Item 1.

Description of Business:

Introduction

Grand Toys International, Inc. (the Company), through its Canadian subsidiaries, Grand Toys Ltd. and Grand Concepts Inc. (collectively Grand Canada) has been engaged in the toy business in Canada for over 40 years and currently distributes a wide variety of toys and fashion accessories throughout Canada. Grand Canadas business consists of four areas of operation: (i) the importation and distribution throughout Canada, on an exclusive and non-exclusive basis, of a wide variety of well-known toy products and fashion accessories including, party goods, stationery and accessories; (ii) the sale of toy products and fashion accessories featuring popular characters licensed to the Company; (iii) earning commissions on the sale of products, represented by Grand Canada and shipped directly from the overseas vendor to Canadian customers; and (iv) the sale of proprietary products, such as puzzles, mobiles, and gift-related items.

The Companys United States subsidiary, Sababa Toys Inc., which was organized in 2000, distributes proprietary products and develops product concepts to be sold to third parties or developed internally. Through the end of fiscal 2000, Sababa Toys Inc. generated no revenues.

Unless the context otherwise requires, references herein to Grand Toys or the Company include Grand Toys International, Inc. and its operating subsidiaries, Grand Toys Ltd., Grand Concepts Inc., and Sababa Toys Inc. The Companys revenues are primarily derived from the operations of Grand Canada. The Companys other United States Subsidiary, Ark Creations, Inc., which developed a proprietary line of puzzles, ceased operations during the fiscal year ended December 31, 2000.

Products

Edgar Filing: GRAND TOYS INTERNATIONAL INC - Form 10-K

Grand Canada imports into Canada for distribution select toys and fashion accessories from vendors who typically design, develop and sell their products in other countries. In determining which items to import, Grand Canada examines such factors as consumer acceptance of the particular products in other countries, and Canadian consumer tastes for such products based on similar products distributed previously in Canada. In addition, prior to ordering a product, Grand Canada attempts to predict the potential demand for such product by exhibiting it to Grand Canadas existing customers.

The following table sets forth certain vendors whose products Grand Canada distributes in Canada, the type of products they manufacture, and the price range within which Grand Canada sells such products to retailers.

Design and Development

As is common in the toy and fashion accessory industries, Grand Canada receives numerous concepts from unaffiliated third parties for new products. Grand Canada does not employ its own

Edgar Filing: GRAND TOYS INTERNATIONAL INC - Form 10-K

inventors of new concepts but if it accepts and develops an inventors concept for a new product, it will pay royalties to the inventor on sales from that product.

The Company, through its US subsidiary, Sababa Toys Inc., develops new concepts to be developed internally or by the other subsidiaries within the corporate group, or sold to third parties.

Grand Toys International, Inc. develops proprietary products and uses internal staff to develop the design and development of these products, to be sold to third parties.

All safety testing of the Companys products is done by the manufacturers at the manufacturers factories and is designed to meet safety regulations imposed by the Canadian and United States governmental authorities. The Company also monitors quality assurance procedures of the vendors for its products for safety purposes at its warehouse facilities.

Sources of Product

Approximately 73% of the Companys gross sales in 2000 were from products supplied by the following four vendors: Toy Biz, Tiger Electronics, J.D. Components, and Toymax. These products accounted for 35%, 14%, 13% and 12%, respectively, of 2000 gross sales. Other than the products from the above-mentioned vendors, no products from any other vendor accounted for more than 7% of the Companys gross sales in 2000. In February 1999, Hasbro acquired Tiger Electronics Inc. and terminated the distribution of Tiger products by Grand Canada effective December 31, 1999. Grand Toys sold the remaining Tiger products in its inventory by the end of the first quarter of 2000, after which time all sales of Tiger products ceased.

Therefore, products that accounted for 14% of sales in 2000 are no longer a part of the Companys product line. This had, and will continue to have, an adverse effect on the Companys operations. The Company is sourcing new products and looking at potential acquisitions. If one or more of the remaining suppliers identified above were to terminate their relationship with Grand Canada, such termination may have a material adverse effect on the Company.

The imported products are manufactured for Grand Canada by unaffiliated third parties principally located in China, Hong Kong, Mexico, Spain, United States and the U.K. The manufacturers are chosen by the vendor on the basis of price, payment terms, product quality, reliability and the ability of a manufacturer to meet delivery requirements. For licensed products, the licensors may have the right to approve the selected manufacturers. The use of third-party manufacturers enables Grand Canada to avoid incurring fixed manufacturing costs, but also reduces its ability to control the timing and quality of the manufacturing process.

Grand Canada does not supervise the day-to-day manufacturing of its products. However, prior to the commencement of manufacturing, Grand Canada, the vendor and the manufacturer work together to design a prototype of the specific product and its packaging. The manufacturer is contractually obligated to manufacture the products in accordance with those prototype specifications. For licensed products, some licensors may be required to approve the prototype prior to production.

Edgar Filing: GRAND TOYS INTERNATIONAL INC - Form 10-K

All manufacturing services performed overseas are generally paid for by either letter of credit or wire transfer. Payment for such manufacturing is made only upon the proper fulfillment of terms established by Grand Canada, such as adherence to product quality, design, packaging and shipping standards, as well as proper documentation relating thereto. Most product purchases are paid for in U.S. dollars.

Grand Canada is not a party to any long-term supply or requirements agreements with any specific manufacturer. All of Grand Canadas manufacturers may subcontract the manufacture of components of their products to third parties who are not affiliated with Grand Canada.

Materials

The principal raw materials used in the production and sale of Grand Canadas products are plastic, printed fabrics and paper products. These are all currently available at reasonable prices from a variety of sources. Because the Company does not manufacture any of its products on site, it does not own any specialized tools or other production equipment.

Location

Grand Canada leases a building in suburban Montreal, Canada, where the Companys and Grand Canadas executive and administrative offices are located as well as its Canadian distribution center. The Company also has a showroom in Mississauga, Ontario, Canada. Sababa Toys Inc. occupies office premises in New York.

Licensing and Distribution Agreements

Character Licenses

Grand Canadas product line includes products featuring well-known character properties created by others. In order to obtain the right to manufacture and sell products featuring such character properties, Grand Canada enters into license agreements with the owners of such properties. Under the terms of the character property license agreements, Grand Canada pays royalties to licensors that generally range from 10% to 16.5% of net sales of the products carrying these character properties. To the extent that competition increases among companies to obtain character property licenses, Grand Canada may encounter increased difficulty in obtaining certain character licenses and may be required to pay greater minimum guaranteed royalty amounts.

Generally, the Companys character property license agreements provide the Company with the exclusive or non-exclusive right to sell only specific products featuring the particular character. These agreements typically limit the sale of such products to Canada. However, certain agreements allow distribution in the United States. They generally have terms of one to three years and may be renewed upon payment of certain minimum guarantees or the attainment of specified sales levels.

Edgar Filing: GRAND TOYS INTERNATIONAL INC - Form 10-K

The following table sets forth some of the Companys character licenses, the licensor for these character properties, the territory of sale, and the types of products that the Company markets featuring these character properties.

No one particular character property license resulted in sales in excess of 3% of Grand Canadas sales revenues for the year ended December 31, 2000, and the loss of any one such license would not have a material adverse effect on Grand Canadas operations.

License and Distribution Arrangements with Toy Vendors

Grand Canada has entered into license and distribution agreements with four of its approximately fifteen vendors. Grand Canada selects products from a master product list provided to it by the vendor. The purchase price, depending on the arrangement with the supplier, may consist of a fixed payment per item, specified minimum quantities to be purchased and other conditions, and occasionally a royalty fee. Pursuant to these agreements, Grand Canada obtains either the exclusive and non-exclusive right to import and distribute throughout Canada the products selected by it. These agreements generally have terms of one to five years and are usually exclusive for a specified product or product line within a specific territory. Generally, under these agreements, Grand Canada is responsible for paying shipping and other related costs and expenses. If Grand Canada were to be in default under a license or distribution agreement it may cause such agreement to be terminated as well as result in liability for certain costs and penalties.

Marketing, Sales and Distribution

Grand Canada markets its products throughout Canada via its own sales representatives as well as independent sales agents. Purchasers of the products include retail chain stores, department stores, toy specialty stores and wholesalers. Grand Canadas five largest customers are: Toys R Us, Costco, Wal-Mart, Zellers and Canadian Tire, which for the year ended December 31, 2000, accounted for approximately 20%, 17%, 17%, 12% and 4%,

Edgar Filing: GRAND TOYS INTERNATIONAL INC - Form 10-K

respectively, of the gross sales for this period. No other customer accounted for more than 4% of gross sales in 2000.

Other than purchase orders from its customers, Grand Canada does not have written agreements with its customers, but rather sells products to customers on open account, with payment terms typically varying from 30 to 90 days. If one or more of the five customers identified above terminated its relationship with Grand Canada, a material adverse effect on the Company may occur.

Grand Canada employs a sales and marketing staff of nine people, including two of its senior managers and seven sales persons who make on-site visits to customers for the purpose of soliciting orders for products. It markets products at major and regional toy trade shows in Canada. In addition, Grand Canada maintains showrooms in its suburban Montreal and Mississauga facilities.

