt Commitment Letters (including flex provisions). Parent will not permit any amendment or modification to be made to, or any waiver of any provision or remedy under, such Debt Commitment Letters, without the prior written consent of MSC, if such amendment, modification or waiver (i) reduces the aggregate amount of the debt financing, unless the equity financing is increased by a corresponding amount on terms no less favorable in any material respect or (ii) imposes new or additional conditions or otherwise amends, modifies or expands any of the conditions to the receipt of the debt financing in a manner that would reasonably be expected to delay or prevent the closing of the Merger or the funding the debt financing. However, Parent and Merger Sub may amend the Debt Commitment Letters to add lenders, lead arrangers, bookrunners, syndication agents or similar entities that have not executed the Debt Commitment Letters, if the addition of such additional parties, individually or in the aggregate, would not prevent, materially delay or materially impede the availability of the debt financing or the consummation of the transactions contemplated by the Merger Agreement, and enter into additional financing commitment letters with respect to the debt financing of the transactions contemplated by the Merger Agreement so long as the commitment letters do not contain any new or additional conditions other than those set forth in the Debt Commitment Letters or terms that could reasonably be expected to prevent, delay or impede the closing of the Merger or the funding of the debt financing and if such commitments are reduced, the Equity Commitment Letters are increased by an amount corresponding to such reduction.

Parent will also use its commercially reasonable best efforts to:

- maintain in effect the Debt Commitment Letters pursuant to their terms;
- satisfy, perform and observe on a timely basis all conditions and, in all material respects, all covenants applicable to Parent or Merger Sub in the Debt Commitment Letters;
- negotiate in good faith and enter into definitive agreements with respect to the debt financing on the terms and conditions (including any flex provisions) contemplated by the Debt Commitment Letters;
- upon satisfaction of the conditions contained in the Equity Commitment Letters and Debt Commitment Letters, consummate the financing at or prior to closing of the Merger; and
- refrain from using any proceeds of the debt financing as a dividend to Parent's stockholders, if necessary.

Parent is required to give MSC prompt notice of:

- any material breach or default (or any event or circumstance that, with or without notice, lapse of time or both, could reasonably be expected to give rise to any material breach or default) by any party to any financing commitment or definitive document related to the financing; and

- the receipt of any written notice or other written communication from any party to any financing commitment or any definitive document related to the financing with respect to any material breach or default, termination or repudiation by any party to any financing commitment or any definitive document related to the financing or any provisions of the financing commitments or any definitive document related to the financing.

If any portion of the debt financing becomes unavailable on the terms and conditions previously contemplated under the Debt Commitment Letters, Parent will use its commercially reasonable best efforts to

Table of Contents

promptly arrange and obtain alternative financing in an amount sufficient to consummate the Merger with terms and conditions not materially less favorable to Parent than the original terms (taking into account flex provisions). The obtaining of the financing, or any alternative financing, is not a condition to the closing of the Merger.

At Parent's sole expense, MSC has agreed to use its commercially reasonable best efforts to provide Parent and Merger Sub with cooperation in connection with the financing of the Merger including: (i) participating in a reasonable number of meetings, presentations, road shows, due diligence sessions, and drafting sessions; (ii) assisting Parent and Merger Sub with the preparation of customary offering memoranda, bank information memoranda, and similar documents relating to the debt financing; (iii) delivery to Parent, Merger Sub and their financing sources of all information with respect to the business, operations, financial condition, projections and prospects of MSC and its subsidiaries as may be reasonably requested by Parent; (iv) participation by senior management of MSC in the negotiation of, and the execution and delivery of, the definitive agreements contemplated by the Debt Commitment Letters; (v) providing and executing documents as may be reasonably requested by Parent; (vi) executing and delivering customary pledge and security documents, affidavits of title, estoppels and ground lease estoppels and consents, and otherwise facilitating the pledge of collateral; (vii) cooperating with marketing efforts of Parent, Merger Sub and their financing sources for all or any portion of the debt financing; (viii) using commercially reasonable efforts to obtain accountant's comfort letters and legal opinions from MSC's current outside legal counsel reasonably requested by Parent; and (ix) using commercially reasonable best efforts to arrange for customary payoff letters, lien terminations and instruments of discharge in connection with the repayment of outstanding Indebtedness of MSC and its subsidiaries, as contemplated by the financing commitments. Upon MSC's written request, Parent will promptly reimburse MSC for its out-of-pocket costs and expenses (including reasonable attorney's fees) incurred and documented in connection with the foregoing cooperation. Additionally, Parent will indemnify MSC, its subsidiaries, and their respective representatives against any losses incurred in connection with the arrangement of the financing and any information used in connection therewith, except such information provided by MSC or its subsidiaries.

The statements embodied in those representations and warranties were made for purposes of the Merger Agreement and are subject to qualifications and limitations agreed to by the parties in connection with negotiating the terms of the Merger Agreement. In addition, some of those representations and warranties made as of a specific date may be subject to a contractual standard of materiality different from that generally applicable to stockholders or may have been used for the purpose of allocating risk between the parties to the Merger Agreement rather than establishing matters as facts. For the foregoing reasons, you should not rely on the representations and warranties as statements of factual information.

Many of MSC's representations and warranties are qualified as to, among other things, materiality or Company Material Adverse Effect. For the purposes of the Merger Agreement, a Company Material Adverse Effect means any change, event, circumstance or occurrence that has, or would reasonably be expected to have, individually or in the aggregate, a material adverse effect on the financial condition, business, operations, assets, results of operations of MSC and its subsidiaries, taken as a whole. However, none of the following will constitute or be taken into account in determining whether a Company Material Adverse Effect has occurred or would reasonably be expected to occur:

- any actions taken or failure to take action, in each case, to which Parent has approved, consented to or requested in writing, or the failure to take any action that is prohibited by the Merger Agreement;
- any decline in the price or trading volume of MSC's common stock on NASDAQ (it being understood that the exception in this clause shall not prevent or otherwise affect a determination that any change, event, circumstance or occurrence underlying such decline has resulted in, or contributed to, a Company Material Adverse Effect); and
- changes attributable to any loss of, or change in, the relationship of MSC or any of its subsidiaries, contractual or otherwise, with its customers, suppliers, vendors, lenders, or employees arising out of the execution, delivery or performance of the Merger Agreement, the consummation of the transactions contemplated by the Merger Agreement or the announcement of any of the foregoing.

In the case of each of the first five bullets above, the exceptions provided for in each such bullet do not apply, to the extent any such change, event, circumstances or occurrence has a materially disproportionate adverse effect on MSC and its subsidiaries, taken as a whole, as compared

Other Acquisition Proposals

From the date of the Merger Agreement until 11:59 p.m. (Chicago time) on February 12, 2014 (the "Go-Shop Period"), MSC and its representatives were permitted to:

- initiate, solicit, facilitate and encourage any inquiry, discussion, offer or request that would have constituted, or could have reasonably been expected to lead to, an acquisition proposal; and
- engage in discussions and negotiations with, and furnish non-public information relating to MSC and its subsidiaries and afford access to the books and records of MSC and its subsidiaries to any person in connection with an acquisition proposal or any inquiry, discussion, offer or request that could have reasonably been expected to lead to an acquisition proposal (however prior to furnishing non-public information, MSC was required to enter into an acceptable confidentiality agreement (as defined below) with the recipient and MSC was required to have previously provided or made available such information to Parent).

An acceptable confidentiality agreement means a customary agreement with respect to the confidentiality of material non-public information concerning MSC and its subsidiaries that contains terms no less favorable to MSC than those contained in the non-disclosure agreement between MSC and New Star. The non-disclosure agreement between MSC and New Star contains a standstill provision (a "standstill") preventing New Star, for a period of eighteen months, from offering to purchase shares of MSC or taking certain other actions with respect to seeking control of MSC without the written invitation of MSC. In addition, the non-disclosure agreement contains a provision stating that New Star is not

permitted to ask for a waiver of the standstill (a no-ask, no-waiver provision).

Table of Contents

Except with respect to an Excluded Party (as defined below) prior to 11:59 p.m. (Chicago time) on February 27, 2014 (the Excluded Party End Date), MSC agreed that, following the expiration of the Go-Shop Period, it would cease all ongoing discussions and negotiations with other parties related to an acquisition proposal, and also agreed that it will not, and it will not authorize or permit any subsidiary or representative to:

- initiate, solicit or take any action to knowingly facilitate or encourage the making of any acquisition proposals or any inquiries, offers or proposals that may reasonably be expected to lead to an acquisition proposal;
- engage in or otherwise participate in any discussions or negotiations with any person or persons with respect to any acquisition proposals or any discussions or negotiations that could reasonably be expected to lead to an acquisition proposal;
- provide any non-public information concerning MSC or any of its subsidiaries to, or afford access to the business, properties, assets, books or records of MSC or any of its subsidiaries to, any person or persons with the intent to initiate, solicit or knowingly encourage the making of any acquisition proposals;
- grant any waiver or release under any standstill or similar agreement entered into by MSC; or
- enter into any letter of intent, term sheet, acquisition agreement, merger agreement or other similar agreement relating to an acquisition proposal or that requires MSC to abandon, terminate or fail to consummate the transactions contemplated by the Merger Agreement or to breach its obligations under the Merger Agreement.

For purposes of the Merger Agreement, an Excluded Party is any person or group from which MSC received during the Go-Shop Period a written acquisition proposal that: (i) remains pending as of, and shall not have been withdrawn prior to, the expiration of the Go-Shop Period; and (ii) the Board determines, in good faith during the two business day period commencing upon the expiration of the Go-Shop Period, constitutes or could reasonably be expected to lead to a superior proposal. However, a person that is an Excluded Party shall cease to be an Excluded Party upon the earlier of the Excluded Party End Date and at such time as the acquisition proposal made by such Excluded Party is withdrawn, terminated or expires. MSC has agreed to notify Parent within two business days of the end of the Go-Shop Period of the identity of each Excluded Party and the material terms and conditions of the pending acquisition proposal made by such Excluded Party, and to deliver to Parent copies of all draft agreements sent by such Excluded Party to MSC or any of its representative in connection with the pending acquisition proposal made by such Excluded Party. MSC did not receive any alternative acquisition proposals during the Go-Shop Period and the Go-Shop Period has expired. As a result, nobody is defined as an Excluded Party.

However, after the expiration of the Go-Shop Period and prior to the time stockholder approval is obtained, if MSC receives an acquisition proposal from a third party, which did not result from a breach of the non-solicitation provisions of the Merger Agreement, MSC and its representatives may contact such third party to clarify the terms of such acquisition proposal. If the Board determines in good faith that such acquisition proposal either constitutes a superior proposal or could reasonably be expected to lead to a superior proposal, then, after signing an acceptable confidentiality agreement with the third party, MSC may furnish information with respect to MSC and its subsidiaries to the third party making such acquisition proposal and may participate in discussions or negotiations with such person regarding the acquisition proposal.

Except as permitted by the terms of the Merger Agreement described below, MSC has agreed in the Merger Agreement that the Board will not:

- withhold, withdraw, modify, amend or qualify, or publicly propose to withhold, withdraw, modify, amend or qualify, in a manner adverse to Parent, the unanimous recommendation by the Board that stockholders of MSC adopt the Merger Agreement and approve the Merger;

- authorize, adopt, approve, recommend or otherwise declare advisable any acquisition proposal; or
- cause or permit MSC to enter into any letter of intent, term sheet, acquisition agreement, merger agreement or other similar agreement relating to an acquisition proposal.

Table of Contents

Notwithstanding the foregoing, at any time prior to obtaining stockholder approval of the Merger Agreement, (i) if any material event, fact or circumstance that affects MSC and its subsidiaries, taken as a whole, occurs (subject to certain exceptions and unrelated to an acquisition proposal) that was not known prior to the date of the Merger Agreement becomes known by the Board after the date of the Merger Agreement (an Intervening Event), the Board may withhold, withdraw, modify, amend or qualify, or publicly propose to withhold, withdraw, modify, amend and or qualify, the unanimous recommendation by the Board that stockholders of MSC adopt the Merger Agreement and approve the Merger, or (ii) the Board may authorize, adopt, approve, recommend or otherwise declare advisable any acquisition proposal made after the date of the Merger Agreement that the Board determines in good faith is a superior proposal, in each case if the Board determines in good faith that failure to do so would be inconsistent with its fiduciary duties under applicable law. Any such action set forth in clauses (i) and (ii), is defined in the Merger Agreement as a Change of Recommendation. Despite the foregoing, MSC may not effect a Change of Recommendation prior to the taking of the following actions:

- providing prior written notice to Parent at least three business days in advance that it intends to effect a Change of Recommendation or enter into an alternative acquisition agreement in connection with a superior proposal;
- upon Parent's request, providing the facts and circumstances giving rise to the Change of Recommendation or the material terms of the superior proposal, as applicable, including copies of relevant documents relating to the superior proposal (and if there are any material revisions to such superior proposal, delivering a new written notice to Parent and providing a two business day waiting period);
- during the three business day (or two business day, if applicable) notice period, negotiating with Parent in good faith to make such adjustments to the Merger Agreement as would enable the Board not to make a Change of Recommendation or to determine that the third party's acquisition proposal would cease to constitute a superior proposal;
- following the three business day (or two business day, if applicable) notice period, the Board determining in good faith and taking into account any changes to the Merger Agreement and the ancillary documents proposed in writing by Parent, that (a) a failure to effect a Change in Recommendation for an Intervening Event would continue to be inconsistent with its fiduciary duties under applicable law, or (b) such superior proposal continues to constitute a superior proposal; and
- if MSC enters into an alternative acquisition agreement with respect to the superior proposal, terminating the Merger Agreement and paying to Parent the termination fee described under The Merger Agreement Termination Fees and Reimbursement of Expenses below.

From and after the expiration of the Go-Shop Period, MSC has agreed to notify Parent promptly after receipt by MSC or any of its representatives of any acquisition proposal, any request for non-public information, engaging or entering into negotiations or of any amendment to a previously disclosed acquisition proposal, which notice will identify the third party making the acquisition proposal and the material terms and conditions of the acquisition proposal (including, if applicable, copies of any written requests, proposals or offers, including proposed agreements).

An acquisition proposal means any bona fide offer or proposal to engage in:

- the purchase or other acquisition from MSC by any person or group directly or indirectly, of 20% or more of the common stock outstanding as of the consummation of such purchase or other acquisition, or any tender offer or exchange offer by any person or group that, if consummated in accordance with its terms, would result in such person or group beneficially owning 20% or more of the common stock outstanding as of the consummation of such tender or exchange offer;

Table of Contents

- a merger, consolidation, business combination or other similar transaction involving MSC, pursuant to which the stockholders of MSC immediately preceding such merger, consolidation, business combination or other similar transaction own less than 80% of the voting equity interests in the surviving or resulting entity of such merger, consolidation, business combination or other similar transaction; or
- a sale, transfer, acquisition or disposition, directly or indirectly, of 20% or more of the consolidated assets of MSC and its subsidiaries, taken as a whole, measured by the fair market value thereof.

A superior proposal means a written acquisition proposal (with the percentages set forth in the definition of such term changed from 20% or 80%, as the case may be, to 50%) that the Board determines in good faith, if consummated, would result in a transaction that is more favorable from a financial point of view to MSC's stockholders (in their capacity as such) than the transactions contemplated by the Merger Agreement, taking into account all of the terms and conditions of such acquisition proposal and the Merger Agreement, including any written proposal by Parent and Merger Sub to amend the terms of the Merger Agreement and any break-up fees, expense reimbursement or similar provisions.

Nothing in the Merger Agreement will prohibit the Board from complying with its disclosure and other obligations under applicable law, including taking and disclosing to its stockholders a position contemplated by Rule 14d-9, Rule 14e-2 under the Exchange Act or any stop, look and listen communication by the Board pursuant to Rule 14d-9(f) of the Exchange Act, or any similar communication to MSC's stockholders.

Proxy Statement and Stockholders Meeting

MSC agreed to prepare and file this proxy statement, including the unanimous recommendation by the Board that stockholders of MSC adopt the Merger Agreement (with such exceptions as set forth above in The Merger Agreement Other Acquisition Proposals), as soon as practicable following the date the Merger Agreement was signed and to notify Parent of any comments received from the SEC to this proxy statement. Additionally, MSC agreed to establish a record date and hold the special meeting of stockholders as soon as practicable following clearance of the proxy statement by the SEC for the purpose of voting on the approval and adoption of the Merger Agreement. However, MSC may adjourn or postpone the stockholders meeting (i) with the consent of Parent, (ii) for the absence of a quorum, (iii) to the extent necessary to ensure that any required supplement or amendment to the proxy statement is provided to MSC's stockholders, (iv) to allow reasonable time to solicit additional proxies, (v) to the extent required by applicable law or any court of competent jurisdiction, or (vi) if MSC has notified Parent that it intends to effect a Change of Recommendation or enter into any alternative acquisition proposal.

Reasonable Best Efforts

Parent, Merger Sub and MSC have each agreed to cooperate and to use their commercially reasonable best efforts to promptly take all actions necessary, proper or advisable to consummate the transactions contemplated by the Merger Agreement as promptly as practicable, including efforts needed to obtain all necessary regulatory and governmental approvals. The parties have also agreed to keep each other informed on a reasonably timely basis of any material communications received by such party from, or given by such party to, a governmental authority or private party, in each case regarding the Merger, and to involve the other party in resolving any related matters.

Employee Benefits

Edgar Filing: MATERIAL SCIENCES CORP - Form DEFM14A

For one year after the closing of the Merger, the Surviving Corporation and its subsidiaries will use commercially reasonable best efforts to provide employees of MSC and its subsidiaries who remain employed during such period with base salary, bonus opportunities and employee benefits (other than equity, equity-based or change in control compensation) that are substantially comparable in the aggregate, in each case, to the base

Table of Contents

salaries, bonus opportunities and employee benefits in effect immediately prior to the effective time of the Merger. In addition, Parent will use its commercially reasonable best efforts to cause each employee of MSC to receive full credit for service with MSC or any of its subsidiaries accrued or deemed accrued immediately prior to the effective time of the Merger for purposes of eligibility to participate and vesting and, in the case of vacation, or severance pay only benefit accrual under, any employee benefit plan, program or arrangement established or maintained by Parent, the Surviving Corporation or any of their respective subsidiaries under which any such employee becomes eligible to participate from or after the effective time of the Merger to the same extent recognized by MSC or any of its subsidiaries under an analogous benefit plan in effect immediately prior to the effective time of the Merger. Also, Parent shall use commercially reasonable best efforts to (i) cause to be waived all limitations as to pre-existing conditions and at-work conditions, if any, with respect to participation and coverage requirements applicable to each MSC employee and his or her eligible dependents under any welfare benefit plans maintained by Parent, the Surviving Corporation or any of their respective subsidiaries in which any MSC employee becomes eligible to participate from or after the effective time of the Merger to the same extent waived under an analogous benefit plan of Parent, (ii) cause any eligible expenses incurred by any MSC employee and his or her eligible dependents under a benefit plan during the plan year in which such individuals move to an analogous welfare benefit plan to be taken into account under such plan for purposes of satisfying all deductible, co-insurance and maximum out-of-pocket requirements applicable to such employee and his or her eligible dependents as if such amounts had been paid in accordance with such welfare benefit plan of Parent and (iii) waive any waiting period limitation or evidence of insurability requirement that would otherwise be applicable to an MSC employee and his or her eligible dependents from or after the effective time of the Merger during the plan year in which such individual moves to an analogous welfare benefit plan. Nothing in the Merger Agreement creates any third party beneficiary rights with respect to the foregoing in any person that is not a party to the Merger Agreement.

Indemnification and Directors and Officers Insurance

For a period of six years after the effective time of the Merger, the Surviving Corporation will assume all obligations of MSC and its subsidiaries to indemnify its directors, officers and employees for acts or omissions occurring at or prior to the effective time of the Merger as provided in MSC's and its subsidiaries' organizational documents and certain indemnification agreements, and will not amend the organizational documents of the Surviving Corporation to contain less favorable indemnification provisions. Additionally, prior to the effective time of the Merger, MSC will use commercially reasonable best efforts to purchase, and following the effective time of the Merger the Surviving Corporation will maintain, six-year tail policies to the current directors' and officers' liability insurance and fiduciaries liability insurance policies maintained as of the date hereof by MSC, which tail policies will cover a period of six years from the effective time of the Merger with respect to claims arising from facts or events that existed or occurred prior to or at the effective time, and which tail policies shall contain at least the same coverage as, and contain terms and conditions that are equivalent to, the coverage set forth in the current policies (provided that such tail policies will not exceed more than 300% of the premium paid by MSC for its current policies).

