ITEM 8.01. Other Events.

On August 14, 2015, FTI Consulting, Inc. (FTI Consulting) issued a press release announcing that it has commenced a cash tender offer (the Tender Offer) for any and all of its outstanding \$400.0 million aggregate principal amount of 6¾% Senior Notes Due 2020 (the 2020 Notes). In connection with the Tender Offer, FTI Consulting entered into a dealer manager agreement, dated August 14, 2015, with J.P. Morgan Securities LLC, as the dealer manager, which, among other things, includes customary representations and warranties and other terms and conditions customary in agreements of this type, including customary indemnification and contribution obligations and the payment of customary fees.

FTI Consulting, intends, though is not obligated, to redeem on October 1, 2015, the balance of outstanding 2020 Notes, if any, that remain outstanding after the consummation of the Tender Offer, at 103.375% of the principal amount of the 2020 Notes plus accrued and unpaid interest, if any, from the most recent interest payment date, to, but not including, the date of redemption. The foregoing, does not constitute a notice of redemption.

A copy of the press release announcing the launch of the Tender Offer for the 2020 Notes is filed herewith as Exhibit 99.1 and is incorporated herein by reference.

FTI Consulting intends to finance the Tender Offer and redemption of the 2020 Notes with a combination of approximately \$277 million of borrowings under FTI Consulting s senior secured revolving credit facility and approximately \$150 million of cash on hand. FTI Consulting currently estimates it will incur a charge for the loss on extinguishment of debt of up to approximately \$20 million, before taxes, in the third quarter ending September 30, 2015. The exact amount of the charge will vary based on the amount of 2020 Notes tendered in the Tender Offer.

Forward-looking statements include statements concerning FTI Consulting s plans, objectives, goals, strategies, future events, future revenues, future results and performance, expectations, plans or intentions relating to acquisitions and other matters, business trends and other information that is not historical, including statements regarding estimates of FTI Consulting s future financial results.