Grand Canada directly, or through its salespersons, takes written orders for its products from its customers and arranges for the manufacture of its products. Cancellations are generally made in writing and appropriate steps are taken to notify its manufacturers of such cancellations.

Returns are generally not accepted, although consistent with industry practices, exceptions to this policy are made on a case-by-case negotiated basis.

Seasonality

The Companys business is seasonal. The Companys third and fourth quarter sales revenues have typically been greater than the first and second quarter sales revenues. This fluctuation is the result of retailers purchasing products for the holiday selling season.

Product Liability

The Company maintains product liability coverage for the Companys operations in the aggregate amount of Canadian \$15,000,000. The Company has not been the subject of any product liability litigation.

Competition

The toy industry is highly competitive and sensitive to changing consumer preferences and demands. Grand Canada competes in Canada with many companies that distribute toy products more well-known than those distributed by Grand Canada. Some of Grand Canadas competitors are substantially larger and more diversified, and have substantially greater financial and marketing resources than Grand Canada. They may also have greater name recognition, and the ability to develop and market products similar to, and more competitively priced than, those distributed by Grand Canada. Grand Canada competes with, among others, Irwin Toys Ltd., Hasbro Inc. and Mattel Inc.

Government Regulation

Grand Canada is subject to the provisions of various laws, certain of which have been enacted by the Federal Government of Canada and others which have been enacted by the Government of the Province of Quebec and other Canadian provinces.

Edgar Filing: GRAND TOYS INTERNATIONAL INC - Form 10-K

Federal

The laws of the Government of Canada to which the Company is subject include the Hazardous Products Act which empowers the Government to protect children from hazardous toys and other articles. Under that legislation the Government has the authority to exclude from the market those articles which are found to be hazardous. Grand Canada is also subject to the Consumer Packaging and Labeling Act enacted by the Government of Canada, whose legislation prohibits the importation of prepackaged items into Canada, as well as the sale, importation, or advertising in Canada of items which have misleading information on their label.

Provincial

The legislation enacted by the Government of the Province of Quebec to which Grand Canada is subject includes the Consumer Protection Act which prohibits the sale of hazardous toys and other articles, and also requires proper labeling and instructions to be included with the item being sold. Grand Canada is also subject to the Charter of the French Language, which requires that all labeling and instructions appear in the French language, as well as the Upholstery and Stuffed Articles Act, which requires that stuffed articles conform to hygienic norms, and obligates companies to take measures against contamination during transportation and storage. Similar laws exist in several cities and provinces throughout Canada and in many jurisdictions throughout the world.

Grand Canada maintains a quality control program to ensure compliance with all applicable laws.

Employees

As of December 31, 2000, the Company employed 39 full-time persons, including three executive officers. The Company believes that its relations with its employees are satisfactory.

Item 2.

Description Of Property:

The Companys principal executive offices are located in an approximately 105,000 square foot facility located at 1710 Route Trans-Canada, Dorval, Quebec, Canada, a suburb of Montreal. The Company uses the facility for offices, showroom, warehousing and distribution. The lease for the premises expires on September 1, 2009 but Grand Canada has the right to extend the lease for an additional five-year period. The current monthly rent is Canadian \$33,350 and during the extension period shall be increased each year by a percentage that is equal to 75% of the percentage increase in the consumer price index for the greater Montreal area.

Grand Canada also leases, pursuant to a lease expiring on January 1, 2005, approximately 9,000 square feet of showroom and office space at 6427 Northam Drive, Mississauga, Canada, a suburb of Toronto, at a current rental rate of approximately Canadian \$4,350 per month.

Edgar Filing: GRAND TOYS INTERNATIONAL INC - Form 10-K

The Company believes that its current facilities are satisfactory for its present needs and that insurance coverage is adequate for the premises.

Item 3.

Legal Proceedings:

On November 30, 1995, an involuntary petition under Chapter 7 of the United States Bankruptcy Code was filed against Grand Group Inc, a U.S. subsidiary, in the United States Bankruptcy Court for the Southern District of New York (the Bankruptcy Proceeding). On January 4, 1996, the Court entered an order for relief under Chapter 7 of the United States Bankruptcy Code and a trustee was appointed to supervise the liquidation of Grand Group Inc. To date, no other proceedings have occurred in connection with the Bankruptcy.

During the quarter ended December 31, 2000, there were no material developments to any legal proceedings which have been previously reported by the Company. See Note 15 of the Companys Consolidated Financial Statements for the year ended December 31, 2000, which are an exhibit to this report for a complete description of material legal proceedings to which the Company is presently a party.

During the second quarter of 2000, the Company settled the lawsuit with a former lessor for \$264,000.

Other than discussed above or in Note 15 to the Companys Consolidated Financial Statements included elsewhere herein, the Company is not a party to, nor is it aware of, any other pending litigation of a material nature.

On January 12, 2001, the Company was advised by Nasdaq that it had failed to meet the requirements for continued listing on the SmallCap market because the stock traded below \$1.00 for a 30-day period. The Company has until April 12, 2001 to respond, otherwise proceedings will be initiated to have the stock de-listed. The Company intends to take steps to place the Company back in compliance with the requirements for continued listing.

At February 28, 2001 there were approximately 202 record holders of the Companys Common Stock, however those shares being held at various clearing houses, including Cede & Company have not been broken down. Accordingly, the Company believes there are many more beneficial owners of the Companys Common Stock whose shares are held in street name, not in the name of the individual shareholder.

On March 9, 2001, the last reported sales price for the Common Stock on the Nasdaq SmallCap Market was \$0.375 per share.

During the past two years the Company has not paid and has no current plans to pay dividends on its Common Stock. In 1999, dividends of \$25,000 were declared and paid on the Companys Series A Preferred Shares. The Company intends to retain earnings, if any, for use in its business. Any dividends for Common Stock that may be declared in the future will be determined by the Board of Directors based upon the Companys financial condition, results of operation, market conditions and other factors that the Board deems relevant.

The following securities were issued by the Company between January 1, 1998 to December 31, 2000 and were not registered under the Securities Act of 1933, as amended (the Act).

On January 1, 1999, in connection with the acquisition of the assets of Ark Foundation LLC, the Company issued 200,000 shares of non-voting Series A Convertible Redeemable Preferred Stock (Series A Stock) with a stated value of \$5.00 per share.

The Series A Stock is convertible beginning January 1, 2000 into shares of the Companys common stock on a one-for-one basis. A maximum of 50,000 shares may be converted during any six-month period.

On each of January 1, 2000 and July 17, 2000 the Company issued 50,000 shares of Common Stock upon the conversion of 100,000 shares of Series A Stock into common stock.

Edgar Filing: GRAND TOYS INTERNATIONAL INC - Form 10-K

The sale and issuance of securities in the transactions described set forth above were exempt from registration under the Securities Act in reliance on Section 4(2) of the Securities Act or Regulation S promulgated thereunder as transactions by an issuer not involving a public offering.

Managements Discussion and Analysis:

Overview

Net sales consist of sales of products to customers after deduction of customer cash discounts, freight and warehouse allowances, volume rebate allowances, and returns of merchandise. Sales are recorded when the merchandise is shipped.

The cost of goods sold for products imported as finished goods includes the cost of the product in the appropriate domestic currency, duty and other taxes, and freight and brokerage charges. Royalties to Grand Canada suppliers not contingent upon the subsequent sales of the suppliers products are included in the price paid for such products.

Major components of selling, general and administrative expenses include: payroll and fringe benefits; advertising expense, which includes the cost of production of television commercials and the cost of air time; advertising allowances paid to customers for cooperative advertising programs; and royalty expense. Royalties include payments by Grand Canada to licensors of character properties and to manufacturers of toy products if such payments are contingent upon subsequent sales of the products. Royalties are usually a percentage of the price at which the product is sold and are payable once a sale is made.

Accounts receivable are receivables net of an allowance for doubtful accounts. The allowance is adjusted periodically to reflect the current status of receivables. Management believes that current reserves for doubtful accounts are adequate. Sales of products to retailers and distributors are on an irrevocable basis. Consistent with industry practices, Grand Canada may make exceptions to this policy on a case-by-case negotiated basis. Inventory is comprised of finished goods at landed cost.

All amounts are in US Dollars (\$) unless otherwise noted.

Comparison of the year ended December 31, 2000
to the year ended December 31, 1999:

Net Loss

Net loss for 2000 was \$10,156,713 or \$3.17 loss per share as compared to a net loss of \$709,466 or \$0.36 loss per share in 1999. The decrease was mainly due to the unusual charge of \$4,160,164 consisting mainly of prepaid and intangible write-offs and the decrease in sales and the reduced margins on those sales during the year. In addition, while the Company did endeavor to reduce selling, general and administrative expenses for the year, those deductions did not match, as a percentage, the reduction of the sales volume. The net loss was further increased by the restriction of income tax recoveries of a subsidiary to the amount that can be recovered from taxes paid in prior years. The Company will have until 2007 to be able to apply unutilized tax losses against future taxable income.

Net Sales

Net sales in 2000 decreased to \$12,017,885 from \$37,260,250 for 1999. The lower net sales volume was attributed to the loss, in 2000, of two significant product lines, Tiger Electronics and Majorette.

