The following is a brief description of the material terms and conditions of the RSU award to be granted to Mr. Shah.

General. Pursuant to the RSU award, Mr. Shah is eligible to vest in a number of RSUs based on Mr. Shah's continued service. Each vested time-based RSU entitles Mr. Shah to receive a share of Company common stock.

Vesting and Payment. The RSUs will vest in substantially equal installments on each of February 4, 2017 and February 4, 2018, subject to Mr. Shah's continued service through each applicable vesting date. In the event of a change in control of the Company, all outstanding RSUs will vest in full as of the date of the change in control, subject to Mr. Shah's continued service until immediately prior to the change in control. Any RSUs that become vested will be paid to Mr. Shah in whole shares of Company common stock within 20 days after the applicable vesting date.

Termination of Service. If Mr. Shah is terminated by the Company other than for cause, by Mr. Shah for good reason, or due to Mr. Shah's death or disability (each as defined in the award agreement governing the RSU award), the RSUs will vest in full upon such termination. Upon Mr. Shah's termination of service for any other reason, any then-unvested RSUs will automatically be cancelled and forfeited by Mr. Shah.

Dividend Equivalent. Each RSU is granted in tandem with a corresponding dividend equivalent. Each dividend equivalent entitles Mr. Shah to receive payments equal to the amount of the dividends paid on the share of common stock underlying the RSUs to which the dividend equivalent relates.