Other Covenants

The Merger Agreement contains additional agreements between MSC, Parent and Merger Sub relating to, among other things:

- *Access to Information.* Subject to certain exceptions, MSC will give Parent and its representatives reasonable access during normal business hours to MSC's and its subsidiaries' properties, books, contracts and records, and MSC will promptly furnish to Parent information concerning its business, properties and personnel as Parent may reasonably request. Such activities, however, will be conducted in such a manner as not to disrupt or interfere with the business operation of MSC.
- *Public Announcements.* Neither MSC nor Parent will issue any press release or make any public announcement with respect to the Merger Agreement or the Merger without the prior written agreement

of the other party, except as required by applicable law or the rules or regulations of any applicable securities exchange or governmental entity to which the relevant party is subject, in which case the party required to make such announcement will use its reasonable best efforts to allow the other party reasonable time to comment on such announcement in advance of issuance. However, MSC need not consult with Parent or Merger Sub in connection with any press release or public statement issued in connection with an acquisition proposal or Change of Recommendation.

- *Litigation.* MSC will promptly notify Parent of any litigation related to the Merger Agreement, the Merger or the other transactions contemplated by the Merger Agreement and will keep Parent reasonably informed with respect to the status thereof. MSC will give Parent the opportunity to consult with MSC regarding the defense or settlement of any such litigation, and, at Parent's sole discretion and expense, participate in the defense or settlement of any such litigation. MSC will not settle, compromise, discharge or agree to settle, compromise or discharge any such litigation without Parent's prior written consent, which consent will not be unreasonably withheld, delayed or conditioned.
- *Notification of Certain Matters.* MSC and Parent will give prompt notice to the other party of, among other things, becoming aware that any representation or warranty has become untrue or inaccurate in any material respect such that the closing condition with respect to representations and warranties made by such party would not be satisfied, and any failure by such party of its obligations under the Merger Agreement such that the closing condition with respect to obligations of such party would not be satisfied.
- *Forum Selection Bylaw.* In connection with the approval of the Merger Agreement, the Board adopted a forum selection bylaw establishing Delaware as the sole and exclusive forum for derivative actions or actions against MSC.

Conditions to the Merger

Each party's obligation to consummate the Merger is subject to the satisfaction or waiver of various conditions, which include the following:

- the Stockholder Approval has been obtained;
- any applicable waiting period under the HSR Act relating to the Merger has expired or been earlier terminated and all required approvals and clearances applicable to the Merger under any other applicable antitrust law shall have been obtained and any applicable waiting period (or extension thereof) thereunder shall have expired or been earlier terminated; and
- no governmental entity of competent jurisdiction shall have enacted, issued, promulgated, enforced or entered any law (whether temporary, preliminary or permanent) that is in effect and has the effect of making the Merger illegal or otherwise prohibiting consummation of the Merger.

The obligation of Parent and Merger Sub to consummate the Merger is subject to the satisfaction or waiver of the following further conditions:

- the representations and warranties of MSC regarding capitalization are true and correct in all respects both when made and on the closing date of the Merger, except for de minimis inaccuracies, the representations of MSC regarding corporate authority, anti-takeover laws and brokers are true and correct in all material respects both when made and on the closing date of the Merger, and all other representations and warranties of MSC are true and correct (without giving effect to any materiality or material adverse effect qualifications therein) both when made and on the closing date of the Merger, except for such failures to be true and accurate would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect as discussed above in The

Merger Agreement Representations and Warranties;

- MSC has performed or complied in all material respects with all of its obligations under the Merger Agreement on or prior to the closing date of the Merger;

- since the date of the Merger Agreement, no Company Material Adverse Effect shall have occurred; and
- Parent has received a certificate signed by a duly authorized officer of MSC certifying the satisfaction of the three above-described conditions.

The obligation of MSC to consummate the Merger is subject to the satisfaction or waiver of the following further conditions:

- the representations and warranties of Parent and Merger Sub set forth in the Merger Agreement are true and correct both when made and on the closing date of the Merger, unless the failure of any such representations and warranties to be true and correct would not, individually or in the aggregate, prevent, materially delay or materially impede the ability of Parent or Merger Sub to consummate the Merger and the other transactions contemplated by the Merger Agreement;
- each of Parent and Merger Sub have performed or complied in all material respects with all of its obligations under the Merger Agreement on or prior to the closing date of the Merger; and
- MSC has received a certificate signed by an executive officer of Parent with respect to the satisfaction of the two above-described conditions.

Termination

MSC and Parent may mutually agree to terminate the Merger Agreement and abandon the Merger at any time prior to the effective time of the Merger, even after the stockholders of MSC have adopted the Merger Agreement.

The Merger Agreement may also be terminated and the Merger may be abandoned at any time prior to the effective time of the Merger (notwithstanding any adoption of the Merger Agreement by the stockholders of MSC) as follows:

by either MSC or Parent, if:

- the Merger has not been consummated on or before July 8, 2014, whether such date is before or after the date the Stockholder Approval is obtained (provided that this right to terminate the Merger Agreement will not be available to a party if the failure of the Merger to be consummated by July 8, 2014 was primarily due to the failure of such party to perform any of its obligations under the Merger Agreement);
- the Stockholder Approval was not obtained at the stockholders meeting or at any adjournment or postponement thereof; or
- any order permanently restraining, enjoining or otherwise prohibiting the consummation of the Merger shall become final and non-appealable, whether such order becomes final and non-appealable before or after Stockholder Approval is obtained (provided that this right to terminate the Merger Agreement shall not be available to any party hereto whose actions or omissions have been the primary cause of, or the primary factor that resulted in, such order being issued and such order shall have caused the failure of any

condition to the Merger to be satisfied and the party entitled to rely on any such condition shall not elect to waive such condition);

by MSC, if:

- at any time prior to the time that the Stockholder Approval is obtained, if (i) the Board authorizes MSC, subject to complying with the terms of the Merger Agreement, other than go-shop and non-solicitation provisions (as described above under the Merger Agreement Other Acquisition Proposals), in all material respects and complying with the go-shop and non-solicitation provisions in all respects other than de minimis non-compliance, to enter into an alternative acquisition agreement with respect to a superior proposal, (ii) immediately prior to or substantially concurrently with the termination of the Merger Agreement, MSC enters into an alternative acquisition agreement with respect to such superior

proposal and (iii) MSC, immediately prior to or substantially concurrently with such termination, pays to Parent the applicable termination fee described below under The Merger Agreement Termination Fees and Reimbursement of Expenses ;

- at any time prior to the effective time of the Merger, Parent or Merger Sub has materially breached or failed to perform any of its representations, warranties, covenants or agreements in the Merger Agreement or any such representations or warranties shall have become untrue causing a condition to the obligations of MSC to effect the Merger not to be satisfied, and such breach or failure is not curable or, if curable, is not cured prior to the earlier of 30 days after written notice of such breach or failure is given to Parent and the date that is three business days prior to July 8, 2014, provided that MSC will not have this right to terminate the Merger Agreement if MSC is in breach of the Merger Agreement such that it cannot satisfy certain closing conditions;
- at any time prior to the time that the Stockholder Approval is obtained, if (i) the Board shall have effected a Change of Recommendation (as described above under the Merger Agreement Other Acquisition Proposals) in response to, or as a result of, an Intervening Event (as described above under the Merger Agreement Other Acquisition Proposals), subject to complying with the terms of the Merger Agreement, other than go-shop and non-solicitation provisions, in all material respects and complying with the go-shop and non-solicitation provisions in all respects other than de minimis non-compliance and (ii) MSC, immediately prior to or substantially concurrently with such termination, pays to Parent the applicable termination fee described below under The Merger Agreement Termination Fees and Reimbursement of Expenses , provided that MSC will not have this right to terminate the Merger Agreement if MSC is in breach of the Merger Agreement such that it cannot satisfy certain closing conditions; or
- at any time prior to the effective time of the Merger, and prior to July 8, 2014, Parent fails to effect the Merger within three business days after the conditions to the obligations of Parent and Merger Sub to effect the Merger (other than conditions that by their nature are to be satisfied at the closing of the Merger and are capable of being satisfied or conditions that have not been satisfied due to Parent or Merger Sub's breach of any of their respective covenants in the Merger Agreement) have been satisfied and MSC has in good faith indicated in writing that it is ready, willing and able to consummate the Merger;

by Parent if:

- at any time prior to the time that the Stockholder Approval is obtained, (i) the Board shall have effected a Change of Recommendation, (ii) MSC or the Board shall publicly approve, adopt or recommend any acquisition proposal or approve or recommend, or enter into or allow MSC or any of its subsidiaries to enter into, a letter of intent, agreement in principle or definitive agreement for an acquisition proposal, (iii) MSC shall have breached, in any material respect, any of its obligations the go-shop and non-solicitation provisions, (iv) MSC shall have failed to include in the proxy statement distributed to stockholders the Board's the unanimous recommendation by the Board that stockholders of MSC adopt the Merger Agreement and approve the Merger, (v) MSC or the Board shall formally authorize or publicly propose any of the foregoing, or (vi) in the event a tender or exchange offer that constitutes an acquisition proposal (whether or not a superior proposal) is commenced by a third party and, within 10 business days after the public announcement of such acquisition proposal, MSC shall not have filed a Schedule 14D-9 pursuant to Rule 14e-2 and Rule 14d-9 under the Exchange Act recommending that the stockholders reject such acquisition proposal;
- at any time prior to the effective time, MSC has materially breached or failed to perform any of its representations, warranties, covenants or agreements in the Merger Agreement or any such representation or warranty shall have become untrue causing a condition to the obligations of Parent and Merger Sub to effect the Merger not to be satisfied, and such breach or failure is not curable or, if curable, is not cured prior to the earlier of 30 days after written notice of such breach or failure is given to Parent and the date that is three business days prior to July 8, 2014, provided that Parent will not have

this right to terminate the Merger Agreement if Parent or Merger Sub is in breach of the Merger Agreement such that it cannot satisfy certain closing conditions; or

- if, since the date of the Merger Agreement, a Company Material Adverse Effect shall have occurred that cannot reasonably be expected to be cured by July 8, 2014.

Termination Fees and Reimbursement of Expenses

MSC is required to pay Parent a termination fee of \$4.0 million (but in no event will MSC be required to pay a termination fee on more than one occasion) if:

- (i) the Merger Agreement is terminated because the Merger has not been consummated by July 8, 2014 or because the Stockholder Approval was not obtained at the stockholders meeting, (ii) after the date of the Merger Agreement and prior to such termination an acquisition proposal was publicly announced and (iii) in the 12 months after such termination, MSC consummates an acquisition transaction, the Board recommends stockholders approve an acquisition proposal or MSC enters into an acquisition agreement with a third party;
- the Merger Agreement is terminated by Parent because MSC effected a Change of Recommendation;
- the Merger Agreement is terminated by Parent because of MSC's material breach of any of its representations, warranties, covenants or agreements under the Merger Agreement; or
- the Merger Agreement is terminated by MSC because MSC enters into an alternative acquisition agreement in connection with a superior proposal or because of a Change of Recommendation in response to, or as a result of, an Intervening Event.

However, MSC is required to pay Parent a termination fee of \$2.5 million (but in no event will MSC be required to pay a termination fee on more than one occasion) if:

- the Merger Agreement is terminated by Parent because MSC effected a Change of Recommendation and the Change of Recommendation is in connection with an acquisition proposal from an Excluded Party that results in the entry into an alternative acquisition agreement with such Excluded Party and executed prior to February 27, 2014 (see the discussion of Excluded Party above under "The Merger Agreement - Other Acquisition Proposals"); or
- the Merger Agreement is terminated by MSC because MSC enters into an alternative acquisition agreement in connection with a superior proposal and such alternative acquisition agreement is with an Excluded Party and executed prior to February 27, 2014.

If the Merger Agreement is terminated by MSC or Parent because Stockholder Approval is not obtained at the special meeting or at any adjournment or postponement thereof, MSC must promptly reimburse up to \$1.25 million of Parent's reasonable out-of-pocket costs and expenses incurred by or on behalf of Parent in connection with the Merger prior to termination of the Merger Agreement. The amount of this expense reimbursement will be deducted from any later termination fee paid by MSC to Parent.

Edgar Filing: MATERIAL SCIENCES CORP - Form DEFM14A

Parent is required to pay MSC a termination fee of \$8.5 million (but in no event will Parent be required to pay a termination fee on more than one occasion) if:

- the Merger Agreement is terminated by MSC because of Parent's material breach of any of its representations, warranties, covenants or agreements under the Merger Agreement; or
- the Merger Agreement is terminated by MSC because Parent fails to effect the Merger within three business days after the conditions to the obligations of Parent and Merger Sub to effect the Merger (other than conditions that by their nature are to be satisfied at the closing of the Merger and are capable of being satisfied or conditions that have not been satisfied due to Parent or Merger Sub's breach of any

Table of Contents

of their respective covenants in the Merger Agreement) have been satisfied and MSC has in good faith indicated in writing that it is ready, willing and able to consummate the Merger.

New Star and Insight II have agreed, pursuant to a limited guaranty, to guarantee, on a joint and several basis, the obligation of Parent to pay this Parent termination fee, as further described under The Merger Limited Guaranty.

Fees and Expenses

All fees and expenses incurred in connection with the Merger Agreement and Merger will be paid by the party incurring such fees or expenses, except (i) MSC's reimbursement of Parent's expenses upon Parent's termination of the Merger Agreement under the circumstances described under The Merger Agreement Termination Fees and Reimbursement of Expenses, (ii) Parent's reimbursement of MSC's expenses in connection with its cooperation with Parent in arranging Parent's financing as discussed under The Merger Agreement Financing; Cooperation and (iii) costs and expenses in connection with a suit to obtain any termination fee that results in a judgment against MSC or Parent for payment of such termination fee, which shall be paid by the party against whom the judgment is made.

Amendment; Waiver

Any provision of the Merger Agreement may be amended by written agreement of the parties to the Merger Agreement. However, in the event that the Stockholder Approval has been obtained, no amendment shall be made to the Merger Agreement that requires the approval of stockholders under applicable law without such approval.

Additionally, a party may extend the time for the performance of any of the other party's obligations or waive any closing conditions, inaccuracies in representations and warranties, or compliance by the other party with any of their agreements contained in the Merger Agreement. Such agreement to an extension or waiver must be set forth in writing and signed by the party granting the extension or waiver.

Remedies

Subject to MSC's specific performance rights described below, receipt by MSC of the Parent termination fee will be the sole and exclusive remedy of MSC, its subsidiaries, its stockholders and any of their affiliates or representatives against Parent, Merger Sub, any of their affiliates and representatives, New Star, Insight II, or the debt financing sources, for any loss suffered as a result of any breach of any covenant or agreement in the Merger Agreement or the failure of the Merger to be consummated. Upon payment of the Parent termination fee, none of such persons will have any further liability or obligation relating to or arising out of the Merger Agreement, the Merger, the financing or the other transactions contemplated by the Merger Agreement.

Subject to Parent's specific performance rights described below, Parent's receipt of the applicable MSC termination fee or the expense reimbursement, as applicable, will be the sole and exclusive remedy of Parent, Merger Sub and their respective affiliates and representatives against MSC and its affiliates or representatives for any loss suffered as a result of any breach of any covenant or agreement in the Merger Agreement or the failure of the Merger to be consummated. Upon payment of such amounts, none of such persons will have any further liability or obligation relating to or arising out of the Merger Agreement, the Merger, the financing or the other transactions contemplated by the Merger

Agreement.

Prior to termination of the Merger Agreement, Parent and Merger Sub may obtain an injunction, specific performance or other equitable relief to prevent breaches of the Merger Agreement by MSC and to otherwise enforce the terms of the Merger Agreement, including MSC's obligation to consummate the Merger.

Prior to termination of the Merger Agreement, MSC may obtain an injunction, specific performance or other equitable relief to cause the Equity Commitment Letters to be funded to consummate the Merger, but only if

Table of Contents

(i) all the conditions to Parent and Merger Sub's obligations to close the Merger (other than conditions that by their nature are to be satisfied at the closing of the Merger) have been satisfied or waived and Parent and Merger Sub fail to complete the closing of the Merger within two business days after satisfaction or waiver of all the closing conditions, (ii) the debt financing has been funded or will be funded at the closing of the Merger if the equity financing is also funded at the closing, (iii) Parent and Merger Sub fail to complete the closing of the Merger within three business days after satisfaction or waiver of all the closing conditions and (iv) MSC has irrevocably confirmed in writing that if specific performance is granted and equity financing and debt financing are funded, then it would take such actions required of it under the Merger Agreement to cause the closing of the Merger to occur. Other than as it relates to such right to cause Parent to cause the Equity Commitment Letters to be funded and to consummate the Merger, prior to the termination of the Merger Agreement, MSC may obtain an injunction, specific performance or other equitable relief to prevent breaches of the Merger Agreement by Parent and Merger Sub and to otherwise enforce the terms of the Merger Agreement. MSC may pursue both specific performance and the termination fee payable by Parent, but will not be entitled to receive both specific performance and the termination fee paid by Parent.

The Board recommends that you vote FOR the adoption of Merger Agreement.

APPRAISAL RIGHTS

Under the DGCL, if you do not wish to accept the Per Share Merger Consideration provided for in the Merger Agreement, you have the right to seek appraisal of your shares of MSC common stock and to receive payment in cash for the fair value of your shares of MSC common stock, exclusive of any element of value arising from the accomplishment or expectation of the Merger, as determined by the Delaware Court of Chancery, together with interest, if any, to be paid upon the amount determined to be fair value. The fair value of your shares of MSC common stock as determined by the Delaware Court of Chancery may be more or less than, or the same as, the \$12.75 per share that you are otherwise entitled to receive under the terms of the Merger Agreement. These rights are known as appraisal rights. The Company's stockholders who do not vote in favor of the proposal to adopt the Merger Agreement and who properly demand appraisal for their shares in compliance with the provisions of Section 262 of the DGCL will be entitled to appraisal rights. Strict compliance with the statutory procedures in Section 262 is required. Failure to follow precisely any of the statutory requirements will result in the loss of your appraisal rights.

This section is intended only as a brief summary of the material provisions of the Delaware statutory procedures that a stockholder must follow in order to seek and perfect appraisal rights. This summary, however, is not a complete statement of all applicable requirements and the law pertaining to appraisal rights under the DGCL, and is qualified in its entirety by reference to Section 262 of the DGCL, the full text of which appears as Annex C to this proxy statement. The following summary does not constitute any legal or other advice, nor does it constitute a recommendation that stockholders exercise their appraisal rights under Section 262.

Under Section 262 of the DGCL, when a merger agreement is to be submitted for adoption at a meeting of stockholders, the Company must notify the stockholders that appraisal rights will be available not less than 20 days before the meeting to vote on the merger. A copy of Section 262 must be included with such notice. This proxy statement constitutes the Company's notice to our stockholders that appraisal rights are available in connection with the Merger and the full text of Section 262 is attached to this proxy statement as Annex C, in compliance with the requirements of Section 262. If you wish to consider exercising your appraisal rights, you should carefully review the text of Section 262 contained in Annex C. Failure to comply timely and properly with the requirements of Section 262 will result in the loss of your appraisal rights under the DGCL. Moreover, because of the complexity of the procedures for exercising the right to seek appraisal of shares of MSC common stock, the Company believes that if a stockholder is considering exercising such rights, such stockholder should seek the advice of legal counsel.

If you wish to demand appraisal of your shares of MSC common stock, you must satisfy each of the following conditions: You must deliver to the Company a written demand for appraisal of your shares of MSC common stock before the vote is taken to approve the proposal to adopt the Merger Agreement, which must reasonably inform us of the identity of the stockholder of record of shares of MSC common stock who intends to demand appraisal of his, her or its shares of MSC common stock; and you must not vote or submit a proxy in favor of the proposal to adopt the Merger Agreement.

If you fail to comply with either of these conditions and the Merger is completed, you will be entitled to receive payment for your shares of MSC common stock as provided for in the Merger Agreement, but you will have no appraisal rights with respect to your shares of MSC common stock. A holder of shares of MSC common stock wishing to exercise appraisal rights must hold of record the shares of MSC common stock on the date the written demand for appraisal is made and must continue to hold the shares of MSC common stock of record through the effective time of the Merger, because appraisal rights will be lost if the shares of MSC common stock are transferred prior to the effective time of the Merger. A proxy that is submitted and does not contain voting instructions will, unless revoked, be voted in favor of the proposal to adopt the Merger Agreement, and it will constitute a waiver of the stockholder's right of appraisal and will nullify any previously delivered written demand for appraisal. Therefore, a stockholder who submits a proxy and who wishes to exercise appraisal rights must either submit a proxy containing instructions to vote against the proposal to adopt the Merger Agreement or

Table of Contents

abstain from voting on the proposal to adopt the Merger Agreement. Voting against or failing to vote for the proposal to adopt the Merger Agreement by itself does not constitute a demand for appraisal within the meaning of Section 262. The written demand for appraisal must be in addition to and separate from any proxy or vote on the proposal to adopt the Merger Agreement.

