Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On February 26, 2013, the Compensation Committee of the Board of Directors of Piper Jaffray Companies (the "Company") approved the terms and conditions of the annual incentive program under which certain of the Company's executive officers may earn annual incentive compensation for 2013. Under the program, each participating officer has been granted a qualified performance-based award under the Company's Amended and Restated 2003 Annual and Long-Term Incentive Plan (the "Plan"). Each award entitles its recipient to receive certain incentive compensation for 2013 based on the Company's pre-tax operating income for 2013, as adjusted to eliminate certain compensation expenses and certain other expenses, losses, income or gains that are unusual in nature or infrequent in occurrence. The terms of the annual incentive program designate the percentage of adjusted pre-tax operating income that may be paid out under the qualified performance-based awards to any individual participant, and the maximum percentage of adjusted pre-tax operating income that may be paid out under the awards to all of the participants as a group. The amounts payable under the qualified performance-based awards may be reduced in the discretion of the Compensation Committee based on corporate, line of business and individual performance and also are subject to dollar and share limits set forth in the Plan. The Company's chairman and chief executive officer, chief financial officer, and the heads of each of its lines of business (other than the Company's head of asset management) participate in the annual incentive program.
