PROXY STATEMENT FOR 2017 ANNUAL MEETING OF SHAREHOLDERS

to be held on January 10, 2017

at 10:00 A.M. at the corporate offices of UniFirst Corporation

located at 68 Jonspin Road,

Wilmington, Massachusetts 01887

General Information

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of UniFirst Corporation (the “Company”, “UniFirst”, “we”, “our” or “us”) for use at the 2017 Annual Meeting of Shareholders to be held on Tuesday, January 10, 2017 (the “Annual Meeting”) and at any adjournments or postponements thereof. This Proxy Statement and the accompanying Notice of Annual Meeting of Shareholders are first being made available to shareholders on or about December 1, 2016.

The Board of Directors has fixed the close of business on November 17, 2016 as the “Record Date” for the determination of the shareholders entitled to notice of, and to vote at, the Annual Meeting and any adjournments or postponements thereof. As of the close of business on the Record Date, there were outstanding and entitled to vote 15,432,121 shares of common stock, par value \$0.10 per share (“Common Stock”), and 4,845,519 shares of Class B common stock, par value \$0.10 per share (“Class B Common Stock”). Transferees after such date will not be entitled to vote at the Annual Meeting. Each share of Common Stock is entitled to one vote per share. Each share of Class B Common Stock is entitled to ten votes per share.

As more fully described in this Proxy Statement, the purposes of the Annual Meeting are (1) to elect three Class II

Directors, nominated by the Board of Directors, each to serve for a term of three years until the 2020 Annual Meeting of Shareholders and until their respective successors are duly elected and qualified; (2) to ratify the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending August 26, 2017; and (3) to consider and act upon any other matters which may properly come before the Annual Meeting or any adjournment or postponement thereof.

With respect to the election of three Class II Directors, a plurality of the votes cast by holders of shares of Common Stock and Class B Common Stock, voting together as a single class and represented in person or by proxy at the Annual Meeting and entitled to vote thereon, is necessary to elect Ronald D. Croatti, Thomas S. Postek and Raymond C. Zemlin. Votes may be cast "For" or "Withhold" with respect to the election of each of Messrs. Croatti, Postek and Zemlin. With respect to the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm and each other matter expected to be voted upon at the Annual Meeting, the affirmative vote of a majority of the votes cast by holders of shares of Common Stock and Class B Common Stock, voting together as a single class and represented in person or by proxy at the Annual Meeting and entitled to vote thereon, is required for approval. Votes may be cast "For", "Against" or "Abstain" on the proposal to ratify the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending August 26, 2017.

The representation in person or by proxy of at least a majority of all Common Stock and Class B Common Stock issued, outstanding and entitled to vote at the Annual Meeting shall constitute a quorum for the transaction of business. Consistent with applicable law, the Company intends to count abstentions and broker non-votes for the purpose of determining the presence or absence of a quorum for the transaction of business. A broker "non-vote" refers to shares held by a broker or nominee that does not have the authority, either express or discretionary, to vote on a particular matter. Any shares not voted (whether by abstention, broker non-vote or otherwise) will have no impact on the election of Directors, except to the extent that the failure to vote for an individual results in another individual receiving a larger percentage of votes, and no impact on the proposal to ratify the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending August 26, 2017 or any other matter which may properly come before the Annual Meeting or any adjournment or postponement thereof.

Your vote is very important. Please vote by one of the following methods:

BY **INTERNET**, by going to the Internet web address www.investorvote.com and following the instructions on the Annual Shareholder Meeting Notice (the "Notice") you received and on the website. In order to vote via the Internet, you must use the numbers provided in the shaded bar of the Notice. Proxies submitted by the Internet must be received by 11:59 P.M., Eastern Time, on January 9, 2017.

BY **TELEPHONE**, if you received printed copies of the proxy materials by mail in accordance with the instructions in the Notice, by dialing 1-800-652-VOTE (8683) within the United States, U.S. territories, and 2. Canada any time on a touch tone telephone and following the instructions provided by the recorded message. In order to vote via telephone, you must use the numbers provided in the proxy card. Proxies submitted by telephone must be received by 11:59 P.M., Eastern Time, on January 9, 2017.

BY **PROXY CARD**, if you received printed copies of the proxy materials by mail in accordance with the instructions in the Notice, by completing, dating, signing, and returning the proxy card in the postage-prepaid 3. envelope provided. If you vote by Internet or telephone, please do not mail your proxy card. Your proxy card must be received prior to the Annual Meeting.

If you attend the Annual Meeting, you may vote in person by ballot even if you have previously voted by Internet, by telephone or by returning your proxy card. Any proxy may be revoked by delivery of a later dated proxy.

If your shares are held by a broker, bank or other nominee in street name, please follow the instructions you receive from your broker, bank or other nominee to have your shares voted.

Shares represented by a properly executed proxy received prior to the times above and not revoked will be voted at the Annual Meeting as directed on the proxy. If a properly executed proxy is submitted and no instructions are given, the proxy (1) will be voted "For" the election of each of the three nominees for Class II Director of the Company named in this Proxy Statement, each to serve for a term of three years until the 2020 Annual Meeting of Shareholders and until their respective successors are duly elected and qualified and (2) will be voted "For" the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending August 26, 2017. It is not anticipated that any matter other than those set forth in this Proxy Statement will be presented at the Annual Meeting. If other matters are presented, proxies will be voted in accordance with the discretion of the proxy holders. The Board of Directors recommends a vote (1) "For" the election of each of the three nominees for Class II Director of the Company named in this Proxy Statement, each to serve for a term of three years until the 2020 Annual Meeting of Shareholders and until their respective successors are duly elected and qualified and (2) "For" the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending August 26, 2017.

A shareholder of record may revoke a proxy at any time before it has been exercised by (1) filing a written revocation with the Secretary of the Company at the address of the Company set forth above, (2) properly casting a new vote via the Internet or by telephone at any time before the closure of the Internet or telephone voting facilities, (3) filing a duly executed proxy bearing a later date, or (4) appearing in person and voting by ballot at the Annual Meeting. Any shareholder of record as of the Record Date attending the Annual Meeting may vote in person whether or not a proxy has been previously given, but the presence (without further action) of a shareholder at the Annual Meeting will not constitute revocation of a previously given proxy. Any written revocation of a proxy should be sent so as to be delivered to UniFirst Corporation, 68 Jonspin Road, Wilmington, MA 01887, Attention: Secretary prior to the vote at

the Annual Meeting.

If your shares are held through a broker, bank or other nominee and you instructed your broker, bank or other nominee to vote your shares by following the instructions that the broker, bank or other nominee provided to you, you may change your voting instructions by submitting new voting instructions to your broker, bank or other nominee.

The expense of this proxy solicitation will be borne by the Company. In addition to the solicitation of proxies by mail, on the Internet website www.investorvote.com and by telephone, the Directors, officers and employees of the Company may also solicit proxies personally, by telephone or by mail without special compensation for such activities. The Company may also request persons, firms and corporations holding shares in their names or in the names of their nominees, which are beneficially owned by others, to send proxy material to and obtain proxies from such beneficial owners. The Company will reimburse such holders for their reasonable expenses in connection therewith.