All written demands for appraisal of shares of MSC common stock must be mailed or delivered to the Corporate Secretary, Material Sciences Corporation, 2200 East Pratt Boulevard, Elk Grove Village, Illinois 60007, or should be delivered to the Corporate Secretary at the special meeting, prior to the vote on the adoption of the Merger Agreement. The demand must reasonably inform the Company of the identity of the stockholder and the intention of the stockholder to demand appraisal of the fair value of his, her or its shares of MSC common stock. A stockholder's failure to make the written demand prior to the taking of the vote on the adoption of the Merger Agreement at the special meeting of stockholders will constitute a waiver of appraisal rights.

Only a stockholder of record of shares of MSC common stock is entitled to demand an appraisal of the shares registered in that holder's name. Accordingly, to be effective, a demand for appraisal by a holder of MSC common stock must be made by, or in the name of, the record stockholder, fully and correctly, as the stockholder's name appears on the stockholder's stock certificate(s) or in the transfer agent's records, in the case of uncertificated shares, should specify the stockholder's mailing address and the number of shares registered in the stockholder's name, and must state that the person intends thereby to demand appraisal of the stockholder's shares in connection with the Merger. The demand cannot be made by the beneficial owner if he or she does not also hold the shares of MSC common stock of record. The beneficial holder must, in such cases, have the registered owner, such as a bank, brokerage firm or other nominee, submit the required demand in respect of those shares of MSC common stock. **If you hold your shares of MSC common stock through a bank, brokerage firm or other nominee and you wish to exercise appraisal rights, you should consult with your bank, brokerage firm or the other nominee to determine the appropriate procedures for the making of a demand for appraisal.**

If shares of MSC common stock are owned of record in a fiduciary capacity, such as by a trustee, guardian or custodian, execution of a demand for appraisal should be made in that capacity. If the shares of MSC common stock are owned of record by more than one person, as in a joint tenancy or tenancy in common, the demand should be executed by or for all joint owners. An authorized agent, including an authorized agent for two or more joint owners, may execute the demand for appraisal for a stockholder of record; however, the agent must identify the stockholder or stockholders of record and expressly disclose the fact that, in executing the demand, he or she is acting as agent for the stockholder of record. A stockholder of record, such as a bank, brokerage firm or other nominee, who holds shares of MSC common stock as a nominee for others, may exercise his or her right of appraisal with respect to the shares of MSC common stock held for one or more beneficial owners, while not exercising this right for other beneficial owners. In that case, the written demand should state the number of shares of MSC common stock as to which appraisal is sought. Where no number of shares of MSC common stock is expressly mentioned, the demand will be presumed to cover all shares of MSC common stock held in the name of the stockholder of record.

Within 10 days after the effective time of the Merger, the surviving corporation in the Merger must give written notice that the Merger has become effective to each of the Company's stockholders who has properly filed a written demand for appraisal and who did not vote in favor of the proposal to adopt the Merger Agreement. At any time within 60 days after the effective time of the Merger, any stockholder who has not commenced an appraisal proceeding or joined a proceeding as a named party may withdraw the demand and accept the consideration specified by the Merger Agreement for that stockholder's shares of MSC common stock by delivering to the Surviving Corporation a written withdrawal of the demand for appraisal. However, any such attempt to withdraw the demand made more than 60 days after the effective time of the Merger will require written approval of the Surviving Corporation. Unless the demand is properly withdrawn by the stockholder who has not commenced an appraisal proceeding or joined that proceeding as a named party within 60 days after the effective date of the Merger, no appraisal proceeding in the Delaware Court of Chancery will be dismissed as to

Table of Contents

any stockholder without the approval of the Delaware Court of Chancery, with such approval conditioned upon such terms as the Court deems just. If the Surviving Corporation does not approve a request to withdraw a demand for appraisal when that approval is required, or, except with respect to any stockholder who withdraws such stockholder's right to appraisal in accordance with the proviso in the immediately preceding sentence, if the Delaware Court of Chancery does not approve the dismissal of an appraisal proceeding, the stockholder will be entitled to receive only the appraised value determined in any such appraisal proceeding, which value could be less than, equal to or more than the consideration offered pursuant to the Merger Agreement.

Within 120 days after the effective time of the Merger, but not thereafter, either the Surviving Corporation or any stockholder who has complied with the requirements of Section 262 and is entitled to appraisal rights under Section 262 may commence an appraisal proceeding by filing a petition in the Delaware Court of Chancery demanding a determination of the fair value of the shares of MSC common stock held by all stockholders entitled to appraisal. Upon the filing of the petition by a stockholder, service of a copy of such petition shall be made upon the Surviving Corporation. The Surviving Corporation has no obligation to file such a petition, has no present intention to file a petition and holders should not assume that the Surviving Corporation will file a petition. Accordingly, it is the obligation of the holders of MSC common stock to initiate all necessary action to perfect their appraisal rights in respect of shares of MSC common stock within the time prescribed in Section 262 and the failure of a stockholder to file such a petition within the period specified in Section 262 could nullify the stockholder's previous written demand for appraisal. In addition, within 120 days after the effective time of the Merger, any stockholder who has properly filed a written demand for appraisal and who did not vote in favor of the Merger Agreement, will be entitled to receive from the Surviving Corporation, upon written request, a statement setting forth the aggregate number of shares of MSC common stock not voted in favor of the Merger Agreement and with respect to which demands for appraisal have been received and the aggregate number of holders of such shares. The statement must be mailed within 10 days after such written request has been received by the Surviving Corporation or within 10 days after the expiration of the period for delivery of demands for appraisal, whichever is later. A person who is the beneficial owner of shares of MSC common stock held either in a voting trust or by a nominee on behalf of such person may, in such person's own name, file a petition for appraisal or request from the Surviving Corporation such statement.

If a petition for appraisal is duly filed by a stockholder and a copy of the petition is delivered to the Surviving Corporation, then the Surviving Corporation will be obligated, within 20 days after receiving service of a copy of the petition, to file with the Delaware Register in Chancery a duly verified list containing the names and addresses of all stockholders who have demanded an appraisal of their shares of MSC common stock and with whom agreements as to the value of their shares of MSC common stock have not been reached. After notice to stockholders who have demanded appraisal, if such notice is ordered by the Delaware Court of Chancery, the Delaware Court of Chancery is empowered to conduct a hearing upon the petition and to determine those stockholders who have complied with Section 262 and who have become entitled to the appraisal rights provided by Section 262. The Delaware Court of Chancery may require stockholders who have demanded payment for their shares of MSC common stock to submit their stock certificates to the Register in Chancery for notation of the pendency of the appraisal proceedings; and if any stockholder fails to comply with that direction, the Delaware Court of Chancery may dismiss the proceedings as to that stockholder.

After determination of the stockholders entitled to appraisal of their shares of MSC common stock, the Delaware Court of Chancery will appraise the shares of MSC common stock, determining their fair value as of the effective time of the Merger after taking into account all relevant factors exclusive of any element of value arising from the accomplishment or expectation of the Merger, together with interest, if any, to be paid upon the amount determined to be the fair value. When the fair value has been determined, the Delaware Court of Chancery will direct the payment of such value upon surrender by those stockholders of the certificates representing their shares of MSC common stock. Unless the Court in its discretion determines otherwise for good cause shown, interest from the effective date of the Merger through the date of payment of the judgment shall be compounded quarterly and shall accrue at 5% over the Federal Reserve discount rate (including any surcharge) as established from time to time during the period between the effective time of the Merger and the date of payment of the judgment.

Table of Contents

You should be aware that an investment banking opinion as to the fairness from a financial point of view of the consideration to be received in a sale transaction, such as the Merger, is not an opinion as to fair value under Section 262. **Although we believe that the Per Share Merger Consideration is fair, no representation is made as to the outcome of the appraisal of fair value as determined by the Delaware Court of Chancery and stockholders should recognize that such an appraisal could result in a determination of a value higher or lower than, or the same as, the Per Share Merger Consideration.** Moreover, we do not anticipate offering more than the Per Share Merger Consideration to any stockholder exercising appraisal rights and reserve the right to assert, in any appraisal proceeding, that, for purposes of Section 262, the fair value of a share of MSC common stock is less than the Per Share Merger Consideration. In determining fair value, the Court is required to take into account all relevant factors. In *Weinberger v. UOP, Inc.*, the Delaware Supreme Court discussed the factors that could be considered in determining fair value in an appraisal proceeding, stating that proof of value by any techniques or methods which are generally considered acceptable in the financial community and otherwise admissible in court should be considered and that [f]air price obviously requires consideration of all relevant factors involving the value of a company. The Delaware Supreme Court has stated that in making this determination of fair value, the court must consider market value, asset value, dividends, earnings prospects, the nature of the enterprise and any other facts which could be ascertained as of the date of the merger which throw any light on future prospects of the merged corporation. Section 262 provides that fair value is to be exclusive of any element of value arising from the accomplishment or expectation of the merger. In *Cede & Co. v. Technicolor, Inc.*, the Delaware Supreme Court stated that such exclusion is a narrow exclusion [that] does not encompass known elements of value, but which rather applies only to the speculative elements of value arising from such accomplishment or expectation. In *Weinberger*, the Delaware Supreme Court also stated that elements of future value, including the nature of the enterprise, which are known or susceptible of proof as of the date of the merger and not the product of speculation, may be considered. In addition, the Delaware Courts have decided that the statutory appraisal remedy, depending on factual circumstances, may or may not be a dissenting stockholder's exclusive remedy.

Costs of the appraisal proceeding (which do not include attorneys' fees or the fees and expenses of experts) may be determined by the Delaware Court of Chancery and imposed upon the Surviving Corporation and the stockholders participating in the appraisal proceeding by the Delaware Court of Chancery, as it deems equitable in the circumstances. Upon the application of a stockholder, the Delaware Court of Chancery may order all or a portion of the expenses incurred by any stockholder in connection with the appraisal proceeding, including, without limitation, reasonable attorneys' fees and the fees and expenses of experts used in the appraisal proceeding, to be charged pro rata against the value of all shares of MSC common stock entitled to appraisal. Any stockholder who demanded appraisal rights will not, after the effective time of the Merger, be entitled to vote shares of MSC common stock subject to that demand for any purpose or to receive payments of dividends or any other distribution with respect to those shares of MSC common stock, other than with respect to payment as of a record date prior to the effective time of the Merger. If no petition for appraisal is filed within 120 days after the effective time of the Merger, or if the stockholder otherwise fails to perfect, successfully withdraws or loses such holder's right to appraisal, then the right of that stockholder to appraisal will cease and that stockholder will be deemed to have been converted at the effective time of the Merger into the right to receive the \$12.75 per share cash payment (without interest) for his, her or its shares of MSC common stock pursuant to the Merger Agreement. A stockholder will fail to perfect, or effectively lose, the holder's right to appraisal if no petition for appraisal is filed within 120 days after the effective date of the Merger. In addition, as indicated above, a stockholder may withdraw his, her or its demand for appraisal in accordance with Section 262 and accept the Per Share Merger Consideration offered pursuant to the Merger Agreement.

Failure to comply strictly with all of the procedures set forth in Section 262 of the DGCL will result in the loss of a stockholder's statutory appraisal rights.

In view of the complexity of Section 262 of the DGCL, the Company's stockholders who may wish to pursue appraisal rights should consult their legal and financial advisors.

**ADVISORY VOTE REGARDING CERTAIN EXECUTIVE COMPENSATION THAT MAY BE PAID
OR BECOME PAYABLE IN CONNECTION WITH THE MERGER
(PROPOSAL 2)**

Golden Parachute Compensation

This section sets forth the information required by Item 402(t) of Regulation S-K regarding the compensation for each named executive officer of the Company that is based on or otherwise relates to the Merger. This compensation is referred to as golden parachute compensation by the applicable SEC disclosure rules, and in this section we use such term to describe the Merger-related compensation payable to our named executive officers. The golden parachute compensation payable to these individuals is subject to a nonbinding advisory vote of the Company's stockholders, as described below in this section.

Our named executive officers hold outstanding stock options to purchase shares of our common stock and shares of restricted stock, and the terms of the Merger Agreement provide for the treatment of outstanding stock options and shares of restricted stock in connection with the consummation of the Merger. In addition, each of our named executive officers is entitled to certain double-trigger severance payments and benefits pursuant to the Severance Agreements. The treatment of outstanding stock options and shares of restricted stock in connection with the consummation of the Merger and payments to which our named executive officers may be entitled in connection with the Merger pursuant to the Severance Agreements are described above in The Merger Interests of Executive Officers and Directors of MSC in the Merger; Executive Compensation that May Be Paid or Become Payable in Connection with the Merger.

The amounts set forth in the table below assume the following:

- the effective time of the Merger occurred on February 18, 2014;
- the Per Share Merger Consideration paid in the Merger is \$12.75; and
- for purposes of estimating severance payments, the Company's named executive officers were terminated, other than for cause, disability or death or a constructive discharge (as such terms are defined in the Severance Agreements), immediately following the consummation of the Merger on February 18, 2014.

The amounts reported below are estimates based on multiple assumptions that may or may not actually occur, including assumptions described in this proxy statement, and do not reflect certain compensation actions that may occur before completion of the Merger. As a result, the actual amounts, if any, to be received by a named executive officer may differ materially from the amounts set forth below.

Name	Cash \$(1)	Equity \$(2)	Perquisites/ Benefits \$(3)	Other \$(4)	Total (\$)

Matthew M. Murphy	664,589	696,627	900	20,000	1,382,116

- (1) Represents amounts to be paid to the named executive officers under the terms of the Severance Agreement to which such named executive officer is a party upon a termination of employment by the Company other than for cause, disability or death or a termination by the executive for a constructive discharge, immediately following the consummation of the Merger. All cash severance amounts reflected in the table above are double-trigger payments.

- (2) Represents the proceeds that our named executive officers will receive in respect of their various equity awards in the Merger:

James D. Pawlak	774,796	0	774,796
Matthew M. Murphy	696,627	0	696,627

- (3) Represents the estimated value as of February 18, 2014, of the cost of the continuation of medical, dental, prescription drug and vision benefits for the executive officer and family (if dependent coverage was provided) for 18 months following the executive officer's employment termination.
- (4) Upon termination of an executive officer's employment by the Company for any reason other than for cause, disability or death or constructive discharge, the executive officer is entitled to outplacement services up to an aggregate cost of \$20,000. This reflects the maximum amount payable under the Severance Agreements.

Merger-Related Compensation Proposal

Pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 and Rule 14a-21(c) of the Exchange Act, the Company is seeking a non-binding, advisory stockholder approval of the compensation that may be payable to its named executive officers in connection with the Merger, as disclosed above in this section. The proposal gives the Company's stockholders the opportunity to express their views on certain payments to be paid to the Company's named executive officers in connection with the Merger. MSC is asking its stockholders to vote on the adoption of the following resolution:

RESOLVED, that the compensation that may be paid or become payable to MSC's named executive officers in connection with the Merger and the agreements or understandings pursuant to which such compensation may be paid or become payable, in each case as disclosed pursuant to Item 402(t) of Regulation S-K in Advisory Vote Regarding Certain Executive Compensation that may be Paid or become Payable in Connection with the Merger—Golden Parachute Compensation, including the associated narrative discussion, are hereby APPROVED on an advisory (non-binding) basis.

Vote Required and the Company Board Recommendation

The vote on this proposal is a vote separate and apart from the vote to adopt the Merger Agreement. Accordingly, you may vote not to approve this proposal on Merger-related named executive officer compensation and vote to adopt the Merger Agreement and vice versa. Because the vote is advisory in nature, it will not be binding on the Company, regardless of whether the Merger Agreement is adopted. Approval of the non-binding, advisory proposal with respect to the compensation that may be paid or become payable to the Company's named executive officers in connection with the Merger is not a condition to completion of the Merger, and failure to approve this advisory matter will have no effect on the vote to adopt the Merger Agreement. Because the Merger-related compensation that may be paid or become payable to the Company's named executive officers in connection with the Merger is based on contractual arrangements with the named executive officers, such compensation will be payable, regardless of the outcome of this advisory vote, if the Merger Agreement is adopted (subject only to the contractual conditions applicable thereto).

Edgar Filing: MATERIAL SCIENCES CORP - Form DEFM14A

The proposal to approve, by non-binding, advisory vote, certain compensation arrangements for the Company's named executive officers in connection with the Merger requires the affirmative vote of the holders of a majority of the shares of MSC common stock present in person or represented by proxy and entitled to vote on the matter at a meeting. Broker non-votes will have no effect on this proposal and abstentions will have the same effect as a vote against this proposal.

The Board recommends that you vote FOR the approval, on a non-binding advisory basis, of this proposal.

AUTHORITY TO ADJOURN THE SPECIAL MEETING

(PROPOSAL 3)

We may ask our stockholders to vote on a proposal to authorize the Board, in its discretion, to adjourn the special meeting or any adjournment or postponement thereof to a later date or dates, if necessary, to solicit additional proxies if there are insufficient votes at the time of the special meeting to adopt the Merger Agreement. We currently do not intend to propose that the Board have discretionary authority to adjourn the special meeting if there are sufficient votes to adopt the Merger Agreement. If any proposal to authorize the Board, in its discretion, to adjourn the special meeting for the purpose of soliciting additional proxies is submitted to our stockholders for approval, such approval requires the affirmative vote of the holders of a majority of the shares of MSC common stock present in person or represented by proxy and entitled to vote on the matter. Broker non-votes will have no effect on this proposal and abstentions will have the same effect as a vote against this proposal.

The Board recommends that you vote FOR any proposal to authorize the Board, in its discretion, to adjourn the special meeting or any adjournment or postponement thereof, if necessary, to solicit additional proxies.

OTHER MATTERS

Pursuant to our bylaws, business transacted at the special meeting will be limited to the purposes stated in the notice of the special meeting, which is provided at the beginning of this proxy statement. If other matters do properly come before the special meeting, or at any adjournment or postponement of the special meeting by or at the direction of the Board, we intend that shares of MSC common stock represented by properly submitted proxies will be voted in accordance with the recommendations of the Board.

It is important that your shares be represented at the special meeting, regardless of the number of shares which you hold. Therefore, we urge you to complete, sign, date and return the accompanying proxy card as promptly as possible in the prepaid envelope enclosed for that purpose or to submit a proxy via the Internet or by telephone.

**DEADLINE FOR RECEIPT OF STOCKHOLDER PROPOSALS
FOR 2014 ANNUAL MEETING**

If the Merger is completed, there will be no public stockholders of MSC and no public participation in any future meetings of MSC's stockholders. However, if the Merger is not completed, MSC will hold a 2014 annual meeting of stockholders. In that event, in order to be considered for inclusion in the proxy statement and related proxy card for MSC's 2014 annual meeting, stockholder proposals must have been submitted in writing to MSC by January 24, 2014. If the date of the 2014 annual meeting of stockholders is not within 30 days of the anniversary date of the 2013 annual meeting, which was held on June 27, 2013, the deadline for inclusion of proposals in MSC's proxy statement and related proxy card for the 2014 annual meeting will instead be a reasonable time before MSC begins to print and send its proxy materials. Stockholder proposals for MSC's 2014 annual meeting of stockholders should be sent to the following address:

Material Sciences Corporation

2200 East Pratt Boulevard

Elk Grove Village, Illinois 60007

Attn: Corporate Secretary

Under MSC's bylaws, stockholders may nominate directors or bring other business before MSC's 2014 annual meeting by delivering notice to MSC at the address set forth above (containing certain information specified in MSC's bylaws) no earlier than March 29, 2014, or later than April 28, 2014. Please note that these requirements are separate and apart from, and in addition to, the SEC's requirements that a stockholder must meet to have a stockholder proposal included in MSC's proxy statement as discussed above. 2.4 **Certificate of Incorporation**. At the Effective Time, the certificate of incorporation of the Company shall be amended and restated as a result of the Merger so as to read in its entirety as set forth in **Exhibit B** and, as so amended, shall be the certificate of incorporation of the Surviving Corporation (the **Charter**), until duly amended as provided therein or by applicable Law.

2.5 **Bylaws**. At the Effective Time, the bylaws of the Company shall be amended and restated so as to read in their entirety as set forth on **Exhibit C**, and, as so amended, shall be the bylaws of the Surviving Corporation (the **Bylaws**), until duly amended as provided therein or by applicable Law.

2.8 **Effect on Capital Stock**. At the Effective Time, as a result of the Merger and without any action on the part of the holder of any capital stock of the Company or the sole stockholder of Merger Sub:

(a) **Merger Consideration**. Each share of the common stock, par value \$0.02 per share, of the Company (a **Common Share**) issued and outstanding immediately prior to the Effective Time (other than issued and outstanding Common Shares (i) that are owned by Parent, Merger Sub or any other direct or indirect wholly-owned Subsidiary of Parent, (ii) that are owned by the Company as treasury stock or any direct or indirect wholly-owned Subsidiary of the Company, (iii) that are also shares of Company Restricted Stock, which are subject to **Section 2.10(b)** or (iv) that are owned by stockholders (**Dissenting Stockholders**) that have perfected and not withdrawn a demand for, or lost their right to, appraisal pursuant to Section 262 of the DGCL with respect to such Common Shares (the **Dissenting Shares**, and, together with the Common Shares referred to in the immediately preceding clauses (i), (ii) and (iii), the **Excluded Shares**) shall be automatically converted into the right to receive \$12.75 per Common Share in cash (the **Per Share Merger Consideration**), without interest. At the Effective Time, all of the Common Shares shall cease to be outstanding, shall be cancelled and shall cease to exist, and each certificate (a **Certificate**) formerly representing any of the Common Shares (other than Excluded Shares) shall thereafter represent only the right to receive the Per Share Merger Consideration for each such Common Share, without interest, in accordance with this **Article II**.

