CONSENT REVOCATION STATEMENT OF THE BOARD OF DIRECTORS OF
SITO MOBILE, LTD. IN OPPOSITION TO THE
CONSENT SOLICITATION BY STEPHEN D. BAKSA, THOMAS CANDELARIA,

MICHAEL DURDEN, ITZHAK FISHER, THOMAS J. PALLACK,

MATTHEW STECKER AND THOMAS THEKKETHALA

This consent revocation statement filed on Schedule 14A (the "Consent Revocation Statement") is furnished by the Board of Directors (the "Board" or "Board of Directors") of SITO Mobile, Ltd., a Delaware corporation (the "Company" or "SITO"), to the holders of outstanding shares of the Company's common stock (the "Shares"), par value \$0.001 per share, in connection with the Board's opposition to the solicitation of written stockholder consents (the "Consent Solicitation") by Stephen D. Baksa, Thomas Candelaria, Michael Durden, Itzhak Fisher, Thomas J. Pallack, Matthew Stecker and Thomas Thekkethala (collectively, the "Baksa Group").

On April 12, 2017, the Baksa Group filed a preliminary consent solicitation statement (the “Baksa Group Consent Statement”) with the SEC as the first step in commencing a process to solicit written consents from SITO stockholders to facilitate the removal of all of the current members of the SITO Board, other than Brent D. Rosenthal who has previously collaborated with Mr. Baksa on an activist campaign at another publicly-held company, and replace them with their own nominees. Specifically, the Baksa Group is asking you for your written consent as to the following proposals (each, a “Proposal” and collectively, the “Proposals”):

Proposal 1 – Repeal the amendment and restatement on March 23, 2017 by the Board of the Bylaws of the Company (as so amended or restated, the “March Amended Bylaws”) to return the Bylaws to the form of the Bylaws that was in effect immediately prior to such amendment and restatement, as reflected in Exhibit 3.1 of the Company’s Current Report on Form 8-K filed with the U.S. Securities and Exchange Commission (“SEC”) dated May 11, 2016 (such Bylaws, the “Original Bylaws”), other than to include a provision that permits any vacancy on the Board occurring between annual meetings of stockholders or of special meetings of stockholders called for the election of directors, resulting from the removal of one or more directors, for cause or without cause, or from newly created directorships, to be filled by the vote of the holders of a majority of the shares of each class or series of voting stock, present in person or by proxy, or acting by written consent in lieu of a meeting, then entitled to vote at an election of directors (“Proposal 1”).

Proposal 2 – Set the size of the Board at six (6) directors (“Proposal 2”).

Proposal 3 – Remove the following current members of the Board: Betsy J. Bernard, Richard O’Connell, Jonathan E. Sandelman and Joseph Beatty (and any other person or persons elected, appointed or designated by the Board, or any committee thereof, to fill any vacancy or newly created directorship from April 12, 2017 until the time that the actions proposed to be taken by the Consent Solicitation become effective), other than those directors elected by the Consent Solicitation and Mr. Brent D. Rosenthal (such current members of the Board (and any other person or persons elected, appointed or designated by the Board, or any committee thereof, to fill any vacancy or newly created directorship from April 12, 2017 until the time that the actions proposed to be taken by the Consent Solicitation become effective), other than those elected by the Consent Solicitation and Mr. Brent D. Rosenthal, are sometimes referred to herein as the “Incumbent Directors”) (“Proposal 3”).

Proposal 4 – Elect each of Michael Durden, Itzhak Fisher, Thomas J. Pallack, Matthew Stecker and Thomas Thekkethala (the “Baksa Nominees”) to serve as a director of the Company (or if any Baksa Nominee becomes unable or unwilling to serve as a director of the Company or if the size of the Board is increased, in either case prior to the effectiveness of this Proposal, any other person who is not a director, officer, employee or affiliate of Mr. Baksa and Mr. Candelaria, who shall be designated as a Baksa Nominee by Mr. Baksa), to fill the vacancies on the Board resulting from the increase in the size of the Board pursuant to Proposal 2 and the removal of the Incumbent Directors pursuant to Proposal 3, each to serve, if elected, until the Company’s annual meeting of stockholders in 2018.

