information in this report. The World Gold Council does not accept responsibility for any losses or damages arising directly or indirectly, from the use of this report, even if notified of the possibility of such losses or damages.

This report contains forward- looking statements. The use of the words believes, expects, may, or suggests words of similar import, identifies a statement as forward-looking. The forward-looking statements included herein are based on current expectations that involve a number of risks and uncertainties. These forward-looking statements are based on the analysis of the World Gold Council. Assumptions relating to the foregoing involve judgments with respect to, among other things,

future economic, competitive and market conditions all of which are difficult or impossible to predict accurately. In addition, the demand for gold and the international gold markets are subject to substantial risks which increase the uncertainty inherent in the forward-looking statements. In light of the significant uncertainties inherent in the forward-looking information included herein, the inclusion of such information should not be regarded as a representation by the World Gold Council that the forward-looking statements will be achieved. We caution you not to place undue reliance on our forward-looking statements. Except as we may deem appropriate in the normal course of our publication cycle,

we do not intend to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, and we assume no responsibility for updating any forward-looking statements. Past performance is no indication of future results.

A decision to invest in gold, any gold related products or any other products, securities or investments should not be made in reliance on any of the statements in this report. Before making any investment decision, prospective investors should seek advice from their financial advisers, take into account their individual financial needs and circumstances and carefully consider the risks associated with such investment decision.