The Company's 2016 Annual Report to Shareholders, including the Company's audited financial statements for the fiscal year ended August 27, 2016, is being made available to shareholders concurrently with this Proxy Statement at www.investorvote.com.

PROPOSAL 1

ELECTION OF DIRECTORS

The Board of Directors of the Company is currently composed of seven members, divided into three classes of two, three and two directors, respectively. One class is elected each year at the Annual Meeting of Shareholders. The Directors in each class serve for a term of three years and until their respective successors are duly elected and qualified. As the term of one class expires, a successor class is elected at each Annual Meeting of Shareholders.

Donald J. Evans, a Class II Director, will retire from the Board of Directors at the Annual Meeting and therefore will not stand for re-election at the Annual Meeting. The Company, management and the Board of Directors would like to thank Mr. Evans for his many years of valuable service.

Raymond C. Zemlin has been nominated by the Board of Directors, upon the recommendation of the Nominating and Corporate Governance Committee, as a Class II Director to serve until the 2020 Annual Meeting of Shareholders and until his successor is duly elected and qualified.

At the Annual Meeting, three Class II Directors will be elected to serve until the 2020 Annual Meeting of Shareholders and until their respective successors are duly elected and qualified. In addition to Mr. Zemlin, the Board of Directors has nominated Ronald D. Croatti and Thomas S. Postek as Class II Directors to be elected by holders of Common Stock and Class B Common Stock, voting together as a single class (collectively, the “Nominees”).

The Board of Directors has determined that Messrs. Postek and Zemlin are “independent” under the rules of the New York Stock Exchange.

Unless otherwise instructed, the persons named in the proxy will vote the shares to which the proxy relates “FOR” the election of the Nominees to the Board of Directors. While the Company has no reason to believe that any of the Nominees will be unable to serve as a Director, in the event any of the Nominees should become unavailable to serve at the time of the Annual Meeting, it is the intention of the persons named in the proxy to vote such proxy for such other person or persons as the Board of Directors may recommend.

Vote Required

The affirmative vote of a plurality of the votes cast by holders of shares of Common Stock and Class B Common Stock, voting together as a single class and represented in person or by proxy at the Annual Meeting and entitled to vote thereon, is required to elect Ronald D. Croatti, Thomas S. Postek and Raymond C. Zemlin.

Recommendation

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE “FOR” THE ELECTION OF RONALD D. CROATTI, THOMAS S. POSTEK AND RAYMOND C. ZEMLIN AS CLASS II DIRECTORS.

Meetings of the Board of Directors and Its Committees

Board of Directors. The Company's Board of Directors is divided into three classes, and the members of each class serve for staggered three-year terms. The Board is currently composed of two Class I Directors (Ms. Camilli and Mr. Iandoli), three Class II Directors (Messrs. Croatti, Evans and Postek) and two Class III Directors (Mr. Cohen and Ms. Croatti). As discussed above, Mr. Evans will retire from the Board of Directors at the Annual Meeting and therefore will not stand for re-election at the Annual Meeting. Mr. Zemlin, a new nominee, has been nominated for election as a Class II Director at the Annual Meeting. If Mr. Zemlin is elected as a Class II Director at the Annual Meeting, the Board of Directors will be composed of seven members, with two Class I Directors (Ms. Camilli and Mr. Iandoli), three Class II Directors (Messrs. Croatti, Postek and Zemlin) and two Class III Directors (Mr. Cohen and Ms. Croatti). The terms of the continuing Class I and III Directors will expire upon the election and qualification of Directors at the Annual Meeting of Shareholders in 2018 and 2019, respectively. At each Annual Meeting of Shareholders, Directors generally will be elected for a full term of three years to succeed those Directors whose terms are expiring. The Board of Directors held four meetings during the Company's 2016 fiscal year.

Audit Committee. During the 2016 fiscal year, the Audit Committee consisted of Messrs. Cohen (Chair), Evans, Postek and Ms. Camilli. The Audit Committee held nine meetings during fiscal 2016. The Audit Committee is responsible for assisting the Board of Directors in its oversight of (1) the integrity of the Company's financial statements and reporting process, (2) the qualifications, independence and performance of the Company's independent registered public accounting firm, (3) the performance of the Company's internal audit function, and (4) the Company's compliance with legal and regulatory requirements. The Board of Directors and the Audit Committee have adopted a written Audit Committee Charter, which is reviewed annually and revised from time to time. A current copy of the Audit Committee Charter, as amended and restated, is available on the Company's website at www.unifirst.com. The Board of Directors has determined that each of the members of the Audit Committee is "independent" under the rules of the New York Stock Exchange and the Securities and Exchange Commission (the "SEC") and has determined that Phillip L. Cohen and Thomas S. Postek are "audit committee financial experts" under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The Board of Directors and the Audit Committee have adopted a Statement of Corporate Policy and Code of Business Conduct, a current copy of which is available on the Company's website at www.unifirst.com. The Company's Audit Committee Complaint Procedure is also available on the Company's website at www.unifirst.com.

Compensation Committee. During the 2016 fiscal year, the Compensation Committee consisted of Messrs. Iandoli (Chair), Cohen, Evans, Postek and Ms. Camilli. The Compensation Committee met on six occasions during fiscal 2016. The Compensation Committee is responsible for reviewing and approving the Company's executive compensation program, recommending awards under the Company's equity compensation plans and establishing the compensation for the Company's Chief Executive Officer. The Board of Directors has determined that each of the members of the Compensation Committee is "independent" under the rules of the New York Stock Exchange. The Board of Directors and the Compensation Committee have adopted a written Compensation Committee Charter, which is reviewed annually and revised from time to time. A current copy of the Compensation Committee Charter is available on the Company's website at www.unifirst.com.

Nominating and Corporate Governance Committee. During the 2016 fiscal year, the Nominating and Corporate Governance Committee consisted of Messrs. Evans (Chair), Cohen and Iandoli. The Nominating and Corporate Governance Committee met on three occasions in fiscal 2016. The Nominating and Corporate Governance Committee reviews and evaluates potential nominees for election or appointment to the Board of Directors and recommends such nominees to the full Board of Directors. The Board of Directors and the Nominating and Corporate Governance Committee have adopted a written Nominating and Corporate Governance Committee Charter, which is reviewed annually and revised from time to time. A current copy of the Nominating and Corporate Governance Committee Charter is available on the Company's website at www.unifirst.com. The Board of Directors has determined that each of the members of the Nominating and Corporate Governance Committee is "independent" under the rules of the New York Stock Exchange. The Nominating and Corporate Governance Committee's policy is to review and consider all Director candidates recommended by any of the Company's Directors or shareholders. Such review and consideration is to proceed in accordance with the Company's By-laws, Corporate Governance Guidelines and Policy Regarding New Director Nominations. See "Other Matters — Shareholder Proposals" for a summary of certain of these requirements. While neither the Board of Directors nor the Nominating and Corporate Governance Committee has a specific policy with respect to diversity, the Policy Regarding New Director Nominations provides that the Nominating and Corporate Governance Committee believes that director candidates should have a background that is complementary to that of the existing Board members so as to provide management and the Board of Directors with a diversity and freshness of views. The Nominating and Corporate Governance Committee is also responsible for developing and

recommending to the Board of Directors a set of Corporate Governance Guidelines applicable to the Company and periodically reviewing such guidelines and recommending any changes to those guidelines to the Board of Directors. The current Corporate Governance Guidelines are available on the Company's website at www.unifirst.com. In addition, the Nominating and Corporate Governance Committee maintains a Policy Regarding New Director Nominations, a current copy of which is available on the Company's website at www.unifirst.com. Since this policy was adopted, there have been no material changes to the procedures by which shareholders may recommend nominees to the Board of Directors.

