**Item 5.03**            **Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

On March 6, 2019, we filed a Certificate of Designation of Preferences, Rights and Limitations of Series B Convertible Preferred Stock (the “Certificate of Designation”) with the Delaware Secretary of State creating a new series of our authorized preferred stock, par value \$0.001 per share, designated as the “Series B Convertible Preferred Stock” (the “Series B Preferred Stock”). The number of shares initially constituting the Series B Preferred Stock was set at 10,000 shares.

Each share of Series B Preferred Stock will be convertible at our option at any time on or after March 8, 2021 or at the option of the holder at any time, into the number of shares of our common stock determined by dividing the \$1,000 stated value per share of the Series B Preferred Stock by a conversion price of \$0.20 per share. In addition, the conversion price per share is subject to adjustment for stock dividends, distributions, subdivisions, combinations or reclassifications. Subject to limited exceptions, neither the Company nor a holder of the Series B Preferred Stock will have the right to convert any portion of the Series B Preferred Stock to the extent that, after giving effect to the conversion, the holder, together with its affiliates, would beneficially own in excess of 4.99% of the number of shares of our common stock outstanding immediately after giving effect to its conversion. In the event that a conversion is effected at our option, we will exercise such option to convert shares of Series B Preferred Stock on a pro rata basis among all of the holders based on such holders’ shares of Series B Preferred Stock.

In the event we effect certain mergers, consolidations, sales of substantially all of our assets, tender or exchange offers, reclassifications or share exchanges in which our common stock is effectively converted into or exchanged for other securities, cash or property, we consummate a business combination in which another person acquires 50% of the outstanding shares of our common stock, or any person or group becomes the beneficial owner of 50% of the aggregate ordinary voting power represented by our issued and outstanding common stock, then, upon any subsequent conversion of the Series B Preferred Stock, the holders of the Series B Preferred Stock will have the right to receive any shares of the acquiring corporation or other consideration it would have been entitled to receive if it had been a holder of the number of shares of common stock then issuable upon conversion in full of the Series B Preferred Stock.

Holders of Series B Preferred Stock shall be entitled to receive dividends (on an as-if-converted-to-common-stock basis) in the same form as dividends actually paid on shares of the common stock when, as and if such dividends are paid on shares of common stock.

Except as otherwise provided in the Certificate of Designation or as otherwise required by law, the Series B Preferred Stock has no voting rights.

Upon our liquidation, dissolution or winding-up, whether voluntary or involuntary, holders of Series B Preferred Stock will be entitled to receive out of our assets, whether capital or surplus, the same amount that a holder of common stock would receive if the Series B Preferred Stock were fully converted (disregarding for such purpose any conversion limitations under the Certificate of Designation) to common stock, which amounts shall be paid pari passu with all holders of common stock.

We are not obligated to redeem or repurchase any shares of Series B Preferred Stock. Shares of Series B Preferred Stock are not otherwise entitled to any redemption rights, or mandatory sinking fund or analogous provisions.

The foregoing description is not complete and is qualified in its entirety by reference to the full text of the Certificate of Designation, a copy of which is filed as Exhibit 3.1 to this report and incorporated by reference herein.

### **Item 8.01 Other Events**

On March 5, 2019, the subscription period ended for the Company's previously announced rights offering pursuant to its effective registration statement on Form S-1, as amended (Registration Statement No. 333-229051), previously filed with and declared effective by the Securities and Exchange Commission (the "SEC"), and a prospectus and two prospectus supplements filed with the SEC (the "Rights Offering"). Pursuant to the Rights Offering, the Company sold an aggregate of 5,312 units consisting of an aggregate 5,312 shares of Series B Preferred Stock and 26,560,000 warrants, with each warrant exercisable for one share of Common Stock at an exercise price of \$0.20 per share, resulting in net proceeds to the Company of approximately \$4.69 million, after deducting expenses relating to the Rights Offering, including dealer-manager fees and expenses, and excluding any proceeds received upon exercise of any warrants.

In connection with the Rights Offering, on March 8, 2019, the Company entered into a Warrant Agency Agreement with American Stock Transfer & Trust Company, LLC. A copy of the agreement is filed as Exhibit 4.1 to this report and is incorporated by reference herein.