The significant softening of the retail market for the types of products distributed by the Company resulted in significantly higher customer markdowns, which negatively impacted net sales. Further, a decrease in the Company's commission revenue contributed to the decrease.

Gross Profit

Due to the loss of two significant product lines, the lower margins relating to the 2000 sales volume, and the recording of \$1,861,681

Edgar Filing: GRAND TOYS INTERNATIONAL INC - Form 10-K

as an inventory reserve, of which \$263,497 was recorded in the fourth quarter, due to the decline in market demand for such items as WWF, WCW, Star Wars and Pokemon products, the gross profit decreased significantly.

Selling, General and Administrative

Selling, general and administrative expenses in 2000 decreased to \$6,497,677 to \$10,111,421 in 1999. However, these costs, as a percentage of sales, were significantly higher compared to 1999 due to the much lower sales base. The Company, in anticipation of the sales volume decline, implemented a cost control program during the year. Decrease in salary expense, cooperative advertising rebates to customers, and administrative expense comprised the majority of the total decrease.

Unusual Items

These expenses are comprised of the following items:

(a) The Company settled a lawsuit by a lessor of certain real estate for \$264,000.

(b) The Company recognized the permanent impairment in value of goodwill from the acquisition of the assets by its Ark Creations subsidiary of \$2,253,516, as a result of its decision to cease operations of its subsidiary.

(c) The company's credit line, which was scheduled to expire in 2001, was terminated in January 2001. As a result, the Company has taken a charge against earnings of the full amount of the deferred financing charges of \$535,109.

(d) The Company has written off \$557,539 as a result of its decision to abandon its proposed acquisition of Limited Treasures, Inc. and providing for an allowance on a loan receivable from Limited Treasures.

(e) The Company has reserved \$550,000 to cover a lawsuit commenced by a supplier against Grand Canada for breach of contract.

Comparison of the year ended December 31, 1999
to the year ended December 31, 1998:

Net Loss

Net loss for 1999 was \$709,466 or \$0.36 loss per share as compared to a net loss of \$318,302 or \$0.20 loss per share in 1998, a 123% increase in net loss.

Net Sales

Net sales in 1999 were \$37,260,250, an increase of \$4,082,721 over 1998 net sales of \$33,177,529, or by approximately 12%. This increase can be attributed to the large volume of sales of Furby (Tiger Electronics) products in 1999 compared to a more limited amount in 1998.

Gross Profit

Gross profit in 1999 decreased by \$312,639 from \$11,091,548 in

Edgar Filing: GRAND TOYS INTERNATIONAL INC - Form 10-K

1998 to \$10,778,909 in 1999 or as a percentage of sales gross profit decreased from 33.43% to 28.93%. The decline in gross profit can be primarily attributed to losses on the sale of discontinued or low margin products that were cleared during the year in excess of those of the previous year. A change in sales mix also contributed to the lower margins.

Selling, General and Administrative

Selling, general and administrative expenses were \$10,111,421 in 1999 compared to \$8,807,026 in 1998. The increase in this category is due primarily to the costs of operating the Ark Creations Inc.s facility, which has now been closed, as well as additional compensation taxes related to the exercise of options by employees during 1999. As a percentage of net sales, selling, general and administrative expenses increased by .59 percentage points to 27.14% in 1999.

Gain on Foreign exchange

The gain of \$177,982 resulted from a successful matching of the Companys US dollar foreign exchange exposure and also a stabilization of the Canadian dollar.

Unusual Items

As a result of transferring the administration of Ark Creations Inc. to Canada and closing the facility, the Company incurred expenses of \$432,613 in fixed asset write-offs, severance costs and lease penalties.

Further, the discontinuance of the Majorette product line resulted in a penalty of \$382,056 for the return of product on hand.

Liquidity and Capital Resources

The Company generally finances its operations through borrowings under the Companys Credit Agreement with its bank and by cash flow from operations, and sales of equity securities. The inflow of funds, in 1999, due to options and warrants being exercised resulted in virtually all short-term bank debt being eliminated by December 31, 1999 and a cash position being maintained until December 31, 2000.

In 1999, the Company received \$8,441,675 as a result of the issuance of 1,557,272 shares upon the exercise of options and warrants. These share transactions allowed the Company to eliminate virtually all of its bank debt by December 31, 1999, and remain debt free in 2000 with the exception of letters of credit.

In August 1999, the Company entered into a three year banking arrangement with a lending institution. Grand Toys had secured a line of credit of \$17,500,000 to enable it to meet its plans. The Company was able to draw down working capital advances and letters of credit in amounts determined by percentages of its accounts receivable and inventory.

Working capital advances taken by the Company bore interest at prime plus 1.25%. The term of the loan was three years. In October 2000, the banking agreement was amended to reduce the line of credit to \$3,500,000 and to expire in January 2001. The credit facility expired on January 5, 2001.

Edgar Filing: GRAND TOYS INTERNATIONAL INC - Form 10-K

The Company is seeking to obtain a new credit facility. Failure to obtain a credit facility would have a material adverse effect on the Company because the Company would not have the capital necessary to make product purchases. This would force the Company to curtail or cease business operations.

Accounts receivable at December 31, 2000 were \$1,933,370 compared to \$8,083,004 at December 31, 1999. The reduction is caused by the significant decrease in sales, as well as normal cash collection associated with the final months of the year. Inventory at December 31, 2000 decreased to \$1,991,918 from \$6,065,564 as a result of lower sales volume and inventory writedowns.

Working capital decreased from \$10,955,614 at December 31, 1999 to \$2,804,596 at December 31, 2000. Net cash provided by operating activities was \$1,223,604 in 2000 compared to net cash used for operating activities of \$1,329,103 in 1999. Cash for additions to equipment and leasehold improvements was \$140,586 compared to \$570,081 in 1999.

Significant cash requirements for 2001 are:

- a) The market shortfall of the preferred share conversions, representing \$351,774, which includes the January 2001 conversion.
- b) The reserve against a breach of contract represents a maximum cash requirement of \$550,000.
- c) The class action lawsuit may require a minimal cash outlay due to the fact that any settlement will be covered by the Companys directors and officers (D & O) liability insurance.
- d) Grand Canadas tax liability represents cash requirements approximately \$300,000. The repayment terms will be negotiated with the government, and could extend beyond December 2001.
- e) Development costs for the Companys proprietary product.

The above items will be offset by partial collections of the \$434,370 owing from Limited Treasures Inc., receivable and \$500,000 was received BY March 29, 2001 from a completed private placement. Further, the above items are disclosed in the Financial Statements and other sections within this document.

Grand Canadas accounts receivable level is subject to significant seasonal variations due to the seasonality of sales. As a result, Grand Canadas working capital requirements are greatest during its third and fourth quarters. In addition, to the extent accounts receivable, inventories, guarantees and advance payments increase as a result of growth of Grand Canadas business, Grand Canada could require additional working capital to fund its operations. Sources of such funding include cash flow from operations, drawings on the financing facilities, or sales of additional equity or debt securities by the Company.

If the funds available to the Company for current cash and cash equivalents are not sufficient to meet the Companys cash needs, the Company may from time to time seek to raise capital from

Edgar Filing: GRAND TOYS INTERNATIONAL INC - Form 10-K

additional sources, including project-specific financing and additional public or private debt or equity financing.

Effects Of Inflation

The Company does not believe that inflation has had a significant impact on its financial position or results of operations in the past three years.

New Accounting Pronouncements

In June 1998, the Financial Accounting Standards Board (FASB) issued Statement of Financial Accounting Standards (SFAS) No. 133, Accounting for Derivative Instruments and Hedging Activities. This statement addresses the accounting for derivative instruments, including forward foreign exchange contracts. This statement, as amended by SFAS No. 137, shall be effective for the Companys financial statements for December 31, 2000. The company does not have any derivative instruments.

Item 7a.

Quantitative and Qualitative Disclosures About Market Risk:

The Company is exposed to certain market risks, which arise from transactions entered into in the normal course of business. The Companys primary exposures are changes in interest rates with respect to its debt and foreign currency exchange fluctuations.

INTEREST RATE RISK The interest payable on the Companys revolving lines-of-credit are variable based on the prime rate, and therefore, affected by changes in market interest rates. The Company does not use derivative financial instruments.

FOREIGN CURRENCY RISK While the Companys product purchases are transacted in United States dollars, most transactions among the suppliers and subcontractors are effected in HK dollars. Accordingly, fluctuations in Hong Kong monetary rates may have an impact on the Companys cost of goods. Furthermore, appreciation of Chinese currency values relative to the Hong Kong dollar could increase the cost to the Company of the products manufactured in the Peoples Republic of China, and thereby have a negative impact on the Company. Since the majority of the Companys sales are in Canadian dollars, the Company is at risk with regards to the conversion of Canadian dollars to US dollars to pay its suppliers. Therefore, fluctuations in the conversion rate may have an impact on the Company. The Company may use derivative financial instruments solely to hedge the effects of such currency fluctuations.

Board Compensation Committee Report on Executive Compensation

General. The Compensation Committees overall compensation policy applicable to executive officers is to provide a compensation package that is intended to attract and retain qualified executives for us and to provide them with incentives to achieve our goals and increase shareholder value. The Compensation Committee implements this policy through salaries, bonuses, stock options, a

Edgar Filing: GRAND TOYS INTERNATIONAL INC - Form 10-K

retirement savings plan, and employment agreements and miscellaneous personal benefits.

