INFORMATION CONCERNING SOLICITATION AND VOTING

Why did I receive this Proxy Statement?

Our Board of Directors is soliciting your proxy to vote at the Annual Meeting because you were a shareholder of record at the close of business on April 13, 2018 (the **Record Date**) and are entitled to vote at the meeting. The Company has delivered to you by mail beginning on or about April 13, 2018, the Proxy Statement and the Annual Report, along with either a proxy card or a voting instruction card. This Proxy Statement summarizes the information you need to know to vote at the Annual Meeting. You do not need to attend the Annual Meeting to vote your shares.

Who is entitled to vote?

Shareholders as of the close of business on the Record Date are entitled to vote. Each shareholder is entitled to one vote for each share of common stock held on the Record Date. Shareholders are not entitled to cumulative voting.

Who can attend the Annual Meeting?

All shareholders as of the Record Date, or their duly appointed proxies, may attend.

What do I need to be admitted to the Annual Meeting?

In order to be admitted to the Annual Meeting, a shareholder must present proof of ownership of Lightwave Logic stock on the Record Date. Any holder of a proxy from a shareholder must present the proxy card, properly executed. If your shares are held in the name of a bank, broker or other holder of record, you must present proof of your ownership, such as a bank or brokerage account statement, to be admitted to the meeting. All shareholders must also present a form of personal identification in order to be admitted to the meeting.

What am I being asked to vote on at the meeting?

We are asking our shareholders to elect directors, ratify the appointment of our independent registered public accounting firm, approve our executive compensation in a non-binding advisory vote and approve the frequency in which we seek approval of our executive compensation in a non-binding advisory vote.

How many votes are needed for approval of each item?

Proposal Number 1. Directors will be elected by a plurality of the votes cast in person or by proxy, meaning the two nominees receiving the most votes will be elected as directors. A withhold vote with respect to any nominee will have no effect on the election of that nominee. Shareholders are not entitled to cumulative voting with respect to the election of directors.

Proposal Number 2. The appointment of our independent registered public accounting firm will be ratified if a majority of the votes present in person or by proxy and entitled to vote on the matter vote in favor of the proposal. Abstentions will have the same effect as a vote against this proposal, and broker non-votes will have no effect on the vote for this proposal.

Proposal Number 3. The non-binding advisory vote on the compensation of our named executive officers will be approved if a majority of the votes present in person or by proxy and entitled to vote on the matter vote in favor of the proposal.

Abstentions will have the same effect as a vote against this proposal, and broker non-votes will have no effect on the vote for this proposal.

Proposal Number 4. The non-binding advisory vote on how frequently we should seek an advisory vote on the compensation of our named executive officers will be approved. If none of the alternatives receives the majority of votes cast, the Company will consider the alternative that receives the highest number of votes cast by shareholders to be the frequency selected by the shareholders. Abstentions will not be counted in determining which of the three alternatives are favored by our shareholders, and broker non-votes will have no effect on the vote for this proposal.

Unless a contrary choice is indicated, all duly executed proxies will be voted in accordance with the instructions set forth on the proxy card.

What constitutes a quorum?

As of the Record Date, 75,104,532 shares of our common stock were issued and outstanding. The presence, either in person or by proxy, of the holders of thirty-three and one-third percent (33.3%) of these outstanding shares is necessary to constitute a quorum for the Annual Meeting. Abstentions and broker non-votes are counted as present and entitled to vote for purposes of determining a quorum.

How do I vote?

Record Holders:

1. Vote by Internet. Follow the VOTE BY INTERNET instructions on your proxy card.
2. Vote by phone. Follow the VOTE BY PHONE instructions on your proxy card.
3. Vote by mail. Follow the VOTE BY MAIL instructions on your proxy card (a postage-paid envelope is provided for mailing in the United States).
4. Vote in person. Attend and vote at the Annual Meeting.

If you vote by phone or Internet, please DO NOT mail your proxy card.

Beneficial Owners (Holding Shares in Street Name):

1. Vote by Internet. Follow the VOTE BY INTERNET instructions on the enclosed vote instruction form.
2. Vote by phone. Follow the VOTE BY PHONE instructions on the enclosed vote instruction form.
3. Vote by mail. Follow the VOTE BY MAIL instructions on the enclosed vote instruction form (a postage-paid envelope is provided for mailing in the United States).
4. Vote in person. Obtain a valid legal proxy from the organization that holds your shares and attend and vote at the Annual Meeting.

If you vote by phone or Internet, please DO NOT mail your proxy card.

What is the difference between being a record holder and holding shares in street name?

Most shareholders of the Company hold their shares in a stock brokerage account or through a nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Record Holders: If your shares are registered directly in your name with our Company's transfer agent, Broadridge, you are considered the shareholder of record with respect to those shares, and these proxy materials are being sent directly to you by the Company. As the shareholder of record, you have the right to grant your voting proxy directly to us or to vote in person at the Annual Meeting. We have enclosed a proxy card for you to use.

