To supplement its financial statements presented in accordance with GAAP, the Company used, in its investor presentation, certain non-GAAP measures of financial performance. All statements in this report not dealing with historical results are forward-looking and are based on various assumptions. The forward-looking statements in this report are subject to risks and uncertainties that could cause actual results to differ materially from those expressed in or implied by the statements. Factors that may cause actual results to differ materially from those contemplated by such forward-looking statements include, among other things: statements regarding the Company’s goals, intentions, and expectations; business plans and growth strategies; the Company’s ability to integrate and manage its acquired businesses; estimates of the Company’s risks and future costs and benefits; forecasted demographic and economic trends relating to the Company’s industry; and other risk factors referred to from time to time in filings made by the Company with the Securities and Exchange Commission.