Each Director attended at least 75% of all of the meetings of the Board of Directors and of the committees of which the Director was a member held during the last fiscal year. Our Annual Meeting of Shareholders is generally held to coincide with one of the Board's regularly scheduled meetings. Directors are strongly encouraged to attend the Annual Meeting. Each of the Directors attended the 2016 Annual Meeting of Shareholders.

Please note that information contained in our website is not incorporated by reference in, or considered to be a part of, this Proxy Statement.

Independence of Board Members

The Board of Directors has determined that each of Messrs. Cohen, Evans, Iandoli, Postek and Ms. Camilli is, and Mr. Zemlin will be, an “independent director” in accordance with the corporate governance rules of the New York Stock Exchange as a result of having no material relationship with the Company other than (1) serving as a Director and a Board Committee member, (2) receiving related fees as disclosed in this Proxy Statement and (3) having beneficial ownership of the Company’s securities as disclosed in the section of this Proxy Statement entitled - “Security Ownership of Management, Directors, Director Nominees and Principal Shareholders.”

Board Leadership Structure

The positions of Chairman of the Board and Chief Executive Officer are currently occupied by one individual, Mr. Croatti. The Board of Directors believes that this leadership structure has served the Company well in the past and continues to serve it well, as Mr. Croatti’s 51 years of experience in the Company’s industry and his extensive and detailed knowledge and understanding of the Company uniquely qualify him to serve as both Chairman and Chief Executive Officer. Combining the Chairman and Chief Executive Officer roles fosters clear accountability, effective decision-making, and aligns corporate strategy with the Company’s day-to-day operations. Combining the roles also promotes unified leadership and direction for the Board of Directors and management. In his combined role, Mr. Croatti sets the agenda for Board meetings with input from the Lead Director and presides over all meetings of the full Board. Since the Chairman and Chief Executive Officer positions are currently occupied by Mr. Croatti, the Board of Directors appointed Mr. Evans, an independent Director, as the Lead Director to ensure strong independent oversight. As Lead Director, Mr. Evans presides at all meetings of the Board of Directors at which the Chairman is not present and chairs the executive sessions of independent Directors, who regularly meet in executive sessions at which only independent Directors are present. Mr. Evans also provides input to the Chief Executive Officer and may make suggestions regarding meeting agendas and bear such further responsibilities as the Board of Directors may designate from time to time. Mr. Evans, from time to time, provides feedback to the Chief Executive Officer on executive sessions and facilitates discussion among the independent Directors outside of meetings of the Board of Directors.

Risk Oversight

The Board of Directors is responsible for overseeing the Company’s risk assessment and management function, considering the Company’s major financial risk exposures and evaluating the steps that the Company’s management has taken to monitor and control such exposures. For example, the Board of Directors receives periodic reports from senior management on areas of material risk to the Company, including operational, financial, legal and regulatory and reputational risks. The Company believes that the leadership structure of the Board of Directors supports effective oversight of risk assessment and management.

Risk Considerations in the Company's Compensation Programs

In connection with the Compensation Committee's compensation reviews, the Compensation Committee assesses whether the Company's compensation policies and practices are reasonably likely to have a material adverse effect on the Company. Based on its review, the Compensation Committee believes that the mix and design of the Company's compensation plans and policies do not encourage employees to assume excessive risk and therefore are not reasonably likely to have a material adverse effect on the Company. In making this determination, the Compensation Committee considered a number of matters, including the following elements of the Company's executive compensation plans and policies: (1) the Company sets performance goals that the Company believes are reasonable in light of past performance and market conditions; (2) the long-term vesting for the Company's equity incentive awards helps to align the interests of management with those of the Company's shareholders in respect of the Company's long-term performance; (3) a range of levels of performance under the Company's cash incentive bonus plans and its CEO incentive equity award results in corresponding levels of compensation under those plans, rather than an "all-or-nothing" approach; and (4) achievement of the targets under the Company's bonus plans is based on the satisfaction of corporate performance metrics such as revenues, earnings per share and adjusted operating margin, which serves to minimize the impact of excessive risk taking by any individual member of management.

Evaluation Program of the Board of Directors and its Committees

In order to maintain the Company's governance standards, the Board of Directors, and each committee thereof, is required to undertake annually a formal self-evaluation process. As part of this process, the members of the Board of Directors and each committee thereof evaluate a number of competencies, including but not limited to its structure, roles, processes, composition, development, dynamics, effectiveness and involvement.

Meetings of Independent Directors

The independent Directors of the Company meet in executive sessions outside the presence of management. The presiding Director for these meetings is Mr. Evans, the Lead Director. Any interested party or shareholder who wishes to make their concerns known to the independent Directors may avail themselves of the same procedures provided below under the heading “Communication with the Board of Directors”. The Company’s Audit Committee Complaint Procedure is available on the Company’s website at www.unifirst.com.

Communication with the Board of Directors

Any interested party or shareholder who wishes to communicate with any of the Company’s Directors or the Board of Directors as a group, may do so by writing to the Board of Directors, or such individual Director(s) c/o Chief Financial Officer, UniFirst Corporation, 68 Jonspin Road, Wilmington, MA 01887. Director Stock Ownership Policy

In January 2012, the Board of Directors adopted a stock ownership policy. Under the policy, Directors are expected to own shares of the Company’s stock having a value at least equal to four times the annual retainer fees for Directors. The policy provides a four-year phase-in period. The Board of Directors believes that this policy helps to align the interests of the Directors with those of the Company’s shareholders.

Policy Against Pledging Company Shares

In October 2015, the Board of Directors adopted a policy that generally bars a non-employee Director from pledging Company shares without the express prior approval of the Compensation Committee. Similarly, the policy also prohibits a non-employee Director from holding Company shares in a margin account or making such shares held in a brokerage account available as collateral for a margin feature. Based on information furnished to the Company by each non-employee Director, no Company shares owned by any non-employee Director are held in a margin account, serve as collateral for any loan or are subject to any pledge obligation.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The Compensation Committee of our Board of Directors, in collaboration with management, develops and implements our compensation policies. The Compensation Committee also reviews and establishes the compensation paid to our executive officers. We believe we provide an appropriate and competitive total compensation package to our executive officers through a combination of base salary, annual cash incentive bonuses, long-term equity incentive compensation and broad-based benefits programs. We place significant emphasis on pay for performance-based incentive compensation, which is designed to reward our executive officers based on the achievement of predetermined corporate goals.

