(4) *Non-binding advisory vote on whether a shareholder advisory vote to approve the compensation of the Company's named executive officers should occur every one, two or three years.* Abstentions and broker non-votes had no effect on the outcome because such shares were not considered votes cast.

As disclosed above, a majority of the votes cast by the holders of Class A Common Stock and Class B Common Stock voting together voted, in a non-binding advisory vote, in favor of having a shareholder vote to approve the compensation of Company's named executive officers every year. In light of such vote, and consistent with the Company's recommendation, the Company's Board of Directors determined that it currently intends to include an advisory vote to approve the compensation of the Company's named executive officers every year until the next required vote on the frequency of shareholder votes on the compensation of the Company's named executive officers.