The existing directors of the Company were selected as Board members through processes implemented by the Board in keeping with strong corporate governance practices. Please see the discussion in this Consent Revocation Statement under the heading “Corporate Governance—Governance and Nominating Committee.” In contrast, the Baksa Nominees have been selected solely by the Baksa Group. The Company believes that the Baksa Group is committed to acting in the best interests of the Baksa Group and does not share the Company’s obligation to act in the best interests of all of the Company’s stockholders.

THE SITO BOARD IS COMMITTED TO ACTING IN THE BEST INTERESTS OF THE COMPANY’S STOCKHOLDERS AND HAS DETERMINED THAT THE PROPOSALS ARE NOT IN THE BEST INTERESTS OF THE COMPANY’S STOCKHOLDERS.

ACCORDINGLY, THE BOARD URGES YOU NOT TO SIGN ANY GOLD CONSENT CARD SENT TO YOU BY THE BAKSA GROUP AND INSTEAD URGES YOU TO SIGN AND RETURN THE WHITE CONSENT REVOCATION CARD INCLUDED WITH THESE MATERIALS.

If you have previously signed and returned the Baksa Group’s gold consent card, you have the right to change your mind and revoke your consent to the Proposals. Whether or not you have signed the Baksa Group’s gold consent card, we urge you to mark the “**YES, REVOKE MY CONSENT**” boxes on the enclosed **WHITE** consent revocation card (the “Consent Revocation Card”) and to sign, date and mail the card in the postage-paid envelope provided. Although submitting a consent revocation will not have any legal effect if you have not submitted a gold consent card, it will help us keep track of the progress of the consent process. Regardless of the number of Shares you own, your consent revocation is important. **Please act today.**

If your Shares are held in “street name,” only your broker, bank or other nominee can exercise your right to revoke a consent with respect to your Shares. Please contact your broker, bank or other nominee and instruct it to submit a **WHITE** Consent Revocation Card on your behalf today.

This Consent Revocation Statement and the enclosed **WHITE** Consent Revocation Card are first being mailed to the Company's stockholders on or about [], 2017.

In accordance with Delaware law and the Bylaws, the Board has set [], 2017 as the record date (the "Record Date") for the determination of the Company's stockholders who are entitled to execute, withhold or revoke consents relating to the Proposals. Only holders of record as of the close of business on the Record Date may execute, withhold or revoke consents with respect to the Proposals.

**IMPORTANT NOTICE REGARDING THE AVAILABILITY OF CONSENT
REVOCATION MATERIALS IN OPPOSITION TO THE
CONSENT SOLICITATION BY STEPHEN D. BAKSA, THOMAS CANDELARIA,**

MICHAEL DURDEN, ITZHAK FISHER, THOMAS J. PALLACK,

MATTHEW STECKER AND THOMAS THEKKETHALA

In accordance with the rules of the SEC, the Company is advising its stockholders of the availability on the Internet of the Company's consent revocation materials in opposition to the consent solicitation by the Baksa Group. These rules allow companies to provide access to proxy and consent materials in one of two ways. Because the Company has elected to utilize the "full set delivery" option, the Company is delivering, to all stockholders, paper copies of the consent revocation materials, as well as providing access to those materials on a publicly accessible website. Under Delaware law, the Proposals will become effective if valid, unrevoked consents signed by the holders of a majority of the outstanding Shares as of the Record Date are delivered to the Company within 60 days of the earliest-dated consent delivered to the Company. This Consent Revocation Statement and Consent Revocation Card are available at [].

DESCRIPTION OF THE BAKSA GROUP CONSENT STATEMENT

As set forth in the Baksa Group Consent Statement filed by Stephen D. Baksa, Thomas Candelaria, Michael Durden, Itzhak Fisher, Thomas J. Pallack, Matthew Stecker and Thomas Thekkethala on April 12, 2017 with the SEC, the Baksa Group is asking you for your written consent as to the following Proposals:

Proposal 1 – Repeal the amendment and restatement on March 23, 2017 by the Board of the March Amended Bylaws to return the Bylaws to the form of the Bylaws that was in effect immediately prior to such amendment and restatement, as reflected in Exhibit 3.1 of the Company’s Current Report on Form 8-K filed with the SEC dated May 11, 2016, other than to include a provision that permits any vacancy on the Board occurring between annual meetings of stockholders or of special meetings of stockholders called for the election of directors, resulting from the removal of one or more directors, for cause or without cause, or from newly created directorships, to be filled by the vote of the holders of a majority of the shares of each class or series of voting stock, present in person or by proxy, or acting by written consent in lieu of a meeting, then entitled to vote at an election of directors.

