Section 1 Registrant's Business and Operations

Item 1.01.

Entry into a Material Definitive Agreement

On September 10, 2005, Recom entered into two separate agreements with TZ Medical, Inc., an Asset Purchase Agreement and a Joint Venture Agreement. Under the Asset Purchase Agreement, Recom will purchase TZ Medical's non-prescription OTC TZ CardioSentry event recorder, prescription CardioSentry RX event recorder, FM Demodulator, Heart Aide event recorder, and PaceAide pacemaker monitor, for a total of 427,553 unregistered common shares with an ascribed value of \$1,800,000. TZ Medical will also manufacture the Cardio Sentry RX event recorder on a private label basis for Recom. Under the Joint Venture Agreement, Recom and TZ Medical will jointly manufacture, develop and market TZ Medical's line of intracardiac catheters through a limited liability company to be established and managed by Recom. Joint venture profits will be distributed 70:30 in favor of TZ Medical for the first six months of the joint venture, and equally between TZ Medical and Recom afterwards. The parties intend for Recom to incorporate its patented and patent-pending signal-amplification and noise-reduction technologies into the acquired or joint-ventured product lines. Each of the aforesaid transactions are subject to completion of due diligence and satisfaction of other pre-closing contingencies. The closing for the Asset Purchase Agreement is scheduled for September 25, 2005.

As part of the asset acquisition, Recom has also entered into five-year and three-year employment agreements with the principals of TZ Medical, Messrs. Byron Zahler and Tom Tribou, respectively, pursuant to which they will provide continued marketing efforts for the acquired or ventured monitoring devices and future versions of these products employing Recom's technology. Each of Messrs. Zahler and Tribou will receive annual compensation of \$50,000, payable at the election of Recom in cash or S-8 registered shares, and shall also be granted the following common share purchase options exercisable at the price of \$4.21 per share: (1) as a signing bonus, a vested option entitling each of them to purchase 300,000 unregistered shares, (2) an unvested performance option entitling each of them to purchase an additional 1,750,000 unregistered shares in cumulative increments based upon the attainment during the term of their employment agreements of various revenue benchmarks relating to sales revenues of the acquired or ventured monitoring products in \$5,000,000 tranches up to and exceeding \$30,000,000, and (3) an unvested performance option entitling each of them to purchase an additional 500,000 unregistered shares based upon the attainment by Recom during the term of their employment agreements of \$10,000,000 in revenues. These options will each expire on September 10, 2010 to the extent not exercised, subject to forfeiture or term acceleration provisions.
