Item 8.01 Other Events.

After the market close on June 9, 2008, AT&T announced the expansion of its relationship with Apple relative to the much anticipated launch of the 3G Apple iPhone. Synchronoss will continue our relationship with AT&T as it relates to the activation and provisioning of Apple iPhones. However, Synchronoss will not participate in the on-site, retail store activations associated with the 3G iPhone, which was already taken into consideration when we provided our revised financial outlook on our first quarter 2008 financial results conference call.