CEO Compensation.

The philosophy, factors and criteria of the Compensation Committee and the Board generally applicable to our officers are also applicable to the Chief Executive Officer. Pursuant to the terms of his Employment Agreement, Mr. Altro received six months salary based on an annual salary of \$168,000, together with other benefits, including life insurance through June 30, 2000. Mr. Altros employment agreement terminated, and he resigned as an officer, on June 30, 2000. From July 1, 2000 through December 31, 2000, Mr. Altro worked as a consultant of the Company and received \$18,000 in consulting fees, plus other benefits, including life insurance. Based upon the performance of the Company through June 30, 2000, the Compensation Committee did not award a discretionary bonus to Mr. Altro. The new Chief Executive Officers salary will be based on the factors set forth above in the Board Compensation Committees Report on Executive Compensation.

Salaries. The Compensation Committees policy is to provide salaries (i) that are approximately at the median of the salaries paid to similar executive officers in similar companies, adjusted in the Compensation Committees subjective judgment to reflect differences in duties of the officers and differences in the size and stage of development of the companies, in order to attract and retain qualified executives and (ii) that compensate individual employees for their individual contributions and performance. The Compensation Committee determines comparable salaries paid by other companies similar to us through its subjective evaluation of its members knowledge of salaries paid by other companies, salary requests of individuals interviewed by us for open positions and recommendations of management. The Committee subjectively evaluates this information and our financial resources and prospects to determine the salary and severance arrangements for an executive officer. Salaries for fiscal 1999 were determined based on a subjective evaluation of the factors described above, without giving any specific priority or weighting to any of the factors.

Bonuses. The Compensation Committees policy is to recommend bonuses that compensate executive officers for achieving our goals. In addition, the Compensation Committees policy is to pay discretionary bonuses, determined near the end of the fiscal year, to compensate executive officers for performance or achievements during the fiscal year not covered by bonuses paid earlier in the year.

Stock Options. The Compensation Committees policy is to award stock options to each of our officers, employees and directors in amounts reflecting the participants position and ability to influence our overall performance, determined based on the Committees subjective judgment after reviewing the number of options previously granted to such person, the number of options granted to persons in similar positions both with us and at other companies deemed comparable to us (based on the members knowledge of options granted by other companies), the number of options remaining available for grant and managements recommendations. Options are intended to provide participants with an increased incentive to make contributions to our long-term performance and

Edgar Filing: GRAND TOYS INTERNATIONAL INC - Form 10-K

growth, to join the interests of participants with the interests of our shareholders and to attract and retain qualified employees. The number of options granted to an executive in 2000 were granted as an inducement for employment.

The Compensation Committees policy is to grant options with a term of ten years to provide a long-term incentive and to fix the exercise price of the options at the fair market value of the underlying shares on the date of grant. Such options only provide compensation if the price of the underlying shares increases. The Committees policy is also to provide new executives with options to attract them to us based on negotiations with new executives, managements recommendations and the Committees subjective judgment primarily after reviewing the number of options granted to similar executives.

Generally, the Compensation Committee reserves the right to pay compensation to our executives in amounts it deems appropriate regardless of whether such compensation is deductible for federal income tax purposes. Options granted to executives in fiscal 1997 are potentially subject to limits on permitted federal income tax deductions upon exercise of such options, including under current treasury regulations concerning the \$1,000,000 cap on executive compensation deductions under Section 162(m) of the Internal Revenue Code of 1986, as amended. The Committee determined to recommend the grants of options to executives in July 1997 despite such options potentially being subject to the \$1,000,000 cap on executive compensation. The Committee determined that such grants were more important to us than the potential loss of related compensation deductions upon exercise of the options.

Retirement Savings Plan. We have adopted a group retirement savings plan for our Canadian employees. We contribute to this plan the lesser of (a) 50% of the employees contribution to this plan; (b) 3% of the employees gross earnings; or (c) Canadian \$3,000 per employee. During the year ended December 31, 2000, we contributed approximately \$20,000 to the plan.

Employment Agreements and Miscellaneous Personal Benefits. The Compensation Committees policy has been to have employment agreements with each of its executive officers to provide them with specified minimum positions, periods of employment, salaries, fringe benefits and severance benefits. These benefits are intended to permit the executive officer to focus his attention on performing his duties to us, rather than on the security of his employment, and to provide the officer with benefits deemed by the Compensation Committee to be suitable for the executives office.

WARRANT TO PURCHASE

COMMON STOCK OF GRAND TOYS INTERNATIONAL, INC.

This certifies that _____ (the Holder), for value received, is entitled to purchase from Grand Toys International, Inc. (the Company) _____ (_____) shares of the Companys Common Stock, \$0.001 par value per share (the Common Stock), at a per share exercise price of \$0.53 per share (the Per Share Exercise Price). This right may be exercised at any time after the six month anniversary of the date hereof up to and including 5:00 p.m. (New York City time) on the third anniversary of the date hereof (the Expiration Date).

1. EXERCISE.

(a) To exercise this right the Holder shall surrender to the Company at its principal office (or at such other location as the Company may advise the Holder in writing) this warrant, properly endorsed, with the Subscription Form attached hereto duly filled in and signed and, if applicable, upon payment in cash or by check of the aggregate Per Share Exercise Price for the number of shares for which this warrant is being exercised determined in accordance with the provisions hereof.

(b) In lieu of exercising this warrant for cash, the Holder may elect to receive shares equal to the value (as determined below) of this warrant (or the portion thereof being canceled) by surrender of this warrant at the principal office of the Company, together with the properly endorsed Subscription Form and notice of such election, in which event the Company will issue to the Holder a number of shares of Common Stock computed using the following formula:

$$X = \frac{Y (A-B)}{A}$$

Where X = the number of shares of Common Stock to be issued to the Holder

Y = the number of shares of Common Stock purchasable under this warrant or, if only a portion of this warrant is being exercised, the portion of this warrant being canceled (at the date of such calculation)

A = the Fair Market Value per share of Common Stock (at the date of such calculation)

B = Per Share Exercise Price (as adjusted to the date of such calculation)

For purposes of the above calculation, Fair Market Value per share of Common Stock will be as follows:

(1) If the Common Stock is listed on a national securities exchange, the Nasdaq National Market or another nationally recognized trading system as of the exercise date, the Fair Market Value per share of Common Stock shall be deemed to be the last reported sale prices per share of Common Stock thereon on the trading day on which a sale was made immediately preceding the exercise date.

(2) If the Common Stock is not listed on a national securities exchange, the Nasdaq National Market or another nationally recognized trading system as of the exercise date, the Fair Market Value per share

Edgar Filing: GRAND TOYS INTERNATIONAL INC - Form 10-K

of Common Stock shall be deemed to be the amount most recently determined by the Board of Directors to represent the fair market value per share of the Common Stock (including without limitation a determination for purposes of granting Common Stock options or issuing Common Stock under an employee benefit plan of the Company); and, upon request of the Holder, the Board of Directors (or a representative thereof) shall promptly notify the Holder of the Fair Market Value per share of Common Stock .

Notwithstanding the foregoing, if the Board of Directors has not made such a determination within the three-month period prior to the exercise date, then (A) the Board of Directors shall make a determination of the Fair Market Value per share of Common Stock within 15 days of a request by the Holder that it do so, and (B) the exercise of this Warrant pursuant to this subsection 1(b) shall be delayed until such determination is made.

2. ISSUANCE OF CERTIFICATES.

Certificates for the shares of Common Stock acquired upon exercise of this warrant, together with any other securities or property to which the Holder is entitled upon such exercise, will be delivered to the Holder by the Company at the Companys expense within a reasonable time after this warrant has been so exercised. Each stock certificate so delivered will be in such denominations of Common Stock as may be requested by the Holder and will be registered in the name of the Holder. In case of a purchase of less than all the shares that may be purchased under this warrant, the Company will cancel this warrant and execute and deliver a new warrant or warrants of like tenor for the balance of the shares purchasable under this warrant to the Holder within a reasonable time after surrender of this warrant.

3. SHARES FULLY-PAID, NONASSESSABLE, ETC.

All shares of Common Stock issued upon exercise of this warrant will, upon issuance, be duly authorized, validly issued, fully-paid and nonassessable and free from all preemptive rights of any shareholder and free of all taxes, liens and charges with respect to the issue thereof. The Company will at all times reserve and keep available out of its authorized but unissued shares of Common Stock, solely for the purpose of effecting the exercise of this warrant, such number of its shares of Common Stock as from time to time are sufficient to effect the full exercise of this warrant. If at any time the number of authorized but unissued shares of Common Stock is not sufficient to effect the full exercise of this warrant, the Company will take such corporate action as may, in the opinion of its counsel, be necessary to increase its authorized but unissued shares of Common Stock to such number of shares as is sufficient for such purpose. The Company will take all such action as may be necessary to assure that such securities may be issued as provided herein without violation of any applicable law or regulation, or of any requirements of any domestic securities exchange upon which the Common Stock may be listed; provided, however, that the Company will not be required to effect a registration under federal or state securities laws with respect to such exercise (except as may be set forth in a separate written agreement between the Company and the Holder).