Proposal 2 – Set the size of the Board at six (6) directors.

Proposal 3 – Remove the following current members of the Board: Betsy Bernard, Richard O’Connell, Jonathan E. Sandelman and Joseph Beatty (and any other person or persons elected, appointed or designated by the Board, or any committee thereof, to fill any vacancy or newly created directorship from April 12, 2017 until the time that the actions proposed to be taken by the Consent Solicitation become effective), other than those directors elected by the Consent Solicitation and Mr. Brent D. Rosenthal.

Proposal 4 – Elect each of Michael Durden, Itzhak Fisher, Thomas J. Pallack, Matthew Stecker and Thomas Thekkethala to serve as a director of the Company (or if any Baksa Nominee becomes unable or unwilling to serve as a director of the Company or if the size of the Board is increased, in either case prior to the effectiveness of this Proposal, any other person who is not a director, officer, employee or affiliate of Mr. Baksa and Mr. Candelaria, who shall be designated as a Baksa Nominee by Mr. Baksa), to fill the vacancies on the Board resulting from the increase in the size of the Board pursuant to Proposal 2 and the removal of the Incumbent Directors pursuant to Proposal 3, each to serve, if elected, until the Company’s annual meeting of stockholders in 2018.

REASONS TO REJECT THE BAKSA GROUP'S PROPOSALS

The Proposals submitted by the Baksa Group would, among other things, remove five current directors of the Company and replace them with the five Baksa Nominees. Doing so would provide the Baksa Group with more than a majority of seats on the Board enabling the Baksa Group to exercise control over your Board and the Company.

The Incumbent Directors of the Company were selected as Board members through processes implemented by the Board in keeping with good corporate governance practices. Please see the discussion in this Consent Revocation Statement under the heading "Corporate Governance— Governance and Nominating Committee." In contrast, the Baksa Nominees have been selected solely by the Baksa Group, without the benefit of a thorough evaluation process. The Baksa Group has no obligation to identify nominees who will act in the best interests of the Company and its stockholders.

The Board strongly believes that the Consent Solicitation being undertaken by the Baksa Group is not in the best interests of the Company's stockholders.

We urge stockholders to reject the Baksa Group Consent Solicitation and revoke any consent previously submitted.

Please do not delay. In order to ensure that the Board is able to act in your best interests, please mark, sign, date and return the enclosed WHITE Consent Revocation Card as promptly as possible.

BACKGROUND OF THE CONSENT SOLICITATION

From October 2011 to September 2014, Mr. Baksa served as a Director of SITO Mobile, Ltd.

On February 2, 2012, Mr. Baksa filed a Schedule 13D with the SEC to report ownership of 7,865,034 shares of Common Stock, which at the time was approximately 5.9% of the Company's outstanding shares of Common Stock.

On October 15, 2014, Mr. Baksa filed an amendment to his Schedule 13D to report ownership of 6,087,702 shares of Common Stock, which at the time was approximately 4.0% of the Company's outstanding shares of Common Stock, and at such time Mr. Baksa ceased to be the beneficial owner of more than five percent of the Company's outstanding shares of Common Stock.

On August 9, 2016, Mr. Rosenthal was appointed to the Board and the Board approved a grant of five-year options to purchase 20,000 shares of SITO's common stock. The options vested immediately and expire upon the earlier of August 9, 2021 or three months after the cessation of service, whichever is sooner. At the time that Mr. Rosenthal joined the Board, the Board was not aware of Mr. Rosenthal's previous association and working relationship with Mr. Baksa or that Mr. Rosenthal and Mr. Baksa had collaborated together on at least one other activist campaign at another public company. In July 2016, Mr. Baksa and other investors had threatened a proxy contest at another public company, RiceBran Technologies, which proxy contest ultimately ended when Messrs. Baksa and Rosenthal, among other individuals, entered into a settlement agreement with the target. Pursuant to the agreement, Mr. Rosenthal was named to that company's board of directors as one of the designees of Mr. Baksa and his fellow investors, and was also named chairman of the board of RiceBran Technologies.

