**Make-Whole Redemption:** At any time prior to April 1, 2019, the Issuer may redeem the Notes, in whole or in part, at a make-whole premium, plus accrued and unpaid interest to the redemption date. **Trade Date:** March 19, 2014

The Issuer expects that delivery of the Notes will be made to investors on or about the Settlement Date, which will be the fourth business day following the Trade Date (such settlement being referred to as **T+4**). Under Rule 15c6-1 under the Securities Exchange Act of 1934, as amended, trades in the secondary market are required, subject to certain exceptions, to settle in three business days, unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to sell their Notes before the third business day prior to the Settlement Date will be required, by virtue of the fact that the Notes initially settle in T+4, to specify an alternate settlement arrangement at the time of any such trade to prevent a failed settlement. Those purchasers should consult their advisors.

**Use of Proceeds:** The Issuer estimates that the net cash proceeds from the sale of the Notes will be approximately \$290.7 million, after deducting underwriting discounts and commissions and estimated offering expenses to be paid by the Issuer.

The Issuer currently intends to use the net proceeds from the sale of the Notes for general corporate purposes, including future acquisitions and co-investments, and to repay the outstanding balance under its unsecured revolving credit facility.
