Consistent with its commitment to shareholder engagement, Xerox has been meeting with its shareholders since the announcement of the transaction. Xerox has listened to their input and carefully considered their views. There can be no assurance that these discussions will result in any amendment to the transaction agreements between the parties.

Fuji Xerox Co., Ltd. (Fuji Xerox) is a joint venture between Xerox and Fujifilm in which Xerox holds a noncontrolling 25% equity interest and Fujifilm holds the remaining equity interest. In April 2017, Fujifilm formed an independent investigation committee (the IIC) to primarily conduct a review of the appropriateness of the accounting practices at Fuji Xerox's New Zealand subsidiary and at other subsidiaries. The IIC completed its review during the second quarter 2017 and identified aggregate adjustments to Fuji Xerox's financial statements of approximately JPY 40 billion (approximately \$360 million) primarily related to misstatements at Fuji Xerox's New Zealand and Australian subsidiaries. We determined that our share of the total adjustments identified as part of the investigation was approximately \$90 million and impacted our fiscal years 2009 through 2017. We revised our previously issued annual and interim consolidated financial statements for 2014, 2015 and 2016 and the first quarter of 2017. Our review of this matter has been completed. However, Fujifilm and Fuji Xerox continue to review Fujifilm's oversight and governance of Fuji Xerox as well as Fuji Xerox's oversight and governance over its businesses in light of the findings of the IIC. At this time, we can provide no assurances relative to the outcome of any potential governmental investigations or any consequences thereof that may happen as a result of this matter.