If you hold your shares in street name : If your shares are held in a stock brokerage account or by a nominee, you are considered the beneficial owner of the shares which are held in street name and these proxy materials are being forwarded to you by your nominee, who is considered the shareholder of record with respect to these shares. As the beneficial owner, you have the right to direct your nominee on how to vote and are also invited to attend the Annual Meeting. However, since you are not the shareholder of record, you may not vote these shares in person at the Annual Meeting unless you request, complete and deliver a legal proxy from your nominee. Your nominee has enclosed a voting instruction card for you to use in directing the nominee how to vote your shares.

What happens if I return my signed proxy card but forget to indicate how I want my shares of common stock voted?

If you sign, date and return your proxy and do not mark how you want to vote, your proxy will be counted as a vote FOR all of the nominees for directors and FOR all of the other proposals.

What happens if I do not instruct my broker how to vote or if I mark ☐ abstain or ☐ withhold authority on the proxy?

If you mark your proxy ☐ abstain your vote will have the same effect as a vote against the proposal, except for Proposal 4 whereby abstentions will not be counted in determining which of the three alternatives are favored by our shareholders. A ☐ withhold vote with respect to any director nominee will have no effect on the election of that nominee. If you do not instruct your broker how to vote, your broker may vote for you on ☐ routine proposals but not on ☐ non-routine proposals. The ratification of our auditor is considered a routine matter, but all other proposals are considered non-routine matters. Therefore, if you do not vote on the non-routine matters or provide voting instructions, your broker will not be allowed to vote your shares on those matters and your broker will return your proxy card with no vote (the ☐ non-vote) on the non-routine matter. Broker non-votes with respect to a matter will not be considered as present and entitled to vote with respect to that matter and thus will have no effect on the vote for that matter.

Can I revoke or change my voting instructions before the meeting?

For shares that are held in "street name", the shareholder must follow the directions provided by its bank, broker or other intermediary for revoking or modifying voting instructions. For shares that are registered in the shareholder's own name, the proxy may be revoked by written notification to the Company Secretary prior to its exercise and providing relevant name and account information, submitting a new proxy card with a later date (which will override the earlier proxy) or voting in person at the Annual Meeting.

Who will count the vote?

A Broadridge representative will tabulate the votes and act as inspector of election at the Annual Meeting.

Where can I find the voting results of the Annual Meeting?

We intend to publish the final results in a current report on Form 8-K within four business days after the end of the Annual Meeting.

What does it mean if I get more than one proxy card?

It means that you hold shares registered in more than one account. You must return all proxies to ensure that all of your shares are voted.

How many copies of the Proxy Statement or Annual Report to Shareholders will I receive if I share my mailing address with another security holder?

Unless we have been instructed otherwise, we are delivering only one Proxy Statement or Annual Report to Shareholders to multiple security holders sharing the same address. This is commonly referred to as householding. We will however, deliver promptly a separate copy of the Proxy Statement or Annual Report to Shareholders to a security holder at a shared address to which a single copy of such documents was delivered, on written or oral request. Requests for copies of the Proxy Statement or Annual Report to Shareholders or requests to cease householding in the future should be directed to: Secretary, Lightwave Logic, Inc., 369 Inverness Parkway, Suite 350, Englewood, CO 80112. Telephone 720-340-4949. If you share an address with another shareholder and wish to receive a single copy of these documents, instead of multiple copies, you may direct this request to us at the address or telephone number listed above. Shareholders who hold shares in street name may contact their brokerage firm, bank, broker-dealer or other similar organization to request information about householding.

How can I obtain additional proxy materials or other Company materials?

The proxy materials and Annual Report included in this package, along with the Company's other SEC filings, are available on the internet under the **Investors** page of the Company's website at www.lightwavelogic.com. Any shareholder desiring additional proxy materials, a copy of any other document incorporated by reference in this Proxy Statement, or a copy of the Company's bylaws should contact the Company's Secretary. Requests should be directed to: Secretary, Lightwave Logic, Inc., 369 Inverness Parkway, Suite 350, Englewood, CO 80112. Telephone 720-340-4949.

Who pays for the cost of this proxy solicitation?

The Company pays for the cost of soliciting proxies on behalf of the Board of Directors. We have retained Morrow Sodali LLC, 470 West Ave., Third Floor, Stamford, Connecticut 06902, to aid in the solicitation of proxy materials for the estimated fee of \$7,500 plus expenses. The Company also will reimburse brokerage firms and other custodians, nominees and fiduciaries for their reasonable expenses in forwarding proxy material to beneficial owners. Proxies may be solicited by mail, telephone, other electronic means or in person. Directors, officers and regular, full-time employees of the Company, none of whom will receive any additional compensation for their services, may solicit proxies.

Who are the largest principal shareholders?

