Item 2.05. Costs Associated with Exit or Disposal Activities.

On May 5, 2005, Ferro Corporation (the "Company") committed to a plan to restructure certain operations within the Company's Performance Materials segment. This restructuring will reduce the organizational cost structure of the segment through the consolidation or elimination of manufacturing and administrative activities. This plan does not involve asset write-offs or plant closures, and is expected to be completed by the end of calendar year 2005.

In connection with this action, the Company expects to record a pre-tax charge of \$0.8 to \$1.1 million related to severance costs. The Company currently estimates the plan to result in annual pre-tax savings of \$1.5 to \$2.0 million.