This Compensation Discussion and Analysis describes our compensation objectives, policies and practices with respect to our Chief Executive Officer, Chief Financial Officer and the other three most highly-compensated executive officers as determined in accordance with applicable Securities and Exchange Commission rules (collectively, our “named executive officers”).

Objectives of Our Executive Compensation Programs

Our compensation programs for our named executive officers are designed to achieve the following objectives:

- attract and retain talented and experienced executives in the highly competitive uniform rental and sales industry;
- motivate and reward executives whose knowledge, skills and performance are critical to our success and the furtherance of our long-term strategic plan;
- align the interests of our executives and shareholders by motivating executives to increase shareholder value and by rewarding executives when shareholder value increases;
- provide a competitive compensation package which is weighted heavily towards pay for performance, and in which a significant portion of total compensation is determined by corporate and individual performance and the creation of shareholder value;
- ensure fairness among our executive officers by recognizing the contributions each executive makes to our success; and

- foster a shared commitment among executives by coordinating their corporate and individual goals.

Our Executive Compensation Programs and Plans

We designed our executive compensation programs and plans to achieve the objectives described above. Our executive compensation primarily consists of base salary, annual cash incentive bonuses tied to the achievement of predetermined corporate performance goals, long-term equity incentive compensation and broad-based benefits programs.

Within the context of the overall objectives of our compensation programs, we typically determine the specific amounts of compensation to be paid to each of our named executive officers based on a number of factors:

- the performance of our named executive officers in prior years;
- the roles and responsibilities of our named executive officers;
- the individual experience and skills of our named executive officers;
- for each named executive officer, other than our Chief Executive Officer, the evaluations and recommendations of our Chief Executive Officer; and
- the amounts of compensation being paid to our other named executive officers.

In addition, we rely on our understanding of the amount of compensation paid by our principal competitors and similarly situated companies to their executives with comparable roles and responsibilities as a market check for the compensation decisions we make.

Each of the primary elements of our executive compensation is discussed in detail below, including a description of how each element fits into the overall compensation of our named executive officers. We also discuss below the amounts of compensation paid to our named executive officers for fiscal 2016 under each of these elements. In the descriptions below, we highlight particular compensation objectives that we have designed specific elements of our executive compensation program to address. However, it should be noted that we have designed our compensation programs to complement each other and collectively serve all of our executive compensation objectives described above. Accordingly, whether or not specifically mentioned below, we believe that each element of our executive compensation program serves each of our objectives to a greater or lesser extent.

In fiscal 2016, we designed and granted to our CEO an incentive equity award program to replace the previous incentive equity program which became fully-vested in April 2016.

Base Salary

We pay our named executive officers a base salary, which we review and determine annually. We believe that a competitive base level of compensation is a necessary element of any compensation program that is designed to attract and retain talented and experienced executive officers who will facilitate the accomplishment of our long-term strategic plan and increase shareholder value. We also believe that attractive base salaries can motivate and reward executive officers for their overall performance. The base salaries paid to our named executive officers reflect the general performance of our named executive officers during prior years, their roles and responsibilities, and their experience, skills and contributions. The base salaries set forth in the “Summary Compensation Table” below reflect the base salaries earned by our named executive officers in fiscal 2016. We determine the base salaries of our named executive officers on a calendar year basis. For calendar 2016, in light of the challenging growth climate faced by the Company and consistent with the recommendation of our Chief Executive Officer, we froze the base salaries of all of our named executive officers at the 2015 levels. As a result, Mr. Croatti’s base salary remained at \$786,500 per year, Steven S. Sintros’ base salary remained at \$379,000 per year, Cynthia Croatti’s base salary remained at \$443,000 per year, David Katz’s base salary remained at \$365,000 per year and David A DiFillippo’s base salary remained at \$337,000 per year.

Annual Cash Incentive Bonuses

Consistent with our emphasis on performance incentive compensation programs, our named executive officers are eligible to receive annual cash incentive bonuses primarily based on their performance as measured against predetermined corporate financial goals that we establish. The primary objective of our annual cash incentive bonuses is to motivate our named executive officers and to reward them for meeting our short-term objectives using a performance-based compensation program with objectively determinable goals. Our annual cash incentive bonuses also align the interests of our named executive officers and our shareholders by providing our executives with incentives to increase shareholder value and a reward for doing so. To further incent our Chief Executive Officer, in

2012 we adopted a CEO Cash Incentive Bonus Plan. Under the CEO Bonus Plan, our Chief Executive Officer can earn an additional bonus based on the achievement of Company-wide performance objectives.

Executive Bonus Plan. Under our executive bonus plan, our named executive officers have the potential to earn annual cash incentive bonuses at a level that represents a meaningful portion of our named executive officers' cash compensation. For fiscal 2016, our executive bonus plan provided for potential annual cash incentive bonuses of up to 34% of the named executive officer's salary earned for the fiscal year. Potential bonus payments under our executive bonus plan are linked to objective criteria set forth in the plan. Our named executive officers can earn annual cash incentive bonuses based on predetermined goals tied to corporate revenues, earnings per share and customer retention.

At the beginning of the fiscal year, we set a fiscal year target for corporate revenues for purposes of our executive bonus plan. Each executive can earn a bonus of up to 10% of his or her salary earned during the fiscal year in question if actual revenues exceed a predetermined percentage of the target revenues. The amount of the bonus depends on the amount by which actual revenues varied from target revenues. To achieve the maximum bonus for the revenues goal, actual revenues must be 101.5% or more of the target revenues. In addition, if actual revenues are less than 99.5% of target revenues, then no bonus would be earned on account of the revenues goal.

At the beginning of the fiscal year, we also set a fiscal year target for consolidated diluted earnings per share (EPS) for purposes of our executive bonus plan. Each executive can earn a bonus of up to 20% of his or her salary earned during the fiscal year in question if actual EPS exceed a predetermined percentage of the target EPS. In addition, the executive bonus plan for fiscal 2016 included potential adjustments to actual EPS to take into account greater than anticipated Company costs and expenses associated with claims, litigation, regulatory or environmental matters, healthcare, the Company's initiative to update its customer relationship management (CRM) systems or asset impairment. The amount of the bonus depends on the amount by which actual EPS, subject to potential adjustment, varied from target EPS. To achieve the maximum bonus for the EPS goal, the actual EPS, subject to potential adjustment, must equal or exceed 104% of the target EPS. In addition, if actual EPS, subject to potential adjustment, is less than 96% of target EPS, then no bonus would be earned on account of the EPS goal.

Our executive bonus plan also provides for annual cash incentive bonuses of up to 4% of base salary for our named executive officers based on customer retention, but only if a bonus is otherwise earned with respect to either the revenues goal or the EPS goal.