(b) **Cancellation of Excluded Shares**. 2.9 Exchange of Certificates and Book-Entry Shares.

(a) **Paying Agent.** Immediately prior to, or at, the Effective Time, Parent shall deposit, or shall cause to be deposited, with a commercial bank or trust company mutually acceptable to Parent and the Company (the **Paying Agent**), for the benefit of the Record Holders of Common Shares (other than Excluded Shares), a cash amount in immediately available funds necessary for the Paying Agent to make payments under **Section 2.8** (such cash amount, the **Exchange Fund**). If a Dissenting Stockholder effectively withdraws its demand for, or fails to perfect or otherwise loses its rights to, appraisal pursuant to Section 262 of the DGCL with respect to any Dissenting Shares, (i) such Common Shares shall cease to be Excluded Shares and (ii) Parent shall make available, or cause to be made available, to the Paying Agent additional cash funds in an amount equal to the product of (x) the number of Dissenting Shares for which the Dissenting Stockholder has withdrawn its demand for, or failed to perfect or otherwise lost its rights to, appraisal pursuant to Section 262 of the DGCL and (y) the Per Share Merger Consideration.

(b) **Exchange Procedures.** Promptly (and in any event within three (3) Business Days) after the Effective Time, Parent shall cause the Paying Agent to mail to each Record Holder of Common Shares (other than Excluded Shares) (i) a letter of transmittal (**Letter of Transmittal**) specifying that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon delivery of the Certificates (or affidavits of loss in lieu thereof as provided in **Section 2.9(e)**) to the Paying Agent, the Letter of Transmittal to be in customary form and to have such other provisions as Parent and the Company may reasonably agree prior to the Closing, and (ii) instructions for use in effecting the surrender of the Certificates (or affidavits of loss in lieu thereof as provided in **Section 2.9(e)**) or Book-Entry Shares in exchange for the amount to which such Record Holder is entitled as a result of the Merger pursuant to **Section 2.8**. If any Excluded Shares cease to be Excluded Shares pursuant to **Section 2.9**, the Surviving Corporation shall cause the Paying Agent promptly (and in any event within three (3) Business Days) after the date on which such Excluded Shares cease to be Excluded Shares to mail to the Record Holder of such Common Shares the Letter of Transmittal and instructions referred to in the immediately preceding sentence, with respect to such Common Shares. Upon delivery of such Letter of Transmittal by any Record Holder of Common Shares (other than Excluded Shares), duly completed and duly executed in accordance with its instructions, and the surrender to the Paying Agent of a Certificate that immediately prior to the Effective Time represented such Common Shares (or affidavit of loss in lieu thereof as provided in **Section 2.9(e)**), or receipt by the Paying Agent of an agent's message or other evidence of transfer of Book-Entry Shares as the Paying Agent may reasonably request, the holder of such Certificate or Book-Entry Shares shall be entitled to receive in exchange therefor a cash amount by check or wire transfer of immediately available funds to an account designated by such holder (less any required Tax withholdings as provided in **Section 2.11**) equal to the product of (x) the number of Common Shares represented by such Certificate (or affidavit of loss in lieu thereof as provided in **Section 2.9(e)**) or Book-Entry Shares immediately prior to the Effective Time and (y) the Per Share Merger Consideration, and the Certificate so surrendered shall immediately be cancelled. No interest will be paid or accrued on any amount payable upon due surrender of the Certificates, affidavits of loss or Book-Entry Shares, as the case may be. In the event of a transfer of ownership of Common Shares that is not registered in the transfer records of the Company, payment to be delivered upon compliance with the procedures described above may be made to the transferee if the applicable letter of transmittal is accompanied by all documents reasonably required by the Surviving Corporation to evidence and effect such transfer and to evidence that any applicable stock transfer Taxes have been paid or are not applicable.

(c) **No Further Registration of Transfers.** From and after the Effective Time, there shall be no further registration of transfers on the stock transfer books of the Company of the Common Shares that were outstanding immediately prior to the Effective Time. If, after the Effective Time, any Certificate is presented to the Surviving Corporation, Parent or the Paying Agent for transfer, it shall be cancelled and, subject to compliance with the procedures set forth in **Section 2.9(b)**, exchanged for the cash amount to which the Record Holder thereof is entitled pursuant to this **Article II** (less any required Tax withholdings as provided in **Section 2.11**), to be paid by check or wire transfer of immediately available funds to an account designated by such Record Holder.

Table of Contents

(d) Termination of Exchange Fund. Any portion of the Exchange Fund (including the proceeds of any investments thereof) that remains unclaimed by the Record Holders of the Common Shares one (1) year after the Effective Time shall be delivered to the Surviving Corporation upon demand. Any Record Holder of Common Shares (other than Excluded Shares) that has not theretofore complied with this Article II shall thereafter look only to the Surviving Corporation for payment of the amount to which such Record Holder is entitled as a result of the Merger pursuant to Section 2.8(a) (less any required Tax withholdings as provided in Section 2.11), without any interest thereon. Notwithstanding the foregoing, none of the Surviving Corporation, Parent, the Paying Agent or any other Person shall be liable to any holder of Common Shares for any amount properly delivered to a public official pursuant to applicable abandoned property, escheat or similar Laws.

(e) Lost, Stolen or Destroyed Certificates. In the event any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed and, if required by Parent, the posting by such Person of a bond in the form and amount reasonably required by Parent as indemnity against any claim that may be made against it, the Paying Agent or the Surviving Corporation with respect to such Certificate, the Paying Agent will pay to such Person by check or wire transfer of immediately available funds to an account designated by such Person an amount (less any required Tax withholdings as provided in Section 2.11) equal to the product of (i) the number of Common Shares represented by such lost, stolen or destroyed Certificate and (ii) the Per Share Merger Consideration.

(f) Dissenting Shares. Notwithstanding anything to the contrary contained in this Agreement, no Person that has perfected a demand for appraisal rights pursuant to Section 262 of the DGCL with respect to any Dissenting Shares shall be entitled to receive the Per Share Merger Consideration with respect to such Dissenting Shares unless and until such Person shall have effectively withdrawn its demand for, or failed to perfect or otherwise lost its right to, appraisal under the DGCL with respect to such Dissenting Shares. Notwithstanding anything to the contrary contained in this Agreement, unless and until a Dissenting Stockholder shall have effectively withdrawn its demand for, or failed to perfect or otherwise lost its right to, appraisal under the DGCL with respect to Dissenting Shares, each Dissenting Stockholder shall be entitled to receive only the payment provided by Section 262 of the DGCL with respect to such Dissenting Shares. If any Dissenting Stockholder effectively withdraws its demand for, or fails to perfect or otherwise loses its rights to, appraisal pursuant to Section 262 of the DGCL with respect to any Dissenting Shares, then the right of such Dissenting Stockholder to receive the payment provided by Section 262 of the DGCL shall cease and such Dissenting Shares shall be deemed to have been automatically converted into, as of the Effective Time, and shall represent only, the right to receive the Per Share Merger Consideration, without interest, pursuant to the provisions of this Section 2.9. At the Effective Time, the Dissenting Shares shall cease to be outstanding, shall be cancelled and shall cease to exist, and each holder of Dissenting Shares shall cease to have any rights with respect thereto, except such rights provided in this Section 2.9(f). The Company shall give Parent (i) prompt notice of any written demands for appraisal pursuant to Section 262 of the DGCL received by the Company prior to the Effective Time, any withdrawals of such demands and any other demands, notices or instruments delivered to the Company pursuant to Section 262 of the DGCL prior to the Effective Time that relate to such demands and (ii) the opportunity to participate in and direct all negotiations and proceedings with respect to any such demand, notice or instrument. Prior to the Effective Time, the Company shall not, except with the prior written consent of Parent, voluntarily make any payment with respect to any demands for appraisal or offer to settle or settle any such demands.

2.10 Treatment of Outstanding Company Options and Company Restricted Stock Under Stock Plans; Suspension of Stock Purchase Plan.

(a) Company Options. Immediately prior to the Effective Time, or sooner as provided under the Stock Plans, each outstanding and unexercised option to purchase Common Shares issued under a Stock Plan (a Company Option), whether or not then vested or exercisable, shall become fully vested and exercisable and, at the Effective Time, each such Company Option not theretofore exercised shall be cancelled and shall only entitle the holder thereof to receive an amount (less any required Tax withholdings as provided in Section 2.11) in cash equal to the product of (i) the total number of Common Shares subject to such Company Option immediately

Table of Contents

prior to the Effective Time and (ii) the excess, if any, of (A) the Per Share Merger Consideration over (B) the exercise price per Common Share under such Company Option (the Option Consideration), without interest. For the avoidance of doubt, in the event that the exercise price per Common Share of any Company Option is equal to or greater than the Per Share Merger Consideration, at the Effective Time, such Company Option shall be cancelled without any consideration being payable in respect thereof. Parent shall, or shall cause the Surviving Corporation to, pay to (or pay to the Surviving Corporation's payroll provider for payment to) each holder of a Company Option the Option Consideration owed to such holder pursuant to this Section 2.10. Notwithstanding the above, Parent may require execution and delivery to the Company of a consent to cancellation in a form reasonably satisfactory to Parent and Company from any or all holders of Company Options as a condition to the payment of the Option Consideration to such holder.

(b) Company Restricted Stock. Immediately prior to the Effective Time, or sooner as provided under the Stock Plans, each outstanding share of Company Restricted Stock, whether or not then vested, shall become free of all restrictions, fully vested and transferable (subject to any required Tax withholdings as provided in Section 2.11) and, at the Effective Time, each such share of Company Restricted Stock shall be cancelled and shall only entitle the holder thereof to receive an amount (less any required Tax withholdings as provided in Section 2.11) in cash equal to the Per Share Merger Consideration (the Restricted Stock Consideration), without interest, subject, however, to any rights of the holder of such share of Restricted Stock pursuant to Section 2.9(f). Parent shall, or shall cause the Surviving Corporation to, pay to each holder of a share of Company Restricted Stock (other than a Dissenting Share) the Restricted Stock Consideration owed to such holder pursuant to this Section 2.10(b). If any shares of Company Restricted Stock that are also Dissenting Shares cease to be Dissenting Shares pursuant to Section 2.9(a), Parent shall, or shall cause the Surviving Corporation to, pay to the holder of such shares of Company Restricted Stock the Restricted Stock Consideration owed to such holder pursuant to this Section 2.10(b). Notwithstanding the above, Parent may require execution and delivery to the Company of a consent to cancellation in a form reasonably satisfactory to Parent and Company from any or all holders of Company Restricted Stock as a condition to the payment of the Consideration to such holder.

(c) Suspension of Stock Purchase Plan. The Company will take all action necessary to suspend or terminate the Material Sciences Corporation 2007 Employee Stock Purchase Plan (the Stock Purchase Plan), in accordance with the suspension and termination provisions of the Stock Purchase Plan, effective as of the end of the current purchase period, which such purchase period expires on February 28, 2014. Effective as of such suspension or termination, no additional purchase periods will commence, and no additional purchases of Common Shares shall be permitted, under the Stock Purchase Plan. Additionally, in the event that the Effective Time occurs prior to February 28, 2014, the Company shall use commercially reasonable best efforts to cause each individual who is participating in the current purchase period under the Stock Purchase Plan, to agree to terminate his/her participation effective immediately prior to the Effective Time and receive, as full consideration for the current purchase period, the amount that such participant would have received had such participant received the Common Shares issuable to such participant immediately prior to the Effective Time, less the amount of his/her credit in his/her purchase account.

(d) Corporate Actions.

(i) Prior to the Effective Time, if and as required by the applicable Stock Plan and/or Stock Purchase Plan, the Company shall; (A) provide notice to each holder of a Company Option or share of Company Restricted Stock describing the treatment of and payment for such Company Option or Company Restricted Stock under Section 2.10(a) or Section 2.10(b), as applicable; and (B) provide notice to each Stock Purchase Plan participant of the suspension or termination of the Stock Purchase Plan as provided under Section 2.10(c).

(ii) At or prior to the Effective Time, the Company, the Board of Directors of the Company and the Compensation, Organization and Corporate Governance Committee of the Board of Directors of the Company, as applicable, shall adopt resolutions and shall take such other appropriate actions (including obtaining

Table of Contents

any required consents) to implement the provisions of Section 2.10(a) and Section 2.10(b) and Section 2.10(c) and to terminate the Stock Plans at the Effective Time.

(iii) From and after the Effective Time, each Company Option and each Company Stock-Based Award shall no longer represent the right to acquire Common Shares. The Company shall take all actions necessary to ensure that, from and after the Effective Time, neither Parent nor the Surviving Corporation shall be required to deliver Common Shares or other capital stock of the Company to any Person pursuant to or in settlement of Company Options or Company Stock-Based Awards.

2.11 Withholding Taxes. Each of Parent, the Surviving Corporation and the Paying Agent shall be entitled to deduct and withhold from the consideration otherwise payable in respect of the Common Shares, Company Options and Company Restricted Stock cancelled at the Effective Time such amounts as it is required to deduct and withhold with respect to the making of such payment under the Code or any other applicable state, local or foreign Tax Law. To the extent that amounts are so withheld by the Surviving Corporation, Parent or the Paying Agent, as the case may be, such withheld amounts (i) shall be remitted by the Surviving Corporation, Parent or the Paying Agent, as applicable, to the applicable Governmental Entity and (ii) shall be treated for all purposes of this Agreement as having been paid to the holder of Common Shares, Company Options or Company Restricted Stock in respect of which such deduction and withholding was made by the Surviving Corporation, Parent or the Paying Agent, as the case may be.

2.12 Adjustments to Prevent Dilution. In the event that, after the date hereof and prior to the Effective Time, the Company changes the number of Common Shares or securities convertible or exchangeable into or exercisable for Common Shares issued and outstanding prior to the Effective Time, in each case as a result of a reclassification, stock split (including a reverse stock split), stock dividend or distribution, recapitalization, merger, issuer tender or exchange offer, or other similar transaction (whether in violation of or with the consent of Parent pursuant to Section 4.1(a)), the Per Share Merger Consideration shall be equitably adjusted to reflect such change and as so adjusted shall, from and after the date of such event, be the Per Share Merger Consideration.

2.13 Necessary Further Actions. If, at any time after the Effective Time, any further action is necessary or desirable to carry out the purposes of this Agreement and to vest the Surviving Corporation with full right, title and possession to all assets, properties, rights, privileges, powers and franchises of the Company and Merger Sub, the Company, Parent and Merger Sub shall, and shall be authorized to, cause their respective directors and officers to take all such lawful and necessary or desirable action, so long as such action is not inconsistent with this Agreement.

Article III

this Agreement (the Debt Financing), and (B) the executed Equity Financing Commitment (together with the Debt Financing Commitment, the Financing Commitments), pursuant to which the Guarantors have committed, subject to the terms and conditions set forth therein, to provide the Equity Financing set forth therein in connection with the transactions contemplated by this Agreement (together with the Debt Financing, the Financing). The Equity Financing Commitment provides that the Company is an intended third party beneficiary thereof, subject to its terms.

(ii) As of the date hereof, the Financing Commitments are in full force and effect and are the legal, valid and binding obligations of Parent, Merger Sub, or the Affiliates of Parent or Merger Sub party thereto, on the one hand, and each of the other parties thereto, on the other hand, enforceable against Parent, Merger Sub, or the Affiliates of Parent or Merger Sub party thereto, on the one hand, and, to the Knowledge of Parent, each of the other parties thereto, on the other hand, in accordance with their respective terms, subject to the Bankruptcy and Equity Exception. Parent and Merger Sub, as applicable, have fully paid, or caused to be fully paid, any and all commitment or other fees which are due and payable on or prior to the date hereof pursuant to the terms of the Financing Commitments. As of the date hereof, no event has occurred that, with or without notice or lapse of time or both, would constitute a breach or default by Parent, Merger Sub, or the Affiliates of Parent or Merger Sub party thereto or, to the Knowledge of Parent, any other parties to the Financing Commitments under the Financing Commitments. There are no conditions precedent or other contingencies related to the funding of the Financing, other than as expressly set forth in or expressly contemplated by the Financing Commitments and the customary related fee letters (copies of which have been provided to the Company with only the fee amount redacted). Except for such fee letters with respect to the Debt Financing, there are no side letters or other agreements, contracts or arrangements related to the funding or investing, as applicable, of the Financing other than as expressly set forth in the Financing Commitments. Merger Sub has been formed solely for the purpose of engaging in the transactions contemplated hereby and, prior to the Effective Time, Merger Sub will not have engaged in any other business activities and will have incurred no liabilities or obligations other than as contemplated hereby or related hereto. Merger Sub does not have outstanding any option, warrant, right or any other agreement pursuant to which any Person other than Parent may acquire any equity security of Merger Sub.

(g) Brokers. No agent, broker, finder or investment banker is entitled to any brokerage, finder's or other fee or commission payable by the Company in connection with the transactions contemplated by this Agreement based upon arrangements made by or on behalf of Parent or Merger Sub.

(h) Solvency. The Limited Guaranty is in full force and effect and is a valid, binding and enforceable obligation of the Guarantors, subject to the Bankruptcy and Equity Exception, and no event has occurred, which, with or without notice, lapse of time or both, would constitute a default on the part of the Guarantors under the Limited Guaranty.

(j) **Ownership of Common Shares.** None of Parent, Merger Sub or any of their respective affiliates or associates is, or was at any time during the last three (3) years, an interested stockholder of the Company. (l) **Absence of Certain Management Agreements.** Except for the Voting Agreements, to the Knowledge of Parent, neither Parent nor any of its Affiliates has entered into a written agreement or written commitment to enter into any agreement with any director, officer or employee relating to the transactions contemplated by this Agreement or the operations of the Company after the Effective Time.

(m) **No Other Company Representations or Warranties.** Except for the representations and warranties set forth in Section 3.1 (as qualified by the information provided in or incorporated into the Company Disclosure Letter), Parent and Merger Sub hereby acknowledge and agree that neither the Company nor any of its Subsidiaries, nor any of their respective stockholders, directors, officers, employees, Affiliates, advisors, agents or Representatives, nor any other Person, has made or is making any other express or implied representation or warranty with respect to the Company or any of its Subsidiaries or their respective business or operations. Other than with respect to fraud and other than for the representations and warranties set forth in Section 3.1 (as qualified by the information provided in or incorporated into the Company Disclosure Letter), neither the Company nor any of its Subsidiaries, nor any of their respective stockholders, directors, officers, employees, Affiliates, advisors, agents or Representatives, nor any other Person, will have or be subject to any liability or indemnification obligation to Parent, Merger Sub or any other Person resulting from the delivery, dissemination or any other distribution to Parent, Merger Sub or any other Person, or the use by Parent, Merger Sub or any other Person, of any such information provided or made available to them by the Company or any of its Subsidiaries, or any of their respective stockholders, directors, officers, employees, Affiliates, advisors, agents or Representatives, or any other Person, including any information, documents, estimates, projections, forecasts or other forward-looking information, business plans, cost-related plans or other material provided or made available to Parent, Merger Sub or any other Person in certain data rooms, confidential information memoranda, management presentations or due diligence discussions in anticipation or contemplation of any of

(n) Non-Reliance on Company Estimates, Projections, Forecasts, Forward-Looking Statements and Business Plans. In connection with the due diligence investigation of the Company by Parent and Merger Sub, Parent and Merger Sub have received and may continue to receive from the Company certain estimates, projections, forecasts and other forward-looking information, as well as certain business plan and cost-related plan information, regarding the Company, its Subsidiaries and their respective businesses and operations. Parent and Merger Sub hereby acknowledge that there are uncertainties inherent in attempting to make such estimates, projections, forecasts and other forward-looking statements, as well as in such business plans and cost-related plans, with which Parent and Merger Sub are familiar, that Parent and Merger Sub are taking full responsibility for making their own evaluation of the adequacy and accuracy of all estimates, projections, forecasts and other forward-looking information, as well as such business plans and cost-related plans, so furnished to them (including the reasonableness of the assumptions underlying such estimates, projections, forecasts, forward-looking information, business plans or cost-related plans), and that Parent and Merger Sub will have no claim against the Company or any of its Subsidiaries, or any of their respective stockholders, directors, officers, employees, Affiliates, advisors, agents or representatives, or any other Person, with respect thereto. Accordingly, Parent and Merger Sub hereby acknowledge that none of the Company nor any of its Subsidiaries, nor any of their respective stockholders, directors, officers, employees, Affiliates, advisors, agents or representatives, nor any other Person, has made or is making any representation or warranty with respect to such estimates, projections, forecasts, forward-looking statements, business plans or cost-related plans (including the reasonableness of the assumptions underlying such estimates, projections, forecasts, forward-looking statements, business plans or cost-related plans). Notwithstanding the provisions of this Section 3.2(n), Parent and Merger Sub shall be entitled to rely on, and the Company acknowledges that Parent and Merger Sub have relied, on the representations and warranties set forth in Section 3.1 (as qualified by the information provided in or incorporated into the Company Disclosure Letter).