On January 15, 2017, the Company entered into a Consulting Agreement with Barington Advisory Group, LLC, a consulting company where Michael Durden, one of the Baksa Nominees, serves as the Managing Member. Mr. Rosenthal had previously recommended Mr. Durden to the Board's Lead Independent Director, Betsy J. Bernard, as a potential Board member.

On March 17, 2017, Mr. Baksa and Mr. Candelaria filed a Schedule 13D with the SEC to report ownership of 986,699 shares of Common Stock, which at the time was approximately 4.8% of the shares of Common Stock outstanding.

On April 6, 2017, due to the Board's concerns with Mr. Rosenthal participating in deliberations relating to Stephen Baksa and Thomas Candelaria, the Board formed an Executive Committee composed of all non-employee members of

the Board other than Mr. Rosenthal.

On April 7, 2017, Mr. Baksa caused a purported nomination notice to be delivered to the Interim Chief Executive Officer and Secretary of the Company purporting to provide notice of the intent of Messrs. Baksa and Candelaria to nominate each of the Baksa Nominees for election to the Board and replace the entire membership of the Board at the Company's 2017 Annual Meeting of Stockholders (the "2017 Annual Meeting") and, thereby, assume control of the Company through a contested solicitation of proxies (the "Baksa Group Proxy Solicitation"). The purported nomination notice did not disclose any of Mr. Baksa's plans or proposals or include any alternative strategic plan for how Mr. Baksa would operate the Company if the Baksa Nominees were all elected to the Board at the 2017 Annual Meeting. Nor did the purported nomination notice disclose who Mr. Baksa would hire for the Company's executive management team if the Baksa Nominees were all elected to the Board at the 2017 Annual Meeting.

On April 7, 2017, Mr. Baksa and Mr. Candelaria filed amendments Nos. 1 and 2 to the Schedule 13D dated March 17, 2017 with the SEC to (i) report ownership of 1,006,060 shares of Common Stock, which at the time was approximately 4.9% of the shares of Common Stock outstanding, and (ii) to disclose that Mr. Baksa and Mr. Candelaria had caused a purported nomination notice to be delivered to the Secretary and Interim Chief Executive Officer of the Company purporting to provide notice of the intent of Messrs. Baksa and Candelaria to nominate the Baksa Nominees for election to the Board and replace the entire membership of the Board at the 2017 Annual Meeting and, thereby, assume control of the Company. The amendments to the Schedule 13D did not disclose any plans or proposals of Messrs. Baksa and Candelaria or include any alternative strategic plan for how Messrs. Baksa and Candelaria would operate the Company if the Baksa Nominees were all elected to the Board at the 2017 Annual Meeting.

On April 10, 2017, the Company sent Mr. Baksa a letter acknowledging that the Company received Mr. Baksa's purported nomination notice and that the Company is in the process of reviewing the purported nomination notice, in consultation with its advisors, to assess whether it complies with the Bylaws. In that same letter, the Company indicated that, given that it had just received the purported nomination notice, it was not in a position to confirm that the purported nomination notice complied with the Bylaws.

On April 12, 2017, Mr. Baksa, Mr. Candelaria, Michael Durden, Itzhak Fisher, Thomas J. Pallack, Matthew Stecker and Thomas Thekkethala filed the Baksa Group Consent Statement with the SEC.

On April 12, 2017, Mr. Baksa delivered to the Company a purported record date request letter purporting to request that the Board fix a record date for stockholders entitled to consent to the Proposals set forth in the Baksa Group Consent Statement.

On April 12, 2017, the Company issued a press release commenting on the Baksa Group Consent Solicitation. In that press release, the Company advised stockholders that Mr. Baksa and Mr. Candelaria were attempting to take control of the Board and the Company without providing a detailed and credible plan as to how they would create long-term stockholder value. The Company also noted in its press release that it was curious that Mr. Baksa and Mr. Candelaria were not looking to replace Mr. Rosenthal as a member of the Board, but perhaps not completely surprising given the previous publicly-known past association and working relationship between Mr. Baksa and Mr. Rosenthal and their past history working together on an activist campaign at another public company.