In establishing our targeted bonus opportunities under the executive bonus plan, we consider the incentives that we want to provide to our executives and our historical practices. For fiscal 2016, we established the following corporate financial goals under our executive bonus plan. With respect to revenues, target revenues were set at \$1.475 billion. Our actual revenues for fiscal 2016 were \$1.468 billion. As a result, based on the percentage achievement levels, the named executive officers earned a 2% bonus on account of the revenues goal. With respect to EPS, target EPS was set at \$5.75. Our actual EPS was \$6.17. In determining the amount of the bonus earned on account of the EPS goal, none of the potential adjustments to actual EPS were taken into account. Based on the percentage achievement level, the named executive officers earned a 20% bonus on account of the EPS goal. With respect to customer retention levels, at our fiscal 2016 revenue growth rate, the named executive officers earned a bonus of 3% based on this criterion. However, in light of the Company's tepid revenue growth, at the recommendation of the Chief Executive Officer, the aggregate executive bonus level was reduced by 100 basis points to 24%.

For fiscal 2016, our named executive officers received the following annual cash incentive bonuses under our executive bonus plan:

Name	Bonus	% of Base Salary
Ronald D. Croatti	\$188,760	24%
Steven S. Sintros	\$90,960	24%
Cynthia Croatti	\$106,320	24%
David Katz	\$87,600	24%
David A. DiFillippo	\$80,880	24%

CEO Bonus Plan. In addition to the executive bonus plan, in 2012 we adopted a CEO Cash Incentive Bonus Plan. Under the CEO Bonus Plan, each fiscal year we set annual target bonus levels and Company-wide performance goals for our Chief Executive Officer. For fiscal 2016, we set the total bonus levels under the CEO Bonus Plan at a threshold of \$750,000, a target of \$1,125,000 and a maximum of \$1,500,000 based on the achievement of corresponding levels of revenues and adjusted operating margin. The adjusted operating margin metric is based on the Company's operating income, net of certain non-cash items, and subject to adjustments for certain levels of expenses related to natural catastrophes, wars, terrorism, claims, litigation, regulatory or environmental matters, impairments, energy costs, healthcare costs, the CRM project and other matters. The total bonus potential under the CEO Bonus Plan is split evenly between the revenues performance goals and the adjusted operating margin performance goals. For fiscal 2016, the revenues performance goals were set at a minimum goal of \$1.465 billion, a target goal of \$1.470 billion and a maximum goal of \$1.475 billion. For fiscal 2016, the adjusted operating margin performance goals were set at a minimum goal of 17.75%, a target goal of 18.00% and a maximum goal of 18.25%. The Company's actual revenues for fiscal 2016 were \$1.468 billion and therefore Mr. Croatti earned the minimum bonus of \$375,000 on account of this metric under the CEO Bonus Plan. With respect to the adjusted operating margin performance goals, we determined that the Company achieved the maximum performance goals for this metric and therefore Mr. Croatti earned a total bonus of \$1,125,000 for fiscal 2016 under the CEO Bonus Plan.

Long-Term Equity Incentive Compensation

We grant long-term equity incentive awards to our named executive officers as part of our total compensation package. We use long-term equity incentive awards as part of our emphasis on performance-based incentive compensation. Our long-term equity incentive awards align the interests of our named executive officers and our shareholders by providing our executives with incentives to increase shareholder value and a reward for doing so. We generally grant long-term incentive awards once each year to each of our named executive officers other than Mr. Croatti. Since Mr. Croatti was granted a CEO incentive equity award in 2016 which is subject to vesting through April 2020, we did not grant Mr. Croatti a separate annual equity award for fiscal 2016.

Prior to fiscal 2010, we granted non-qualified stock options to our named executive officers. In fiscal 2010, we determined that it was in the best interests of the shareholders and the executives to instead award stock-settled stock appreciation rights (“SAR”). These SARs are functionally very similar to non-qualified stock options; in each case, the recipient receives the value (in shares) of the appreciation in the market price of the Company’s Common Stock from the grant date to the exercise date. Consistent with the vesting schedule of stock options granted by us since 2003, the SARs are subject to a five-year cliff-vesting schedule under which the SARs become vested and exercisable in full after five years from the date of grant and expire ten years after the grant date. The Company refers to its non-qualified stock options and SARs collectively as “Share-Based Awards”. In fiscal 2016, we granted stock-settled SARs to all of our named executive officers other than Mr. Croatti.

Upon a holder’s exercise of a SAR, we are generally entitled to a tax deduction in the year in which the SAR is exercised equal to the fair market value of the shares of stock issued upon such exercise. The holder of such SAR is generally taxed on this same amount in the year of exercise.

In fiscal 2016, we granted the following SARs to the following named executive officers:

Name	Number of	Exercise
	Securities	or Base Price
	Underlying SARs	of SAR Awards (\$/Sh)
Ronald D. Croatti	–	–
Steven S. Sintros	4,000	\$ 104.67
Cynthia Croatti	6,000	\$ 104.67
David Katz	4,000	\$ 104.67
David A. DiFillippo	4,000	\$ 104.67

CEO Incentive Equity Award

In 2010, the Company granted to our Chief Executive Officer an incentive equity award which was eligible to be earned and vested over six years. Since that award would be fully-vested in April 2016, in October 2015 we began a process to develop and implement a replacement incentive equity award. As an initial step in the process, we retained Pearl Meyer & Partners, LLC (“Pearl Meyer”) to, among other responsibilities, develop an executive compensation comparison group for the Company for external benchmarking purposes, assess the competitiveness and alignment of pay with performance of the Company’s Chief Executive Officer compensation program, review and advise the Committee on the terms and performance metrics for CEO incentive equity program and make recommendations concerning such program. Pearl Meyer previously advised the Committee when it developed and implemented the 2010 CEO incentive equity award.

Pearl Meyer reviewed the executive compensation comparison group used in 2010 and identified companies which were no longer appropriate for benchmarking due to either the unavailability of comparison data (as a result of being acquired or going private) or lagging financial performance. Working with the Chair of our Committee, Pearl Meyer then developed a pool of potential comparison companies based on the 2015 ISS peer group, a close competitor’s peer group and other criteria. From this pool, Pearl Meyer gave preference to those companies with revenues, market capitalization, EBITDA and a service model comparable to those of the Company. Based on this analysis, Pearl Meyer recommended a final comparison group consisting of the following companies: Aramark, Cintas Corporation, Comfort Systems USA, Inc., G&K Services, Inc., Insperty, Inc., Iron Mountain Incorporated, Kforce Inc., Rollins, Inc., Stericycle, Inc., Tetra Tech, Inc., Waste Connections, Inc. and Watts Water Technologies, Inc. This comparison group was approved by the Committee on December 21, 2015.

Utilizing this comparison group, Pearl Meyer developed diagnostics to analyze Mr. Croatti's current compensation and to compare that compensation to that earned by the Chief Executive Officers of the comparison companies. As part of this process, Pearl Meyer found that Mr. Croatti's annual target pay opportunity was below the 25th percentile of the comparison companies and was approximately \$2.1 million below the comparison group's median. Target pay opportunity included base salary and target cash bonus opportunity for the most recent fiscal year completed plus the three-year average of long-term incentive award grant date fair values. Pearl Meyer also concluded that in the absence of an incentive equity award program, Mr. Croatti's five-year realizable pay trailed the median of the comparison group by \$20.6 million. Realizable pay included base salary and cash bonuses paid over the prior five fiscal years plus the value of long-term incentives awarded over the past five years, as measured using the closing stock price for the most recent fiscal year end. Pearl Meyer then compared the Company's financial performance on one-year, three-year and five-year perspectives with respect to revenue growth, EBITDA growth, cash flow, EPS growth and total stockholder returns and determined that based on these metrics, the Company outperformed most members of the comparison group on a five-year perspective and kept pace with the comparison group medians based on the one-year and three-year perspectives. Pearl Meyer also modeled Mr. Croatti's total compensation under different performance scenarios.

