**Item 8.01 Other Events.**

Effective October 23, 2000, the Securities and Exchange Commission (the SEC ) adopted rules related to insider trading. One of these rules, Rule 10b5-1 of the Securities Exchange Act of 1934, as amended, provides an exemption to the insider trading rules in the form of an affirmative defense. Rule 10b5-1 recognizes the creation of formal programs under which executives and other insiders may sell the securities of publicly traded companies on a regular basis pursuant to written plans that are entered into at a time when the plan participants are not aware of material non-public information and that otherwise comply with the requirements of Rule 10b5-1.

Health Care REIT, Inc. (the Company ) has adopted an insider trading policy that allows insiders to sell securities of the Company pursuant to pre-arranged trading plans.

On June 30, 2014, Scott A. Estes, Executive Vice President and Chief Financial Officer of the Company, entered into a plan pursuant to which he instructed his broker to exercise options and sell up to 18,000 shares of the Company s common stock during the period between July 15, 2014 and February 15, 2015, with 3,000 shares to be sold per month, not including any unsold shares that might be carried over from previous months.

Reports of the details of actual sales under the plan will be filed by Mr. Estes on Form 4 in accordance with SEC regulations.

**SIGNATURE**

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.

HEALTH CARE REIT, INC.