On April 13, 2017, Mr. Baksa and Mr. Candelaria filed amendment No. 3 to the Schedule 13D dated March 17, 2017 with the SEC to report that Mr. Baksa, Mr. Candelaria, Michael Durden, Itzhak Fisher, Thomas J. Pallack, Matthew Stecker and Thomas Thekkethala had filed the Baksa Group Consent Statement with the SEC and to describe the proposals contained therein.

On April 18, 2017, the Board appointed Lowell W. Robinson to the Board and determined to recommend him to stand for re-election at the 2017 Annual Meeting. With the appointment of Mr. Robinson as an independent director, the Board was temporarily increased to six directors but will automatically revert back to five directors following the certification of the stockholder vote at the 2017 Annual Meeting as only five directors will be elected at the 2017 Annual Meeting. In addition, the Board determined that Mr. Robinson is an independent director for purposes of the NASDAQ listing standards and Mr. Robinson was appointed to the Board's Audit, Compensation and Governance and Nominating Committees.

Also, on April 18, 2017, the Board met and determined that Mr. Rosenthal would not be included in its slate of candidates nominated for election at the 2017 Annual Meeting. Further, at this meeting, the Board also determined that it no longer deemed Mr. Rosenthal as an independent director for purposes of the NASDAQ listing standards and, accordingly, Mr. Rosenthal was removed from the Audit, Compensation and Governance and Nominating Committees of the Board.

Also, on April 19, 2017, the Company filed this preliminary Consent Revocation Statement with the SEC.

QUESTIONS AND ANSWERS ABOUT THIS CONSENT REVOCATION STATEMENT

Q: Who is making this consent revocation solicitation?

A: The SITO Board of Directors.

Q: What are we asking you to do?

A: You are being asked (i) to NOT return any gold consent card solicited by the Baksa Group or any of the participants in the Baksa Group Consent Solicitation and (ii) to revoke any consent that you may have delivered in favor of any of the Proposals by executing and delivering the **WHITE** Consent Revocation Card as discussed below.

Q: If I have already delivered a consent, is it too late for me to change my mind?

A: No. Until the requisite number of duly executed, unrevoked consents are delivered to the Company in accordance with the Delaware General Corporation Law (the “**DGCL**”) and the Company’s organizational documents, the consents will not be effective. At any time prior to the consents becoming effective, you have the right to revoke your consent by executing and delivering a **WHITE** Consent Revocation Card as discussed in the following question.

Q: What is the effect of delivering a WHITE Consent Revocation Card?

A: By marking the “**YES, REVOKE MY CONSENT**” boxes on the enclosed **WHITE** Consent Revocation Card and signing, dating and mailing the card in the postage-paid envelope provided, you will revoke any earlier dated consent that you may have delivered to the Baksa Group or the Company. Even if you have not submitted a gold consent card, you may submit a **WHITE** Consent Revocation Card. Although submitting a consent revocation will not have any legal effect if you have not previously submitted a gold consent card, it will help us keep track of the progress of the consent process.

Q: What is the Board’s recommendation?

A: The Board has determined that the Proposals are not in the best interest of the Company or its stockholders. Accordingly, the Board urges you to reject the Baksa Group Consent Solicitation and revoke any consent previously submitted.

Q: What should I do to revoke my consent?

A: Mark the “**YES, REVOKE MY CONSENT**” boxes next to each proposal listed on the **WHITE** Consent Revocation Card. Then, **sign and date** the enclosed **WHITE** Consent Revocation Card and return it **TODAY** or as soon as possible to the Company’s proxy solicitor, MacKenzie Partners, Inc. in the envelope provided. It is important that **you sign and date the WHITE** Consent Revocation Card.

Q: Who is entitled to consent, withhold consent or revoke a previously given consent with respect to the Proposals contained in the Baksa Group Consent Statement?

