**Item 8.01 Other Events.**

U.S. Energy Corp. (the “Company”) announced today the end of its exclusive rights to participate with IronHorse Resources, LLC (“IronHorse”) in the Wattenberg Development Project previously announced. The Company and IronHorse had entered into an Earnings and Participation Agreement dated September 14, 2016 (the “Agreement”) as to the purchase of 40% of IronHorse’s interest in five Wattenberg farmout agreements. The extended deadline for the Company’s providing reasonable evidence of funding expired on December 11, 2016, and as a result the Agreement terminated automatically on the same date. The Company is currently engaged with a financial institution and will continue to pursue various options for funding the Company’s projects. The Company remains optimistic about the Wattenberg project and will look to participate with IronHorse in the near future as financing permits.