See *Security Ownership of Certain Beneficial Owners* elsewhere in this Proxy Statement for a table setting forth each owner of greater than 5% of the Company's common stock as of the Record Date.

What percentages of stock do the directors and officers own?

Together, they own approximately 9% of our Company common stock as of the Record Date. For information regarding the ownership of our common stock by management, see the section entitled *Security Ownership of Management* elsewhere in this Proxy Statement.

Do I have dissenters' rights of appraisal?

Under Nevada Revised Statutes, our shareholders are not entitled to appraisal rights with respect to any of the items proposed to be voted upon at the Annual Meeting.

Where can I find general information about the Company?

General information about us can be found on our website at www.lightwavelogic.com. The information on our website is for informational purposes only and should not be relied upon for investment purposes. The information on our website is not incorporated by reference into this Proxy Statement and should not be considered part of this or any other report that we file with the Securities and Exchange Commission (**SEC**). Our reports filed with, or furnished to, the SEC are also available directly at the SEC's website at www.sec.gov.

ALL PROXIES RECEIVED WILL BE VOTED IN ACCORDANCE WITH THE CHOICES SPECIFIED ON SUCH PROXIES. PROXIES WILL BE VOTED IN FAVOR OF EACH DIRECTOR NOMINEE AND FOR A PROPOSAL IF NO CONTRARY SPECIFICATION IS MADE. ALL VALID PROXIES OBTAINED WILL BE VOTED AT THE DISCRETION OF THE PERSONS NAMED IN THE PROXY WITH RESPECT TO ANY OTHER BUSINESS THAT MAY COME BEFORE THE ANNUAL MEETING.

Transactions with Related Persons

Dr. Frederick J. Leonberger, through EOvation Advisors LLC, has served as a senior advisor to our Company since December 2011, with emphasis on modulator/technology development. Information regarding compensation paid to Dr. Leonberger in 2017 is described in EXECUTIVE COMPENSATION below.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires that our executive officers and directors, and persons who own more than ten percent of a registered class of our equity securities, file reports of ownership and changes in ownership with the SEC. Executive officers, directors and greater-than-ten percent shareholders are required by SEC regulations to furnish us with all Section 16(a) forms they file. To the best of our knowledge, based solely upon a review of Forms 3 and 4 and amendments thereto furnished to our Company during its most recent fiscal year and Forms 5 and amendments thereto furnished to our Company with respect to its most recent fiscal year, and any written

representation referred to in paragraph (b)(1) of Item 405 of Regulation S-K, all of our executive officers, directors and greater-than-ten percent shareholders complied with all Section 16(a) filing requirements with the following exception: Mr. Ronald Bucchi filed one late Form 4 to report an employee stock option he acquired directly from the Company.

CORPORATE GOVERNANCE

Code of Ethics

Our Company has adopted a Code of Ethics and Business Conduct that applies to all of the Company's employees, including its principal executive officer and principal financial officer. A copy of our Code of Ethics and Business Conduct is available for review on the Investors - Governance page of our Company's website www.lightwavelogic.com. The Company intends to disclose any changes in or waivers from its Code of Ethics and Business Conduct by posting such information on its website.

Audit Committee

Our Company has in place a separately designated standing audit committee in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended. Our audit committee is governed by an audit committee charter. A copy of our Audit Committee Charter is available for review on the Investors - Governance page of our Company's website www.lightwavelogic.com.

Our audit committee has reviewed and discussed the audited financial statements with management and has discussed with its independent auditors the matters required to be discussed by the statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU section 380) as adopted by the Public Company Accounting Oversight Board in Rule 3200T. The audit committee has received the written disclosures and the letter from its independent accountant required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence and has discussed with its independent accountant the independent accountant's independence. Based on the review and discussions described above, the audit committee recommended to the Board of directors that the audited financial statements be included in our Annual Report on Form 10-K for the last fiscal year for filing with the Securities and Exchange Commission. This Audit Committee Report has been furnished by the following directors who comprise the Audit Committee of the Board of Directors: Ronald A. Bucchi, William C. Pickett, III and Siraj Nour El-Ahmadi.

Our audit committee is comprised of Ronald A. Bucchi, William C. Pickett, III and Siraj Nour El-Ahmadi, each of whom is an independent director, as defined below in Director Independence. Mr. Bucchi serves as our audit committee financial expert as that term is defined by the rules promulgated by the Securities and Exchange Commission. During our last fiscal year, our Audit Committee held four (4) meetings.

Compensation Committee

Our entire Board of Directors serves as our Compensation Committee. Our Board of Directors does not have a standing compensation committee or committee performing similar functions. This is due to our development stage, the small number of executive officers involved with our Company, and the fact that we operate with few employees. Our entire Board of Directors currently participates in the consideration of executive officer and director compensation. We do not have a Compensation Committee charter. Our Board of Directors is responsible for reviewing, recommending and approving our compensation policies and benefits, including the compensation of all of our executive officers and directors. Our Board of Directors also has the principal responsibility for the administration of our employee stock plan. Our Board of Directors will continue to evaluate, from time to time, whether it should appoint a standing compensation committee.