(ii) Notwithstanding anything to the contrary contained in this Agreement, but subject to Section 4.2(d)(iii), prior to the time the Company Requisite Vote is obtained, the Board of Directors of the Company may (A) if an Intervening Event has occurred, withhold, withdraw, modify, amend or qualify, or publicly propose to withhold, withdraw, modify, amend and or qualify, the Company Recommendation, or (B) authorize, adopt, approve, recommend or otherwise declare advisable any Acquisition Proposal made after the date hereof (whether prior to or after the expiration of the Go-Shop Period) that the Board of Directors of the Company determines in good faith (after consultation with the Company's outside legal counsel and independent financial advisor) is a Superior Proposal (any action in clause (A) or (B), a Change of Recommendation), in each case if the Board of Directors of the Company determines in good faith (after consultation with its outside legal counsel) that failure to do so would be inconsistent with its fiduciary duties under applicable Law, and may also take action pursuant to Section 6.3(a) or Section 6.3(c).

(iii) Notwithstanding anything to the contrary contained in this Agreement, the Company shall not effect a Change of Recommendation (with respect to an Intervening Event or otherwise; provided that the requirements below with respect to a Superior Proposal shall not apply in the event the Change of Recommendation is in connection with an Intervening Event) or enter into an Alternative Acquisition Agreement in connection with a Superior Proposal (whether prior to or after the expiration of the Go-Shop Period) prior to taking the following actions: (A) the Company shall notify Parent in writing, at least three (3) Business Days in advance, that it intends to effect a Change of Recommendation (with respect to an Intervening Event or otherwise) or enter into an Alternative Acquisition Agreement in connection with a Superior Proposal; (B) upon Parent's request, the Company shall provide to Parent the facts and circumstances giving rise to a Change Recommendation for such Intervening Event or, if applicable, the material terms and conditions of the Superior Proposal (including a copy of the Alternative Acquisition Agreement and any other transaction documents to the extent such documents contain any financial terms, conditions or other material terms relating to any Acquisition Proposal, and a summary of the terms of any financing commitments related thereto comparable to what is disclosed in the Proxy Statement or in any report filed with or furnished to the SEC with respect to the Financing); (C) to the extent that Parent desires to negotiate, the Company shall, and shall cause its Representatives to, negotiate in good faith during such three (3) Business Day period to make such adjustments to the terms and conditions of this Agreement, the Financing Commitments and/or the Limited Guaranty as would permit the Board of Directors of the Company not to effect a Change of Recommendation for such Intervening Event or, if applicable, so that the such Superior Proposal ceases to constitute a Superior Proposal; (D) following such three (3) Business Day period, the Board of Directors of the Company shall have determined in good faith, after consultation with the Company's outside legal counsel and independent financial advisor, and taking into account any changes to this Agreement, the Financing Commitments and/or the Limited Guaranty proposed in writing by Parent in response to such notice or otherwise, that (1) a failure to effect a Change in Recommendation for such Intervening Event would continue to be inconsistent with its fiduciary duties under applicable Law, or (2) such Superior Proposal would continue to constitute a Superior Proposal; (E) in the event of any material change in the facts or circumstances giving rise to such Change of Recommendation for such Intervening Event, or to the terms of such Superior Proposal, the Company shall, in each case, provide Parent with an additional notice as described above, except that the references to a three (3) Business Day period above shall be references to a two (2) Business Day period; and (F) in the event the Company is entering into an Alternative Acquisition Agreement, the Company shall terminate this Agreement pursuant to Section 6.3(a) and immediately prior to or substantially concurrently with such termination, pay to Parent or its designees in immediately available funds any payments required to be paid by it pursuant to Section 6.5.

(f) Notice. The Company shall within two (2) Business Days following the expiration of the Go-Shop Period: (i) deliver to Parent a written notice setting forth: (A) the identity of each Excluded Party and (B) the material terms and conditions of the pending Acquisition Proposal made by such Excluded Party; and (ii) deliver to Parent copies of all draft agreements (and any other transaction documents to the extent such documents contain any financial terms, conditions or other material terms relating to any Acquisition Proposal (and a summary of the terms of any financing commitments related thereto comparable to what is disclosed in the Proxy Statement or in any report filed with or furnished to the SEC with respect to the Financing)) sent by such Excluded Party to the Company, any Subsidiary or any Representative of the Company in connection with the pending Acquisition Proposal made by such Excluded Party. From and after the expiration of the Go-Shop Period, the Company agrees that it will promptly notify Parent if (i) any inquiries, offers or proposals with respect to an Acquisition Proposal, or inquiries, offers or proposals that could reasonably be expected to lead to an Acquisition Proposal, are received by the Company or such of its Representatives, indicating, in connection with such notice, the identity of the Person making such inquiries, offers or proposals and the material terms and conditions of such Acquisition Proposal (including, if applicable, by providing Parent with a copy of such Acquisition Proposal and any proposed agreements with respect thereto (and a summary of the terms of any financing commitments related thereto comparable to what is disclosed in the Proxy Statement or in any report filed with or furnished to the SEC with respect to the Financing)), (ii) any non-public information is requested from the Company or any of its Representatives by any Person or Persons that have made any inquiries, offers or proposals with respect to an Acquisition Proposal, or inquiries, offers or proposals that could reasonably be expected to lead to an Acquisition Proposal, (iii) the Company or its Representatives engage, enter into or participate in any discussions or negotiations with any Person or Persons that have made any inquiries, offers or proposals with respect to an Acquisition Proposal, or inquiries, offers or proposals that could reasonably be expected to lead to an Acquisition Proposal, other than to clarify the terms and conditions thereof, (iv) an amendment to a previously disclosed Acquisition Proposal is received by the Company or any of its Representatives, indicating, in connection with such notice, the identity of the Person making such Acquisition Proposal and the material terms and conditions of such amendment (including, if applicable, by providing Parent with copies of such amendment and any revised agreements with respect thereto (and a summary of the terms of any financing commitments related thereto comparable to what is disclosed in the Proxy Statement or in any report filed with or furnished to the SEC with respect to the Financing)). Without limiting the generality of the foregoing, the Company shall provide to Parent, as soon as practicable and in any event within one (1) day after receipt or delivery thereof, copies of all draft agreements (and any other transaction documents to the extent such transaction documents contain any financial terms, conditions or other material terms relating to any Acquisition Proposal, or inquiries, offers or proposals that could reasonably be expected to lead to an Acquisition Proposal, and a summary of the terms of any financing commitments related thereto comparable to what is disclosed in the Proxy Statement or in any report filed with or furnished to the SEC with respect to the Financing) sent by or provided to the Company, any Subsidiary or any Representative in connection with any Acquisition Proposal, or inquiries, offers or proposals that could reasonably be expected to lead to an Acquisition Proposal.

4.3 Proxy Statement

(a) As promptly as reasonably practicable after the date hereof, but in no event later than January 31, 2014, the Company shall prepare and file with the SEC a proxy statement in preliminary form relating to the Stockholders Meeting (such proxy statement, including any amendments or supplements thereto, the Proxy Statement). Parent shall cooperate with the Company in connection with the preparation of the Proxy Statement, including furnishing to the Company any and all information regarding Parent and Merger Sub and their respective Affiliates as may be required to be disclosed or incorporated by reference therein under the Exchange Act or other applicable Law as promptly as reasonably practicable. The Company shall promptly notify Parent of

the receipt of all comments from the SEC or its staff with respect to the Proxy Statement and of any request by the SEC or its staff for any amendment or supplement thereto or for additional information, and shall promptly provide to Parent copies of all written correspondence between the Company and/or its Representatives and the SEC or its staff with respect to the Proxy Statement or the Merger. The Company and Parent (to the extent applicable) shall each use its commercially reasonable best efforts to promptly provide responses to the SEC or its staff with respect to all comments received on the Proxy Statement from the SEC or its staff. The Company shall cause the definitive Proxy Statement to be mailed to the holders of Common Shares promptly after the date the staff of the SEC advises the Company that it has no further comments thereon or that the Company may commence mailing the Proxy Statement to the holders of Common Shares. Notwithstanding anything to the contrary contained in this Agreement, prior to filing the Proxy Statement, or any amendment or supplement thereto, with the SEC, mailing the Proxy Statement, or any amendment or supplement thereto, to the holders of Common Shares or responding to any comments or requests from the SEC or its staff with respect to the Proxy Statement or the Merger, the Company shall provide Parent and its counsel with a reasonable opportunity to review and comment on such Proxy Statement, amendment, supplement or response and shall consider in good faith any comments reasonably proposed by Parent and/or its counsel and, to the extent permissible, shall provide Parent and its counsel a reasonable opportunity to participate in any material discussions or meetings with the staff of the SEC with respect to the Proxy Statement.

(b) If, at any time prior to the time the Company Requisite Vote is obtained, any information is discovered by the Company, Parent or Merger Sub which it reasonably believes should be set forth in an amendment or supplement to the Proxy Statement so that the Proxy Statement does not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements made therein, in the light of the circumstances under which they were made, not misleading, the party that discovers such information shall provide prompt notice thereof to the other parties hereto and, if the Board of Directors of the Company determines in good faith (after consultation with its outside legal counsel) that an amendment or supplement to the Proxy Statement describing such information is required under applicable Law, such an amendment or supplement shall be filed with the SEC and, to the extent required by applicable Law, disseminated to the stockholders of the Company.

4.4 Stockholders Meeting. Unless this Agreement has been terminated in accordance with its terms, the Company will take, in accordance with applicable Law, its certificate of incorporation and bylaws and the rules and regulations of the SEC and NASDAQ, all action necessary to convene and hold a meeting of the holders of Common Shares (the Stockholders Meeting), which Stockholders Meeting shall be held as promptly as reasonably practicable after the date the Proxy Statement is mailed to the holders of Common Shares (the initial meeting date to be set no more than thirty (30) days after such mailing, or such later date as the parties mutually agree on), to consider and vote upon the adoption of this Agreement; provided, however, for the avoidance of doubt, the Company may postpone or adjourn the Stockholders Meeting: (i) with the consent of Parent in its sole discretion; (ii) for the absence of a quorum; (iii) to the extent necessary to ensure that any supplement or amendment to the Proxy Statement required under applicable Law is provided to the holders of Common Shares within a reasonable period of time in advance of the Stockholders Meeting; (iv) to allow reasonable additional time to solicit additional proxies; (v) to the extent required by Law or any court of competent jurisdiction; (vi) if the Company has provided a written notice to Parent pursuant to Section 4.2(d)(iii) that it intends to make a Change of Recommendation or enter into an Alternative Acquisition Proposal in connection with a Superior Proposal and the notice period contemplated by Section 4.2(d)(iii) has not yet expired. Subject to a Change of Recommendation pursuant to Section 4.2, the Board of Directors of the Company shall unanimously recommend the adoption of this Agreement by the holders of Common Shares, shall include such unanimous recommendation in the Proxy Statement and shall take all reasonable lawful action to solicit such adoption of this Agreement by the holders of Common Shares.

4.5 Filings; Other Actions; Notification.

commercially reasonable best efforts to take or cause to be taken all actions, and do or cause to be done all things, reasonably necessary, proper or advisable on its part under this Agreement and applicable Laws to consummate and make effective the Merger and the other transactions contemplated by this Agreement as soon as reasonably practicable, including preparing and filing as promptly as reasonably practicable all documentation to effect all necessary notices, reports and other filings and to obtain as promptly as reasonably practicable the expiration or termination of any applicable waiting period, and to obtain all necessary actions, non-actions, waivers, consents, registrations, approvals, permits and authorizations that may be required, necessary or advisable to be obtained from any third party and/or any Governmental Entity, in order to consummate the Merger or any of the other transactions contemplated by this Agreement, including under the HSR Act and any other applicable Antitrust Law. In furtherance of and not in limitation of the foregoing, Parent and the Company each shall file the initial pre-merger notifications with respect to this Agreement and the transactions contemplated herein required under the HSR Act no later than ten (10) Business Days after the date of this Agreement. Parent and the Company shall also make, as soon as reasonably practicable, all notifications, reports, applications or other filings, and take all other actions, that may be reasonably necessary, proper or advisable, under any other applicable Antitrust Law. The Company and Parent will each request early termination of the waiting period with respect to the Merger under the HSR Act and any other applicable Antitrust Law. Subject to applicable Laws relating to the exchange of information, Parent and the Company shall have the right to review in advance, and to the extent practicable each will consult with the other on and consider in good faith the views of the other in connection with, all of the information relating to Parent or the Company, as the case may be, and any of their respective Affiliates, that appears in any filing made with, or written materials submitted to, any third party and/or any Governmental Entity in connection with the Merger and the other transactions contemplated by this Agreement. Notwithstanding anything else contained in this Agreement, any party may, as it deems advisable or necessary, (i) not provide any competitively sensitive material to any other party or (ii) designate any competitively sensitive material provided to the other parties under this Section 4.5 as outside counsel only (provided that, in the case of Parent, counsel is deemed to be counsel to the Guarantors and the Equity Provider and their respective Affiliates). Such materials and the information contained therein shall be given only to the outside legal counsel of the recipient and will not be disclosed by such outside counsel to employees, officers, or directors of the recipient, unless express written permission is obtained in advance from the source of the materials. In exercising the foregoing rights, each of the Company and Parent shall act reasonably and as promptly as reasonably practicable. Nothing in this Agreement shall require the Company or any of its Subsidiaries to take or agree to take any action with respect to its business or operations unless the effectiveness of such agreement or action is conditioned upon the Closing.

(b) Information. Subject to applicable Law, the Company and Parent each shall, upon request by the other, furnish the other with all information concerning itself, its Affiliates, directors, officers and stockholders and such other matters as may be reasonably necessary or advisable in connection with any statement, filing, notice or application made by or on behalf of Parent, the Company or any of their respective Affiliates to any third party and/or any Governmental Entity in connection with the Merger and the transactions contemplated by this Agreement, including under the HSR Act and any other applicable Antitrust Law.

(c) Status. Subject to applicable Law and the instructions of any Governmental Entity, the Company and Parent each shall keep the other apprised of the status of matters relating to completion of the transactions contemplated hereby, including promptly furnishing the other with copies of notices or other communications received by Parent or the Company, as the case may be, or any of its Affiliates, from any third party and/or any Governmental Entity with respect to the Merger or any of the other transactions contemplated by this Agreement. Neither the Company nor Parent shall permit any of its Affiliates, officers or any other Representatives to participate in any meeting with any Governmental Entity in respect of any filing, investigation or other inquiry with respect to the Merger or any of the other transactions contemplated hereby unless it consults with the other party in advance and, to the extent permitted by such Governmental Entity, gives the other party the opportunity to attend and participate thereat.

(d) Notwithstanding the foregoing provisions of this Section 4.5 or any other provision of this Agreement, the obligations of Parent and Merger Sub with respect to the Financing are solely set forth in Section 4.13.

4.6 Access. Commencing on the date hereof and ending at the Effective Time or such earlier date as this Agreement may be terminated in accordance with its terms, the Company shall (and shall cause its Subsidiaries to) at Parent's expense and with supervision by Representatives of the Company (a) upon reasonable prior written notice, afford Parent and its Representatives reasonable access, during normal business hours and in a manner that does not disrupt or interfere with business operations, to its and its Subsidiaries' properties, books, contracts and records, and (b) furnish promptly to Parent all information concerning the Company's and its Subsidiaries' business, properties and personnel as may reasonably be requested by Parent; provided, that the foregoing shall not require the Company to, nor shall the Company be required to cause its Subsidiaries to, permit any access, or disclose any information, that in the reasonable judgment of the Company would violate any applicable Law or any Contract with a customer or trade supplier of the Company. The parties will use their commercially reasonable best efforts to make appropriate substitute arrangements under circumstances in which the restrictions of the preceding sentence apply. All information obtained by Parent or any of its Representatives pursuant to this Section 4.6 shall be governed by the terms of the Confidentiality Agreement.

4.7 Stock Exchange De-listing. The Company agrees to use its commercially reasonable best efforts to continue the quotation of the Common Shares on NASDAQ prior to the Effective Time. Parent shall take such actions as are necessary to cause the Company's securities to be de-listed from NASDAQ and de-registered under the Exchange Act as soon as practicable following the Effective Time.

4.8 Public Announcements. Neither the Company, on the one hand, nor Parent or Merger Sub, on the other hand, shall issue any public release or make any public announcement or disclosure concerning this Agreement or the Merger without the prior written consent of the other party(ies) (which consent shall not be unreasonably withheld, delayed or conditioned), except as such release, announcement or disclosure may be required by applicable Law or the rules or regulations of any applicable securities exchange or Governmental Entity to which the relevant party is subject or submits, wherever situated, in which case the party required to make the release, announcement or disclosure shall use its reasonable best efforts to allow the other party(ies) reasonable time to comment on such release, announcement or disclosure in advance of such issuance (it being understood that the final form and content of any such release, announcement or disclosure, as well as the timing of any such release, announcement or disclosure, shall be at the final discretion of the disclosing party); provided, however, that the restrictions set forth in this Section 4.8 shall not apply to any release, announcement or disclosure made or proposed to be made by the Company pursuant to Section 4.2.

4.9 Employee Benefits.

(a) Parent agrees that, for a period of not less than one (1) year following the Effective Time, it shall use its commercially reasonable best efforts, or it shall cause the Surviving Corporation or any of its Subsidiaries to use its commercially reasonable best efforts, to provide all individuals who are employees of the Company or any of its Subsidiaries as of the Effective Time (the Affected Employees), while employed by Parent, the Surviving Corporation or any of their respective Subsidiaries, with base salaries, bonus opportunities and employee benefits (other than equity, equity-based or change in control compensation) that are substantially comparable in the aggregate to those provided to such Affected Employees immediately prior to the Effective Time.

(b) Parent shall use its commercially reasonable best efforts to cause each Affected Employee to receive full credit for service accrued or deemed accrued immediately prior to the Effective Time with the Company or any of its Subsidiaries for purposes of eligibility to participate and vesting and, in the case of vacation, or severance pay only benefit accrual under, any employee benefit plan, program or arrangement established or maintained by Parent, the Surviving Corporation or any of their respective Subsidiaries under

which any such Affected Employee becomes eligible to participate from or after the Effective Time to the same extent recognized by the Company or any of its Subsidiaries under an analogous Benefit Plan immediately prior to the Effective Time (except to the extent that such service credit would result in a duplication of benefits).

(c) With respect to the welfare benefit plans, programs and arrangements maintained, sponsored or contributed to by Parent, the Surviving Corporation or any of their respective Subsidiaries (the Parent Welfare Benefit Plans) in which an Affected Employee becomes eligible to participate from or after the Effective Time, Parent shall use commercially reasonable best efforts to (i) cause to be waived all limitations as to pre-existing conditions and at-work conditions, if any, with respect to participation and coverage requirements applicable to each such Affected Employee and his or her eligible dependents under any Parent Welfare Benefit Plan to the same extent waived under an analogous Benefit Plan, (ii) cause any eligible expenses incurred by any Affected Employee and his or her eligible dependents under a Benefit Plan during the plan year in which such individuals move to an analogous Parent Welfare Benefit Plan to be taken into account under such Parent Welfare Benefit Plan for purposes of satisfying all deductible, co-insurance and maximum out-of-pocket requirements applicable to such Affected Employee and his or her eligible dependents as if such amounts had been paid in accordance with such Parent Welfare Benefit Plan and (iii) waive any waiting period limitation or evidence of insurability requirement that would otherwise be applicable to an Affected Employee and his or her eligible dependents from or after the Effective Time during the plan year in which such individuals move to an analogous Parent Welfare Benefit Plan.

(d) Nothing contained in this Agreement will create any third party beneficiary rights in any Person not a party hereto, including any Employee or beneficiary or dependent thereof. Nothing contained in this Agreement, express or implied, (i) shall be construed to establish, amend or modify any Benefit Plan or other benefit plan, program or other arrangement, (ii) require Parent, the Surviving Corporation or any of their respective Subsidiaries to continue any Benefit Plan or other benefit plan, program or other arrangement, or prevent the amendment, modification or termination thereof following the Effective Time, (iii) guarantee employment for any period of time or preclude the ability of Parent, the Surviving Corporation or any of their respective Subsidiaries or Affiliates to terminate any employee for any reason or (iv) obligate Parent or the Surviving Corporation to provide any equity or equity-based awards or compensation (including stock options, phantom stock or restricted stock).

