Certain statements contained herein includes forward-looking statements within the meaning of Section 27A of the Securities Act and Section 21E of the Exchange Act. These forward-looking statements are often identified by words such as anticipate, approximate, believe, plan, estimate, expect, project, could, would, should, potential, upside, seek, continue and other similar expressions.

Such forward-looking statements are inherently uncertain, and stockholders and other potential investors must recognize that actual results may differ materially from the Company s expectations as a result of a variety of factors.

Such forward-looking statements are based upon management's current expectations and include known and unknown risks, uncertainties and other factors, many of which the Company is unable to predict or control, that may cause the Company's actual results, performance, or plans to differ materially from any future results, performance or plans expressed or implied by such forward-looking statements. Risks and uncertainties related to the Merger include, but are not limited to, the occurrence of any event, change or other circumstance that could give rise to the termination of the Merger Agreement; the failure of the parties to satisfy conditions to completion of the Merger, including the failure of the parties to obtain required regulatory approvals; the risk that regulatory or other approvals are delayed or are subject to terms and conditions that are not anticipated; changes in the business or operating prospects of the Company or its businesses; changes in health care and other laws and regulations; the impact of the announcement of, or failure to complete, the Merger on our relationships with employees, customers, vendors and other business partners; and potential or actual litigation. In addition, these statements involve risks, uncertainties, and other factors detailed from time to time in the Company's Annual Report on Form 10-K, Quarterly Reports on Form 10-Q and Current Reports on Form 8-K filed with the SEC.

Many of these factors are beyond the Company's control. The Company cautions investors that any forward-looking statements made by the Company are not guarantees of future performance.
