This Current Report on Form 8-K is filed by CBRE Group, Inc., a Delaware corporation (the Company), in connection with the matters described herein.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(d) On November 16, 2018, the Board of Directors of the Company (the Board) appointed Reginald H. Gilyard to the Board, effective November 16, 2018, to serve until the Company's 2019 annual meeting of stockholders. Mr. Gilyard is also expected to be appointed to serve as a member of the Compensation Committee of the Board (the

Compensation Committee). There is no arrangement or understanding between Mr. Gilyard and any other person pursuant to which the Board selected Mr. Gilyard as a director, and Mr. Gilyard has not participated in any related party-transactions with the Company as set forth in Item 404(a) of Regulation S-K. The Board has also determined that Mr. Gilyard is independent as defined under New York Stock Exchange and Securities and Exchange Commission rules and guidance as well as under the Board's Corporate Governance Guidelines and its Categorical Independence Standards.

Mr. Gilyard will participate in the Company's standard non-employee director compensation program. Pursuant to this program, Mr. Gilyard will be eligible to receive an annual cash retainer of \$100,000 for service as a Board member and an annual restricted stock unit grant to be valued at \$200,000 on the date of grant, which shares will vest in full on the earlier of the one-year anniversary of grant or the next annual meeting of stockholders. Mr. Gilyard may elect to receive shares of the Company's common stock in lieu of cash payments (in like amounts). Mr. Gilyard will receive a prorated initial cash retainer and equity award based on the length of his service until the next annual meeting. Mr. Gilyard and the Company will also enter into the Company's standard form of Indemnification Agreement for members of its Board.

(e) On November 16, 2018, the Compensation Committee determined to make certain changes to the retirement vesting proration feature of certain of the Company's restricted stock units as described below. All time-vesting restricted stock units granted by the Company in 2018 (2018 time awards) generally provide for (subject to certain conditions) full continued vesting on a termination due to the award holder's Retirement (as defined below), unless such termination occurs during the 12-month period immediately following the vesting commencement date for such 2018 time award, in which case the number of units subject to the 2018 time award that will continue to vest is determined by multiplying the number of units subject to the 2018 time award by the number of days the award holder was employed during such 12-month period (the First Year Proration). The Compensation Committee determined that effective as of December 16, 2018, each outstanding 2018 time award, including those held by the Company's named executive officers, will be amended to eliminate the First Year Proration, with the result that if the applicable award holder's employment or service is terminated due to Retirement between December 16, 2018 and the 12-month anniversary of the grant date of such 2018 time award, all of the units subject to such 2018 time award will continue to vest upon the date of such termination (as was previously the case if such termination due to Retirement occurred after the expiration of such 12-month period).

The Compensation Committee made this amendment as the existence of the First Year Proration required that the Company calculate employment tax withholding on a daily basis for any award holder who was Retirement eligible on the date the 2018 time awards were granted or who became Retirement eligible during the 12-month period during which the First Year Proration applied, and the Company concluded that such calculation was not administratively practicable. No similar amendment was made to performance-vesting restricted stock units granted in 2018 as the employment tax withholding obligation for Retirement eligible individuals only arises when the performance vesting conditions are satisfied.

The 2018 time awards define Retirement as an award holder's voluntary termination of employment or service following (i) the completion of at least 10 years of continuous service and (ii) for U.S. residents, attainment of age 62, or for non-U.S. residents, attainment of age 62 or such other age as required to qualify for Retirement under applicable law, or an applicable retirement plan or policy.

Item 7.01 Regulation FD Disclosure.