4.10 Expenses. Except as otherwise provided in Section 4.13(e), Section 6.5(b) or Section 6.5(d), whether or not the Merger is consummated, all costs and expenses incurred in connection with this Agreement, the Merger, the other transactions contemplated hereby or the financing thereof shall be paid by the party incurring such costs or expenses.

4.11 Indemnification; Directors and Officers Insurance.

(a) For a period of six (6) years after the Effective Time, the certificate of incorporation and bylaws of the Surviving Corporation and the governing documents of each of its Subsidiaries shall contain, and Parent shall cause the certificate of incorporation and bylaws of the Surviving Corporation and the governing documents of each of its Subsidiaries to contain, provisions no less favorable with respect to indemnification, advancement of expenses and exculpation of directors and officers than are set forth in the certificate of incorporation or bylaws of the Company or the governing documents of its applicable Subsidiary as in effect on the date hereof. For a period of six (6) years after the Effective Time, the Surviving Corporation shall, and Parent shall cause the Surviving Corporation to, indemnify and hold harmless, to the fullest extent permitted under applicable Law (and shall also advance expenses as incurred to the fullest extent permitted under applicable Law upon receipt of an undertaking by or on behalf of an Indemnified Party to repay such amount if it shall ultimately be determined that such Indemnified Party is not entitled to be indemnified), each person who is now, has been at any time prior to the date hereof or who becomes prior to the Effective Time a director or officer of the Company or any of its Subsidiaries (collectively, the Indemnified Parties) against any fees, costs or expenses (including reasonable attorneys' fees and disbursements), judgments, fines, losses, claims, damages, liabilities or amounts paid in

settlement incurred in connection with any claim, action, suit, proceeding or investigation, whether civil, criminal, administrative or investigative, arising out of or related to such Indemnified Party's service as a director, officer, employee or agent of the Company or any of its Subsidiaries or services performed by such Indemnified Party at the request of the Company or any of its Subsidiaries, whether asserted or claimed prior to, at or after the Effective Time; provided, however, that if, at any time prior to the six (6) year anniversary of the Effective Time, any Indemnified Party delivers to the Surviving Corporation a written notice asserting a claim for indemnification under this Section 4.11, then the foregoing obligations of the Surviving Corporation, and of Parent to cause the Surviving Corporation, to indemnify, hold harmless and advance expenses to Indemnified Parties in respect of the claim asserted in such notice shall survive the six (6) year anniversary of the Effective Time until such time as such claim is fully and finally resolved.

(b) The Company shall use commercially reasonable best efforts prior to the Effective Time to purchase a six (6) year non-cancellable prepaid tail policy, with terms, conditions, retentions and limits of liability that are at least as favorable to the beneficiaries thereof as provided in the Company's existing directors' and officers' insurance policies and the Company's existing fiduciary liability insurance policies (collectively, the Current D&O Insurance Policies) as of the date hereof, with respect to matters existing or occurring at or prior to the Effective Time, covering, without limitation, the transactions contemplated hereby from an insurance carrier with the same or better credit rating as the Company's current insurance carrier with respect to the Current D&O Insurance Policies; provided, that (i) such tail policy shall not require the payment of an aggregate annual premium in excess of three hundred percent (300%) of the aggregate annual premium most recently paid by the Company prior to the date hereof to maintain the Current D&O Insurance Policies (and if the aggregate annual premium of such tail policy exceeds such amount, the Company shall use commercially reasonable best efforts prior to the Effective Time to purchase a prepaid tail policy with the greatest coverage available for a cost not exceeding such amount) and (ii) the Company shall not purchase such tail policy without the prior written consent of Parent (which consent shall not be unreasonably withheld, conditioned or delayed). If the Company shall for any reason fail to obtain such tail policy prior to the Effective Time, the Surviving Corporation shall, and Parent shall cause the Surviving Corporation to, maintain in effect for at least six (6) years from the Effective Time, at no expense to the beneficiaries thereof, the Current D&O Insurance Policies, with terms, conditions, retentions and limits of liability that are at least as favorable to the beneficiaries thereof as provided in the Current D&O Insurance Policies as of the date hereof, with respect to matters existing or occurring at or prior to the Effective Time (including the transactions contemplated by this Agreement); provided, however, that neither Parent nor the Surviving Corporation shall be required to pay an aggregate annual premium for such Current D&O Insurance Policies in excess of three hundred percent (300%) of the aggregate annual premium most recently paid by the Company prior to the date hereof to maintain the Current D&O Insurance Policies (and if the aggregate annual premium of such Current D&O Insurance Policies exceeds such amount, the Surviving Corporation shall, and Parent shall cause the Surviving Corporation to, obtain directors' and officers' insurance policies and fiduciary liability insurance policies with the greatest coverage available for a cost not exceeding such amount).

(c) The provisions of this Section 4.11 are intended to be for the benefit of, and shall be enforceable by, each of the Indemnified Parties, each of the other persons who are beneficiaries under the Current D&O Insurance Policies and their respective heirs and legal representatives, who are third party beneficiaries of this Section 4.11, with full rights of enforcement against Parent and the Surviving Corporation as if a party hereto.

(d) The provisions of this Section 4.11 are intended to be in addition to the rights available to current or former directors, officers or employees, as the case may be, of the Company or any of its Subsidiaries under the certificate of incorporation or bylaws of the Company or the governing documents of any of its Subsidiaries, or under any applicable agreements, contracts, arrangements, understandings or Laws. Parent and Merger Sub agree that all rights to indemnification, exculpation and advancement of expenses for acts or omissions occurring at or prior to the Effective Time, whether asserted or claimed prior to, at or after the Effective Time, now existing in favor of the current or former directors, officers or employees, as the case may be, of the Company or any of its Subsidiaries, as provided in the certificate of incorporation or bylaws of the Company or the governing

Table of Contents

documents of any of its Subsidiaries or in any agreement, contract, arrangement or understanding, shall survive the Merger, shall not be amended, repealed or otherwise modified in any manner by the Merger and shall continue in full force and effect following the Merger.

(e) Nothing in this Agreement is intended to, shall be construed to or shall release, waive or impair any rights to directors and officers or fiduciary liability insurance claims under any policy that is or has been in existence with respect to the Company or any of its Subsidiaries for any of their respective current or former directors, officers or employees, it being understood and agreed that the indemnification provided for in this Section 4.11 is not prior to or in substitution for any such claims under such policies.

4.12 Anti-Takeover Laws. In the event that any state anti-takeover or other similar Law is or becomes applicable to any of the transactions contemplated by this Agreement, the Company, Parent and Merger Sub shall use their reasonable best efforts to ensure that the transactions contemplated by this Agreement may be consummated as promptly as reasonably practicable on the terms and subject to the conditions set forth in this Agreement and otherwise to eliminate or minimize the effects of such Law on this Agreement and the transactions contemplated hereby.

4.13 Financing.

(a) Parent and Merger Sub each shall use its commercially reasonable best efforts to obtain the Equity Financing on the terms and conditions set forth in the Equity Financing Commitment. Neither Parent nor Merger Sub shall amend, alter or waive, or agree to amend, alter or waive, any term of the Equity Financing Commitment, without the prior written consent of the Company. Parent and Merger Sub shall use their commercially reasonable best efforts to maintain in effect the Equity Financing Commitment until the earlier of the termination of this Agreement and the consummation of the transactions contemplated by this Agreement and to enforce their rights under the Equity Financing Commitment. Each of Parent and Merger Sub agrees to notify the Company promptly, and in any event within one (1) Business Day, if at any time prior to the Closing Date (i) the Equity Financing Commitment expires or is terminated for any reason (or if any Person attempts or purports to terminate the Equity Financing Commitment, whether or not such attempted or purported termination is valid), or (ii) the investor party to the Equity Financing Commitment refuses to provide the full Equity Financing on the terms set forth in the Equity Financing Commitment. Except as set forth in Section 4.13(b), in no event shall Parent and Merger Sub be required to seek or obtain equity financing other than the Equity Financing and in no event shall the Guarantors be required to provide equity financing in an amount in excess of the amount set forth in the Equity Financing Commitment.

(b) Parent shall use its commercially reasonable best efforts to obtain the Debt Financing on the terms and conditions (including flex provisions) set forth in the Debt Financing Commitment. Parent shall not permit any amendment or modification to be made to, or any waiver of any provision or remedy under, the Debt Financing Commitment, without the prior written consent of the Company, if such amendment, modification or waiver would (i) reduce the aggregate amount of the Debt Financing (including by changing the amount of fees to be paid or original issue discount of the Debt Financing), unless the Equity Financing is increased by a corresponding amount on terms no less favorable in any material respect (including as to conditionality), or (ii) impose new or additional conditions, or otherwise amend, modify or expand any conditions, to the receipt of the Debt Financing in a manner that could reasonably be expected to prevent, delay or impede the Closing or the funding of the Debt Financing. Notwithstanding the foregoing, Parent and Merger Sub may, to the extent expressly permitted under the Debt Financing Commitments, (A) amend or modify the Debt Financing Commitment to add lenders, lead arrangers, bookrunners, syndication agents or similar entities that have not executed the Debt Financing Commitment as of the date hereof, if the addition of such additional parties, individually or in the aggregate, would not prevent, materially delay or materially impede the availability of the Debt Financing or the consummation of the transactions contemplated by this Agreement, and (B) enter into additional financing commitment letters with respect to the debt financing of the transactions contemplated by this Agreement; provided, that such commitment letters (x) do not contain any new or additional conditions other

than those set forth in the Debt Financing Commitment or terms that could reasonably be expected to prevent, delay or impede the Closing or the funding of the Debt Financing and (y) if such commitments are reduced, the Equity Financing Commitment is increased by an amount corresponding to such reduction.

(c) Parent shall use its commercially reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things reasonably necessary, proper or advisable to arrange and obtain the Debt Financing on the terms and conditions described in the Debt Financing Commitments, including using commercially reasonable best efforts to (i) maintain in effect the Debt Financing Commitments pursuant to their terms, (ii) satisfy, perform and observe on a timely basis all conditions and, in all material respects, all covenants applicable to Parent or Merger Sub in the Debt Financing Commitments and otherwise comply in all material respects with its obligations thereunder, (iii) negotiate in good faith and enter into definitive agreements with respect to the Debt Financing on the terms and conditions (including any flex provisions) contemplated by the Debt Financing Commitments, (iv) upon satisfaction of the conditions contained in the Financing Commitments, consummate the Financing at or prior to Closing, and (v) refrain from using any proceeds of the Debt Financing as a dividend to Parent's stockholders, if necessary. Without limiting the generality of the foregoing, Parent shall give the Company prompt notice (which in no event shall be more than two (2) Business Days from their knowledge thereof): (A) of any material breach or default (or any event or circumstance that, with or without notice, lapse of time or both, could reasonably be expected to give rise to any material breach or default) by any party to any Financing Commitment or definitive document related to the Financing; and (B) of the receipt of any written notice or other written communication from any member of the Financing Group with respect to any material breach or default, termination or repudiation by any party to any Financing Commitment or any definitive document related to the Financing or any provisions of the Financing Commitment or any definitive document related to the Financing. Notwithstanding anything to the contrary contained in this Agreement, nothing contained in this Agreement shall require, and in no event shall the commercially reasonable best efforts of Parent or Merger Sub be deemed or construed to require, either Parent, Merger Sub or any of their Affiliates to (i) pay any fees or other amounts related to the Debt Financing in excess of those contemplated by the Debt Financing Commitments (and related fee letters) or (ii) threaten, commence or pursue litigation, arbitration or other adversarial proceedings against any Debt Financing Source or Affiliate of any of same. Notwithstanding anything to the contrary contained in this Agreement, the Company acknowledges and agrees that it derives no contractual rights, whether as a third party beneficiary or otherwise, under the Debt Financing Commitments or any debt financing document related to the Debt Financing and shall not be entitled to enforce any such Debt Financing Commitments or documents against any agent, arranger, bookrunner, lender, letter of credit issuer or other financing party that is a party to any such Debt Financing Commitments or document (including PNC Bank, National Association, GSO Capital Partners LP and their respective Affiliates) (collectively, the Financing Group).

(d) In the event any portion of the Debt Financing becomes unavailable on the terms and conditions contemplated (including flex provisions) in the Debt Financing Commitment, Parent shall use its commercially reasonable best efforts to promptly arrange and obtain any such portion from alternative sources (the Alternative Financing) on terms not materially less favorable to Parent than those in the Financing Commitments (taking into account flex provisions) (as determined in the sole discretion of Parent). Parent shall promptly provide a true, correct and complete copy of each Alternative Financing commitment (together with a copy of any related fee letter with only the fee amount redacted) to the Company.

(e) Prior to the Closing, at Parent's sole expense, the Company shall use commercially reasonable best efforts to provide Parent and Merger Sub with such cooperation in connection with the financing of the Merger (including the Debt Financing contemplated by the Debt Financing Commitments) as may be reasonably requested by Parent; provided, that (i) no liability or obligation (including any liability or obligation to pay any commitment or other similar fee) of the Company or any of its Subsidiaries under any certificate, document or instrument shall be effective until the Effective Time and none of the Company or any of its Subsidiaries shall be required to take any action that is not contingent upon the Closing (including the entry into of any agreement that is effective before the Effective Time) or that would be effective prior to the Effective Time, (ii) nothing herein

shall require such cooperation to the extent it would interfere unreasonably with the business or operations of the Company or any of its Subsidiaries, (iii) none of the Company or any of its Subsidiaries shall be required to issue any offering or information document and (iv) none of the Company or any of its Subsidiaries shall be required to take any action pursuant to this Section 4.13(e) that would subject it to actual or potential liability for which it would not be indemnified hereunder or to bear any cost or expense or to pay any commitment or other similar fee or make any other payment or provide or agree to provide any indemnity in connection with the Financing or any of the foregoing prior to the Effective Time. Subject in all cases to the proviso in the immediately preceding sentence, such cooperation shall include the following:

(A) participating in a reasonable number of meetings (including customary one-on-one meetings with the parties acting as lead arrangers or agents for, and prospective lenders and purchasers of, the Debt Financing and senior management and Representatives, with appropriate seniority and expertise, of the Company and its Subsidiaries), presentations, road shows, due diligence sessions, and drafting sessions;

(B) assisting Parent and Merger Sub with the preparation of customary offering memoranda, bank information memoranda, and similar documents relating to the Debt Financing;

(C) delivery to Parent, Merger Sub and their Financing Sources of all information with respect to the business, operations, financial condition, projections and prospects of the Company and its Subsidiaries as may be reasonably requested by Parent (including in connection with Parent's preparation of pro forma financial statements);

(D) participation by senior management of the Company in the negotiation of, and the execution and delivery of, the definitive agreements contemplated by the Debt Financing Commitments;

(E) providing and executing documents as may be reasonably requested by Parent, including a certificate of the Chief Financial Officer of the Company with respect to solvency matters;

(F) executing and delivering customary pledge and security documents, affidavits of title, estoppels and ground lease estoppels and consents, and otherwise facilitating the pledge of collateral;

(G) cooperating with marketing efforts of Parent, Merger Sub and their Financing Sources for all or any portion of the Debt Financing;

(H) using commercially reasonable efforts to obtain accountant's comfort letters and legal opinions from the Company's current outside legal counsel (it being understood that the main enforceability legal opinion relating to the Debt Financing will be rendered by counsel to Parent) reasonably requested by Parent; and

(I) using commercially reasonable best efforts to arrange for customary payoff letters, Lien terminations and instruments of discharge in connection with the repayment of outstanding Indebtedness of the Company and its Subsidiaries, as contemplated by the Financing Commitments. All non-public or otherwise confidential information regarding the Company or any of its Subsidiaries obtained by Parent, Merger Sub or any of their respective Representatives pursuant to this Section 4.13(e) shall be kept confidential in accordance with the Confidentiality Agreement; provided, that the Company agrees that Parent and Merger Sub may share non-public or otherwise confidential information with the Financing Sources in connection with the marketing of the Debt Financing, and each such Financing Source shall be deemed a Representative (as defined in the Confidentiality Agreement) thereunder and the Affiliate of Parent that is a counterparty to the Confidentiality Agreement shall be responsible for any breach of the Confidentiality Agreement by such Financing Source or its officers, directors, employees or other representatives with whom the confidential information is shared. Parent shall, promptly upon request by the Company, reimburse the Company for all reasonable out-of-pocket costs (including reasonable attorneys' fees) incurred by the Company or any of its Subsidiaries in connection with the cooperation contemplated by this Section 4.13(e). Parent and Merger Sub shall, on a joint and several basis, indemnify and hold harmless the Company, its Subsidiaries and their respective Representatives from and against any and all liabilities, losses, damages, claims, costs, expenses, interest, awards, judgments and penalties suffered or incurred by any of them in connection with the arrangement of the Financing (including any action taken in accordance with this Section 4.13(e)) and any information utilized in connection therewith (other than historical information relating to the Company or any of its Subsidiaries approved by the Company in writing specifically for use in the Debt Financing offering documents). The Company hereby consents to the use of its and its Subsidiaries' logos in connection with the Debt Financing; provided, that such logos shall be used solely in a manner that is not intended or reasonably likely to harm or disparage the Company or any of its Subsidiaries or the reputation or goodwill of the Company or any of its Subsidiaries or any of their respective Intellectual Property rights or imply that the Company or any of its Subsidiaries have prepared, endorsed or approved any such materials. Notwithstanding anything to the contrary, the condition set forth in Section 5.2(b), as it applies to the Company's obligations under this Section 4.13(e), shall be deemed satisfied unless the Financing (or any alternative financing) has not been obtained primarily as a

result of the Company's or its Subsidiaries' knowing and material breach of their obligations under this Section 4.13(e).

(f) Each of Parent and Merger Sub acknowledges and agrees that the obtaining of the Financing, or any alternative financing, is not a condition to Closing. In addition, each of Parent and Merger Sub acknowledges and agrees that any dividend payments by the Parent or any of its Affiliates as described in the Debt Financing Commitments are not a condition to Closing.

(g) For purposes of this Section 4.13, unless the context otherwise requires, references to Financing shall include the financing contemplated by the Financing Commitments as permitted to be replaced, amended and/or modified by this Section 4.13, references to Equity Financing shall include the equity financing contemplated by the Equity Financing Commitment as permitted to be amended and/or modified by this Section 4.13, references to Debt Financing shall include the debt financing contemplated by the Debt Financing Commitments as permitted to be replaced, amended and/or modified by this Section 4.13 and references to Equity Financing Commitment or Debt Financing Commitments shall include such documents as permitted to be replaced, amended and/or modified by this Section 4.13.

4.14 Litigation. In the event that any litigation related to this Agreement, the Merger or the other transactions contemplated by this Agreement is brought, or, to the Knowledge of the Company, threatened in writing, against the Company and/or the members of the Board of Directors of the Company prior to the Effective Time, the Company shall promptly notify Parent of any such litigation and shall keep Parent reasonably informed with respect to the status thereof; provided, however, that the obligation of the Company to notify Parent of any demands for appraisal pursuant to Section 262 of the DGCL is solely set forth in Section 2.9(f). The Company shall give Parent the opportunity to consult with the Company regarding the defense or settlement of any such litigation, and, at Parent's sole discretion and expense, participate in the defense or settlement of any such litigation; provided, however, that the right of Parent to participate in the defense or settlement of any demands for appraisal pursuant to Section 262 of the DGCL is solely set forth in Section 2.9(f). The Company shall not settle, compromise, discharge or agree to settle, compromise or discharge any such litigation without Parent's prior written consent, which consent shall not be unreasonably withheld, delayed or conditioned.

4.15 Rule 16b-3. Prior to the Effective Time, the Company shall take such steps as may be reasonably necessary or advisable to cause dispositions of Company equity securities (including derivative securities) pursuant to the transactions contemplated by this Agreement by each individual who is a director or officer of the Company to be exempt under Rule 16b-3 promulgated under the Exchange Act to the extent permitted by applicable Law.

4.16 Notification of Certain Matters. At all times during the period commencing on the date hereof and ending at the Effective Time or such earlier date as this Agreement may be terminated in accordance with its terms, Parent shall give prompt notice to the Company, and the Company shall give prompt notice to Parent, (a) upon becoming aware that any representation or warranty made by it (or, in the case of Parent, Merger Sub) has become untrue or inaccurate in any material respect such that the condition set forth in Section 5.2(a) (with respect to representations and warranties made by the Company) or Section 5.3(a) (with respect to representations and warranties made by Parent or Merger Sub) would not be satisfied, in each case, at any time from and after the date of this Agreement until the Effective Time or such earlier date as this Agreement may be terminated in accordance with its terms or (b) of any failure by it (or, in the case of Parent, Merger Sub) to comply with or satisfy in any material respect any covenant, condition or agreement to be complied with or satisfied by it (or, in the case of Parent, Merger Sub) under this Agreement such that the condition set forth in Section 5.2(b) (with respect to covenant, condition or agreement of the Company) or Section 5.3(b) (with respect to covenant, condition or agreement of Parent or Merger Sub) would not be satisfied; provided, however, that the unintentional failure to give notice upon becoming aware that any representation or warranty has become untrue or inaccurate under this Section 4.16 shall not be deemed a covenant breach, but instead shall constitute only a breach of the underlying representation or warranty. Notwithstanding the above, the delivery of any notice

pursuant to this Section 4.16 will not affect or be deemed to modify any representation or warranty set forth in this Agreement or limit or otherwise affect the remedies available hereunder to the party receiving such notice or the conditions to such party's obligation to consummate the Merger. All information obtained by Parent pursuant to this Section 4.16 shall be governed by the terms of the Confidentiality Agreement.

