Explanation of Responses:

* If the form is filed by more than one reporting person, *see* Instruction 4(b)(v).

(1) On November 21, 2017, the reporting person was granted performance-based restricted shares pursuant to the registrant's Second Amended and Restated 2009 Equity Participation Plan (the "equity plan") that vest equally over three years if the Registrant satisfies certain return on equity conditions. The return on equity performance criteria for 2018 were met, resulting in the vesting of 42,500 shares, of which 21,072 shares were withheld by the registrant to satisfy tax withholding obligations.

(2) On January 24, 2019, 198,654 time-based restricted stock units were granted to the reporting person pursuant to the registrant's equity plan. These time-based restricted stock units will vest in three equal annual installments beginning on the first anniversary of the grant date. On January 24, 2019, 84,858 time-based restricted stock units ("contingent time-based restricted stock units") were also granted to the reporting person pursuant to the registrant's equity plan. The contingent time-based restricted stock units are subject to the registrant's stockholders approving an amendment to the registrant's equity plan that increases the shares available for issuance thereunder within twelve months of the grant date. The number of contingent time-based restricted stock units will be reported on table I upon the approval of the amendment to the registrant's equity plan by its stockholders.

(3) On January 24, 2019, the reporting person was also granted performance-based restricted stock units ("performance-based restricted stock units") pursuant to the registrant's equity plan that will vest if the registrant satisfies certain return on equity and total shareholder return conditions. The maximum amount of performance-based restricted stock units that may vest to the reporting person is 341,388, but some or all of such restricted stock units may not vest if the above-described performance conditions are not satisfied by the registrant. The number of performance-based restricted stock units that vest will be reported by the reporting person after the applicable vesting date
