All capitalized terms used and not defined in this Amendment No. 4 have the meanings ascribed to them in the Schedule TO.

The items of the Schedule TO set forth below are hereby amended and supplemented as follows:

Item 11. Additional Information.

Section 15 Certain Legal Matters Litigation of the Offer to Purchase is hereby amended and supplemented by adding the following paragraphs at the end thereof:

On January 9, 2015, the parties to the Action entered into a memorandum of understanding (the **MOU**) reflecting the terms of an agreement, subject to final approval by the Court of Chancery of the State of Delaware, to settle the Action. Pursuant to the MOU, the defendants agreed to make certain supplemental disclosures set forth in Amendment No. 4 to the Schedule 14D-9. The MOU further provides that, among other things, (a) the parties will enter into a definitive stipulation of settlement (the **Stipulation**) and will submit the Stipulation to the Court of Chancery of the State of Delaware for review and approval, (b) the Stipulation will provide for dismissal of the Action, (c) the Stipulation will include a general release of Defendants of claims relating to the allegations in the Action, the Offer, the Merger, and the Merger Agreement and (d) the proposed settlement is conditioned on consummation of the Merger, completion of confirmatory discovery, and final approval by the Court of Chancery of the State of Delaware. Notwithstanding the MOU, there can be no assurance that the Merger will be consummated or that the court will approve the settlement contemplated by the MOU. The settlement will not affect the amount of consideration that Actuate's stockholders are entitled to receive in connection with the Proposed Transaction.

Defendants deny all liability with respect to the allegations in the Action and specifically deny that any breach of fiduciary duty occurred, or that any further disclosure is required to supplement the Schedule 14D-9 under any applicable rule, statute, regulation, or law. To avoid the risk that litigation may delay or otherwise adversely affect the consummation of the Merger, to minimize the expense of defending such litigation, to remove the distraction of continued litigation, and to provide additional information to our stockholders at a time and in a manner that would not cause any delay of the closing of the Offer or the Merger, Defendants have agreed to the terms of the proposed settlement described above.
