Item 1.01 Entry into a Material Definitive Agreement

In connection with the Merger (as defined and described below in Item 2.01), Akebia Therapeutics, Inc. (Akebia or the Company) entered into a Registration Rights Agreement (the Registration Rights Agreement) dated December 12, 2018 with Baupost Group Securities, L.L.C. (Baupost). The Registration Rights Agreement provides customary registration rights for shares of Akebia common stock, par value \$0.00001 per share (Common Stock) that were issued to Baupost upon consummation of the Merger, requiring the Company to register the sale of shares of Common Stock under certain circumstances.

At any time following the Merger and subject to certain limitations contained in the Registration Rights Agreement, Baupost (or its permitted transferees) will have the right to require the Company to prepare and file a registration statement for, or to include in certain Company registration statements, the offer and sale of a certain number of shares of Common Stock, and to take other actions to facilitate the sale of Common Stock. Subject to certain exceptions, Akebia will not be obligated to effect a demand registration within 180 days after the closing of any underwritten offering of shares of Common Stock. The Company has agreed to certain indemnification obligations under the Registration Rights Agreement.

The foregoing description of the Registration Rights Agreement and the transactions contemplated thereby is qualified in its entirety by reference to the full text of the Registration Rights Agreement, which is filed herewith as Exhibit 10.1 and is incorporated herein by reference.

Item 2.01 Completion of Acquisition or Disposition of Assets.

On December 12, 2018, the Company completed the previously announced merger pursuant to the Agreement and Plan of Merger, dated as of June 28, 2018, as amended on October 1, 2018 (the Merger Agreement), by and among Keryx Biopharmaceuticals, Inc. (Keryx), Akebia, and Alpha Therapeutics Merger Sub, Inc., a wholly owned subsidiary of Akebia (Merger Sub). Pursuant to the Merger Agreement, Merger Sub merged with and into Keryx, with Keryx becoming a wholly owned subsidiary of Akebia (the Merger).

At the consummation of the Merger, each issued and outstanding share of common stock of Keryx, \$0.001 par value per share, was converted into 0.37433 of a share of Common Stock, and cash in lieu of fractional shares.

The issuance of Common Stock in connection with the Merger was registered under the Securities Act of 1933, as amended, pursuant to Akebia's registration statement on Form S-4 (File No. 333-227622) filed with the United States Securities and Exchange

Commission (the SEC) on October 1, 2018, as amended on October 25, 2018 and October 29, 2018, and declared effective on October 30, 2018.

The Merger Agreement contains representations, warranties, covenants and other terms, provisions and conditions that the parties made to each other as of specific dates. The assertions embodied therein were made solely for purposes of the Merger Agreement, and may be subject to important qualifications and limitations agreed to by the parties in connection with negotiating their respective terms. Moreover, they may be subject to a contractual standard of materiality that may be different from what may be viewed as material to stockholders, or may have been used for the purpose of allocating risk between the parties rather than establishing matters as facts. For the foregoing reasons, no person should rely on such representations, warranties, covenants or other terms, provisions or conditions as statements of factual information at the time they were made or otherwise.

The description of the Merger Agreement and related transactions (including, without limitation, the Merger) in this Current Report on Form 8-K (this Form 8-K) is subject, and qualified in its entirety by reference, to the full text of the Merger Agreement, which is filed herewith as Exhibit 2.1 and is incorporated herein by reference.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On December 12, 2018, in connection with the consummation of the Merger and pursuant to the Merger Agreement, Muneer A. Satter, Michael D. Clayman, Duane Nash, Ronald C. Renaud, Jr., and Michael S. Wyzga resigned from the Board of Directors of Akebia (the Board) and ceased serving on the Board and any and all committees thereof. No director resigned as a result of any disagreement with Akebia on any matter relating to Akebia's operations, policies or practices.

Pursuant to the Merger Agreement and as previously disclosed, the Board elected and designated Adrian Adams to serve as the Board's Chairperson effective as of the consummation of the Merger.

In connection with the consummation of the Merger and pursuant to the Merger Agreement, on December 12, 2018, the Board elected and designated Mark J. Enyedy, Steven C. Gilman, Michael T. Heffernan, Jodie P. Morrison, and Michael Rogers (collectively, the New Directors), who were previously members of the Keryx Board of Directors, to serve on the Board effective immediately after the consummation of the Merger.

Other than as set forth herein, there are no arrangements or understandings with any of the New Directors or any other person pursuant to which such New Director was selected and none of the New Directors has a direct or indirect material interest in any related party transaction required to be disclosed under Item 404(a) of Regulation S-K.

In connection with the New Directors' service on the Board, each New Director will be entitled to receive compensation pursuant to the Company's Amended and Restated Non-Employee Director Compensation Program (the Program) applicable to all of the Company's non-employee directors. In accordance with the Program, the New Directors will be eligible for an annual cash retainer of \$40,000 for serving on the Board, additional cash remuneration for committee service, and, upon commencement of service on the Board, will be granted options to purchase 25,000 shares of Common Stock. The New Directors will also have the same right to indemnification by the Company as granted to the Company's other non-employee directors.

On December 11, 2018, the Board approved an amendment (the Plan Amendment) to the Akebia Therapeutics, Inc. 2014 Incentive Plan (as it may be amended or restated from time to time, the Plan). The Plan Amendment provides, among other things, that in connection with an entity s merger or consolidation with the Company or any of its subsidiaries or the acquisition by the Company or any of its subsidiaries of an entity s property or stock, awards may be granted under the Plan in substitution for options or other stock or stock-based awards granted before such merger or consolidation by such entity or its affiliate, and such substitute awards will generally not count against the number of shares of Common Stock that are reserved for issuance under the Plan. Furthermore, the Plan Amendment provides that in the event that a company acquired by the Company or any of its subsidiaries or with which the Company,

or any of its subsidiaries, combines, has shares available under a pre-existing plan approved by stockholders and not adopted in contemplation of such acquisition or combination (a Pre-Existing Plan), the shares available for grant pursuant to the terms of such Pre-Existing Plan (as adjusted using the exchange or other ratio used in such acquisition or combination) may be used for awards under the Plan (and shall not reduce the number of shares of Common Stock authorized for grant under the Plan), provided that such awards may only be made to individuals who were not employees of the Company or directors of the Board prior to such acquisition or combination.
