### **Item 1.01 Entry into a Material Definitive Agreement.**

As previously reported, on June 1, 2017 the Company entered into agreements (the “Agreements”) with certain holders (the “Holders”) of Company Common Stock Purchase Warrants pursuant to offer letters dated May 31, 2017 (the “Offer Letters”). Pursuant to the Agreements, the Company reduced the exercise price of such Warrants, the Holders exercised their Warrants and the Company issued to such Holders new Series A Common Stock Purchase Warrants (the “Series A Warrants”) to purchase up to 2,500,000 shares of Common Stock at an exercise price of \$0.60 per share, with an exercise period commencing six months after issuance and ending on March 6, 2022, and new Series B Common Stock Purchase Warrants (the “Series B Warrants” and, along with the Series A Warrants, the “Warrants”) to purchase up to 8,00,000 shares of Common Stock at an exercise price of \$0.60 per share, with an exercise period of three months, commencing six months after issuance. The Warrants have cashless exercise provisions in the event that there is not an effective registration statement covering the resale of the shares issuable upon exercise of the Warrants when they are exercisable (commencing in six months).

Subsequent to the foregoing transaction, the Company was informed by the NYSE MKT that such transaction would require stockholder approval. The Company disagrees with the position of the NYSE MKT. However, to resolve the issue, the Company and the Holders have entered into an exchange transaction (the “Exchange Transaction”) pursuant to which the Holders will exchange all of their Warrants for new warrants (respectively, the “Series A Exchange Warrants” and the “Series B Exchange Warrants” and, collectively, the “Exchange Warrants”) identical to the Warrants except as follows: The exercise price of both Exchange Warrants will be \$0.45 per share, subject to adjustment therein, and the number of Series B Exchange Warrants to be issued will be proportionately reduced so that all Exchange Warrants in the Exchange Transaction will not exceed 19.9% of the number of the Company’s issued and outstanding shares of Common Stock as of May 31, 2017, the date of the Offer Letters.

The foregoing summaries of the terms of the Exchange Agreement between the Company and the Holders, the Series A Exchange Warrants and the Series B Exchange Warrants are subject to, and qualified in their entirety by, such documents filed herewith as Exhibits 10.1, 4.1 and 4.2, respectively, and are incorporated herein by reference.

### **Item 3.02 Unregistered Sales of Equity Securities.**

The information contained above in Item 1.01 is hereby incorporated by reference into this Item 3.02. The issuance of the Exchange Warrants by the Company and the shares of Common Stock issuable upon exercise of the Exchange Warrants is exempt from registration pursuant to Sections 3(a)(9) and 4(a)(2) of the Securities Act of 1933, as amended.