A: Only the holders of record of the Shares on the Record Date are entitled to consent, withhold consent or revoke a previously given consent with respect to the Proposals contained in the Baksa Group Consent Statement. In accordance with Delaware law and the Bylaws, the Board has set [], 2017 as the Record Date for the determination of the Company’s stockholders who are entitled to execute, withhold or revoke consents relating to the Proposals. The Company will be soliciting consent revocations from stockholders of record as of [], 2017 and only holders of record of Shares as of the close of business on [], 2017 may execute, withhold or revoke consents with respect to the Baksa Group Consent Solicitation. You may execute, withhold or revoke consents at any time before or after the Record Date, provided that any such consent or revocation will be valid only if you were a holder of record of Shares on the Record Date and the consent or revocation was otherwise valid.

Q: When should I return my WHITE Consent Revocation Card?

A: In order for the Proposals to be adopted, the Company must receive valid, unrevoked consents executed by the holders of a sufficient number of Shares within 60 days of the earliest-dated consent delivered to the Company. Because the Proposals could become effective before the expiration of the 60-day period, you should promptly return the **WHITE** Consent Revocation Card.

Q: What happens if I do nothing?

A: If you do not execute and send in any consent that the Baksa Group sends you, you will effectively be voting **AGAINST** the Proposals. Although submitting a **WHITE** Consent Revocation Card will not have any legal effect if you have not submitted a gold consent card, submitting a **WHITE** Consent Revocation Card will help us keep track of the progress of the consent process.

If you have validly executed and delivered a gold consent card that the Baksa Group sent you, doing nothing further will mean that you have consented to the Baksa Group's Proposals, which means you will effectively be voting **FOR** the Proposals. If you have executed and delivered a gold consent card that the Baksa Group sent you, the Board urges you to revoke any such consent previously submitted by executing and delivering the **WHITE** Consent Revocation Card.

Q: Who should I call if I have questions about the solicitation?

A: If you have any questions regarding this Consent Revocation Statement or about submitting your **WHITE** Consent Revocation Card, or otherwise require assistance, please call the Company's proxy solicitor:

THE CONSENT PROCEDURE

Voting Securities and Record Date

In accordance with Delaware law and the Bylaws, the Board has set [], 2017 as the Record Date for the determination of the Company's stockholders who are entitled to execute, withhold or revoke consents relating to the Proposals. As of the Record Date, there were [] Shares outstanding, each entitled to one vote per Share.

Only record holders of Shares as of the Record Date are eligible to execute, withhold and revoke consents in connection with the Baksa Group Consent Solicitation and this Consent Revocation Statement. Persons beneficially owning Shares through a broker, bank or other nominee, should contact such broker, bank or other nominee and instruct it to execute the **WHITE** Consent Revocation Card on their behalf. You may execute, withhold or revoke consents at any time before or after the Record Date, provided that any such consent or revocation will be valid only if you were a holder of record of Shares on the Record Date and the consent or revocation is otherwise valid.

Effectiveness of Consents

Under the DGCL, unless otherwise provided in a corporation's certificate of incorporation, stockholders may act without a meeting, without prior notice and without a vote, if consents in writing setting forth the action to be taken are signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted. The Company's certificate of incorporation does not prohibit stockholder action by written consent. To be effective, the Proposals require consents signed by stockholders representing a majority of the Shares outstanding as of the Record Date.

Furthermore, under Section 228 of the DGCL and the Bylaws, all consents will expire unless valid, unrevoked consents representing at least a majority of the Shares outstanding as of the Record Date are delivered to the Company within 60 days of the earliest-dated consent delivered to the Company.

Because the Proposals contained in the Baksa Group Consent Statement could become effective before the expiration of the 60-day period set forth in Section 228 of the DGCL, **WE URGE YOU TO ACT PROMPTLY TO RETURN THE WHITE CONSENT REVOCATION CARD.**

Effect of WHITE Consent Revocation Card

A stockholder may revoke any previously signed consent by **completing, signing, dating and returning** to the Company a **WHITE** Consent Revocation Card. A consent may also be revoked by delivery of a written revocation of your consent to the Baksa Group. Stockholders are urged, however, to deliver all consent revocations to the Company c/o MacKenzie Partners, Inc., 105 Madison Avenue, New York, New York 10016. The Company requests that if a revocation is instead delivered to the Baksa Group, a copy of the revocation also be delivered to the Company c/o MacKenzie Partners, Inc. at the address set forth above, so that the Company will be aware of all revocations.