Based on this analysis and assuming a market price of the Company's Common Stock in the range of \$100 to \$110 per share, Pearl Meyer recommended a maximum CEO incentive equity award of 150,000 shares. Pearl Meyer also recommended that the award be structured as follows:

a grant of performance-based restricted stock;

award would be earned based on achieving threshold, target or maximum performance criteria;

performance criteria would be tied to the Company's consolidated revenues and adjusted operating margin;

performance metrics could be achieved or earned based on the Company's financial results for (i) each of the last six months of its 2016 fiscal year ("Fiscal 2016"), its 2017 fiscal year ("Fiscal 2017") or its 2018 fiscal year ("Fiscal 2018"), (ii) the aggregate results for Fiscal 2016 and Fiscal 2017 or (iii) the aggregate results for Fiscal 2016, Fiscal 2017 and Fiscal 2018; and

to the extent earned, the restricted shares would vest subject to Mr. Croatti's continued employment with the Company, with half the earned shares vesting on the third anniversary of the date of grant and the other half vesting on the fourth anniversary of the date of grant.

Utilizing these recommendations, the Chair of the Compensation Committee worked with the Company's Chief Financial Officer and its outside counsel to structure the proposed award and establish specific performance criteria and metrics. The full Compensation Committee then met on March 31, 2016 to consider the proposed award. We received a detailed presentation from Pearl Meyer regarding its analysis and recommendations and independently considered the pros and cons of such an award. In this regard, we considered a number of matters, including the Company's strong financial performance, the importance of Mr. Croatti's leadership and his exceptional performance as Chief Executive Officer, the effect of the proposed award on a number of constituencies, including stockholders, customers and employees, the likely reaction of such constituencies to such an award and the award's dilutive impact. We concluded that the performance criteria should continue to be tied to revenues and adjusted operating margin since these are key factors that drive the Corporation's success. Further, we favored the establishment of tiered performance levels since this avoided "all or nothing" results and is consistent with our performance-driven compensation structure. We compared the proposed metrics of this award to the 2010 award and considered the adjustments to the operating margin criteria. We reviewed the proposed performance metrics for each year. Working with the Company's Chief Financial Officer and Pearl Meyer, we selected performance metrics at the threshold level that we believed to be achievable based on reasonable performance by the Company and set the target and maximum performance levels at increasingly higher levels that would require enhanced performance.

Finally, we determined that it was appropriate to require Mr. Croatti to enter into an Amended and Restated Employment Agreement, which includes a two-year noncompetition clause as a means of ensuring Mr. Croatti's continued service as our Chief Executive Officer. To this end, we continued to limit Mr. Croatti's severance rights under the employment agreement to six-months of salary, payable only if the Company terminates his employment without cause. In addition, we did not provide for any special parachute or change-in-control payments.

Based on the findings and recommendations of Pearl Meyer and our analysis of the Company's relative performance, Mr. Croatti's strong performance and his compensation relative to the CEOs of the comparison group, we voted on April 6, 2016 to recommend to the Board the award of up to 140,000 shares of restricted stock tied to specific, quantitative performance criteria and metrics set that day. The Board acted on that recommendation later that day and approved the award. The actual issuance of the award was delayed pending receipt of clearance under the Hart-Scott-Rodino Antitrust Improvement Act. Once that clearance was effective, the award was issued.

Terms

Employment Agreement. The employment agreement with Mr. Croatti provides for his employment for a term of four years, subject to earlier termination as set forth in the agreement. Pursuant to the employment agreement, Mr. Croatti's base salary for 2016 was his base salary then in effect. The agreement provides that this salary will be reviewed on an annual basis consistent with our usual practices for senior executives of the Company. The agreement also provides for the grant to him of 140,000 shares of performance-based restricted stock pursuant to the performance-based restricted stock agreement described below. The employment agreement provides that in the event that the Company terminates Mr. Croatti's employment without cause during its term, Mr. Croatti would be entitled to receive as severance one-half of his annual base salary then in effect. Mr. Croatti agreed under the employment agreement not to compete with the Company or to solicit the Company's employees or customers for a period of 24 months following his termination.

Performance-Based Restricted Stock Agreement. The grant of 140,000 shares of performance-based restricted stock (the "Performance Restricted Shares") was made to Mr. Croatti pursuant to a restricted stock agreement (the "Award Agreement"). The number of Performance Restricted Shares to be earned by Mr. Croatti will depend on whether and the extent to which the Company achieves certain consolidated revenues and adjusted operating margins as set forth in the Award Agreement during the performance periods set forth in such agreement, including performance periods relating to the second half of fiscal year 2016 and fiscal years 2017 and 2018 (collectively, the "Performance Criteria"). The threshold, target and maximum numbers of Performance Restricted Shares eligible to be earned under the Award Agreement are 100,000, 120,000 and 140,000, respectively. The Performance Restricted Shares earned upon achievement of the Performance Criteria will vest in two equal amounts on the third and fourth anniversaries of the grant date provided that Mr. Croatti continues to be employed by the Company on each such date. Mr. Croatti may transfer all or a portion of the Performance Restricted Shares to any holder of Class B Common Stock of the Company in exchange for an identical number of shares of Class B Common Stock (the "Transferred Class B Shares"). Upon any such transfer, the restrictions and conditions to which the Performance Restricted Shares are subject under the Award Agreement will lapse and such restrictions and conditions will attach to the Transferred Class B Shares. In the event that Mr. Croatti's employment is terminated without cause or by reason of death or disability prior to the vesting of the Performance Restricted Shares, all of the Performance Restricted Shares that have been or will be earned upon achievement of the Performance Criteria through the end of the fiscal year during which such termination occurred will become fully vested.

It should be noted that the foregoing summary of these agreements is qualified in its entirety by reference to each of them, copies of which have been filed as Exhibits to our Current Report on Form 8-K on April 22, 2016.

The Compensation Committee is responsible for determining whether the performance criteria under the Award Agreement have been achieved. Based on the Company's financial results for the last 6 months of Fiscal 2016, the Compensation Committee determined that the performance criteria for such period were achieved at the maximum level with respect to the Company's consolidated revenues and adjusted operating margin. Upon achievement of the applicable performance criteria, the shares of restricted stock will be subject to vesting in two equal installments beginning in 2019.

Broad-Based Benefits Programs and Perquisites

All full-time employees, including our named executive officers, may participate in our health and welfare benefit programs, including medical, dental and vision care coverage, disability insurance, life insurance and the UniFirst Corporation Profit Sharing Plan. In addition, certain of our full-time employees, including our named executive officers, may participate in the UniFirst Corporation Unfunded Supplemental Executive Retirement Plan. In fiscal 2016, our named executive officers also received certain perquisites and personal benefits set forth in the "Summary Compensation Table" below. We provide these benefits to retain and attract talented executives with the skills and experience to further our long-term strategic plan.

