### Item 2.02: Results of Operations and Financial Condition

---

Westamerica Bancorporation's banking subsidiary, Westamerica Bank, must pay Federal Deposit Insurance Corporation ("FDIC") assessments to provide FDIC insurance on its customers' deposit balances, subject to FDIC insurance limits. Under current risk-based assessment rates, Westamerica Bank pays the lowest assessment rate of 12 basis points per annum. Through December 31, 2009, Westamerica Bank will also pay 10 basis points per annum on balances over \$250,000 for unlimited insurance on non-interest bearing deposits, negotiable order of withdrawal accounts earning not more than 0.50%, and attorney trust accounts. Based on current deposit balances, including the deposits assumed from County Bank on February 6, 2009, Westamerica estimates quarterly FDIC insurance assessments of \$1.21 million for the first quarter 2009 and \$1.37 million for each of the second, third and fourth quarters of 2009.

On February 27, 2009, the Board of Directors of the Federal Deposit Insurance Corporation ("FDIC") voted to amend the restoration plan for the Deposit Insurance Fund. In doing so, the FDIC adopted an interim rule imposing a 20 basis point emergency special assessment on the industry on June 30, 2009. The assessment is to be collected on September 30, 2009. The interim rule would also permit the FDIC to impose an emergency special assessment after June 30, 2009 of up to 10 basis points, if deemed necessary. Based on current deposit balances, including the deposits assumed from County Bank on February 6, 2009, Westamerica estimates the 20 basis point emergency special assessment will be \$8.6 million.

At December 31, 2008, Westamerica had credits of \$2.4 million to apply against FDIC insurance assessments. Such credits will be used as allowed to reduce assessments. Westamerica estimates credits of \$1.0 million will be allowed to offset the regular assessments in the first quarter 2009, and the remaining credits of \$1.4 million will be used to offset the emergency special assessment.

The exact number of directors shall be nine (9) until changed, within the limits specified above, with the approval of the board of directors or the shareholders. Notwithstanding anything in these bylaws to the contrary, for so long as the corporation's Fixed Rate Cumulative Perpetual Preferred Stock, Series A (the "Designated Preferred Stock") is outstanding: (i) whenever, at any time or times, dividends payable on the shares of Designated Preferred Stock have not been paid for an aggregate of six quarterly Dividend Periods (as defined in the Certificate of Determination for the Designated Preferred Stock) or more, whether or not consecutive, the authorized number of directors shall automatically be increased by two (but shall in no event be increased to a number of directors that is greater than the maximum number of directors set forth in this Article III, Section 3.02 of these bylaws); and (ii) this sentence may not be modified, amended or repealed by the Corporation's board of directors (or any committee thereof) or without the affirmative vote and approval of (x) the shareholders and (y) the holders of at least a majority of the shares of Designated Preferred Stock outstanding at the time of such vote and approval.

The indefinite number of directors set forth in this Article III, Section 3.02 of these bylaws may be changed, or a definite number fixed without provision for an indefinite number, by a duly adopted amendment to the articles of incorporation or by an amendment to this bylaw duly adopted by the vote or written consent of holders of a majority of the outstanding shares entitled to vote; provided, however, that an amendment reducing the fixed number or the minimum number of directors to a number less than five (5) cannot be adopted if the votes cast against its adoption at a meeting of the shareholders, or the shares not consenting in the case of action by written consent, are equal to more than 16-2/3% of the outstanding shares entitled to vote. No amendment may change the stated maximum number of authorized directors to a number greater than two times the stated minimum number of directors minus one."