4.17 Confidentiality. The Company, Parent and Merger Sub hereby acknowledge that Parent and the Company have previously executed a Confidentiality Agreement, dated as of October 20, 2013 (as the same may have been amended or supplemented, the Confidentiality Agreement), which will continue in full force and effect in accordance with its terms. For the avoidance of doubt in no event shall Parent be required to pay the Parent Fee on more than one occasion, whether or not the Parent Fee may be payable under multiple provisions of this Agreement at the same time or at different times or upon the occurrence of different events.

(d) The parties acknowledge that the agreements contained in this Section 6.5 are an integral part of the transactions contemplated by this Agreement, and that, without these agreements, the parties would not enter into this Agreement. Accordingly, if the Company fails to promptly pay any amounts due pursuant to Section 6.5(b) or Parent fails to promptly pay the amount due pursuant to Section 6.5(c), and, in order to obtain such payment, Parent or Merger Sub, on the one hand, or the Company, on the other hand, commences a suit that results in a judgment against the Company for any amounts set forth in Section 6.5(b) or any portion thereof or a judgment against Parent for the amount set forth in Section 6.5(c) or any portion thereof, the Company shall pay to Parent or Merger Sub, on the one hand, or Parent shall pay to the Company, on the other hand, (i) its reasonable costs and expenses (including reasonable attorneys' fees) in connection with such suit and (ii) interest on the amount payable pursuant to such judgment, at the prime rate as published in the *Wall Street Journal* in effect on the date such payment was originally required to be made pursuant to Section 6.5(b) or Section 6.5(c), as the case may be plus three percent (3%), with such interest being payable in respect of the period from the date that payment was originally required to be made pursuant to Section 6.5(b) or Section 6.5(c), as the case may be, through the date of payment.

(e) Subject to Parent's right to specific performance of this Agreement pursuant to Section 7.8, in the event Parent receives the Termination Fee and any applicable Expense Reimbursement (and reimbursement owed pursuant to Section 6.5(d)), Parent's receipt of such amounts shall be deemed to be liquidated damages and be the sole and exclusive remedies of Parent, Merger Sub and their respective Affiliates and Representatives against the Company and any of its Affiliates and Representatives for any loss suffered as a result of any breach of any covenant or agreement in this Agreement or the failure of the Merger to be consummated, and upon payment of any such amounts, none of the Company or any of its Affiliates or Representatives shall have any other liability or obligation for any or all losses or damages suffered or incurred by Parent, Merger Sub or any other Person in connection with this Agreement (and the termination hereof), the transactions contemplated hereby (and the abandonment thereof) or any matter forming the basis for the termination of this Agreement, and none of Parent, Merger Sub, any of their respective Affiliates or any other Person shall be entitled to bring or maintain any other claim, action or proceeding against the Company or any of its Affiliates or Representatives arising out of this Agreement (and termination thereof), any of the transactions contemplated hereby (and abandonment thereof), or any matters forming the basis for the termination of this Agreement.

(f) Subject to the Company's right to specific performance of this Agreement pursuant to Section 7.8, in the event that the Company receives the Parent Fee, the Company's receipt of such amount shall be deemed to be liquidated damages and the sole and exclusive remedy of the Company, its Subsidiaries, its stockholders and any of their Affiliates or Representatives against Parent, Merger Sub, any of their Affiliates and Representatives, the Equity Provider, the Guarantors and the lenders under the Debt Financing Commitments for any loss suffered as a result of any breach of any covenant or agreement in this Agreement or the failure of the Merger to be consummated, and upon payment of any such amounts none of Parent, Merger Sub, any of their Affiliates or Representatives, the Equity Provider, the Guarantors or the lenders under the Debt Financing Commitments shall have any other liability or obligation for any or all losses or damages suffered or incurred by the Company or any other Person in connection with this Agreement (and the termination hereof), the transactions contemplated

hereby (and the abandonment thereof) or any matter forming the basis for the termination of this Agreement, and none of the Company, its Subsidiaries, its stockholders and any of their Affiliates or Representatives or any other Person shall be entitled to bring or maintain any other claim, action or proceeding against Parent, Merger Sub or any of their Affiliates or Representatives, the Equity Provider, the Guarantors or the lenders under the Debt Financing Commitments arising out of this Agreement (and the termination thereof), the Debt Financing Commitments, the Equity Financing Commitment, the Limited Guaranty or any of the transactions contemplated hereby or thereby (and the abandonment thereof), or any matters forming the basis for the termination of this Agreement.

(g) The Company (on behalf of itself and any of its Affiliates, its stockholders, directors, officers, employees, managers, members or agents of any of the foregoing) hereby waives any rights or claims against any lender under the Debt Financing Commitments in connection with this Agreement, the Debt Financing Commitments, the Debt Financing or in respect of any other document or any of the transactions contemplated hereby or thereby or theory of law or equity (whether in tort, contract or otherwise) or in respect of any oral or written representations made or alleged to be made in connection herewith or therewith and the Company agrees not to directly or indirectly commence any action or proceeding against any lender under the Debt Financing Commitments in connection with this Agreement, the Debt Financing Commitments, the Debt Financing or in respect of any other document or any of the transactions contemplated hereby or thereby or theory of law or equity. Nothing in this Section 6.5(g) shall limit, impair or otherwise modify (i) the rights of any of the parties to the Debt Financing Commitments (including Parent, Merger Sub or their respective Affiliates party to the Debt Financing Commitments) enumerated in the Debt Financing Commitments in accordance with the express terms and conditions thereof, (ii) any liability or obligation of any of the Financing Sources, and/or any of the rights of Parent, Merger Sub or their respective Affiliates, under any of the definitive documentation with respect to the Debt Financing or (iii) the obligations of Parent and Merger Sub with respect to the Debt Financing.

6.6 Damages Limitation. Notwithstanding anything herein to the contrary, if Parent and Merger Sub fail to effect the Closing for any or no reason or otherwise breach this Agreement or fail to perform hereunder (in any case, whether willfully, intentionally, unintentionally or otherwise), then the Company, its, and each of its Affiliates and Representatives' sole and exclusive remedies (whether at law, in equity, in contract, in tort or otherwise) against Parent, Merger Sub and any of their Affiliates and Representatives for any breach, loss or damage shall be (i) to terminate this Agreement as provided in Section 6.3(b) and pursue any claims that the Company has for damages as a result of any such breach; provided that in no event shall Parent, Merger Sub or any of their Affiliates or Representatives be liable in the aggregate for any amounts in excess of the Parent Fee, (ii) to terminate this Agreement as provided in Section 6.3(b) or Section 6.3(d) and receive the Parent Fee, or (iii) pursue its remedies under Section 7.8; provided that, for the avoidance of doubt, the Company shall be permitted and entitled to seek the remedies set forth in clauses (i) or (ii) and (iii) simultaneously; provided, however, that under no circumstance shall the Company be permitted or entitled to receive both (1) a grant of specific performance to cause the Equity Financing to be funded and the Merger to be consummated that results in the Closing and (2) payment of the Parent Fee. Upon receipt by the Company of all the payments or fulfillment of the remedies referred to in clause (i), (ii) or (iii) above, as applicable, no Person shall have any rights or claims against Parent, Merger Sub or any of their Affiliates or Representatives under this Agreement, the Limited Guaranty, the Equity Commitment, the Debt Commitment or otherwise, whether at law or equity, in contract in tort or otherwise, and neither Parent, Merger Sub or any of their Affiliates or Representatives shall have any further liability or obligation relating to or arising out of this Agreement or any of the transactions contemplated hereby and the Company agrees to cause any action pending in connection with this Agreement or any of the transactions contemplated hereby (including any action related to the Limited Guaranty, the Debt Financing, the Equity Financing, the Debt Commitment, the Equity Commitment, or otherwise) by the Company or any of its Affiliates or Representatives against Parent, Merger Sub or any of their Affiliates or Representatives to be dismissed with prejudice promptly, and in any event within five (5) Business Days thereafter. For the avoidance of doubt, under no circumstances will the Company be entitled to amounts in excess of the amount of the Parent Fee.

MISCELLANEOUS AND GENERAL

7.1 **Survival**. None of the representations, warranties, covenants or agreements contained in this Agreement or in any instrument delivered pursuant to this Agreement shall survive the Effective Time; **provided, however**, that those covenants and agreements contained in this Agreement that by their terms apply, or are to be performed in whole or in part, following the Effective Time shall survive the Effective Time until fully performed.

7.2 **Amendment**. Except as otherwise expressly provided in this Agreement, this Agreement may be amended by the parties hereto at any time by execution of a written instrument by each of the Company, Parent and Merger Sub; **provided, however**, that in the event that this Agreement has been duly adopted by the holders of Common Shares, no amendment shall be made to this Agreement that requires the approval of the holders of Common Shares under applicable Law without such approval.

7.3 **Extension; Waiver**. At any time and from time to time prior to the Effective Time, any party hereto may, to the extent legally allowed, (a) extend the time for the performance of any of the obligations or other acts of another party hereto, (b) waive any inaccuracies in the representations and warranties made to such party contained herein or in any instrument delivered pursuant hereto or (c) waive compliance with any of the agreements or conditions for the benefit of such party contained herein. Any agreement on the part of a party hereto to any such extension or waiver shall be valid only if set forth in an instrument in writing signed on behalf of such party. Any delay in exercising any right, power or privilege under this Agreement shall not constitute a waiver of such right, nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

7.4 **Counterparts**. This Agreement may be executed in any number of counterparts, each such counterpart being deemed to be an original instrument, and all such counterparts shall together constitute one and the same agreement. For purposes of this Agreement, a facsimile or portable document format (pdf) signature will be considered an original signature.

7.5 **Governing Law**. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Delaware without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the Laws of any jurisdiction other than the State of Delaware.

7.6 **Consent to Jurisdiction**. Each of the parties hereto (i) irrevocably and unconditionally consents and submits itself to the exclusive personal jurisdiction of the Court of Chancery of the State of Delaware, County of New Castle, or, only if that court does not have subject matter jurisdiction, a federal court sitting in Wilmington, Delaware in any action or proceeding arising out of or relating to this Agreement or any of the transactions contemplated by this Agreement, (ii) agrees that all claims in respect of such action or proceeding shall be heard and determined only in any such court, (iii) agrees that it shall not attempt to deny or defeat such personal jurisdiction by motion or other request for leave from any such court, (iv) agrees not to bring any action or proceeding arising out of or relating to this Agreement or any of the transactions contemplated by this Agreement in any other court and (v) waives any objection that it may now or hereafter have to the venue of any action or proceeding arising out of or relating to this Agreement or any of the transactions contemplated by this Agreement in any such court or that such action or proceeding was brought in an inconvenient forum, and agrees not to plead or claim the same. Each party hereto irrevocably agrees that any party hereto may make service on another party hereto by sending or delivering a copy of the process to the party to be served at the address and in the manner provided for the giving of notices in **Section 7.9**; **provided**, that nothing in this **Section 7.6** shall affect the right of any Person to serve legal process in any other manner permitted by Law.

7.7 WAIVER OF JURY TRIAL. EACH PARTY HERETO ACKNOWLEDGES AND AGREES THAT ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OF

THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT (INCLUDING ANY ACTION OR PROCEEDING AGAINST AN EQUITY FINANCING PROVIDER) IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND, THEREFORE, EACH SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY SUCH ACTION OR PROCEEDING (WHETHER BASED ON TORT, CONTRACT OR OTHERWISE). EACH PARTY HERETO CERTIFIES AND ACKNOWLEDGES THAT: (A) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HERETO HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF SUCH ACTION OR PROCEEDING, SEEK TO ENFORCE THE FOREGOING WAIVER; (B) EACH PARTY HERETO UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER; (C) EACH PARTY HERETO MAKES THIS WAIVER VOLUNTARILY; AND (D) EACH PARTY HERETO HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 7.7.

7.8 Remedies: Specific Performance.

(a) Except as otherwise provided herein, any and all remedies herein expressly conferred upon a party hereto will be deemed cumulative with and not exclusive of any other remedy conferred hereby, or by law or equity upon such party, and the exercise by a party hereto of any one remedy will not preclude the exercise of any other remedy.

(b) The parties hereto agree that (i) irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached, (ii) money damages or other legal remedies would not be an adequate remedy for any such damage and (iii) the provisions in Section 6.5 and Section 6.6 shall not diminish or otherwise impair in any respect any party's right to specific performance as set forth in this Section 7.8 and (iv) the right of specific performance as set forth in this Section 7.8 is an integral part of the Merger and the other transactions contemplated hereby and without that right, none of the parties hereto would have entered into this Agreement. It is accordingly agreed that the parties hereto shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement, in each case without posting a bond or undertaking, this being in addition to any other remedy to which they are entitled at law or in equity. Without limitation of the foregoing and notwithstanding anything in this Agreement to the contrary, the parties hereby further acknowledge and agree that prior to the Closing, the Company shall be entitled to seek specific performance to enforce specifically the terms and provisions of, and to prevent or cure breaches of Section 4.13 by Parent or Merger Sub. Each of the parties hereto agrees that it will not oppose the granting of an injunction, specific performance or other equitable relief sought in accordance with this Section 7.8 on the basis that (i) the party seeking such remedy has an adequate remedy at law or (ii) an award of specific performance is not an appropriate remedy for any reason at law or equity.

(c) Notwithstanding Section 7.8(b), it is explicitly agreed that the Company shall be entitled to specific enforcement of Merger Sub's obligations to cause the Equity Financing to be funded to effect the Merger on the terms and subject to the conditions of this Agreement only in the event that (i) all conditions set forth in Section 5.1 and Section 5.2 have been satisfied (other than delivery of items to be delivered at the Closing and other than satisfaction of those conditions that by their nature are to be satisfied at the Closing) at the time when the Closing would have occurred but for the failure of the Equity Financing to be funded, (ii) the Debt Financing (or, if Alternative Financing is being used in accordance with Section 4.13, pursuant to the commitments with respect thereto) has been funded or will be funded at the Closing if the Equity Financing is funded at the Closing, (iii) Parent and Merger Sub fail to complete the Closing in accordance with Section 2.2 and (iv) the Company has irrevocably confirmed in writing that if specific performance is granted and the Equity Financing and Debt Financing are funded, then it would take such actions required of it under this Agreement to cause the Closing to occur. For the avoidance of doubt, in no event shall the Company be entitled to enforce or seek to enforce specifically the obligation to cause the Equity Financing to be funded or to complete the Merger if the Debt

Financing or any Alternative Financing pursuant to the commitments with respect thereto has not been funded (or will not be funded at the Closing if the Equity Financing is funded at the Closing). The Company shall be permitted and entitled to seek both a grant of specific performance and payment of the Parent Fee; provided that under no circumstance shall the Company be permitted or entitled to receive both (1) a grant of specific performance to cause the Equity Financing to be funded and the Merger to be consummated that results in the Closing and (2) payment of the Parent Fee.

(d) Parent and Merger Sub shall be permitted and entitled to seek both a grant of specific performance and payment of the Termination Fee or any applicable Expense Reimbursement; provided that under no circumstance shall Parent and Merger Sub be permitted or entitled to receive both (1) a grant of specific performance to cause the Merger to be consummated that results in the Closing and (2) payment of the Termination Fee and any applicable Expense Reimbursement.

7.9 Notices. Any notices and other communications hereunder shall be deemed to have been duly delivered and received (a) three (3) Business Days after being sent by registered or certified mail, return receipt requested, postage prepaid, (b) one (1) Business Day after being sent for next Business Day delivery, fees prepaid, via a reputable nationwide overnight courier service, (c) immediately upon delivery by hand or (d) immediately upon facsimile transmission (with a written or electronic confirmation of delivery) if sent during normal business hours of the recipient, or, if not sent during normal business hours of the recipient, then on the next Business Day, in each case to the intended recipient as set forth below:

This Agreement (including the Exhibits hereto), the Company Disclosure Letter, the Confidentiality Agreement, the Voting Agreement, the Financing Commitments and the Limited Guaranty constitute the entire agreement among the parties hereto with respect to the subject matter hereof, and supersede all other prior agreements, understandings, representations and warranties by or among the parties hereto, or any of them, whether written or oral, with respect to the subject matter hereof.

7.11 No Third Party Beneficiaries.

(a) Except as provided (i) in Section 4.11 (with respect to which the Indemnified Parties, each of the other persons who are beneficiaries under the Current D&O Insurance Policies and their respective heirs and legal representatives shall be third party beneficiaries, but only following the Effective Time), (ii) the third to last sentence of Section 4.13(e) (with respect to which the Representatives described in such sentence shall be third party beneficiaries), (iii) Section 6.5(e) (with respect to which the Affiliates and Representatives of the Company shall be third party beneficiaries), (iv) Section 6.5(f) (with respect to which the Affiliates and Representatives of Parent and Merger Sub, including the Financing Sources, shall be third party beneficiaries), and (v) Section 6.5(g) and Section 7.7 (with respect to which the Financing Sources shall be third party beneficiaries), this Agreement is not intended, and shall not be deemed, to confer any rights or remedies upon any Person other than the parties hereto and their respective successors and permitted assigns.

(b) The Company acknowledges and agrees that it has no right of recovery against Parent, Merger Sub or any of their Affiliates or Representatives, whether by or through attempted piercing of the corporate, limited liability company or partnership veil, by or through a claim by or on behalf of Parent or Merger Sub against any of their Affiliates or Representatives, by the enforcement of any assessment or by any legal or equitable proceeding, by virtue of any statute, regulation or applicable Law, or otherwise, except for its rights (i) against Parent and Merger Sub under, and solely in accordance with the terms of, this Agreement, (ii) against the Guarantors under, and solely in accordance with the terms of, the Limited Guaranty, (iii) against Insight Equity under, and solely in accordance with the terms of, the Equity Financing Commitment, (iv) against New Star under, and solely in accordance with the terms of, the Equity Financing Commitment, and (v) under, and solely in accordance with the terms of, the Confidentiality Agreement. The Company hereby covenants and agrees that it shall not institute, and shall cause its Affiliates not to institute, any proceeding or bring any other claim arising under, or in connection with, this Agreement, the Equity Financing Commitment or the transactions contemplated hereby or thereby, or in respect of any oral representations made or alleged to be made in connection herewith or therewith, against Parent, Merger Sub or any of their Affiliates or Representatives, except for (1) claims against Parent and/or Merger Sub under, and solely in accordance with the terms of, this Agreement, (2) claims against the Guarantors under, and solely in accordance with the terms of, the Limited Guaranty, (3) claims against Insight Equity under, and solely in accordance with the terms of, the Equity Financing Commitment, (4) claims against the New Star under, and solely in accordance with the terms of, the Equity Commitment, or (5) claims by the Company for breach of the Confidentiality Agreement.

(c) Each of Parent and Merger Sub acknowledges and agrees that it has no right of recovery against the Company, its Subsidiaries or any of their Affiliates or Representatives, whether by or through attempted piercing of the corporate, limited liability company or partnership veil, by or through a claim by or on behalf of the Company or its Subsidiaries against any of their Affiliates or Representatives, by the enforcement of any assessment or by any legal or equitable proceeding, by virtue of any statute, regulation or applicable Law, or otherwise, except for its rights (i) against the Company under, and solely in accordance with the terms of, this Agreement, (ii) against a counterparty to a Voting Agreement under the terms of such Voting Agreement and

(iii) under, and solely in accordance with the terms of, the Confidentiality Agreement. Each of Parent and Merger Sub hereby covenants and agrees that it shall not institute, and shall cause its Affiliates not to institute, any proceeding or bring any other claim arising under, or in connection with, this Agreement, or the transactions contemplated hereby or thereby, or in respect of any oral representations made or alleged to be made in connection herewith or therewith, against the Company or any of its Affiliates or Representatives, except for (1) claims against the Company under, and solely in accordance with the terms of, this Agreement, (2) against a counterparty to a Voting Agreement under, and solely in accordance with the terms of, such Voting Agreement, or (3) claims by the Parent or its Affiliate for breach of the Confidentiality Agreement.

