Explanatory Notes

Introduction

This Final Amendment to Schedule 13D ("Final Amendment to Schedule 13D"), amends and restates Amendment No. 1 to Schedule 13D filed by the Reporting Persons (as defined in Item 2, below) on November 17, 2011 ("Amendment No. 1 to Schedule 13D"), relating to their beneficial ownership of the common stock, par value \$0.001 per share (the "Common Stock"), of interclick, inc., a Delaware corporation (the "Issuer").

This Final Amendment to Schedule 13D is being filed to report a material change in the number of shares of the Issuer's Common Stock beneficially owned or deemed to be beneficially owned by the Reporting Persons, as the case may be, since the filing of Amendment No. 1 to Schedule 13D.

Item 1. Security and Issuer.

The name of the Issuer is interclick, inc. The address of the Issuer's principal executive offices is 11 West 19th Street, 10th Floor, New York, New York 10011. This Final Amendment to Schedule 13D relates to the Issuer's Common Stock.

Item 2. Identity and Background.

(a)-(c), (f). This Final Amendment to Schedule 13D is being filed by ICS Opportunities, Ltd., an exempted limited company organized under the laws of the Cayman Islands ("ICS Opportunities").

Millennium International Management LP, a Delaware limited partnership ("Millennium International Management"), is the investment manager to ICS Opportunities, and may be deemed to have shared voting control and investment discretion over securities owned by ICS Opportunities.

Millennium International Management GP LLC, a Delaware limited liability company ("Millennium International Management GP"), is the general partner of Millennium International Management, and may also be deemed to have shared voting control and investment discretion over securities owned by ICS Opportunities.

Millennium Management LLC, a Delaware limited liability company ("Millennium Management"), is the general partner of the 100% shareholder of ICS Opportunities, and may be deemed to have shared voting control and investment discretion over securities owned by ICS Opportunities.

Israel A. Englander, a United States citizen ("Mr. Englander"), is the managing member of Millennium International Management GP and Millennium Management, and consequently may also be deemed to have shared voting control and investment discretion over securities owned by ICS Opportunities.

The foregoing should not be construed in and of itself as an admission by Millennium International Management, Millennium International Management GP, Millennium Management or Mr. Englander as to beneficial ownership of the securities owned by ICS Opportunities.

ICS Opportunities, Millennium International Management, Millennium International Management GP, Millennium Management and Mr. Englander will be collectively referred to as the reporting persons ("Reporting Persons") in this Final Amendment to Schedule 13D.

The business address for ICS Opportunities is c/o Millennium International Management, 666 Fifth Avenue, New York, New York 10103. The business address for Mr. Englander is c/o Millennium Management LLC, 666 Fifth Avenue, New York, New York 10103. The business address for Millennium International Management, Millennium

International Management GP and Millennium Management is 666 Fifth Avenue, New York, New York 10103.

(d)-(e) During the past five years, none of the Reporting Persons have been (i) convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (ii) a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws, or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration.

The amount of funds used to purchase the 1,011,491 shares of the Issuer's Common Stock beneficially owned by ICS Opportunities was approximately \$9,072,115, calculated on an average cost basis (excluding brokerage commissions) by account. ICS Opportunities effects purchases of securities primarily through margin accounts maintained for it with prime brokers, which may extend margin credit to ICS Opportunities as and when required to open or carry positions in the margin accounts, subject to applicable margin regulations, stock exchange rules and the prime broker's credit policies. In such instances, the positions held in the margin accounts are pledged as collateral security for the repayment of debit balances in the accounts.

Item 4. Purpose of Transaction.

The Reporting Persons are engaged in the investment business, and in the course of that business employ the services of a number of portfolio managers, each of whom independently employs a separate and distinct trading strategy. A portion of the securities of the Issuer held by the Reporting Persons may be managed by portfolio managers who engage in event-, risk- or merger-arbitrage or fundamental strategies.