Edgar Filing: GRAND TOYS INTERNATIONAL INC - Form 10-K

4. ADJUSTMENTS.

4.1 Adjustment for Stock Splits and Combinations. If the Company at any time or from time to time during the term of this warrant effects a subdivision of the outstanding Common Stock, the Per Share Exercise Price in effect immediately before that subdivision will be proportionately decreased. Conversely, if the Company at any time or from time to time during the term of this warrant combines the outstanding shares of Common Stock into a smaller number of shares, the Per Share Exercise Price in effect immediately before the combination will be proportionately increased. Any adjustment under this Section 4.1 will become effective at the close of business on the date the subdivision or combination becomes effective.

4.2 Adjustment for Common Stock Dividends and Distributions. If the Company at any time or from time to time during the term of this warrant makes, or fixes, a record date for the determination of holders of Common Stock entitled to receive a dividend or other distribution payable in additional shares of Common Stock, in each such event the Per Share Exercise Price that is then in effect will be decreased as of the time of such issuance or, in the event such record date is fixed, as of the close of business on such record date, by multiplying the Per Share Exercise Price then in effect by a fraction (a) the numerator of which is the total number of shares of Common Stock issued and outstanding immediately prior to the time of such issuance on the close of business on such record date, and (b) the denominator of which is the total number of shares of Common Stock issued and outstanding immediately prior to the time of such issuance on the close of business on such record date plus the number of shares of Common Stock issuable in payment of such dividend or distribution; provided, however, that if such record date is fixed and such dividend is not fully paid or if such distribution is not fully made on the date fixed therefor, the Per Share Exercise Price will be recomputed accordingly as of the close of business on such record date and thereafter the Per Share Exercise Price will be adjusted pursuant to this Section 4.2 to reflect the actual payment of such dividend or distribution.

4.3 Adjustments for Other Dividends and Distributions. If the Company at any time or from time to time during the term of this warrant makes, or fixes a record date for the determination of holders of Common Stock entitled to receive a dividend or other distribution payable in securities of the Company other than shares of Common Stock, in each such event provision will be made so that the Holder will receive upon exercise of this warrant, in addition to the number of shares of Common Stock receivable thereupon, the amount of other securities of the Company that it would have received had this warrant been exercised on the date of such event and had it thereafter, during the period from the date of such event to and including the exercise date, retained such securities receivable by them as aforesaid, subject to all other adjustments called for during such period under this Section 4 with respect to the rights of the Holder hereunder or with respect to such other securities by their terms.

4.4 Adjustment for Reclassification, Exchange and Substitution. If at any time or from time to time during the term of this warrant the Common Stock issuable upon the exercise of this warrant is changed into the same or a different number of shares of any class or classes of stock, whether by recapitalization, reclassification or otherwise (other than a recapitalization, subdivision, combination, reclassification or exchange provided for elsewhere in this Section 4), the Holder will have the right thereafter to exercise this warrant for the kind and amount of stock and other securities and property receivable upon such recapitalization, reclassification or other change into which the shares of Common Stock issuable upon exercise of this warrant immediately prior to such recapitalization, reclassification or change could have been converted, all subject to further adjustment as provided herein or with respect to such other securities or property by the terms thereof.

4.5 Reorganizations. If at any time or from time to time

Edgar Filing: GRAND TOYS INTERNATIONAL INC - Form 10-K

during the term of this warrant there is a capital reorganization of the Common Stock (other than a recapitalization, subdivision, combination, reclassification or exchange provided for elsewhere in this Section 4), as a part of such capital reorganization, provision will be made so that the Holder will thereafter be entitled to receive upon exercise of this warrant the number of shares of stock or other securities or property of the Company to which a holder of the number of shares of Common Stock deliverable upon exercise of this warrant would have been entitled on such capital reorganization, subject to adjustment in respect of such stock or securities by the terms thereof.

4.6 Certificate of Adjustment. In each case of an adjustment or readjustment of the number of shares issuable upon exercise of this warrant or the Per Share Exercise Price, the Company, at its expense, will compute such adjustment or readjustment in accordance with the provisions hereof and prepare a certificate showing such adjustment or readjustment, and will mail such certificate, by first class mail, postage prepaid, to the Holder at the Holders address as shown in the Companys books. The certificate will set forth such adjustment or readjustment, showing in detail the facts upon which such adjustment or readjustment is based, including a statement of (a) the Per Share Exercise Price at the time in effect, and (b) the type and amount, if any, of other property that at the time would be received upon exercise of this warrant.

4.7 Notices of Record Date. Upon (a) any taking by the Company of a record of the holders of any class of securities for the purpose of determining the holders thereof who are entitled to receive any dividend or other distribution, (b) any capital reorganization of the Company, any reclassification or recapitalization of the capital stock of the Company, any sale of all or substantially all of the assets of the Company or any voluntary or involuntary dissolution, liquidation or winding up of the Company or (c) a proposed sale event, the Company will mail to the Holder at least twenty (20) days prior to the record date specified therein a notice specifying (1) the date on which any such record is to be taken for the purpose of such dividend or distribution and a description of such dividend or distribution, (2) the date on which any such reorganization, reclassification, recapitalization, asset sale, dissolution, liquidation or winding up is expected to become effective, and (3) the date, if any, that is to be fixed as to when the holders of record of Common Stock (or other securities) will be entitled to exchange their shares of Common Stock (or other securities) for securities or other property deliverable upon such reorganization, reclassification, recapitalization, asset sale, dissolution, liquidation or winding up.

5. TAXES.

The Company will pay all taxes (other than taxes based upon income) and other governmental charges that may be imposed with respect to the issue or delivery of shares of Common Stock upon exercise of this warrant, excluding any tax or other charge imposed in connection with any transfer involved in the issue and delivery of shares of Common Stock in a name other than that in which this warrant was registered.

6. REGISTRATION RIGHTS

The shares of Common Stock issuable upon exercise of this warrant shall have the identical registration rights set forth in Section 4 of the Subscription Agreement dated as of the date hereof between the Holder and the Company.

7. CLOSING OF BOOKS.

The Company will at no time close its transfer books against the transfer of any warrant or of any shares of Common Stock issued or issuable upon the exercise of any warrant in any manner that interferes with the timely exercise of this warrant.

8. NO VOTING OR DIVIDEND RIGHTS; LIMITATION OF LIABILITY.

Nothing contained in this warrant will be construed as conferring upon the Holder the right to vote or to consent or to receive notice as a shareholder of the Company or any other matters or any rights whatsoever

Edgar Filing: GRAND TOYS INTERNATIONAL INC - Form 10-K

as a shareholder of the Company. No dividends or interest will be payable or accrued in respect of this warrant or the interest represented hereby or the shares purchasable hereunder until, and only to the extent that, this warrant has been exercised.

9. WARRANTS TRANSFERABLE.

Subject to compliance with applicable federal and state securities laws and the restrictions imposed by any other written agreement between the Holder and the Company, this warrant and all rights hereunder are transferable, in whole or in part, without charge to the Holder (except for transfer taxes), upon surrender of this warrant properly endorsed and in compliance with the provisions of this warrant.

10. MODIFICATION AND WAIVER.

This warrant and any provision hereof may be changed, waived, discharged or terminated only by an instrument in writing signed by the party against which enforcement of the same is sought.

11. NOTICES.

Any notice required by the provisions of this warrant will be in writing and will be deemed effectively given: (a) upon personal delivery to the party to be notified; (b) when sent by confirmed telex or facsimile if sent during normal business hours of the recipient; if not, then on the next business day; (c) five (5) days after having been sent by registered or certified mail, return receipt requested, postage prepaid; or (d) one (1) day after deposit with a nationally recognized overnight courier, specifying next day delivery, with written verification of receipt. All notices will be addressed to the Holder at the address of the Holder appearing on the books of the Company.

12. LOST WARRANTS.

The Company represents and warrants to the Holder that upon receipt of evidence reasonably satisfactory to the Company of the loss, theft, destruction, or mutilation of this warrant and, in the case of any such loss, theft or destruction, upon receipt of an indemnity reasonably satisfactory to the Company, or in the case of any such mutilation upon surrender and cancellation of such warrant, the Company, at its expense, will make and deliver a new warrant, of like tenor, in lieu of the lost, stolen, destroyed or mutilated warrant.

13. FRACTIONAL SHARES.

No fractional shares of Common Stock will be issued upon exercise of this warrant. If the conversion would result in the issuance of any fractional share, the Company will, in lieu of issuing any fractional share, pay cash equal to the product of such fraction multiplied by the closing bid price of the Companys Common Stock on the date of conversion.

14. GOVERNING LAW.

This warrant will be construed and enforced in accordance with, and the rights of the parties will be governed by, the laws of the State of New York without regard to conflict of laws principles.

The Company has executed this warrant as of this ____ day of March, 2001.

THE SECURITIES MAY NOT BE OFFERED, SOLD OR OTHERWISE TRANSFERRED IN THE UNITED STATES OR TO U.S. PERSONS (AS SUCH TERM IS DEFINED IN REGULATION S) UNLESS THE SECURITIES ARE REGISTERED UNDER THE SECURITIES ACT AND APPLICABLE STATE SECURITIES LAWS, OR SUCH OFFERS, SALES AND TRANSFERS ARE MADE PURSUANT TO AVAILABLE EXEMPTIONS FROM THE REGISTRATION REQUIREMENTS OF THOSE LAWS.

