Salesforce has filed with the SEC a Registration Statement on Form S-4 dated April 2, 2018 (the Registration Statement) and Amendment No. 1 to the Registration Statement on Form S-4 dated April 23, 2018 (Amendment No. 1 to the Registration Statement), relating to the offer and sale of shares of Salesforce common stock to be issued to holders of shares of MuleSoft common stock validly tendered and not validly withdrawn in the Offer. The terms and conditions of the Offer are set forth in the Prospectus/Offer to Exchange, which is a part of Amendment No. 1 to the Registration Statement (the Prospectus/Offer to Exchange), and the related letter of transmittal (the Letter of Transmittal), which are filed as Exhibits (a)(4) and (a)(1)(A), respectively, to the Schedule TO. Pursuant to General Instruction F to Schedule TO, the information contained in the Prospectus/Offer to Exchange and the Letter of Transmittal, including any prospectus supplement or other supplement thereto related to the Offer hereafter filed with the SEC by Salesforce or the Offeror, is hereby expressly incorporated into the Schedule TO by reference in response to Items 1 through 11 of the Schedule TO and is supplemented by the information specifically provided for in the Schedule TO. The Agreement and Plan of Merger, dated as of March 20, 2018, by and among Salesforce, the Offeror and MuleSoft (the merger agreement), a copy of which is filed as Exhibit (d)(1) to the Schedule TO, is incorporated into the Schedule TO by reference.

Item 1. Summary Term Sheet.

Item 1 is hereby amended and supplemented as follows:

Questions and Answers about the Offer and the Merger

The information set forth under the section of the Prospectus/Offer to Exchange entitled the *Questions and Answers about the Offer and the Merger Does Salesforce have the financial resources to complete the offer and the merger?* is hereby amended and restated as follows:

Yes. The transaction consideration will consist of Salesforce shares and cash. The offer and the merger are not conditioned upon any financing arrangements or contingencies.

On April 11, 2018, Salesforce completed the public offering and issuance of \$1.0 billion aggregate principal amount of 3.250% Senior Notes due 2023 (the Senior Notes due 2023) and \$1.5 billion aggregate principal amount of 3.700% Senior Notes due 2028 (the Senior Notes due 2028 , and together with the Senior Notes due 2023, the Senior Notes) in a registered public offering (the Notes Offering) pursuant to an underwriting agreement providing for the issuance and sale of the Senior Notes. Salesforce intends to use the net proceeds from the Notes Offering to fund the cash component of the transaction

consideration in connection with the acquisition of MuleSoft, and to pay related fees and expenses. If (x) the consummation of the acquisition of MuleSoft by Salesforce or any of its subsidiaries does not occur on or before April 20, 2019 or (y) Salesforce notifies the trustee in respect of the Senior Notes that it will not pursue the consummation of the acquisition of MuleSoft, Salesforce will be required to redeem the Senior Notes due 2023 then outstanding (the Special Mandatory Redemption) at a redemption price equal to 101% of the principal amount of the Senior Notes due 2023 to be redeemed plus accrued and unpaid interest, if any, to, but excluding, the date of such special mandatory redemption. The Senior Notes due 2028 are not subject to the Special Mandatory Redemption. In the event that the acquisition of MuleSoft by Salesforce or its subsidiaries is not consummated, Salesforce expects to use the proceeds of the Senior Notes due 2028 for general corporate purposes and the repayment of debt.

On April 30, 2018, Salesforce entered into a Credit Agreement (the term loan agreement) with the various financial institutions named therein, as lenders, and Bank of America, N.A., as administrative agent for the lenders. The term loan agreement provides for a \$500 million term facility, the availability of which is conditioned on the consummation of the acquisition of MuleSoft in accordance with the terms of the merger agreement (subject to certain exceptions and qualifications) and certain other conditions. Proceeds from borrowings under the term loan agreement may be used to finance a portion of the cash consideration and to pay costs and expenses related to the Transactions (as defined in the term loan agreement).

Borrowings under the term loan agreement will bear interest at a fluctuating rate per annum equal, at Salesforce's option, to the alternate base rate or the reserve adjusted Eurocurrency rate, in each case, plus an applicable margin calculated based on Salesforce's credit ratings.

The term loan agreement contains representations and warranties and affirmative and negative covenants customary for unsecured financings of this type, as well as a financial covenant limiting Salesforce's consolidated leverage ratio (as defined in the term loan agreement) to certain ratios on certain dates.

In connection with its entry into the merger agreement, Salesforce obtained a commitment from Bank of America, N.A. and certain other financial institutions for a 364-day senior unsecured bridge loan facility. The original commitments in respect of the bridge loan facility were \$3.0 billion, but were reduced by the net cash proceeds of the Notes Offering and terminated upon entry into the term loan agreement.

No other plans or arrangements have been made to finance or repay such financing after the consummation of the offer and the merger. No alternative financing arrangements or alternative financing plans have been made in the event such financings fail to materialize.

See The Offer Source and Amount of Funds.