In pursuing their business, some of the Reporting Persons' portfolio managers analyze the operations, capital structure and markets of companies, including the Issuer, on a continuous basis, through analysis of documentation and discussions with knowledgeable industry and market observers and with representatives of such companies (often at the invitation of management). (Other portfolio managers, who may also have long or short positions in securities of the Issuer from time to time, trade pursuant to quantitative or other strategies that do not involve such analyses and discussions.) From time to time, one or more of the portfolio managers may hold discussions with third parties or with management of issuers (including the Issuer) in which the portfolio managers may suggest or take a position with respect to potential changes in the operations, management or capital structure of such companies as a means of enhancing shareholder value. Such suggestions or positions may relate to one or more transactions of the type specified in clauses (a) through (j) of Item 4 of Schedule 13D of the Exchange Act, including, without limitation, such matters as disposing of or selling all or a portion of the company or acquiring another company or business, changing operating or marketing strategies, adopting or not adopting certain types of anti-takeover measures and restructuring the Issuer's capitalization or dividend policy.

Except as set forth above, the Reporting Persons do not have any present plans or proposals that relate to or would result in any of the actions required to be described in Item 4 of this Final Amendment to Schedule 13D. Each of the Reporting Persons may, at any time, review or reconsider its position with respect to the Issuer and formulate plans or proposals with respect to any of such matters, but has no present intention of doing so.

Item 5. Interest in Securities of the Issuer.

(a) As of the close of business on November 22, 2011, ICS Opportunities beneficially owned 1,011,491 shares or 4.0% of the Issuer's Common Stock outstanding. The calculation of the foregoing percentage is on the basis of 25,208,416 shares of Common Stock outstanding as of November 8, 2011, as per the Issuer's Form 10-Q dated November 10, 2011.

Millennium International Management, as the investment manager to ICS Opportunities, may be deemed to have shared voting control and investment discretion over securities owned by ICS Opportunities.

Millennium International Management GP, as the general partner of Millennium International Management, may also be deemed to have shared voting control and investment discretion over securities owned by ICS Opportunities.

Millennium Management, as the general partner of the 100% shareholder of ICS Opportunities, may also be deemed to have shared voting control and investment discretion over securities owned by ICS Opportunities.

Mr. Englander, as the managing member of Millennium International Management GP and Millennium Management, may also be deemed to have shared voting control and investment discretion over securities owned by ICS Opportunities.

The foregoing should not be construed in and of itself as an admission by Millennium International Management, Millennium International Management GP, Millennium Management or Mr. Englander as to beneficial ownership of the securities owned by ICS Opportunities.

(b) As of the close of business on November 22, 2011, ICS Opportunities held shared power to vote and dispose of 1,011,491 shares of the Issuer's Common Stock described in (a) above. As of the close of business on November 22, 2011, Millennium International Management, Millennium International Management GP, Millennium Management and Mr. Englander may be deemed to have held shared power to vote and to dispose of the 1,011,491 shares of the Issuer's Common Stock described in (a) above. The foregoing should not be construed in and of itself as an admission by Millennium International Management, Millennium International Management GP, Millennium Management or Mr. Englander as to beneficial ownership of the securities owned by ICS Opportunities.

(c) Transactions in the Issuer's Common Stock since November 17, 2011, the date that Amendment No. 1 to Schedule 13D was filed with the Securities and Exchange Commission: Schedule A annexed hereto lists all transactions in the Issuer's Common Stock effected by the Reporting Persons since November 17, 2011. All such transactions in the Issuer's Common Stock were effected by ICS Opportunities in the open market.

(d) No person other than the Reporting Persons is known to have the right to receive, or the power to direct the receipt of, dividends from, or proceeds from the sale of, the shares of the Issuer's Common Stock reported in this Final Amendment to Schedule 13D.

(e) The Reporting Persons ceased to beneficially own in excess of 5% of the Issuer's Common Stock on November 22, 2011.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

In connection with arrangements with ICS Opportunities' prime brokers, such prime brokers are permitted to lend securities in ICS Opportunities' accounts to the extent permitted by debit balances in such accounts. ICS Opportunities generally will not have any knowledge of the specific loans made by such prime brokers. In addition, in the ordinary course of business, ICS Opportunities (or its prime brokers), may borrow securities to satisfy delivery obligations arising from short sales. Shares lent by ICS Opportunities' prime brokers may not be able to be recalled in advance of an applicable record date and thus, such loaned shares may not be able to be voted by ICS Opportunities.

There are no other contracts, arrangements, understandings or relationships among the Reporting Persons, or between the Reporting Persons and any other person, with respect to the securities of the Issuer.