Unless you specify otherwise, by signing and delivering the **WHITE** Consent Revocation Card, you will be deemed to have revoked consent to all of the Proposals.

Any consent revocation may itself be revoked by marking, signing, dating and delivering a written revocation of your **WHITE** Consent Revocation Card to the Company or to the Baksa Group or by delivering to the Baksa Group a subsequently dated gold consent card that the Baksa Group sent to you.

The Company has retained MacKenzie Partners, Inc. to assist in communicating with stockholders in connection with the Baksa Group Consent Solicitation and to assist in our efforts to obtain consent revocations. If you have any questions regarding this Consent Revocation Statement or about submitting your **WHITE** Consent Revocation Card, or otherwise require assistance, please call MacKenzie Partners, Inc. toll-free at (800) 322-2885.

You are urged to carefully review this Consent Revocation Statement. YOUR TIMELY RESPONSE IS IMPORTANT. You are urged NOT to sign any gold consent cards. Instead, the Company urges you to reject the solicitation efforts of the Baksa Group by promptly completing, signing, dating and mailing the enclosed WHITE Consent Revocation Card to MacKenzie Partners, Inc., 105 Madison Avenue, New York, New York 10016. Please be aware that if you sign a gold consent card but do not check any of the boxes on the card, you will be deemed to have consented to all of the Proposals in the Baksa Group's Consent Statement.

Results of Baksa Group Consent Solicitation

The Company will retain an independent inspector of elections in connection with the Baksa Group Consent Solicitation. The Company intends to notify stockholders of the results of the Baksa Group Consent Solicitation by issuing a press release, which it will also file with the SEC as an exhibit to a Current Report on Form 8-K.

SOLICITATION OF CONSENT REVOCATIONS

Cost and Method

The cost of the solicitation of consent revocations will be borne by the Company. The Company estimates that the total expenditures relating to the Company's solicitation of consent revocations (other than salaries and wages of officers and employees) will be approximately \$[], of which approximately \$[] has been spent as of the date hereof. COMPENSATION DISCUSSION AND ANALYSIS

The following Compensation Discussion and Analysis describes the material elements of compensation for our executive officers identified in the Summary Compensation Table (“Named Executive Officers”), our current executive officers, and executive officers that we may hire in the future. As more fully described above, the Compensation Committee is responsible for recommendations relating to compensation of the Company’s directors and executive officers.

Compensation Program Objectives and Rewards

Our compensation philosophy is based on the premise of attracting, retaining, and motivating exceptional leaders, setting high goals, working toward the common objectives of meeting the expectations of clients and stockholders, and rewarding outstanding performance. Following this philosophy, in determining executive compensation, we consider all relevant factors, such as the competition for talent, our desire to link pay with performance in the future, the use of equity to align executive interests with those of our stockholders, individual contributions, teamwork and performance, and each executive’s total compensation package. We strive to accomplish these objectives by compensating all executives with total compensation packages consisting of a combination of competitive base salary and incentive compensation.

The primary purpose of the compensation and benefits described below is to attract, retain, and motivate highly talented individuals when we do hire, who will engage in the behaviors necessary to enable us to succeed in our mission while upholding our values in a highly competitive marketplace. Different elements are designed to engender different behaviors, and the actual incentive amounts, which may be awarded to each Named Executive Officer are subject to the annual review of the of the Compensation Committee.

The Elements of our Compensation Program

Base Salary

Executive officer base salaries are based on job responsibilities and individual contribution. The Compensation Committee reviews the base salaries of our executive officers, including our Named Executive Officers, considering factors such as corporate progress toward achieving certain objectives, individual performance experience and expertise and salaries paid to executives at companies similarly situated to ours.

Incentive Compensation Awards

Each of our Named Executive is eligible for an annual cash bonus, based upon net revenue, gross margins, and individual key performance indicators, set by the Compensation Committee annually. Our Compensation Committee sets the target bonus compensation paid as a percentage of each executive's base salary with payment based upon certain threshold performance set by the Compensation Committee. The target bonus compensation is reviewed on an annual basis by our Compensation Committee.

Equity Incentive Awards

The equity grant component of the compensation plan for our named Executives is performance based. The number of performance options to be received by each of the executives is based upon the achievement by the Company of certain net revenues and gross margins targets which is reviewed on an annual basis by our Compensation Committee.

