## Contents

In connection with providing information to prospective investors, CEMEX, S.A.B. de C.V. ( CEMEX ) anticipates that it may disclose certain information that has not been previously publicly reported. Any investment will be made under Section 4(2) of the Securities Act of 1933, as amended (the Securities Act ), and any securities will be sold only to qualified institutional buyers and to offshore investors in transactions exempt from registration under Rule 144A and Regulation S under the Securities Act. No assurance can be made that any such transaction will be completed. CEMEX has elected to provide this information in this Report on Form 6-K in the attached Exhibit 1 for informational purposes.

This report contains forward-looking statements within the meaning of the U.S. federal securities laws. We intend these forward-looking statements to be covered by the safe harbor provisions for forward-looking statements in the U.S. federal securities laws. In some cases, these statements can be identified by the use of forward-looking words such as may, should, could, anticipate, estimate, expect, plan, believe, predict, potential and intent words. These forward-looking statements reflect our current expectations and projections about future events based on our knowledge of present facts and circumstances and assumptions about future events. These statements necessarily involve risks and uncertainties that could cause actual results to differ materially from our expectations. Some of the risks, uncertainties and other important factors that could cause results to differ, or that otherwise could have an impact on us or our subsidiaries, include

the cyclical activity of the construction sector;

our exposure to other sectors that impact our business, such as the energy sector;

competition;

general political, economic and business conditions in the markets in which we operate;

the regulatory environment, including environmental, tax, antitrust and acquisition-related rules and regulations;

our ability to satisfy our obligations under our material debt agreements, the indentures that govern our senior secured notes and our other debt instruments;

the impact of our below investment grade debt rating on our cost of capital;

our ability to consummate asset sales, fully integrate newly acquired businesses, achieve cost-savings from our cost-reduction initiatives and implement our global pricing initiatives for our products;

the increasing reliance on information technology infrastructure for our invoicing, procurement, financial statements and other processes that can adversely affect operations in the event that the infrastructure does not work as intended, experiences technical difficulties or is subjected to cyber-attacks;

weather conditions;

natural disasters and other unforeseen events; and

the other risks and uncertainties described under **Risk Factors** in this report.

Readers are urged to read this filing and carefully consider the risks, uncertainties and other factors that affect our business. The information contained in this report is subject to change without notice, and we are not obligated to publicly update or revise forward-looking statements. Readers should review future reports filed by us with the U.S. Securities and Exchange Commission.