Executive officers who are also directors participate in determining or recommending the amount or form of executive and director compensation, but the independent directors ultimately determine the executive compensation. During 2017, Michael S. Lebbby, Thomas E. Zelibor and James S. Marcelli served as both executive officers and directors of our Company. Neither the Board of Directors nor management utilizes compensation consultants in determining or recommending the amount or form of executive and director compensation.

Nominating Committee

Our Board of Directors does not have a nominating committee. This is due to our development stage and smaller sized Board of Directors. Instead of having such a committee, our Board of Directors historically has searched for and evaluated qualified individuals to become nominees for membership on our Board of Directors. The directors recommend candidates for nomination for election or reelection for each annual meeting of shareholders and, as necessary, to fill vacancies and newly created directorships.

All of our director nominees have expressed their willingness to continue to serve as our directors. When new candidates for our Board of Directors are sought, all of our directors evaluate each candidate for nomination as director within the context of the needs and the composition of the board as a whole. The Board of Directors conducts any appropriate and necessary inquiries into the backgrounds and qualifications of candidates. When evaluating director nominees, our Board of Directors generally seeks to identify individuals with diverse, yet complementary backgrounds. Our directors consider both the personal characteristics and experience of director nominees, including each nominee's independence, diversity, age, skills, expertise, time availability and industry background in the context of the needs of the Board of Directors and the Company. The Board of Directors believes that director nominees should exhibit proven leadership capabilities and experience at a high level of responsibility within their chosen fields, and have the experience and ability to analyze business and/or scientific issues facing our Company. In addition to business expertise, the Board of Directors requires that director nominees have the highest personal and professional ethics, integrity and values and, above all, are committed to representing the long-term interests of our shareholders and other stakeholders. To date, all new candidates have been identified by members of our Board of Directors, and we have not paid any fee to a third party to assist in the process of identifying or evaluating director candidates.

Our directors will consider candidates for nomination as director who are recommended by a shareholder and will not evaluate any candidate for nomination for director differently because the candidate was recommended by a shareholder. To date, we have not received or rejected any suggestions for a director candidate recommended by any shareholder or group of shareholders owning more than 5% of our common stock.

When submitting candidates for nomination to be elected at our annual meeting of shareholders, shareholders should follow the following notice procedures and comply with applicable provisions of our bylaws. To consider a candidate recommended by a shareholder for nomination at the 2019 Annual Meeting of Shareholders, the recommendation must be delivered or mailed to and received by our Secretary within the time periods discussed elsewhere in this Proxy Statement under the heading Shareholder Proposals for 2019 Annual Meeting. The recommendation must include the information specified in our bylaws for shareholder nominees to be considered at an annual meeting, along with the following:

- The shareholder's name and address and the beneficial owner, if any, on whose behalf the nomination is proposed;
- The shareholder's reason for making the nomination at the annual meeting, and the signed consent of the nominee to serve if elected;
- The number of shares owned by, and any material interest of, the record owner and the beneficial owner, if any, on whose behalf the record owner is proposing the nominee;
- A description of any arrangements or understandings between the shareholder, the nominee and any other person regarding the nomination; and
- Information regarding the nominee that would be required to be included in our Proxy Statement by the rules of the Securities and Exchange Commission, including the nominee's age, business experience for the past five years and any other directorships held by the nominee.

The information listed above is not a complete list of requisite information. The Secretary will forward any timely recommendations containing the required information to our independent directors for consideration.

No material changes to the procedures by which our shareholders may recommend nominees to our Board of Directors has occurred since we last provided disclosure regarding these procedures in our Definitive Schedule 14A filed on April 13, 2017.

Operations Committee

Our Board of Directors has established an Operations Committee in order to utilize the talent of its members of the Board of Directors on a temporary basis for various short-term Company projects. Dr. Frederick Leonberger became a director of our Company on April 1, 2017 and was appointed to serve on the Company's Operations Committee at that time. The Operations Committee Charter is available to shareholders on our website at www.lightwavelogic.com. During our last fiscal year, our Operations Committee held no meetings.

Director Independence

Although we are currently traded on the OTCQB Market, our Board of Directors has reviewed each of the Directors relationships with the Company in conjunction with NASDAQ Listing Rule 5605(a)(2) that provides that an independent director is a person other than an Executive Officer or employee of the Company or any other individual having a relationship which, in the opinion of the Company's board of directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Our Board of Directors has affirmatively determined that the following directors, William C. Pickett, III, Dr. Joseph A. Miller, Jr., Ronald A. Bucchi, and Siraj Nour El-Ahmadi are independent directors in that they are independent of management and free of any relationship that would interfere with their independent judgment as members of our Board of Directors. In making such determination, our Board of Directors considered the relationships that each such non-employee director has with our Company and all other facts and circumstances that our Board of Directors deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each non-employee director. The following members of our Board of Directors, Thomas E. Zelibor, Dr. Michael S. Lebby, James S. Marcelli, Dr. Frederick J. Leonberger, and Andrew Ashton (served as a director from 2004 to March 2017) are not independent directors pursuant to the standards described above.

