Item 1.01 Entry into a Material Definitive Agreement

On August 27, 2014, Chevron Products Company, a division of Chevron U.S.A. Inc. (Chevron), and Hawaiian Electric Company, Inc. (Hawaiian Electric) entered into a first amendment (Amendment) to the Low Sulfur Fuel Oil Supply (LSFO) Contract, which terminates on December 31, 2016 and may automatically renew for annual terms thereafter unless earlier terminated by either party. The Amendment reduces the price of fuel above certain volumes, allows for increases in the volume of fuel, and modifies the specification of certain petroleum products supplied under the contract. In addition, Chevron agreed to supply a blend of LSFO and ultra-low sulfur diesel as soon as January 2016 (for supply through the end of the contract term, December 31, 2016) to help Hawaiian Electric meet more stringent federal Environmental Protection Agency air emission requirements known as Mercury and Air Toxics Standards.

The Amendment is subject to approval of the Public Utilities Commission of the State of Hawaii, and can be terminated if approval is not received by April 15, 2015.

On August 27, 2014, Chevron and Hawaiian Electric, Maui Electric Company, Limited and Hawaii Electric Light Company, Inc. entered into a third amendment to the Inter-Island Industrial Fuel Oil and Diesel Fuel Supply Contract, which amendment extended the term of the contract through December 31, 2016 and may automatically renew for annual term thereafter unless earlier terminated by either party.

Item 1.02 Termination of a Material Definitive Agreement

On August 28, 2014, Hawaiian Electric provided notice to Hawaiian Independent Energy LLC (HIE) that it will not renew the LSFO contract that was assigned to HIE from Tesoro Hawaii Corporation. The term of the contract is through December 31, 2014, and renews automatically unless terminated by either party.
