Item 2.05. Costs Associated with Exit or Disposal Activities

On May 13, 2014, the Company announced that it was implementing cost reduction activities associated with its recently completed acquisition of LSI Corporation (LSI). As part of this exercise Avago expects to eliminate approximately 1,100 positions from its workforce across all business and functional areas on a global basis. In connection with this action, the Company expects to take charges of between approximately \$120 million and \$140 million, in the aggregate, over its next six fiscal quarters. On May 29, 2014, LSI entered into an Asset Purchase Agreement with Seagate Technology LLC (Seagate), pursuant to which LSI has agreed to sell its Flash Components Division and Accelerated Solutions Division to Seagate for \$450 million in cash. These divisions comprise LSI s flash business. Each of the parties has made customary representations and warranties in the Asset Purchase Agreement. Consummation of the transaction is subject to the satisfaction or waiver of customary closing conditions and receipt of certain regulatory approvals, including the expiration or termination of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976.
