Item 1.01 Entry into a Material Definitive Agreement.

Revolving Promissory Note

On June 7, 2013, GrowLife, Inc. (the “**Company**”) entered into a Revolving Promissory Note (the “**Revolving Note**”) with W-Net Fund I, L.P. (“**W-Net**”). Under the terms of the Revolving Note, W-Net agreed to advance to the Company, from time to time and at W-Net’s discretion, amounts up to an aggregate of \$550,000 pursuant to requests made by the Company until July 31, 2014. All advances shall be paid on or before July 31, 2014 and interest shall accrue from the date of any advance on any principal amount withdrawn, and on accrued and unpaid interest thereon, at the rate of seven percent (7%) per annum, compounded annually.

The Company’s obligations under the Revolving Note will accelerate, upon written notice from W-Net, upon a bankruptcy event with respect to the Company, any default in the Company’s payment obligations or the Company’s breach of any provision of any material agreement between the Company and W-Net. Upon an event of default, the Revolving Note will bear interest at the rate of 15% per annum, compounded annually.

The foregoing summary of the Revolving Note is qualified in its entirety by reference to the actual agreement attached hereto as Exhibit 10.1.

Securities Purchase Agreement

On June 7, 2013, GrowLife Hydroponics, Inc., a Delaware corporation and wholly owned subsidiary of the Company (“**GLH**”), completed the purchase (the “**Acquisition**”) of all of the membership interests (the “**Purchased Interests**”) of Rocky Mountain Hydroponics, LLC, a Colorado limited liability company, Evergreen Garden Center, LLC, a Maine limited liability company, and Evergreen Garden Center, LLC, a Delaware limited liability company, pursuant to the terms of a Securities Purchase Agreement (the “**Purchase Agreement**”), by and among the Company, GLH, Sequoia, LLC, Pressure Drop Holdings, LLC and Sachin Karia (collectively, the “**Sellers**”).

As consideration for the Purchased Interests, the Company (1) paid to the Sellers in cash an aggregate of \$550,000 on the closing date of the Acquisition, (2) issued to the Sellers an aggregate of 7,857,143 shares of the Company’s common stock (the “**Shares**”) and (3) issued to the Sellers 12% Senior Secured Convertible Promissory Notes in the aggregate principal amount of \$800,000 (the “**12% Notes**”).

The foregoing summary of the Purchase Agreement is qualified in its entirety by reference to the actual agreement attached hereto as Exhibit 2.1.

12% Senior Secured Convertible Promissory Notes and Security Agreement

In accordance with the Purchase Agreement, on June 7, 2013, the Company issued the 12% Notes to the Sellers. The aggregate original principal amount of the 12% Notes is \$800,000 and pays 12% interest per annum with a maturity date of June 8, 2015. No cash interest payments are required, except that accrued and unconverted interest shall be due on the maturity date and on each conversion date with respect to the principal amount being converted, provided that such interest may be added to and included with the principal amount being converted. If there is an uncured event of default (as defined in the 12% Notes), the holder of each 12% Note may declare the entire principal and accrued interest amount immediately due and payable. Default interest will accrue after an event of default at an annual rate of 18%. The 12% Notes may be prepaid by the Company at any time upon ten days' prior written notice to the holders of the 12% Notes, and the 12% Notes may not be forced by the Company to be converted.

On June 7, 2013, the Company also entered into a Security Agreement (the "**Security Agreement**") with the Sellers, pursuant to which, all of the Company's obligations under the 12% Notes are secured by security interests in all of the Company's assets, including intellectual property. Upon an event of default under the 12% Notes or the Security Agreement, the 12% Note holders may be entitled to foreclose on any of such assets or exercise other rights available to a secured creditor under California law.

Each 12% Note is convertible at any time into the Company's common stock at a specified conversion price of \$0.035 per share. The 12% Note conversion price will be subject to specified adjustments for certain changes in the number of outstanding shares of the Company's common stock.

The issuance of the Shares, the 12% Notes and the issuance of the shares of the Company's common stock underlying such 12% Notes upon the conversion thereof, is intended to be exempt from registration under Rule 506 promulgated under the Securities Act of 1933, as amended.

The foregoing summaries of the 12% Notes and the Security Agreement are qualified in their entirety by reference to the actual agreements attached hereto as Exhibits 10.2 and 10.3, respectively.