2. Representations and Warranties of the Subscriber. The undersigned represents and warrants to the Company as follows:

(a) The undersigned, in making the decision to purchase the Units, has relied upon independent investigations made by him or it and his or its representatives, if any. The undersigned and/or his or its advisors have had a reasonable opportunity to ask questions of and receive answers from the Company concerning the Units.

(b) The undersigned has been supplied with or has sufficient access to all information, including financial statements and other financial information of the Company, and has been afforded with an opportunity to ask questions of and receive answers concerning information to which a reasonable investor would attach significance in making investment decisions, so that as a reasonable investor the undersigned has been able to make the undersigneds decision to purchase the Units.

(c) The undersigned is able to bear the substantial economic risks of an investment in the Securities for an indefinite period of time, has no need for liquidity in such investment, has made commitments to investments that are not readily marketable which are reasonable in relation to the undersigned's net worth and, at the present time, could afford a complete loss of such investment.

(d) The undersigned has such knowledge and experience in financial, tax and business matters so as to enable the undersigned to utilize the information made available to the undersigned in connection with the offering of the Units to evaluate the merits and risks of an investment in the Units and to make an informed investment decision with respect thereto.

(e) The undersigned understands that the Securities are being sold in reliance on an exemption from the registration requirements of federal and state securities laws under Regulation S promulgated under the Securities Act and that the Company is relying upon the truth and accuracy of the representations, warranties, agreements, acknowledgments and understandings of the undersigned set forth herein in order to determine the applicability of such exemptions and the suitability of the undersigned to purchase the Units. The representations, warranties and agreements contained herein are true and correct as of the date hereof and may be relied upon by the Company, and the undersigned will notify the Company immediately of any adverse change in any such representations and warranties which may occur prior to the acceptance of this Subscription Agreement by the Company and will promptly send the Company written confirmation thereof if requested by the Company. The representations, warranties and agreements of the undersigned contained herein shall survive the execution and delivery of this Subscription Agreement and the purchase of the Units.

(f) Neither the undersigned nor any person or entity for whom the undersigned is acting as fiduciary is a U.S. person. A U.S. person means any one of the following:

(i) any natural person resident in the United States of America;

(ii) any partnership or corporation organized or incorporated under the laws of the United States of America;

(iii) any estate of which any executor or administrator is a U.S. person;

(i) IN THE VIEW OF THE SEC, THE STATUTORY BASIS FOR THE EXEMPTION CLAIMED FOR THIS TRANSACTION WOULD NOT BE PRESENT IF THE OFFERING OF UNITS, ALTHOUGH IN TECHNICAL COMPLIANCE WITH REGULATION S, IS PART OF A PLAN OR SCHEME TO EVADE THE REGISTRATION PROVISIONS OF THE SECURITIES ACT. THE UNDERSIGNED IS ACQUIRING THE UNITS FOR INVESTMENT PURPOSES AND HAS NO PRESENT INTENTION TO SELL THE SECURITIES IN THE UNITED STATES OF AMERICA TO A U.S. PERSON OR FOR THE ACCOUNT OR BENEFIT OF A U.S. PERSON.

3. Registration Rights.

3.1 Definitions. For purposes of this Section 3, defined terms shall have the following meaning:

(i) Exchange Act means the Securities Exchange Act of 1934, as amended, or any similar Federal statute, and the rules and regulations of the SEC issued under the Exchange Act, as they each may, from time to time, be in effect.

(ii) Investor means each party that has executed a signature page to this Subscription Agreement and delivered the purchase price set forth thereon by wire transfer of immediately available funds.

(iii) Register, Registered and Registration mean a registration effected by preparing and filing a registration statement in compliance with the Securities Act and applicable rules and regulations thereunder, and the declaration or ordering of the effectiveness of such registration statement.

(iv) Registrable Shares means (i) any shares of Common Stock held by the Investor issued pursuant to the terms of this Subscription Agreement; (ii) the Warrant Shares; and (iii) any other shares of Common Stock of the Company issued in respect of the shares described in clauses (i) and (ii) above (because of stock splits, stock dividends, reclassifications, recapitalizations, or similar events); provided, however, that any shares described in the foregoing clauses that have been resold to the public shall cease to be Registrable Shares.

(v) Registration Expenses means all expenses the Company incurs in complying with Section 3, including, without limitation, all Registration and filing fees, printing expenses, fees and disbursements of counsel for the Company, Blue Sky fees and expenses, and the expenses of any special audits incident to or required by any such Registration.

(vi) Registration Statement means a registration statement filed by the Company with the SEC for a public offering and sale of securities of the Company (other than a registration statement on Form S-8 or Form S-4, or their successors, any other form for a limited purpose, any registration statement covering only securities proposed to be issued in exchange for securities or assets of another corporation or a registration statement on Form S-3 solely for the purpose of registering shares issued in a non-underwritten offering in connection with a merger, combination or acquisition).

(vii) Selling Expenses means (i) all underwriting discounts and selling commissions applicable to the sale of securities Registered and sold pursuant to Section 3, (ii) any additional costs and disbursements of counsel for the Company that result from inclusion of Registrable Shares in the Registration, and (iii) the expenses of qualifying the securities covered by the Registration in a jurisdiction to the extent that the jurisdiction requires such qualification expenses to be borne by the selling security holders.

(viii) Stockholders means the Investor, and any persons or entities to whom the rights granted under this Subscription Agreement are transferred by the Investor.

3.2 Piggyback Registration Rights.

(a) Whenever the Company proposes to file a Registration Statement (other than pursuant to Section 3.3) at any time and from time to time, other than a Registration relating solely to employee benefit plans, or a Registration relating solely to a transaction pursuant to Rule 145 promulgated under the Securities Act or a Registration on any Registration form which does not permit secondary sales or does not include substantially the same information as would be required to be included in a Registration statement covering the sale of the Registrable Securities, the Company shall, prior to such filing, give written notice to the Investor of its intention to do so and, upon the written request of Investor given within 10 days after the Company provides such notice (which request shall state the intended method of disposition of such Registrable Shares), the Company shall use its commercially reasonable efforts to cause all Registrable Shares that the Company has been requested by Investor to

Edgar Filing: GRAND TOYS INTERNATIONAL INC - Form 10-K

register, to be registered under the Securities Act to the extent necessary to permit their sale or other disposition in accordance with the intended methods of distribution specified in the request of such Investor; provided that the Company shall have the right to postpone or withdraw any registration effected pursuant to this Section 3 without obligation to Investor.

(b) In connection with any offering under this Section 3.2 involving an underwriting, the Company shall not be required to include any Registrable Shares in such underwriting unless the holders thereof accept the terms of the underwriting as agreed upon between the Company and the underwriters selected by it, and then only in such quantity as will not, in the good faith opinion of the underwriters and the Company, jeopardize the success of the offering by the Company. If, in the opinion of the managing underwriter and the Company, the registration of all, or part of, the Registrable Shares that the holders have requested to be included would materially and adversely affect such public offering, then the Company shall be required to include in the underwriting only that number of Registrable Shares, if any, that the managing underwriter in good faith believes may be sold without causing such adverse effect. If the number of Registrable Shares to be included in the underwriting in accordance with the foregoing is less than the total number of shares that the holders of Registrable Shares have requested to be included, the holders holding Registrable Shares who have requested registration shall participate in the underwriting pro rata based upon their total ownership of shares of Common Stock of the Company (giving effect to the conversion into Common Stock of all securities convertible therein). If any holder would thus be entitled to include more shares than such holder requested to be registered, the excess shall be allocated among other requesting holders pro rata based upon their total ownership of Registrable Shares.

3.3 Demand Registration Rights. If the Company receives from Investor a written request or requests that it effect a Registration and any related qualification or compliance with respect to all or a part of the Registrable Securities of Investor, the Company shall:

(a) promptly give written notice of the proposed Registration, and any related qualification or compliance, to all other holders; and

(b) as soon as practicable, effect such Registration and all such qualifications and compliances as may be so requested and as would permit or facilitate the sale and distribution of all or such portion of the Registrable Securities as are specified in such request, together with all or such portion of the Registrable Securities of any other shareholder(s) joining in such request as are specified in a written request given within twenty (20) days after receipt of such written notice from the Company; provided, however:

(1) the Company shall not be required to effect more than two (2) Registrations pursuant to this Section 3.3 on behalf of the undersigned and all other persons purchasing securities of the Company on the date hereof; provided, further, that the Company shall not be required to effect any Registration within twelve (12) months after the effective date of any other Registration Statement of the Company;

(2) the value of the Registrable Securities for which the undersigned and all other persons purchasing securities of the Company on the date hereof request registration hereunder shall be at least \$500,000 in the aggregate; and

(3) if at the time of any request to register Registrable Shares pursuant to this Section 3.3, the Company is engaged or has fixed plans approved by the Company's Board of Directors to engage within 120 days of the time of the request in a registered public offering as to which the Stockholders may include Registrable Shares pursuant to

Edgar Filing: GRAND TOYS INTERNATIONAL INC - Form 10-K

Section 3.2 or is engaged in any other activity that, in the good faith determination of the Company's Board of Directors, would be adversely affected by the requested Registration to the material detriment of the Company, then the Company may at its option direct that such request be delayed for a period not in excess of 180 days from the effective date of such offering or the date of commencement of such other material activity, as the case may be, such right to delay a request to be exercised by the Company not more than once in any one (1) year period.