Our Company does not have a separately designated nominating or compensation committee or committee performing similar functions; therefore, our full Board of Directors currently serves in these capacities.

Policies and Procedures for Related-Party Transactions

Our Company does not have any formal written policies or procedures for related party transactions, however in practice, our Board of Directors reviews and approves all related party transactions and other matters pertaining to the integrity of management, including potential conflicts of interest, trading in our securities, or adherence to standards of business conduct.

Board Leadership Structure

Our bylaws provide the Board of Directors with flexibility to combine or separate the positions of Chair of the Board and Principal Executive Officer in accordance with its determination that utilizing one or the other structure is in the best interests of our Company. Our current structure is that of separate Principal Executive Officer and Chair of the Board of Directors. Dr. Michael S. Lebby serves as our Principal Executive Officer and is responsible for the overall general management of the Company and supervision of Company policies, setting the Company's strategies, formulating and overseeing the Company's business plan, raising capital, expanding the Company's management team

and the general promotion of the Company. Thomas E. Zelibor serves as our Chair of the Board of Directors, which is a non-executive position, and is responsible for performing a variety of functions related to our corporate leadership and governance, including steering the direction of the Company, coordinating board activities, setting relevant items on the agenda, leading the Board's review of our Chief Executive Officer and ensuring adequate communication between the Board of Directors and management, which he does in conjunction with the independent directors. Mr. Zelibor is not considered an independent director. Our Board of Directors has determined that this leadership structure is appropriate for the size of our Company.

Our Board is comprised of six outside directors and two inside directors, four of which are independent and four of which are non-independent. Our Board of Directors has determined that maintaining the independence of a majority of our directors helps maintain its independent oversight of management and it hopes to name an additional candidate to the Board who can be affirmatively determined to be an independent director.

Risk Oversight

The Board of Directors is actively involved in the oversight of risks, including strategic, operational and other risks, which could affect our business. The Board of Directors does not have a standing risk management committee, but administers this oversight function directly through the Board of Directors as a whole, which oversee risks relevant to their respective functions. The Board of Directors considers strategic risks and opportunities and administers its respective risk oversight function by evaluating management's monitoring, assessment and management of risks, including steps taken to limit our exposure to known risks, through regular interaction with our senior management and in Board and committee deliberations that are closed to members of management. The interaction with management occurs not only at formal Board and committee meetings but also through periodic and other written and oral communications. Our Audit Committee is responsible for oversight of our Company's accounting and financial reporting processes and also discusses with management the Company's financial statements, internal controls and other accounting and related matters.

Shareholder Communications with the Board

Shareholders who desire to communicate with the Board of Directors, or a specific director, may do so by sending the communication addressed to either the Board of Directors or any director, c/o Lightwave Logic, Inc., 369 Inverness Parkway, Suite 350, Englewood, CO 80112. These communications will be delivered to the Board, or any individual director, as specified.

Meetings of the Board and Committees; Meeting Attendance

During 2017, there were five (5) meetings of the Board of Directors. During fiscal 2017, all of the directors attended over 75% of the Board and committee meetings for which the directors served. The Board of Directors also acted at times by unanimous written consent, as authorized by our bylaws and the Nevada Revised Statutes.

We have no policy regarding the attendance of the members of our Board of Directors at our annual meetings of security holders. Seven of the eight members of our Board of Directors attended our 2017 annual meeting.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The Company's entire Board of Directors currently participates in the review and determination of the compensation packages of our executive officers because our Board of Directors currently has no standing compensation committee or committee performing similar functions. A discussion of the policies and decisions that shape our executive compensation program, including the specific objectives and elements, is set forth below.

Executive Compensation Objectives and Philosophy

The objective of our executive compensation program is to attract, retain and motivate talented executives who are critical for the continued growth and success of our Company and to align the interests of these executives with those of our shareholders. To this end, our compensation programs for executive officers are designed to achieve the following objectives:

- .
- attract talented and experienced executives to join the Company;
- .
- motivate, reward and retain executives whose knowledge, skills and performance are critical to our success;
- .
- be market-based and reflect the competitive environment for personnel;
- .
- focus executive behavior on achievement of our corporate mission and long-term corporate objectives and strategy;
- .
- be affordable, within the context of our operating expense model;
- .
- be fairly and equitably administered;
- .
- reflect our values; and
- .
- align the interests of management and shareholders by providing management with longer-term incentives through equity ownership.