Employment Agreements

We generally do not enter into employment agreements with our executives. However, in connection with the CEO incentive equity award granted to Mr. Croatti in 2010, we determined that it was in the best interests of the shareholders to require him to enter into an employment agreement at that time. We then required Mr. Croatti to agree to an extension of this agreement in 2016 in conjunction with his above-described CEO incentive equity award. We believe that the contractual commitments set forth in the employment agreement, which include a two-year noncompetition clause, help to ensure Mr. Croatti's continued service as our Chief Executive Officer. To this end, we purposely limit Mr. Croatti's severance rights under the employment agreement to six-months of salary, payable only if the Company terminates his employment without cause. In addition, we did not provide for any special parachute or change-in-control payments.

Our Executive Compensation Process

The Compensation Committee of our Board of Directors is primarily responsible for establishing the compensation paid to our named executive officers. The Board of Directors has determined that each member of the Compensation Committee is “independent” as that term is defined under the applicable rules of the New York Stock Exchange. In determining executive compensation, our Compensation Committee annually reviews the performance of our named executive officers with our Chief Executive Officer, and our Chief Executive Officer makes recommendations to our Compensation Committee with respect to the appropriate base salary, annual cash incentive bonus payments and grants of long-term equity incentive awards for each of our named executive officers. Our Compensation Committee annually reviews the performance of our Chief Executive Officer and establishes the appropriate base salary, annual cash incentive bonus payments and grants of long-term equity incentive awards to be paid to him. In general, we do not engage in a formal benchmarking process in setting the compensation for our executives. However, we do benchmark against a comparison group in evaluating the periodic CEO incentive equity award.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis contained in this Proxy Statement with management. Based on such review and discussions, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement and the Company’s Annual Report on Form 10-K for the fiscal year ended August 27, 2016 for filing with the Securities and Exchange Commission.

(1) As discussed in more detail below under the heading “UniFirst Corporation Unfunded Supplemental Executive Retirement Plan”, our SERP limits the number of years of credited service to thirty for purposes of determining a participant’s benefits under the plan. The actual years of service of Messrs. Croatti and DiFillippo and Ms. Croatti are 51, 37 and 36, respectively.

(2) Amounts reported in this column represent the present value of the accumulated benefit obligation as of August 27, 2016. Our obligation has been estimated assuming benefits commence on the individual’s social security retirement date and using FASB ASC Topic 715 assumptions for mortality, assumed payment form and discount rates in effect at the measurement dates.

UniFirst Corporation Unfunded Supplemental Executive Retirement Plan

Certain of our and our affiliates' employees are eligible to participate in our SERP, including our named executive officers. Retirement benefits provided by our SERP are based on a participant's average annual base earnings, exclusive of bonuses, commissions, fringe benefits and reimbursed expenses, for the last three years of full-time employment prior to the participant's retirement date ("Final Average Earnings"). Under the SERP, upon the retirement of a participant on their social security retirement date, a participant will receive a plan benefit in an aggregate amount equal to 1.33% of the participant's Final Average Earnings multiplied by their years of service, limited to 30 years, less 3.33% of the participant's primary Social Security benefit multiplied by their years of service, limited to 30 years.

Pension payments under our SERP are made at the intervals then in effect for the payment of base salaries to our executive officers. Upon the death of a participant, the participant's designated beneficiary will be paid retirement benefits for up to 12 years from the participant's date of retirement. Our SERP provides that, upon any change in control of the Company, participants in our SERP will receive a lump sum payment equal to the actuarial equivalent of their plan benefit as of the date of the change in control.

Potential Payments Upon Termination or Change in Control

Amended and Restated Employment Agreement with Ronald D. Croatti

On April 21, 2016, we entered into an Amended and Restated Employment Agreement (the "Amended Employment Agreement") with Ronald D. Croatti, our Chairman, Chief Executive Officer and President. The Amended Employment Agreement extended the term of Mr. Croatti's existing Employment Agreement, dated as of April 5, 2010, that expired on April 5, 2016. The Amended Employment Agreement provides for the employment of Mr. Croatti for a term of four years, subject to earlier termination as set forth in the Amended Employment Agreement.

Pursuant to the Amended Employment Agreement, Mr. Croatti's base salary is his base salary currently in effect and will be reviewed on an annual basis consistent with our usual practices for senior executives. In addition, Mr. Croatti is entitled to participate in our executive cash bonus plan in the same manner as other senior executives of the Company and our CEO Cash Incentive Bonus Plan. Mr. Croatti is also entitled to receive a grant of 140,000 shares of restricted common stock pursuant to a Restricted Stock Award Agreement, which is described below. In the event that we terminate Mr. Croatti's employment without cause during the term of the Amended Employment Agreement, Mr. Croatti will be entitled to receive one-half of his annual base salary then in effect. If Mr. Croatti had been terminated without cause on August 26, 2016, the last business day of fiscal 2016, Mr. Croatti would have been entitled to receive \$393,250. Mr. Croatti has agreed under the Amended Employment Agreement not to compete with the

Company or to solicit the Company's employees or customers for a period of 24 months following his termination.

Restricted Stock Award Agreement with Ronald D. Croatti

On April 21, 2016, we entered into an Award Agreement with Mr. Croatti pursuant to which we granted 140,000 Performance Restricted Shares to Mr. Croatti. The number of Performance Restricted Shares to be earned will depend on whether and the extent to which we achieve certain Performance Criteria. The threshold, target and maximum numbers of Performance Restricted Shares eligible to be earned under the Award Agreement are 100,000, 120,000 and 140,000, respectively. The Performance Restricted Shares earned upon achievement of the Performance Criteria will vest in two equal amounts on the third and fourth anniversaries of the grant date provided that Mr. Croatti continues to be employed by us on each such date. As of August 27, 2016, 46,666 of the shares had been earned and all 140,000 shares remained unvested. In the event that Mr. Croatti's employment is terminated without cause or by reason of death or disability prior to the vesting of the Performance Restricted Shares, all of the Performance Restricted Shares that have been or will be earned upon achievement of the Performance Criteria through the end of the fiscal year during which such termination occurred will become fully vested. If Mr. Croatti's employment had been terminated without cause or by death or disability on August 26, 2016, the last business day of fiscal 2016, Mr. Croatti would have earned 46,666 Performance Restricted Shares, and all of such 46,666 Performance Restricted Shares would have become fully vested with a market value of approximately \$5,955,981 based on the closing price of our Common Stock of \$127.63 per share on such date as reported by the New York Stock Exchange.

The foregoing summaries of the Amended Employment Agreement and the Award Agreement are qualified in their entirety by reference to each of these agreements, copies of which have been filed as Exhibits to our Form 8-K on April 22, 2016.