Benefits and Prerequisites

Other than health insurance and a 401(k) plan, we do not currently provide any employee benefit or retirement programs.

We have no plans in place and have never maintained any plans that provide for the payment of retirement benefits or benefits that will be paid primarily following retirement including, but not limited to, tax qualified deferred benefit plans, supplemental executive retirement plans, tax-qualified deferred contribution plans and nonqualified deferred contribution plans.

Employment Agreements

Effective November 1, 2013, we entered into an employment agreement with Kurt Streams who serves as our Chief Financial Officer. Pursuant to our employment agreement with Mr. Streams dated October 18, 2013 we agreed to pay Mr. Streams an annual salary of \$200,000, which is reviewed annually and discretionary cash bonuses. Our agreement with Mr. Streams also calls for successive one-year renewals unless either party elects against renewal.

Pursuant to the employment agreement with Mr. Streams, we granted to Mr. Streams an option to purchase 2,500 shares of our common stock under our 2009 Employee and Consultant Stock Plan. We also granted to Mr. Streams stock options under our 2010 Stock Option Plan to purchase 75,000 shares of our common stock at a strike price equal to the closing price of the Company's stock on October 31, 2013 of \$6.20, with the scheduled expiration date of the stock options to be November 1, 2018. The stock options vest annually in equal installments of 25,000 over a three-year period commencing on November 1, 2014.

Separation and Change in Control Arrangements

In order to avoid controversy, stockholders should submit proposals by means (including electronic) that permit them to prove the date of delivery. Such proposals also need to comply with Rule 14a-8 of the Exchange Act and the interpretations thereof, and may be omitted from the Company's proxy materials for the 2018 Annual Meeting if such proposals are not in compliance with applicable requirements of the Exchange Act.

Director Nominations and Stockholder Proposals Not Submitted Pursuant to Rule 14a-8 of the Exchange Act

Our Amended and Restated Bylaws also establish advance notice procedures with regard to stockholder proposals or director nominations that are not submitted for inclusion in the Proxy Statement. With respect to such stockholder proposals or director nominations, a stockholder's advance notice must be made in writing, must meet the requirements set forth in our Amended and Restated Bylaws and must be delivered to, or mailed by first class United States mail, postage prepaid, and received by, our Corporate Secretary at our principal office no earlier than February 27, 2018 and no later than the close of business on March 29, 2018. However, in the event the 2018 Annual Meeting is scheduled to be held on a date before May 28, 2018, or after August 26, 2018, then such advance notice must be received by us not later than the close of business on the later of (1) the ninetieth (90th) calendar day prior to the 2018 Annual Meeting and (2) the 10th calendar day following the day on which we first make public disclosure of the date of the 2018 Annual Meeting (or if that day is not a business day for the Company, on the next succeeding business day).

Each proposal submitted must be a proper subject for stockholder action at the meeting, and all proposals and nominations must be submitted to: Corporate Secretary, SITO Mobile, Ltd., The Newport Corporate Center, 100 Town Square Place, Suite 204, Jersey City, NJ 07301. The stockholder proponent must appear in person to present the proposal or nomination at the meeting or send a qualified representative to present such proposal or nomination. If a stockholder gives notice after the applicable deadlines or otherwise does not satisfy the relevant requirements of Rule 14a-8 of the Exchange Act or our Bylaws, the stockholder will not be permitted to present the proposal or nomination

for a vote at the meeting.

Discretionary Authority Pursuant to Rule 14a-4(c) of the Exchange Act

If a stockholder who wishes to present a proposal before the 2018 Annual Meeting outside of Rule 14a-8 of the Exchange Act fails to notify us by the required dates indicated above for the receipt of advance notices of stockholder proposals and proposed director nominations, the proxies that our Board solicits for the 2018 Annual Meeting will confer discretionary authority on the person named in the proxy to vote on the stockholder's proposal if it is properly brought before that meeting subject to compliance with Rule 14a-4(c) of the Exchange Act. If a stockholder makes timely notification, the proxies may still confer discretionary authority to the person named in the proxy under circumstances consistent with the SEC's proxy rules, including Rule 14a-4(c) of the Exchange Act.