(c) Subject to the foregoing, the Company shall use its commercially reasonable efforts to file a registration statement covering the Registrable Securities and other securities so requested to be Registered as expeditiously as possible after receipt of Investors request.

3.4 Expenses of Company Registrations. The Company shall bear all Registration Expenses incurred in connection with any Registration, qualification or compliance pursuant to this Section 3 (exclusive of Selling Expenses).

3.5 Registration Procedures. In the case of each Registration, qualification or compliance effected by the Company pursuant hereto, the Company shall keep Investor advised in writing as to the initiation of each Registration, qualification and compliance and as to the completion thereof. At its expense, the Company shall:

(a) prepare and file with the SEC a Registration Statement with respect to such Registrable Shares and use its commercially reasonable efforts to cause that Registration Statement to become and remain effective for the earlier of 270 days or until the completion of the distribution;

(b) as expeditiously as possible prepare and file with the SEC any amendments and supplements to the Registration Statement and the prospectus included in the Registration Statement as may be necessary to keep the Registration Statement effective, and comply with the provisions of the Securities Act with respect to the disposition of all securities covered by such Registration Statement;

(c) as expeditiously as possible furnish to each selling Stockholder such reasonable numbers of copies of the registration statement, each amendment and supplement thereto, prospectus, including a preliminary prospectus, in conformity with the requirements of the Securities Act, and such other documents as the selling Stockholder may reasonably request in order to facilitate the public sale or other disposition of the Registrable Shares owned by the selling Stockholder; and

(d) as expeditiously as possible use its commercially reasonable efforts to register or qualify the Registrable Shares covered by the Registration Statement under the securities or Blue Sky laws of such states as the selling Stockholders shall reasonably request, and do any and all other acts and things that may be necessary or desirable to enable the selling Stockholders to consummate the public sale or other disposition in such states of the Registrable Shares owned by the selling Stockholder; provided, however, that the Company shall not be required in connection with this Section 3.5 to qualify as a foreign corporation or execute a general consent to service of process in any jurisdiction.

If the Company has delivered preliminary or final prospectuses to the selling Stockholders and after having done so the prospectus is amended to comply with the requirements of the Securities Act, the Company shall promptly notify the selling Stockholders and, if requested, the selling Stockholders shall immediately cease making offers of Registrable Shares and return all prospectuses to the Company. The Company shall promptly provide the selling Stockholders with revised prospectuses and, following receipt of the revised prospectuses, the selling Stockholders shall be free to resume making offers of the Registrable Shares.

3.6 Indemnification.

In the event of any registration of any of the Registrable Shares under the Securities Act pursuant to this Subscription Agreement, the Company will indemnify and hold harmless the seller of such Registrable Shares, each underwriter of such seller of such Registrable Shares, and each other person, if any, who controls such seller or underwriter within the meaning of the Securities Act or the Exchange Act against any losses, claims, damages or liabilities, joint or several, to which such seller, underwriter or controlling person may become subject under the Securities Act, the Exchange Act, state securities or Blue Sky laws or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in any Registration Statement under which such Registrable Shares were registered under the Securities Act, any preliminary prospectus or final prospectus contained in the Registration Statement, or any amendment or supplement to such Registration Statement, or arise out of or are based upon the omission or alleged omission to state a material fact required to be stated therein or necessary to make the statements therein not misleading; and the Company will reimburse such seller, underwriter and each such controlling person for any legal or any other expenses reasonably incurred by such seller, underwriter or controlling person in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the Company will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any untrue statement or omission made in such Registration Statement, preliminary prospectus or prospectus, or any such amendment or supplement, in reliance upon and in conformity with information furnished to the Company, in writing, by or on behalf of such seller, underwriter or controlling person specifically for use in the preparation thereof.

In the event of any registration of any of the Registrable Shares under the Securities Act pursuant to this Subscription Agreement, each seller of Registrable Shares, severally and not jointly, will indemnify and hold harmless the Company, each of its directors and officers and each underwriter (if any) and each person, if any, who controls the Company or any such underwriter within the meaning of the Securities Act or the Exchange Act, and any other seller of Registrable Shares or any such sellers partners, directors or officers and each person, if any, who controls such seller within the meaning of the Securities Act and the Exchange Act, against any losses, claims, damages or liabilities, joint or several, to which the Company, such directors and officers, underwriter, selling Stockholder or controlling person may become subject under the Securities Act, Exchange Act, state securities or Blue Sky laws or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement under which such Registrable Shares were registered under the Securities Act, any preliminary prospectus or final prospectus contained in the Registration Statement, or any amendment or supplement to the Registration Statement, or arise out of or are based upon any omission or alleged omission to state a material fact required to be stated therein or necessary to make the statements therein not misleading, and each such seller of Registrable Shares will reimburse the Company for any legal or

any other expenses reasonably incurred by the Company in connection with investigating or defending any such loss, claim, damage, liability or action if the statement or omission was made in reliance upon and in conformity with information furnished in writing to the Company by or on behalf of such seller, specifically for use in connection with the preparation of such Registration Statement, prospectus, amendment or supplement; provided, however, that the obligations of such Stockholders hereunder shall be limited to an amount equal to the net proceeds received by each selling Stockholder of Registrable Shares sold as contemplated herein.

Each party entitled to indemnification under this Section 3.6 (the Indemnified Party) shall give notice to the party required to provide indemnification (the Indemnifying Party) promptly after such Indemnified Party has actual knowledge of any claim as to which indemnity may be sought, and shall permit the Indemnifying Party to assume the defense of any such claim or any litigation resulting therefrom; provided, that counsel for the Indemnifying Party, who shall conduct the defense of such claim or litigation, shall be approved by the Indemnified Party (whose approval shall not be unreasonably withheld); and, provided, further, that the failure of any Indemnified Party to give notice as provided herein shall not relieve the Indemnifying Party of its obligations under this Subscription Agreement, except to the extent that the Indemnifying Party's ability to defend against such claim or litigation is impaired as a result of such failure to give notice. The Indemnified Party may participate in such defense at such party's expense; provided, however, that the Indemnifying Party shall pay such expense if representation of such Indemnified Party by the counsel retained by the Indemnifying Party would be inappropriate due to actual or potential differing interests between the Indemnified Party and any other party represented by such counsel in such proceeding. No Indemnifying Party in the defense of any such claim or litigation shall, except with the consent of each Indemnified Party, consent to entry of any judgment or enter into any settlement that does not include as an unconditional term thereof the giving by the claimant or plaintiff to such Indemnified Party of a release from all liability in respect of such claim or litigation, and no Indemnified Party shall consent to entry of any judgment or settle such claim or litigation without the prior written consent of the Indemnifying Party.

Each Indemnified Party shall furnish such information regarding itself or the claim in question as an Indemnifying Party may reasonably request in writing and as shall be reasonably required in connection with the defense of such claim and litigation resulting therefrom.

In order to provide for just and equitable contribution in circumstances in which the indemnification provided for in this Section 3.6 is due in accordance with its terms but for any reason is held to be unavailable to an Indemnified Party in respect to any losses, claims, damages and liabilities referred to herein, then the Indemnifying Party shall, in lieu of indemnifying such Indemnified Party, contribute to the amount paid or payable by such Indemnified Party as a result of such losses, claims, damages or liabilities to which such party may be subject in proportion as is appropriate to reflect the relative fault of the Indemnifying Party on the one hand and the Indemnified Party on the other hand in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable

considerations. The relative fault of the Indemnifying Party and the Indemnified Party shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of material fact related to information supplied by the Indemnifying Party or the Indemnified Party and the parties relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Company and the Investor agree that it would not be just and equitable if contribution pursuant to this Section 3.6 were determined by pro rata allocation or by any other method of allocation that does not take account of the equitable considerations referred to above. Notwithstanding the provisions of this paragraph of Section 3.6, (a) in no case shall any one Investor be liable or responsible for any amount in excess of the net proceeds received by such Investor from the offering of Registrable Shares and (b) the Company shall be liable and responsible for any amount in excess of such proceeds; provided, however, that no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution for any person who was not guilty of such fraudulent misrepresentation. Any party entitled to contribution will, promptly after receipt of notice of commencement of any action, suit or proceeding against such party or parties under this Section, notify such party or parties from whom such contribution may be sought, but the omission so to notify such party or parties from contribution may be sought shall not relieve such party from any other obligation it or they may have thereunder or otherwise under this Section. No party shall be liable for contribution with respect to any action, suit, proceeding or claim settled without its prior written consent, which consent shall not be unreasonably withheld.

(c) Borrower will render any assistance reasonably necessary to Lender without cost in any proceeding before the United States Patent and Trademark Office or any similar office or agency in the United States or any other country to maintain each application for any patents, copyrights, trademarks or other Intellectual Property, including, without limitation, the filing of all renewals and paying all annuities.

(d) Borrower shall not infringe on or interfere with any Intellectual Property of any other Person in any material respect.