The Board of Directors reviews the allocation of compensation components regularly to help ensure alignment with strategic and operating goals, competitive market practices and our changing business needs. The Board of Directors focuses on simplicity and flexibility wherever possible. The Board of Directors does not apply a specific formula to determine the allocation between cash and non-cash forms of compensation. Certain compensation components, such as base salaries, benefits and perquisites, are intended primarily to attract and retain qualified executives. Other compensation elements, such as long-term incentive opportunities, are designed to motivate and reward our long-term performance and to strongly align named executive officers' interests with those of shareholders.

Elements of Executive Officer Compensation

The primary elements of our executive officer compensation program are: (i) annual base salary; and (ii) long-term equity incentive compensation in the form of stock option grants, with the objective of aligning the executive officers' long-term interests with those of the shareholders.

In establishing overall executive compensation levels and making specific compensation decisions for the executives in 2017, the Board of Directors considered a number of criteria, including the executive's position, any applicable employment agreement, prior compensation levels, scope of responsibilities, prior and current period performance, attainment of individual and overall company performance objectives and retention concerns. In addition, the Board of Directors considered the results of the advisory vote by shareholders on the "say-on-pay" proposal presented to shareholders at the Company's 2015 Annual Meeting of Shareholders where approximately 82% of the votes cast on the say-on-pay proposal was voted for approval of the 2014 executive compensation. In determining our 2017 executive compensation program, the Board of Directors reviewed the results of the say-on-pay vote and concluded that changes to the program were not desired by our shareholders for 2017. Therefore, our 2017 executive compensation approach was overall generally in line with the executive officer compensation approach previously approved by our shareholders.

The Board of Directors performs a review of compensation for our executive officers annually. As part of this review, the Board of Directors takes into consideration its understanding of external market data, including companies competing in our industry. The Board of Directors does not engage independent consultants to perform an analysis of the current compensation program.

Generally, our Board of Directors reviews and approves compensation arrangements for executive officers annually and in connection with the hiring of new executives. We do not have any formal or informal policy regarding compensation arrangements for executive officers. Instead, the Board of Directors determines what it believes to be the appropriate level and mix of the various compensation components based on recommendations from our chief executive officer, Company performance against stated objectives and individual performance.

In considering compensation of executives, one of the factors the Board of Directors takes into account is the anticipated tax treatment of various components of compensation. Our Board's strategy is to be cost and tax efficient and the Board intends to preserve corporate tax deductions where possible, while maintaining the flexibility in the future to approve arrangements that it deems to be in our best interests and the best interests of our shareholders, even if such arrangements do not always qualify for full tax deductibility. We do not believe Section 162(m) of the Internal Revenue Code, which generally disallows a tax deduction for certain compensation in excess of \$1 million to our named executive officers, will have a material effect on us due to the current compensation levels of named executive officers.

Base Salary

Base salaries are reviewed at least annually by our Board of Directors and may be adjusted from time to time based upon market conditions, individual responsibilities and Company and individual performance. We believe that a competitive base salary is a necessary element of any compensation program that is designed to attract and retain talented and experienced executives. We also believe that attractive base salaries can motivate and reward executives for their overall performance. Base salaries are established in part based on the individual experience, skills and expected contributions of our executives and our executives' performance during the prior year, in addition to affordability within the context of our operating expense model.

In March 2017, our Board of Directors approved a merit increase in base salary for James S. Marcelli, based upon various factors, including a review of individual performance during 2016. Effective May 1, 2017, Mr. Marcelli's base salary increased from \$225,000 to \$250,000 per year, which represents an approximate 11.11% adjustment.

Annual Non-Equity Incentive Compensation

Annual non-equity incentive compensation is typically not included as part of our named executive compensation given that our Company is in the development stage. However, in March 2016, Mr. Marcelli received a one-time cash bonus of \$15,000 and a gross up for payment of taxes on the cash bonus of approximately \$8,900.

Long-term Equity Incentive Compensation

Long-term incentive compensation allows the executive officers to share in any appreciation in the value of our common stock. The Board of Directors believes that stock option participation aligns executive officers' interests with those of the shareholders. The amounts of the awards are designed to reward past performance, create incentives to meet long-term objectives and ensure that we retain executive talent over a longer period of time. Awards are based upon various factors, including market conditions and incentives given by other companies in our industry.

Stock option awards provide our executive officers with the right to purchase shares of our common stock at a fixed exercise price, and stock option vest over time, subject to continued employment with our Company over the vesting period. Stock options generally vest quarterly over a period of one year. All stock options have an exercise price equal to fair market value of our common stock on the date of grant, which is equal to our closing market price on such date.

Severance and Change in Control Benefits

Pursuant to employment agreements we have entered into with our executives and the terms of our 2016 Equity Incentive Plan, our executives are entitled to certain benefits in the event of a change in control of our Company or the termination of their employment under specified circumstances, including termination following a change in control. We believe these benefits help us compete for and retain executive talent and are generally in line with severance packages offered to executives by the companies in our peer group. We also believe that these benefits would serve to minimize the distraction caused by any change in control scenario and reduce the risk that key talent would leave the Company before any such transaction closes, which could reduce the value of the Company if such transaction failed to close.

