- (2) Represents a restricted stock award. These shares will vest in full on December 31, 2022, as explained in footnote 6 below.
- (3) Each performance share award represents a contingent right to receive one restricted share of Issuer's common stock, as further set forth in footnotes 4-6 below.
 - The attainment of a stock price target resulted in the vesting and conversion of a portion of the award into the 15,000 shares of restricted stock reflected in Table 1. Following this Report, upon attainment of currently unmet stock price targets for the performance share award, up to a total of 690,000 shares of restricted stock may be issued from time to time.
- (5) Each performance share award represents the right to receive, at settlement, a restricted share of Issuer's common stock based on attainment by Issuer, from time to time, of stock price targets (based on the closing price of Issuer's common stock on the NYSE on a particular day) over sixty days (which days do not have to be consecutive; the "Performance Targets") during a performance period

beginning on November 1, 2017 and ending on December 31, 2022. The number of awards shown is at the target level; actual restricted shares of common stock issued may range up to 250% of the target level (750,000 restricted shares) based on which Performance Targets are attained. (Continued from footnote 5 above). The restricted shares of common stock issued in respect of performance share awards upon attainment of a particular Performance Target will vest, and the restrictions thereon will lapse, on December 31, 2022. Vesting of performance share awards and restricted shares of common stock issued in respect thereof is subject to and conditioned in each case upon the reporting person's continued employment with Issuer through the applicable vesting date.
