Item 1.01 Entry into Material Definitive Agreement

On September 12, 2008, TechTarget, Inc. (the “Company”) entered into a Lease Agreement (the “Lease Agreement”) with CFRI/CQ Norwood Upland, L.L.C. (“Lessor”) pursuant to which the Company has agreed to lease approximately 113,017 square feet of a building located at Lot 4 of the Upland Woods Corporate Center in Norwood, Massachusetts (the “Leased Premises”). The Leased Premises are under construction, completion of which is scheduled for no later than December 31, 2009 (the “Scheduled Completion Date”). The Company intends to move all of its operations currently conducted at 117 Kendrick Street, Needham, Massachusetts to the Leased Premises on or about January 1, 2010.

The commencement date for the lease will occur on the later of either (i) the Scheduled Completion Date or (ii) the day following the date on which the Leased Premises are “ready for occupancy”, as defined in the Lease Agreement (the “Commencement Date”). The term of the Lease Agreement expires 10 years from the Commencement Date. The Company has been granted the option to extend the term for two additional five-year periods. The annual fixed rent payable by the Company from the Commencement Date through the first five years is \$28.75 per rentable square foot and from year six through the end of the initial term is \$30.75 per rentable square foot. The Company has secured a letter of credit to satisfy the security deposit of approximately \$737,402 to the Lessor in accordance with the terms of the Lease Agreement.

If the Company defaults in the performance of certain obligations under the Lease Agreement, including failure to timely pay rent obligations, the Lessor may terminate the Lease Agreement upon no less than ten days notice and the Company will remain liable as provided in the agreement.

The foregoing is only a summary of the Lease Agreement and is qualified in its entirety by reference to the Lease Agreement, a copy of which is attached hereto as Exhibit 10.1 and is incorporated into this Item 1.01 by reference.
