“I am pleased with our team’s performance in Q3 as we continue to capitalize on the rising global demand for our services and solutions,” said George D. Schindler, President and Chief Executive Officer.

Cash generated from operating activities was \$290.6 million or 10.2% of revenue, compared with \$351.7 million in the year ago period. Over the last twelve months, \$1.4 billion or \$4.60 in cash per diluted share was generated compared with \$4.40 for the same period last year.

At the end of June, the Company had over \$1.8 billion in available cash and unused credit facilities. Net debt was \$1.4 billion, representing a year-over-year reduction of \$198.9 million. As a result, the net debt to capitalization ratio improved to 17.2% from 20.5%.

Strategic initiative to accelerate profitable growth

“For CGI to continue benefitting from the growth opportunities related to the permanent shift to digital across all industries, we are advancing strategic investments in proximity based talent alignment, automation, and cloud-based delivery models,” commented George D. Schindler, President and Chief Executive Officer. “We expect these investments to yield benefits throughout fiscal 2018.”

The Company will incur a \$165.0 million pre-tax expense over the next year to compress the timeline of implementing certain elements of its profitable growth strategy.