Unfunded Supplemental Executive Retirement Plan

As discussed under the heading “UniFirst Corporation Unfunded Supplemental Executive Retirement Plan” above, upon a change in control of the Company, our named executive officers will receive a lump sum payment under our SERP equal to the actuarial equivalent of their plan benefit as of the date of the change in control. For more information concerning our SERP, see the “Pension Benefits Table – Fiscal 2016” and the discussion under the heading “UniFirst Corporation Unfunded Supplemental Executive Retirement Plan” above.

Director Compensation – Fiscal 2016

The Compensation Committee determines Director compensation based on the following principles: (1) Director compensation should be aligned with the long-term interest of shareholders, (2) compensation should be used to motivate Director behavior; (3) Directors should be adequately compensated for their time and effort; and (4) Director compensation should be approached on an overall basis, rather than as an array of separate elements.

We determine Director compensation on a calendar year basis. The non-employee Director fee schedule for calendar 2016 and calendar 2017 is as follows: an annual fee of \$38,000; an annual fee for chairing the Audit Committee of \$10,000; an annual fee for chairing a Committee other than the Audit Committee of \$5,000; an annual fee for the Lead Director of \$5,000; a \$2,750 fee for each Board meeting attended; a \$1,800 fee for each Committee meeting attended; a \$1,250 fee for participating in a telephonic Board meeting; and a \$1,000 fee for participating in a telephonic Committee meeting. As part of the annual compensation, each non-employee Director receives a fully vested stock-settled stock appreciation right with respect to that number of shares of Common Stock which will result in such stock appreciation right having a value (based on the valuation methodology used by the Company for financial reporting purposes) at the time of grant equal to \$35,000, at an exercise price equal to the closing price of the Company’s Common Stock on the grant date. In addition, each non-employee Director receives shares of unrestricted Common Stock having a value (based on the closing price of the Company’s Common Stock on the grant date) equal to \$65,000. Those Directors who satisfy the minimum share ownership requirement under the Company’s Director Stock Ownership Policy may elect to receive a cash payment of \$65,000 in lieu of the shares of unrestricted Common Stock.

Each Director who was also an employee of our Company received no Director’s fees during fiscal year 2016 and will receive no Director’s fees during fiscal year 2017.

The compensation earned by our Directors during fiscal 2016 is set forth in the table below.

Name	Fees Earned or	Stock	Share-Based	All Other	Total
	Paid in Cash	Awards(1)	Awards(2)	Compensation	
Phillip L. Cohen (3)	\$ 150,600	–	\$ 35,004	–	\$ 185,604
Donald J. Evans (3)	\$ 148,800	–	\$ 35,004	–	\$ 183,804
Thomas S. Postek	\$ 70,200	\$ 65,058	\$ 35,004	–	\$ 170,262
Michael Iandoli (4)	\$ 107,600	\$ 26,044	\$ 35,004	–	\$ 168,648
Kathleen Camilli (3)	\$ 134,200	–	\$ 35,004	–	\$ 169,204

(1) The amounts shown represent the aggregate grant date fair value related to 632 shares of unrestricted stock awarded to each of our non-employee Directors on January 15, 2016, calculated in accordance with FASB ASC Topic 718 (excluding the effect of any estimate of future forfeitures). Such shares of Common Stock granted on January 15, 2016 were fully vested on the date of grant. As described above and below, certain of our non-employee Directors elected to receive some or all of the unrestricted stock award in cash in lieu of receiving shares. Additional information concerning our financial reporting of restricted stock is presented in Notes 1 and 12 to our Consolidated Financial Statements set forth in our Annual Report on Form 10-K for the year ended August 27, 2016.

(2) The amounts shown represent the aggregate grant date fair value related to the grant of 1,335 stock-settled stock appreciation rights to each of our non-employee Directors on January 15, 2016, calculated in accordance with FASB ASC Topic 718 (excluding the effect of any estimate of future forfeitures). These stock appreciation rights were fully vested upon grant and expire eight years after the grant date or on the second anniversary of the date that the Director ceases to be a member of the Board of Directors, whichever occurs first. Additional information concerning our financial reporting of stock appreciation rights is presented in Notes 1 and 12 to our Consolidated Financial Statements set forth in our Annual Report on Form 10-K for the year ended August 27, 2016.

(3) Amounts shown include \$65,000 as fees paid in cash in lieu of receiving a grant of 632 shares of unrestricted Common Stock listed in footnote (1) above.

(4) Amounts shown include \$38,956 as fees paid in cash in lieu of receiving a partial grant of 379 shares of the total of 632 shares of unrestricted Common Stock listed in footnote (1) above.

Certain Relationships and Related Transactions

The Company's Board of Directors has adopted a written Related Person Transaction Approval Policy to monitor transactions, arrangements or relationships in which the Company is a participant and any of the following have a direct or indirect material interest: (a) an executive officer, director or director nominee; (b) an immediate family member of an executive officer, director or director nominee; (c) a shareholder that beneficially owns more than 5% of the Company's Common Stock or Class B Common Stock; or (d) any immediate family member of such 5% shareholder. The policy generally covers related person transactions that meet the minimum threshold for disclosure under relevant Securities and Exchange Commission rules. Such related person transactions generally involve amounts exceeding \$120,000.

The Company's Chief Financial Officer, together with outside legal counsel, identifies any potential related person transactions and, if he determines that a transaction constitutes a related person transaction under the policy, the Chief Financial Officer provides relevant details to the Audit Committee. If the Chief Financial Officer has an interest in a potential related person transaction, the Chief Executive Officer assumes the role of the Company's Chief Financial Officer under the policy. The Audit Committee reviews relevant information concerning any proposed transaction contemplated by the Company with an individual or entity that is the subject of a disclosed relationship, and approves or disapproves the transaction, with or without conditions. Certain related person transactions are deemed pre-approved by the Audit Committee, including transactions, arrangements or relationships where the rates or charges involved in the transactions are determined by competitive bids.

Mr. Zemlin, a Director nominee, is a partner in the law firm Goodwin Procter LLP, which serves as the Company's outside legal counsel. During fiscal 2016, the Company made payments for legal services to Goodwin Procter LLP in an amount that is less than one percent of Goodwin Procter LLP's revenues in its last fiscal year. During the 2016 fiscal year, the Company was not a participant in any other related party transactions that required disclosure under this heading.

Section 16(a) Beneficial Ownership Reporting Compliance

Executive officers, Directors and greater than 10% shareholders of the Company are required to file with the Securities and Exchange Commission pursuant to Section 16(a) of the Exchange Act, reports of ownership and changes in ownership. Executive officers, Directors and greater than 10% shareholders are required by Exchange Act regulations to furnish the Company with copies of all Section 16(a) forms they file.

To the Company's knowledge, based solely on a review of the copies of such reports furnished to the Company or written representations that no such reports were required during the 2016 fiscal year, the Company believes that, during the 2016 fiscal year, all executive officers, Directors and greater than 10% shareholders of the Company complied with applicable Section 16(a) filing requirements except for the following: each of Messrs. Sintros, DiFillippo, Michael Croatti and Ms. Croatti inadvertently filed one late Form 4 with respect to one transaction and Mr. Katz inadvertently filed two late Forms 4 with respect to two transactions.