Other Compensation

Generally, benefits available to executive officers are available to all employees on similar terms and include health and welfare benefits, disability benefits and a 401(k) plan; except that with respect to our Company 401(k) plan, executive officers do not receive the 4% company match provided to other employees.

We provide the benefits above to attract and retain our executive officers by offering compensation that is competitive with other companies similar in size and stage of development. These benefits represent a relatively small portion of their total compensation.

The table below summarizes all compensation awarded to, earned by, or paid to our named executive officers for the fiscal years ended December 31, 2017, 2016 and 2015.

Compensation Committee Interlocks and Insider Participation

Our entire Board of Directors serves as our Compensation Committee. Our Board of Directors has no standing compensation committee or committee performing similar functions. This is due to the Company's development stage, lack of business operations, the small number of executive officers involved with the Company, and the fact that the Company operates with few employees. Our Board of Directors will continue to evaluate, from time to time, whether it should appoint standing compensation committee.

The Company's entire Board of Directors currently participates in the consideration of executive officer and director compensation. Executive officers who are also directors participate in determining or recommending the amount or form of executive and director compensation, but the independent directors ultimately determine the executive compensation. During 2017, Michael S. Lebby, Thomas E. Zelibor and James S. Marcelli served as both executive officers and directors of our Company. Neither the Board of Directors nor management utilizes compensation consultants in determining or recommending the amount or form of executive and director compensation.

Compensation Policies and Practices As They Relate To Our Risk Management

No risks arise from our Company's compensation policies and practices for our employees that are reasonably likely to have a material adverse effect on our Company.

PROPOSAL ONE

ELECTION OF DIRECTORS

Our Directors hold office until the end of their respective terms or until their successors have been duly elected and qualified, or until their earlier death, resignation, removal or retirement. Our executive officers are appointed by the Board of Directors and serve at the discretion of the Board of Directors.

The Board of Directors is divided into three classes, currently comprised of: (i) two Class I directors, whose terms expire at the 2018 Annual Meeting; (ii) three Class II directors, whose terms expire at the 2019 Annual Meeting; and (iii) three Class III directors, whose terms expire at the 2020 Annual Meeting. The Board believes that a classified Board of Directors provides continuity and stability in pursuing the Company's policies and strategies and reinforces its commitment to long term perspective and value creation.

Nominees for Election as Director

At the time of the Annual Meeting, our Board of Directors will consist of eight directors: Dr. Michael S. Lebby; James S. Marcelli; Thomas E. Zelibor; William C. Pickett, III; Dr. Joseph A. Miller, Jr.; Ronald A. Bucchi; Siraj Nour El-Ahmadi; and Dr. Frederick J. Leonberger. At the Annual Meeting, the shareholders will elect: (i) two Class I directors to serve until the 2021 Annual Meeting or until their successors have been duly elected and qualified, or until their earlier death, resignation, removal or retirement.

The Board proposes that the individuals listed below as Class I nominees be elected as Class I directors. Each nominee has agreed to serve if elected, and our Board of Directors has no reason to believe that any nominee will be unavailable or will decline to serve. In the event, however, that any nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who is designated by the current Board of Directors to fill the vacancy.

The names of the Class I nominees are set forth below:

Recommendation of the Board of Directors

The Board of Directors recommends a vote **FOR** the election of all of the above Nominees.

Vote Required

The vote required to ratify the appointment of Morison Cogen LLP to serve as our Company's independent registered public accounting firm for the fiscal year ending December 31, 2018 is the affirmative vote of the holders of a majority of the votes cast at the Annual Meeting entitled to vote on the matter. Recommendation of the Board of Directors

The Board of Directors recommends that the shareholders vote **FOR** the proposal to ratify the appointment of Morison Cogen LLP to serve as our Company's independent registered public accounting firm for the fiscal year ending December 31, 2018.

PROPOSAL THREE

ADVISORY VOTE TO APPROVE COMPENSATION OF NAMED EXECUTIVE OFFICERS

As required by Section 14A of the Exchange Act, we are asking our shareholders to vote, on an advisory basis, to approve the compensation of our named executive officers as described in this proxy statement. We believe that the compensation policies for our named executive officers are designed to attract, retain and motivate talented executives who are critical for the continued growth and success of our Company and to align the interests of these executives with those of our shareholders. Shareholders are urged to read the Compensation Discussion and Analysis section of this proxy statement, which discusses in detail our 2017 executive compensation program and decisions made by our Board of Directors.

Say-on-Pay Vote

This advisory shareholder vote, commonly referred to as a say-on-pay vote, gives shareholders the opportunity to approve or not approve the compensation of our named executive officers that is disclosed in this proxy statement by voting FOR or AGAINST the following resolution (or by abstaining with respect to the resolution):

RESOLVED, that the Company's shareholders approve, on an advisory basis, the compensation of the Company's named executive officers, as disclosed in this proxy statement pursuant to the compensation disclosure rules of the SEC, which disclosure includes the Compensation Discussion and Analysis, the Summary Compensation Table and the other related tables and disclosure in this proxy statement.

