NOTICE TO THE MARKET

São Paulo, June 23, 2015 - Braskem S.A. (BM&FBovespa: BRKM5, BRKM3, BRKM6; NYSE: BAK; LATIBEX: XBRK) announces that the federal government published the Provisional Measure (MP) 677/15, which amends the power supply contracts of Companhia Hidro Elétrica do São Francisco – Chesf with the basic industries in Brazil's Northeast.

The new contractual amendments, which will be valid through 2037, are expected to be signed by June 30, 2015.

The Provisional Measure further authorizes Chesf to participate in the Northeast Energy Fund (FEN), which aims to provide funds to new electric power projects, primarily in this region.

Braskem believes that signing this new amendment will provide a solid foundation for the perpetuity and competitiveness of its electro-intensive operations in Brazil's Northeast, and that Chesf's participation in FEN represents a structural and long-term solution for the Brazilian market.
