Item 2.04 Triggering Events That Accelerate or Increase a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement.

On September 5, 2008, we, together with certain of our subsidiaries, filed a voluntary petition for relief under Chapter 11 of the U.S. Bankruptcy Code in the U.S. Bankruptcy Court for the District of Maryland (Case No. 08-21389). In addition, on September 5, 2008, we entered into a Post-Petition Loan and Security Agreement, or the Agreement, with Arco Capital Corporation, Ltd. On September 15, 2008 the Court issued an Interim Order authorizing us to borrow up to \$400,000 under the Agreement. On October 6, 2008, the Court issued a Final Order authorizing us to borrow under the Agreement.

On September 29, 2008, we borrowed \$200,000 under this Agreement in accordance with its terms. On October 6, 2008, the lender asserted that an event of default had occurred under the Agreement because we allegedly requested and obtained a funds transfer in violation of the Agreement. As a result, the lender purported to accelerate our obligations under the Agreement, declared the Agreement to be terminated and reduced its commitment to lend under the Agreement to zero. We do not agree that an event of default has occurred and have contested that an event of default occurred by the filing of emergency motion papers with the Bankruptcy Court. On October 9, 2008, the Bankruptcy Court issued a Temporary Restraining Order prohibiting us from transferring or otherwise disposing of any or all of the funds until the earlier of ten days from the date of the Order or the conclusion of a hearing on the company's emergency papers, which now is scheduled for October 16, 2008.
