Item 1.01 Entry into a Material Definitive Agreement.

On July 31, 2014, Geron Corporation (Geron or the Company) and Mayo Clinic entered into a transfer agreement (the Transfer Agreement) whereby the Investigational New Drug application (IND) for imetelstat under which the investigator-sponsored trial to assess the effect of imetelstat in patients with myelofibrosis (the Myelofibrosis IST) has been conducted will be transferred to Geron. In addition, the parties have agreed that Geron will assume responsibility for the conduct of the Myelofibrosis IST as the trial sponsor. In connection with entering into the Transfer Agreement, Mayo Clinic has transferred data from the clinical database (the Transferred Information) for the Myelofibrosis IST to Geron. Subject to completion of the obligations and receipt of the deliverables described in the transfer plan that is part of the Transfer Agreement, Geron and Mayo Clinic agreed that the IND and responsibility for the Myelofibrosis IST as the trial sponsor will be transferred to Geron by September 30, 2014.

The Company does not intend to enroll additional patients in the Myelofibrosis IST and plans to continue to conduct the Myelofibrosis IST at Mayo Clinic until the trial is closed. Dr. Ayalew Tefferi will continue as the principal investigator for the trial.

The Transfer Agreement also includes certain indemnifications, including, upon completion of the activities set forth in the transfer plan and subject to certain customary exceptions, a release of liability from any and all claims by the Company arising from the Transferred Information and the IND.

The foregoing description of the Transfer Agreement is a summary of the material terms of the Transfer Agreement, which will be filed as an exhibit to Geron s quarterly report on Form 10-Q for the quarter ended September 30, 2014.

Item 8.01 Other Events.

Craig C. Parker has resigned from his position as the Company s Executive Vice President, Corporate Development and Scientific Affairs to pursue other opportunities, effective July 31, 2014. Melissa A. Behrs, currently Executive Vice President, Portfolio and Alliance Management, will oversee business development activities under the new title Executive Vice President, Business Development and Portfolio & Alliance Management. In addition, Andrew J. Grethlein, Ph.D., currently Executive Vice President, Technical Operations, has been appointed Executive Vice President, Development and Technical Operations, to reflect his additional responsibilities for development activities for the Company.
