This Amendment No. 1 (this Amendment) amends and supplements the Tender Offer Statement on Schedule TO filed by Valley Acquisition Sub, Inc., a Delaware corporation (Purchaser), and Seattle Genetics, Inc., a Delaware corporation (Seattle Genetics), with the U.S. Securities and Exchange Commission (the SEC) on February 8, 2018 (together with any subsequent amendments and supplements thereto, the Schedule TO). The Schedule TO relates to the offer by Purchaser to purchase all of the shares of common stock, par value \$0.0001 per share (the Shares), of Cascadian Therapeutics, Inc., a Delaware corporation (the Company), that are issued and outstanding at a price of \$10.00 per Share, net to the seller in cash, without interest, less any applicable withholding taxes, upon the terms and subject to the conditions set forth in the Offer to Purchase, dated February 8, 2018 (as it may be amended or supplemented from time to time, the Offer to Purchase) and in the related Letter of Transmittal (as it may be amended or supplemented from time to time, the Letter of Transmittal and, together with the Offer to Purchase, the Offer), which are annexed to and filed with this Schedule TO as Exhibits (a)(1)(i) and (a)(1)(ii), respectively. Purchaser is a wholly-owned subsidiary of Seattle Genetics. This Amendment is being filed on behalf of Seattle Genetics and Purchaser. Unless otherwise indicated, references to sections in this Schedule TO are references to sections of the Offer to Purchase.

#### Amendments to the Offer to Purchase

##### *Item 1 through 9; Item 11.*

The information set forth in the Offer to Purchase under The Tender Offer Section 17 Certain Legal Matters; Regulatory Approvals and Items 1 through 9 and Item 11 of the Schedule TO, to the extent such Items incorporate by reference the information contained in the Offer to Purchase, are hereby amended and supplemented by deleting the third paragraph of the subsection titled Antitrust Compliance and inserting the following paragraph at the end of such subsection:

Pursuant to the HSR Act, Seattle Genetics and Cascadian Therapeutics filed their respective Premerger Notification and Report Forms with the FTC and the Antitrust Division on January 31, 2018 and February 2, 2018, respectively, for review in connection with the Offer. The required waiting period under the HSR Act with respect to the Offer expired at 11:59 p.m., New York City time, on February 15, 2018. Accordingly, the Regulatory Condition in Section 15 Conditions to the Offer has been satisfied.

The information set forth in the Offer to Purchase under The Tender Offer Section 17 Certain Legal Matters; Regulatory Approvals and Items 1 through 9 and Item 11 of the Schedule TO, to the extent such Items incorporate by reference the information contained in the Offer to Purchase, are hereby amended and supplemented by deleting the paragraph of the subsection titled Litigation and replacing such deleted paragraph with the following three paragraphs:

On February 13, 2018, an alleged stockholder of Cascadian Therapeutics filed a purported class action lawsuit (captioned Kim v. Cascadian Therapeutics, Inc. et al., Case No. 1:18-cv-00250-UNA) (the Kim Matter) in the United States District Court for the District of Delaware against Cascadian Therapeutics and individual members of the Cascadian Therapeutics Board, alleging violations of Sections 14(d) and 14(e) of the Exchange Act, Rule 14d-9(d) promulgated under Section 14(d) of the Exchange Act, and Section 20(a) of the Exchange Act in connection with the Schedule 14D-9. The complaint filed in the Kim Matter alleges that the Schedule 14D-9 omits material information, rendering the Schedule 14D-9 materially deficient. Plaintiff seeks, among other things, orders (i) enjoining the defendants from closing the Offer and consummating the Merger, (ii) directing the defendants to account to the plaintiff and the class for damages sustained, and (iii) awarding plaintiff's costs, including attorneys' fees.

On February 14, 2018, an alleged stockholder of Cascadian Therapeutics filed another purported class action lawsuit (captioned Jaso v. Cascadian Therapeutics, Inc. et al., Case No. 2:18-cv-00241) (the Jaso Matter and, together with the Kim Matter, the Actions) in the United States District Court for the Western District of Washington at Seattle against Cascadian Therapeutics, individual members of the Cascadian Therapeutics Board, Purchaser, and Seattle Genetics,

alleging violations of Sections 14(d), 14(e) and 20(a) of the Exchange Act, and Rule 14d-9 promulgated under Section 14(d) of the Exchange Act. The complaint filed in the Jaso Matter alleges that the Schedule 14D-9 omits material information, rendering the Schedule 14D-9 materially deficient. Plaintiff seeks, among other things, orders (i) enjoining the defendants from closing the Offer and consummating the Merger, or alternatively, rescinding the Transactions and setting them aside or awarding rescissory damages, (ii) directing the individual members of the Cascadian Therapeutics Board to file an amended Schedule 14D-9, and (iii) awarding plaintiff's costs, including attorneys' fees.

Seattle Genetics and Purchaser believe that the Actions are without merit, and intend to vigorously defend against all claims asserted; however, their ultimate outcome cannot presently be determined. If additional similar complaints are filed, absent new or different allegations that are material, Seattle Genetics and Purchaser will not necessarily announce such additional filings.