7.12 Obligations of the Company and the Surviving Corporation. Whenever this Agreement requires a Subsidiary of the Company to take any action, such requirement shall be deemed to include an undertaking on the part of the Company to cause such Subsidiary to take such action and, after the Effective Time, on the part of the Surviving Corporation to cause such Subsidiary to take such action.

7.13 Severability. Any term or provision of this Agreement that is invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions hereof or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction. If the final judgment of a court of competent jurisdiction declares that any term or provision hereof is invalid or unenforceable, the parties hereto agree that the court making such determination shall have the power to limit the term or provision, to delete specific words or phrases or to replace any invalid or unenforceable term or provision with a term or provision that is valid and enforceable and that comes closest to expressing the intention of the invalid or unenforceable term or provision, and this Agreement shall be enforceable as so modified. In the event such court does not exercise the power granted to it in the prior sentence, the parties hereto agree to negotiate in good faith to replace such invalid or unenforceable term or provision with a valid and enforceable term or provision that will achieve, to the extent possible, the economic, business and other purposes of such invalid or unenforceable term.

7.14 Assignment. Neither this Agreement nor any of the rights, interests or obligations under this Agreement may be assigned or delegated in whole or in part, by operation of law or otherwise, by any of the parties hereto without the prior written consent of the other parties hereto, and any such assignment without such prior written consent shall be null and void; provided, that (a) Parent and Merger Sub may assign or transfer their respective rights under this Agreement to any Affiliate without the prior written consent of the Company provided that the Equity Financing Commitment, Debt Financing Commitments and the Limited Guaranty remain in full force and effect and (b) after the Effective Time, each of Parent and Merger Sub may assign its rights and obligations hereunder to the Debt Financing Sources, pursuant to the terms thereof, to the extent necessary for the purposes of creating a security interest herein or otherwise assigning as collateral in respect of such Debt Financing; provided, further, that no such assignment shall release any assigning party from its obligations hereunder. Subject to the preceding sentence, this Agreement shall be binding upon, inure to the benefit of and be enforceable by the parties hereto and their respective successors and permitted assigns.

Board of Directors:

Material Sciences Corporation, a Delaware corporation (the "Company") proposes to enter into an agreement and plan of merger (the "Agreement") dated as of January 8, 2014 by and among ZINK Acquisition Holdings Inc., a Delaware corporation ("Buyer"), Zink Acquisition Merger Sub Inc., a Delaware corporation and a wholly-owned subsidiary of Buyer ("Merger Sub"), and the Company. As more fully described in the Agreement, (i) Merger Sub will be merged with and into the Company (the "Merger") with the Company becoming a wholly owned subsidiary of Buyer, and (ii) each outstanding share of the common stock, \$0.02 par value per share, of the Company (a "Common Stock"), outstanding immediately prior to the Effective Time (as defined in the Agreement), excluding Excluded Shares (as defined in the Agreement), will be automatically converted into the right to receive \$12.75 in cash (the "Consideration").

In connection with your consideration of the Merger, you have requested our opinion as to the fairness, from a financial point of view, to the holders of the Company's Common Stock of the Consideration to be paid by the Buyer in the Merger. respective obligations thereunder; (v) the representations and warranties contained in the draft Agreement are true and correct and that each party will perform all of the covenants and agreements required to be performed by it under the Agreement; (vi) all corporate, governmental, regulatory or other consents and approvals (contractual or otherwise) required to consummate the Merger have been, or will be, obtained without the need for any divestitures or other changes to the Consideration or other material financial terms or conditions of the Merger or that would otherwise affect the Company or our analysis. We have relied, without independent verification, as to all legal matters regarding the Merger on the advice of legal counsel to the Company. In conducting our review, we have not undertaken or obtained an independent evaluation or appraisal of any of the assets or liabilities (contingent or otherwise, known or unknown) or solvency of the Company nor have we made a physical inspection of the properties or facilities of the Company. We have not considered any expenses or potential adjustments to the Consideration relating to the Merger as part of our analysis. In each case above, we have made the assumptions and taken the actions or inactions described above with your knowledge and consent.

Our opinion necessarily is based upon economic, monetary and market conditions as they exist and can be evaluated on the date hereof, and our opinion does not predict or take into account any changes which may occur, or information which may become available, after the date hereof. Furthermore, we express no opinion as to the price or trading range at which any of the Company's securities (including the Company's Common Stock) will trade following the date hereof or as to the effect of the Merger on such price or trading range. Such price and trading range may be affected by a number of factors, including but not limited to (i) dispositions of the Common Stock of the Company by shareholders within a short period of time after, or other market effects resulting from, the announcement and/or effective date of the Merger; (ii) changes in prevailing interest rates and other factors which generally influence the price of securities; (iii) adverse changes in the current capital markets; (iv) the occurrence of adverse changes in the financial condition, business, assets, results of operations or prospects of the Company or in the Company's industries; (v) actions by, or restrictions of, federal, state or other governmental agencies or regulatory authorities; and (vi) whether or not the Merger is timely completed on terms and conditions that are acceptable to all parties at interest.

Our opinion has been prepared at the request and for the internal and confidential information of the Board of Directors of the Company, and may not be relied upon, used for any other purpose or disclosed to any other party without our prior written consent; provided, however, that this letter may be reproduced in full in the Proxy Statement to be provided to the Company's shareholders in connection with the Merger. Any description or reference to us or our opinion in the Proxy Statement (or any other publicly available document or regulatory filing), however, shall be subject to our prior review and approval. This opinion does not address the relative merits or risks of: (i) the Merger, the Agreement or any other agreements or other matters provided for, or contemplated by, the Agreement; (ii) any other transactions that may be, or might have been, available as an alternative to the Merger; or (iii) the Merger compared to any other potential alternative transactions or business strategies considered by the Company's Board of Directors and, accordingly, we have relied upon our discussions with the senior management of the Company with respect to the availability and consequences of any alternatives to the Merger. This opinion does not constitute a recommendation to any shareholder of the Company as to how any such shareholder should vote with respect to the Merger.

We have acted as financial advisor to the Company in connection with the Merger and will receive a fee (a "Transaction Fee") for our services, substantially all of which is contingent upon the consummation of the Merger. We will also receive a separate fee for rendering this opinion, which fee is not contingent upon the conclusions of our opinion or the consummation of the Merger, but is fully creditable against the Transaction Fee (if paid). In addition, the Company has agreed to reimburse us for our out-of-pocket costs and to indemnify us

against certain liabilities that may arise out of our engagement. We will not receive any other significant payment or compensation contingent upon the successful completion of the Merger.

Within the past two years, we have had no material relationship with the Company, the Buyer, any other party to the Merger, or any of their affiliates and no such relationship is mutually understood to be contemplated in which it is intended that we would receive any compensation.

We are a full service securities firm. As such, in the ordinary course of our business, we may from time to time provide investment banking, advisory, brokerage and other services to clients that may be competitors or suppliers to, or customers or security holders of, the Company or the Buyer or that may otherwise participate or be involved in the same or a similar business or industry as the Company or the Buyer or may from time to time trade the securities of the Company (including the Company's Common Stock) for our own account or the accounts of our customers and, accordingly, may at any time hold long or short positions or effect transactions in such securities.

Our opinion was approved by our firm's internal fairness committee, a majority of the members of which were not involved in providing financial advisory services on our behalf to the Company in connection with the Merger.

Based upon and subject to the foregoing, including the various assumptions, qualifications and limitations set forth herein, we are of the opinion that, as of the date hereof, the Consideration to be paid by the Buyer in the Merger is fair, from a financial point of view, to the holders of the Company's Common Stock (other than the Buyer and its affiliates).

Very truly yours,

Annex C

GENERAL CORPORATION LAW OF DELAWARE

SECTION 262 APPRAISAL RIGHTS

(effective for merger agreements entered into after August 1, 2013)

(a) Any stockholder of a corporation of this State who holds shares of stock on the date of the making of a demand pursuant to subsection (d) of this section with respect to such shares, who continuously holds such shares through the effective date of the merger or consolidation, who has otherwise complied with subsection (d) of this section and who has neither voted in favor of the merger or consolidation nor consented thereto in writing pursuant to § 228 of this title shall be entitled to an appraisal by the Court of Chancery of the fair value of the stockholder's shares of stock under the circumstances described in subsections (b) and (c) of this section. As used in this section, the word "stockholder" means a holder of record of stock in a corporation; the words "stock" and "share" mean and include what is ordinarily meant by those words; and the words "depository receipt" mean a receipt or other instrument issued by a depository representing an interest in 1 or more shares, or fractions thereof, solely of stock of a corporation, which stock is deposited with the depository.

(b) Appraisal rights shall be available for the shares of any class or series of stock of a constituent corporation in a merger or consolidation to be effected pursuant to § 251 (other than a merger effected pursuant to § 251(g) of this title and, subject to paragraph (b)(3) of this section, § 251(h) of this title), § 252, § 254, § 255, § 256, § 257, § 258, § 263 or § 264 of this title:

(1) Provided, however, that, except as expressly provided in § 363(b) of this title, no appraisal rights under this section shall be available for the shares of any class or series of stock, which stock, or depository receipts in respect thereof, at the record date fixed to determine the stockholders entitled to receive notice of the meeting of stockholders to act upon the agreement of merger or consolidation, were either: (i) listed on a national securities exchange or (ii) held of record by more than 2,000 holders; and further provided that no appraisal rights shall be available for any shares of stock of the constituent corporation surviving a merger if the merger did not require for its approval the vote of the stockholders of the surviving corporation as provided in § 251(f) of this title.

(2) Notwithstanding paragraph (b)(1) of this section, appraisal rights under this section shall be available for the shares of any class or series of stock of a constituent corporation if the holders thereof are required by the terms of an agreement of merger or consolidation pursuant to §§ 251, 252, 254, 255, 256, 257, 258, 263 and 264 of this title to accept for such stock anything except:

- a. Shares of stock of the corporation surviving or resulting from such merger or consolidation, or depository receipts in respect thereof;
- b. Shares of stock of any other corporation, or depository receipts in respect thereof, which shares of stock (or depository receipts in respect thereof) or depository receipts at the effective date of the merger or consolidation will be either listed on a national securities exchange or held of record by more than 2,000 holders;
- c. Cash in lieu of fractional shares or fractional depository receipts described in the foregoing paragraphs (b)(2)a. and b. of this section; or

d. Any combination of the shares of stock, depository receipts and cash in lieu of fractional shares or fractional depository receipts described in the foregoing paragraphs (b)(2)a., b. and c. of this section.

(3) In the event all of the stock of a subsidiary Delaware corporation party to a merger effected under § 251(h), § 253 or § 267 of this title is not owned by the parent immediately prior to the merger, appraisal rights shall be available for the shares of the subsidiary Delaware corporation.

(4) In the event of an amendment to a corporation's certificate of incorporation contemplated by § 363(a) of this title, appraisal rights shall be available as contemplated by § 363(b) of this title, and the procedures of this section, including those set forth in subsections (d) and (e) of this section, shall apply as nearly as practicable, with the word "amendment" substituted for the words "merger or consolidation", and the word "corporation" substituted for the words "constituent corporation" and/or "surviving or resulting corporation".

(c) Any corporation may provide in its certificate of incorporation that appraisal rights under this section shall be available for the shares of any class or series of its stock as a result of an amendment to its certificate of incorporation, any merger or consolidation in which the corporation is a constituent corporation or the sale of all or substantially all of the assets of the corporation. If the certificate of incorporation contains such a provision, the procedures of this section, including those set forth in subsections (d) and (e) of this section, shall apply as nearly as is practicable.

(d) Appraisal rights shall be perfected as follows:

(1) If a proposed merger or consolidation for which appraisal rights are provided under this section is to be submitted for approval at a meeting of stockholders, the corporation, not less than 20 days prior to the meeting, shall notify each of its stockholders who was such on the record date for notice of such meeting (or such members who received notice in accordance with § 255(c) of this title) with respect to shares for which appraisal rights are available pursuant to subsection (b) or (c) of this section that appraisal rights are available for any or all of the shares of the constituent corporations, and shall include in such notice a copy of this section and, if 1 of the constituent corporations is a nonstock corporation, a copy of § 114 of this title. Each stockholder electing to demand the appraisal of such stockholder's shares shall deliver to the corporation, before the taking of the vote on the merger or consolidation, a written demand for appraisal of such stockholder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such stockholder's shares. A proxy or vote against the merger or consolidation shall not constitute such a demand. A stockholder electing to take such action must do so by a separate written demand as herein provided. Within 10 days after the effective date of such merger or consolidation, the surviving or resulting corporation shall notify each stockholder of each constituent corporation who has complied with this subsection and has not voted in favor of or consented to the merger or consolidation of the date that the merger or consolidation has become effective; or

(2) If the merger or consolidation was approved pursuant to § 228, § 251(h), § 253, or § 267 of this title, then either a constituent corporation before the effective date of the merger or consolidation or the surviving or resulting corporation within 10 days thereafter shall notify each of the holders of any class or series of stock of such constituent corporation who are entitled to appraisal rights of the approval of the merger or consolidation and that appraisal rights are available for any or all shares of such class or series of stock of such constituent corporation, and shall include in such notice a copy of this section and, if 1 of the constituent corporations is a nonstock corporation, a copy of § 114 of this title. Such notice may, and, if given on or after the effective date of the merger or consolidation, shall, also notify such stockholders of the effective date of the merger or consolidation. Any stockholder entitled to appraisal rights may, within 20 days after the date of mailing of such notice or, in the case of a merger approved pursuant to § 251(h) of this title, within the later of the consummation of the tender or exchange offer contemplated by § 251(h) of this title and 20 days after the date of mailing of such notice, demand in writing from the surviving or resulting corporation the appraisal of such holder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such holder's shares. If such notice did not notify stockholders of the effective date of the merger or consolidation, either (i) each such constituent corporation shall send a second notice before the effective date of the merger or consolidation notifying each of the holders of any class or series of stock of such constituent corporation that are entitled to appraisal rights of the effective date of the merger or consolidation or (ii) the surviving or resulting corporation shall send such a second notice to all such holders on or within 10 days after such effective date; provided, however, that if such second notice is sent more than 20 days following the sending of the first notice or, in the case of a merger approved pursuant to

Table of Contents

§ 251(h) of this title, later than the later of the consummation of the tender or exchange offer contemplated by § 251(h) of this title and 20 days following the sending of the first notice, such second notice need only be sent to each stockholder who is entitled to appraisal rights and who has demanded appraisal of such holder's shares in accordance with this subsection. An affidavit of the secretary or assistant secretary or of the transfer agent of the corporation that is required to give either notice that such notice has been given shall, in the absence of fraud, be prima facie evidence of the facts stated therein. For purposes of determining the stockholders entitled to receive either notice, each constituent corporation may fix, in advance, a record date that shall be not more than 10 days prior to the date the notice is given, provided, that if the notice is given on or after the effective date of the merger or consolidation, the record date shall be such effective date. If no record date is fixed and the notice is given prior to the effective date, the record date shall be the close of business on the day next preceding the day on which the notice is given.

(e) Within 120 days after the effective date of the merger or consolidation, the surviving or resulting corporation or any stockholder who has complied with subsections (a) and (d) of this section hereof and who is otherwise entitled to appraisal rights, may commence an appraisal proceeding by filing a petition in the Court of Chancery demanding a determination of the value of the stock of all such stockholders. Notwithstanding the foregoing, at any time within 60 days after the effective date of the merger or consolidation, any stockholder who has not commenced an appraisal proceeding or joined that proceeding as a named party shall have the right to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the merger or consolidation. Within 120 days after the effective date of the merger or consolidation, any stockholder who has complied with the requirements of subsections (a) and (d) of this section hereof, upon written request, shall be entitled to receive from the corporation surviving the merger or resulting from the consolidation a statement setting forth the aggregate number of shares not voted in favor of the merger or consolidation and with respect to which demands for appraisal have been received and the aggregate number of holders of such shares. Such written statement shall be mailed to the stockholder within 10 days after such stockholder's written request for such a statement is received by the surviving or resulting corporation or within 10 days after expiration of the period for delivery of demands for appraisal under subsection (d) of this section hereof, whichever is later. Notwithstanding subsection (a) of this section, a person who is the beneficial owner of shares of such stock held either in a voting trust or by a nominee on behalf of such person may, in such person's own name, file a petition or request from the corporation the statement described in this subsection.

(f) Upon the filing of any such petition by a stockholder, service of a copy thereof shall be made upon the surviving or resulting corporation, which shall within 20 days after such service file in the office of the Register in Chancery in which the petition was filed a duly verified list containing the names and addresses of all stockholders who have demanded payment for their shares and with whom agreements as to the value of their shares have not been reached by the surviving or resulting corporation. If the petition shall be filed by the surviving or resulting corporation, the petition shall be accompanied by such a duly verified list. The Register in Chancery, if so ordered by the Court, shall give notice of the time and place fixed for the hearing of such petition by registered or certified mail to the surviving or resulting corporation and to the stockholders shown on the list at the addresses therein stated. Such notice shall also be given by 1 or more publications at least 1 week before the day of the hearing, in a newspaper of general circulation published in the City of Wilmington, Delaware or such publication as the Court deems advisable. The forms of the notices by mail and by publication shall be approved by the Court, and the costs thereof shall be borne by the surviving or resulting corporation.

(g) At the hearing on such petition, the Court shall determine the stockholders who have complied with this section and who have become entitled to appraisal rights. The Court may require the stockholders who have demanded an appraisal for their shares and who hold stock represented by certificates to submit their certificates of stock to the Register in Chancery for notation thereon of the pendency of the appraisal proceedings; and if any stockholder fails to comply with such direction, the Court may dismiss the proceedings as to such stockholder.

(h) After the Court determines the stockholders entitled to an appraisal, the appraisal proceeding shall be conducted in accordance with the rules of the Court of Chancery, including any rules specifically governing

Table of Contents

appraisal proceedings. Through such proceeding the Court shall determine the fair value of the shares exclusive of any element of value arising from the accomplishment or expectation of the merger or consolidation, together with interest, if any, to be paid upon the amount determined to be the fair value. In determining such fair value, the Court shall take into account all relevant factors. Unless the Court in its discretion determines otherwise for good cause shown, interest from the effective date of the merger through the date of payment of the judgment shall be compounded quarterly and shall accrue at 5% over the Federal Reserve discount rate (including any surcharge) as established from time to time during the period between the effective date of the merger and the date of payment of the judgment. Upon application by the surviving or resulting corporation or by any stockholder entitled to participate in the appraisal proceeding, the Court may, in its discretion, proceed to trial upon the appraisal prior to the final determination of the stockholders entitled to an appraisal. Any stockholder whose name appears on the list filed by the surviving or resulting corporation pursuant to subsection (f) of this section and who has submitted such stockholder's certificates of stock to the Register in Chancery, if such is required, may participate fully in all proceedings until it is finally determined that such stockholder is not entitled to appraisal rights under this section.

(i) The Court shall direct the payment of the fair value of the shares, together with interest, if any, by the surviving or resulting corporation to the stockholders entitled thereto. Payment shall be so made to each such stockholder, in the case of holders of uncertificated stock forthwith, and the case of holders of shares represented by certificates upon the surrender to the corporation of the certificates representing such stock. The Court's decree may be enforced as other decrees in the Court of Chancery may be enforced, whether such surviving or resulting corporation be a corporation of this State or of any state.

(j) The costs of the proceeding may be determined by the Court and taxed upon the parties as the Court deems equitable in the circumstances. Upon application of a stockholder, the Court may order all or a portion of the expenses incurred by any stockholder in connection with the appraisal proceeding, including, without limitation, reasonable attorney's fees and the fees and expenses of experts, to be charged pro rata against the value of all the shares entitled to an appraisal.

(k) From and after the effective date of the merger or consolidation, no stockholder who has demanded appraisal rights as provided in subsection (d) of this section shall be entitled to vote such stock for any purpose or to receive payment of dividends or other distributions on the stock (except dividends or other distributions payable to stockholders of record at a date which is prior to the effective date of the merger or consolidation); provided, however, that if no petition for an appraisal shall be filed within the time provided in subsection (e) of this section, or if such stockholder shall deliver to the surviving or resulting corporation a written withdrawal of such stockholder's demand for an appraisal and an acceptance of the merger or consolidation, either within 60 days after the effective date of the merger or consolidation as provided in subsection (e) of this section or thereafter with the written approval of the corporation, then the right of such stockholder to an appraisal shall cease. Notwithstanding the foregoing, no appraisal proceeding in the Court of Chancery shall be dismissed as to any stockholder without the approval of the Court, and such approval may be conditioned upon such terms as the Court deems just; provided, however that this provision shall not affect the right of any stockholder who has not commenced an appraisal proceeding or joined that proceeding as a named party to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the merger or consolidation within 60 days after the effective date of the merger or consolidation, as set forth in subsection (e) of this section.

(l) The shares of the surviving or resulting corporation to which the shares of such objecting stockholders would have been converted had they assented to the merger or consolidation shall have the status of authorized and unissued shares of the surviving or resulting corporation.
