The executive officers of **COMPANHIA SIDERÚRGICA NACIONAL**, with its head office at Avenida Brigadeiro Faria Lima No. 3400, 15th floor, and part of the 19th and 20th floors, Itaim Bibi, CEP 04538-132, in the city of São Paulo, in the State of São Paulo, registered with the Ministry of Finance under Corporate Taxpayer I/D No. 33.042.730/0001-04, with its corporate acts filed at the Board of Trade of the State of São Paulo, under Company Registry (NIRE) 35-3.0039609.0, herein after referred to simply as “CSN”.

AGREE to sign this Protocol of Incorporation and Justification of Motives, in order to clarify the terms, conditions and justifications governing the incorporation of CSN Cimentos by CSN, in the manner and for the purposes stipulated by Law No. 6404/76, of December 15, 1976, and later amendments, in particular for the purposes of articles 224 and 225, as well as by CVM Instruction No. 319/99 (“ICVM 319”), on the following terms:

1 – JUSTIFICATION FOR THE INCORPORATION

1.1. Given that the incorporating company is the sole shareholder and the parent company of the company to be incorporated, owning 100% of the shares issued by the company to be incorporated, and that there are similarities in the activities carried out by both of the companies, the incorporation of the equity of the company to be incorporated by the incorporating company will result in optimization of processes and maximization of results, concentrating all the commercial and administrative activities of the two companies in a single organizational structure.

1.2. Studies undertaken in relation to this indicate that (i) the present time is the most appropriate one for carrying out the operation and (ii) the operating performance of both CSN Cimentos and CSN conclusively proves the desirability of the incorporation, indicating that the

current stage of business of both companies points to the centralization of their activities, by means of incorporation.

1.3. According to studies carried out, the aforementioned operation will result in significant economies of scale, both by an immediate reduction in expenses on account of the integration, synergy, standardization and streamlining of operational and administrative activities, and from a financial viewpoint.

1.4. The suggested incorporation has been carefully examined at meetings held between the technical departments and the managements of the companies and their legal advisors, who did not detect any factors that indicated that the incorporation should not go ahead.

1.5. Therefore, taking into account: (i) the interest that the Incorporating Company and the company to be incorporated have to finally unite, so as to be able, as a single legal entity, to better develop the business activities currently carried out by both companies, enabling activities to be centralized under a single management; and (ii) the economic, financial and strategic benefits that this unification of CSN Cimentos' and CSN's activities into a single legal entity will produce, such as reduction and simplification of administrative costs, particularly those of a management nature; the management bodies of both companies established the conditions for the incorporation of CSN Cimentos by CSN.

2. INCORPORATION PROTOCOL

2.1. The proposed operation is aimed at the incorporation of CSN Cimentos by CSN, with the winding up of CSN Cimentos and the transfer of the respective shareholders' equity to CSN, which will become its successor in title, under the terms of article 227, of Law No. 6404/76.

2.2. In compliance with article 224, I, IV and VI of the Brazilian Corporate Law, the Parties give notice that, since CSN Cimentos' shareholders' equity is already fully reflected in CSN by means of equity pick-up, given that it is the sole shareholder of CSN Cimentos, the transfer of CSN Cimentos' complete equity to CSN will not imply any increase in CSN's capital stock, or any share issue or amendment to its by-laws.

2.3. Therefore, there is no need to consider substitution ratios, with CSN's ownership structure remaining exactly the same as it was prior to the incorporation operation.

2.4. The shareholders' equity of CSN Cimentos, to be transferred to CSN, was valued by APSIS Consultoria e Avaliações Ltda. A company based at Rua da Assembleia No. 35, 12th floor, in the city and State of Rio de Janeiro, registered with the Ministry of Finance under Corporate Taxpayer I/D No. 08.681.365./0001-30, and originally registered with the Regional Accounting Council of the State of Rio de Janeiro under No. CRC/RJ-005112/O-9, it specializes in equity valuations, and its engagement will be submitted for approval by Special Shareholders' Meetings of CSN Cimentos and CSN. The valuation will be made based on the Special Balance Sheet prepared as at March 31, 2015 ("incorporation base-date"). The variation in the shareholders' equity of the company to be incorporated that occurs between the incorporation base-date and the actual incorporation date (i.e., May 1, 2015), will be borne in full by the Incorporating company.

2.5. Balances on creditor and debtor accounts will be transferred to the incorporating company's books of account, with the necessary adjustments being made. Every liability to be absorbed by CSN is recorded, and the assets, rights and obligations of the company to be incorporated, which make up the shareholders' equity to be transferred to CSN, are described in detail in the Valuation Report, at book value.

2.6. Having been informed of their appointment as expert appraisers, subject to the approval of the shareholders of CSN and CSN Cimentos, the above mentioned experts started work immediately on their study and the preparation of the valuation report for CSN Cimentos, establishing that there is no conflict or communion of interest, actual or potential, in relation to the incorporation operation itself.

2.7. Given that (i) CSN owns all of the shares issued by CSN Cimentos, (ii) the incorporation will not result in any increase in CSN's capital, (iii) there will not be any change in the interest of CSN's shareholders due to the aforementioned incorporation and (iv) the provisions of OFFICIAL LETTER/CVM/SEP/GEA-2/Nº 186/2014 issued by the Brazilian Securities Commission's Superintendence of Company Relations, CSN is exempted (i) from drawing up the comparative valuation reports mentioned in article 264 of Law No. 6404/1976; (ii) from publishing in the press the Material Fact that is required under article 2 of CVM Instruction No. 319/1999; and (iii) from preparing financial statements audited by independent auditors,

under the terms of article 12 of CVM Instruction No. 319/99.

2.8. CSN will keep its head office and its current branches. However, CSN Cimentos' establishments, where it has its head office and its branches, will be closed down as a result of the incorporation.

2.9. The incorporating company will take the place of the company to be incorporated, by way of universal succession, in relation to all of its assets, rights and obligations, under the terms of article 227 of Law No. 6404/76.

2.10. Possible legal actions which, as a result of previously signed obligations, for administrative and/or operational motives, may be practiced on behalf of the company to be incorporated, during the time period between the approval of this Protocol and Justification by the shareholders of the companies that are the signatories to this document and the registration of the respective corporate acts with the Boards of Trade of the State of Rio de Janeiro and the State of São Paulo, will be regarded as valid for all legal purposes, and all the resulting rights and obligations will be securitized by the incorporating company in its capacity as successor of the company to be incorporated, under the terms established by the main section of article 227 of Law No. 6404/76.

2.11. Once the incorporation has been approved by the General Shareholders' Meetings of CSN and CSN Cimentos, the company to be incorporated is deemed to be wound up, and it will be the responsibility of the incorporating company's management to arrange for the write-off, registration, annotation and other required acts with the appropriate public authorities to carry out the operation, pursuant to article 227, paragraph 3, of Law No. 6404/76.

2.12. The expenses resulting from the valuation of the assets will be borne by the incorporating company.

Under the terms of the above Justification and Protocol, both the companies have a material interest in the Incorporation operation.

Being in mutual agreement, the Parties sign this Protocol of Incorporation and Justification, in the presence of 2 (two) witnesses, in 6 (six) counterparts of equal content, form and legal effect, binding them and their heirs and successors to comply with all of its terms.