This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement. Because your vote is advisory, it will not be binding on our Board of Directors or the Company. However, our Board of Directors values the opinions of our shareholders and will take into account the outcome of the shareholder vote on this proposal at our Annual Meeting when considering future executive compensation arrangements.

Vote Required

This vote is an advisory vote and is therefore not binding on the Company or the Board of Directors. The vote required for approval of the compensation of our named executive officers is the affirmative vote of the holders of a majority of the votes cast at the Annual Meeting entitled to vote on the matter. Each holder of common stock is entitled to one vote for each share held.

Recommendation of the Board of Directors

The Board of Directors recommends that the shareholders vote **FOR** the approval of the compensation of our named executive officers, as disclosed in this Proxy Statement pursuant to the compensation disclosure rules of the SEC.

PROPOSAL FOUR

ADVISORY VOTE TO APPROVE THE FREQUENCY OF AN ADVISORY VOTE ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

As required by Section 14A of the Exchange Act, in addition to providing shareholders with the opportunity to cast an advisory vote on executive compensation, commonly referred to as a "say-on-pay" vote, we are also providing shareholders with the opportunity to cast an advisory vote on whether the advisory vote on executive compensation should be held every one, two or three years, commonly known as a "say-on-frequency" vote. The ballot card provides shareholders with the opportunity to choose among four options (holding the advisory vote on executive compensation every one, two or three years, or abstain from voting) and, therefore, shareholders will not be voting to approve or disapprove the recommendation of the Board of Directors. You may cast your vote on your preferred voting frequency by choosing the option of once every year ("1 year"), once every two years ("2 years"), once every three years ("3 years"), or you may abstain from voting.

After careful consideration of this proposal, the Board of Directors has determined that an advisory vote on executive compensation that occurs every three years is the most appropriate alternative for the Company, and therefore our Board of Directors recommends that you vote for a three year (3-year) frequency for the advisory vote on executive compensation.

In formulating its recommendation, our Board of Directors considered that a triennial vote will allow shareholders to better evaluate our executive compensation program in relation to our short- and long-term Company performance. Additionally, a triennial vote will provide us with time to respond to shareholder concerns and implement appropriate revisions.

The purpose of this proposal is to assess shareholder preferences on the frequency of future advisory votes on executive compensation, and as such, there will be no approval or adoption of a resolution establishing the frequency of future advisory votes on executive compensation. The option of one year, two years or three years that receives the highest number of votes cast by shareholders will be considered the frequency for the advisory vote on executive compensation that is preferred by our shareholders. However, because this vote is advisory and not binding on the Board of Directors or the Company in any way, the Board of Directors may decide that it is in the best interests of our shareholders and the Company to hold an advisory vote on executive compensation more or less frequently than the option preferred by our shareholders.

Vote Required

This vote is an advisory vote and is therefore not binding on the Company or the Board of Directors. You may choose from the following alternatives: every year, every two years, every three years or you may abstain. The option of one year, two years or three years that receives the highest number of votes cast by shareholders entitled to vote on the matter will be considered the frequency for the advisory vote on executive compensation that is preferred by our shareholders.

Recommendation of the Board of Directors

The Board of Directors recommends that the shareholders vote **FOR** a three year (3-year) frequency for the advisory vote on executive compensation.

SHAREHOLDER PROPOSALS FOR 2019 ANNUAL MEETING

In order for shareholder proposals to be included in our proxy statement for the 2019 Annual Meeting, we must receive them at our principal executive offices, 369 Inverness Parkway, Suite 350, Englewood, CO 80112, by December 14, 2018, being 120 days prior to the date of the first anniversary of the date of our proxy statement for the 2018 Annual Meeting of Shareholders. All other shareholder proposals, including nominations for directors, in order to be voted on at the 2019 Annual Meeting, must be received by us not earlier than January 17, 2019 and not later than February 16, 2019 being, respectively, 120 days and 90 days prior to the date of the first anniversary of the 2018 Annual Meeting of Shareholders. In the event that the 2019 Annual Meeting is called for a date that is not within 30 days before or after the anniversary date of the 2018 Annual Meeting of Shareholders, notice by a shareholder in order to be timely must be so received not later than the close of business on the 10th day following the day on which such notice of the date of the 2019 Annual Meeting is mailed or such public disclosure of the date of the 2019 Annual Meeting is made, whichever first occurs.

OTHER MATTERS

Our Board of Directors knows of no other matters to be presented for shareholder action at the Annual Meeting. However, if other matters do properly come before the Annual Meeting or any adjournments or postponements thereof, our Board of Directors intends that the persons named in the proxies will vote upon such matters in accordance with the best judgment of the proxy holders.