SECTION 6.11 No Sale of Assets. Borrower shall

not, and shall not permit any of its Subsidiaries to, directly or indirectly, sell, lease, assign, transfer or otherwise dispose of any assets, whether now owned or hereafter acquired, other than (a) inventory in the ordinary course of business, (b) obsolete or worn out property disposed of in the ordinary course of business, or (c) in connection with the Asset Purchase Agreement.

SECTION 6.12 No Guaranties. Except as otherwise provided by this Agreement, Borrower shall not, and shall not permit any of its Subsidiaries to, directly or indirectly, issue or assume any Guaranty with respect to the liabilities of any other Person, including any Subsidiary or Affiliate of Borrower, except by the endorsement of negotiable instruments for deposit or collection or similar transactions in the ordinary course of business.

SECTION 6.13 No Restricted Payments. Borrower shall not, and shall not permit any of its Subsidiaries to, directly or indirectly, declare, pay or make any Restricted Payment, except:

(a) any dividends or distributions to Borrower from any of its Subsidiaries; and

(b) payments on the Obligations.

SECTION 6.14 Issuance of Capital Stock. Borrower shall not, and shall not permit any of its Subsidiaries to, issue, sell, distribute, or otherwise transfer its capital stock or other equity interests to any Person, except (i) dividends permitted by Section 6.6, and (ii) dispositions by any Subsidiary of Borrower of such Subsidiarys capital stock or other equity interests to Borrower.

SECTION 6.15 Additional Restrictive Covenants. Borrower shall not, and shall not permit any of its Subsidiaries to, directly or indirectly, create or otherwise cause or suffer to exist or become effective (a) any consensual restriction limiting the ability (whether by covenant, event of default, subordination or otherwise and including any such the effect of which is to require the providing of equal and ratable security to any other Person in the event a Lien is granted to or for the benefit of Lender) to (i) pay dividends or make any other distributions on shares of its capital stock or other equity interests held by Borrower or any other Subsidiary; (ii) pay any liability owed to Borrower or any other Subsidiary; (iii) make any loans or advances to or other Investments in Borrower or in any other Subsidiary of Borrower; or (iv) create or permit to exist any Lien upon the assets of Borrower or any Subsidiary, other than Liens permitted under Section 6.2; or (b) any contractual obligation which may restrict or inhibit Lenders rights or ability to sell or otherwise dispose of the Collateral or any part thereof after the occurrence of an Event of Default; other than Permitted Restrictive Covenants.

SECTION 6.16 No Additional Subsidiaries. Borrower will not, and shall not permit any of its Subsidiaries to, directly or indirectly, form or acquire any new Subsidiaries unless such newly formed or acquired Subsidiary becomes a co-borrower with Borrower under the Loan Documents and enters into such agreements and documents reasonably requested by Lender in connection therewith.

ARTICLE VII

SECURITY PROVISIONS

SECTION 7.1 Security Interest. To further secure the Obligations, and without limiting the legal operation and effect of any other Loan Document, Borrower hereby collaterally assigns to Lender, and grants Lender a security interest in, all of Borrowers Property described below, now owned and hereafter acquired, created or arising, and all of

Borrowers Property listed on any Schedule to this Agreement, now owned and hereafter acquired, created or arising, and in each case regardless of where such Property may be located and whether such Property may be in the possession of Borrower, Lender, or a third party, and, if any of such Property may be held or stored with any Person other than a Borrower, together with all of Borrowers rights now owned and hereafter acquired, created or arising relating to the storage and retrieval thereof and access thereto (all of which Property described below or listed on any such Schedule and all such rights of storage, retrieval and access being referred to herein as Collateral):

- (a) All of Borrowers Accounts; and
- (b) All of Borrowers Bank Accounts; and
- (c) All of Borrowers Chattel Paper; and
- (d) All of Borrowers Documents; and
- (e) All of Borrowers Equipment; and
- (f) All of Borrowers General Intangibles; and
- (g) All of Borrowers moneys, cash equivalents, securities and other property, now or hereafter held or received by, or in transit to, Lender, whether for safekeeping, pledge, custody, transmission, collection or otherwise, and any balances, sums and credits of Borrower held by Lender at any time existing (Held Items); and
- (h) All of Borrowers Instruments; and
- (i) All of Borrowers Inventory; and
- (j) All of Borrowers Investment Property; and
- (k) All of Borrowers right, title and interest in any tangible or intangible personal property that is not described within the other defined terms included within the definition of Collateral (Other Personalty); and
- (l) All Proceeds; and
- (m) All products of Collateral (Products); and
- (n) All of Borrowers books, records, documents, ledger cards, invoices, bills of lading and other shipping evidence, credit files, computer programs, tapes, discs, diskettes, and other data and software storage medium and devices, customer lists, mailing lists, mailing labels, business forms and stationery, and other property and general intangibles evidencing or relating to Borrowers Accounts, Inventory, Chattel Paper, General Intangibles, Investment Property, and/or other Collateral, or any Account Debtor, (including any rights of Borrower with respect to the foregoing maintained with or by any other Person) (Records).

SECTION 7.2 Chattel Paper and Instruments. Borrower shall mark or stamp the first page and the signature page of all Chattel Paper with a legend clearly and conspicuously stating that such Chattel Paper is subject to a continuing security interest in favor of Lender, and promptly upon Lenders request from time to time, and at Borrowers sole cost and expense, and without limiting the effect of any other provision of this Agreement or any other Loan Document, Borrower shall: (i) deliver to Lender such Chattel Paper, and execute and deliver to Lender such assignments of Chattel Paper and related endorsements of Chattel Paper, as Lender may request, and shall cause the makers of the Chattel Paper to deliver to Lender such acknowledgments of the assignments of Chattel Paper as Lender may request; and (ii) deliver to Lender such Instruments, and execute and deliver to Lender such collateral assignments of Instruments and related endorsements of Instruments, as Lender may request, and

shall cause the makers of the Instruments to deliver to Lender such acknowledgments of assignment of Instruments as Lender may request.

SECTION 7.3 Equipment. Borrower shall use the Equipment solely in the conduct of its business and in a careful and proper manner. Borrower shall keep all of its Equipment at its principal place of business or at the Real Property and shall not change the location of any material portion of the Equipment without providing Lender with thirty (30) days prior written notice thereof.

SECTION 7.4 Inventory. Borrower shall store all of the Inventory in a careful, secure and proper manner at its principal place of business or at the Real Property and shall not change the location of any material amount of the Inventory without providing Lender with thirty (30) days prior written notice thereof.

SECTION 7.5 Additional Collateral. If Borrower proposes to acquire additional property that would constitute Collateral, and if the security interest of Lender would not be a first priority perfected security interest upon acquisition of such property, then except with respect to permitted Liens, as to which this Section shall not apply, Borrower shall, before acquiring such property, notify Lender of the intended acquisition and take whatever actions Lender may require in order that, upon the acquisition of such property, Lender will have a first priority perfected security interest therein.

SECTION 7.6 Covenant Regarding Receivables. Borrower shall not rescind or cancel any Indebtedness evidenced by any Accounts or modify any term thereof or make any adjustment with respect thereto, or extend or renew the same, or compromise or settle any dispute, claim, suit or legal proceeding relating thereto or sell any Accounts or interest therein, without the prior written consent of Lender, except as permitted by Section 7.7 hereof. Borrower shall timely fulfill all obligations on their part to be fulfilled under or in connection with the Accounts.

Section 7.7 Collection. Borrower shall take all commercially reasonable actions to cause to be collected from the Account Debtor of each of the Accounts, as and when due (including Accounts that are delinquent, such Accounts to be collected in accordance with generally accepted commercial collection procedures), any and all amounts owing under or on account of such Accounts, and apply forthwith upon receipt thereof all such amounts as are so collected to the outstanding balance of such Accounts, except that, prior to the occurrence of an Event of Default, Borrower may allow in the ordinary course of business (a) a refund or credit due as a result of returned or damaged merchandise and (b) such extensions of time to pay amounts due in respect of Accounts and such other modifications of payment terms in respect of Accounts as shall be commercially reasonable in the circumstances, all in accordance with Borrowers ordinary course of business consistent with its collection practices as in effect from time to time. The costs and expenses (including attorneys fees and the allocated costs of internal counsel) of collection, whether incurred by Borrower or Lender, shall be paid by Borrower.

SECTION 7.8 Further Assurances of Collateral. Borrower shall execute such further agreements, documents, financing statements and other instruments as may reasonably be requested by Lender in order to perfect the security interests granted herein. To the extent that possession of the Collateral may be necessary or advisable to perfect the collateral assignment and security interests granted hereby, Borrower shall deliver such Collateral to Lender upon the request of Lender; provided that before the occurrence of an

Event of Default, Lender shall not require physical possession of Collateral if such possession would materially impair Borrowers ability to transact business in a commercially reasonable manner. Without limiting the generality of the foregoing, Borrower hereby covenants and agrees that all Liens granted to Lender under this Agreement and/or any other Loan Documents, are, and shall at all times be, first priority Liens, subject only to permitted Liens, and that no Property of Borrower shall be subject to any Lien (regardless of priority) except for permitted Liens.

ARTICLE VIII

EVENTS OF DEFAULT

AND REMEDIES

SECTION 8.1 Events of Default. If any of the following events (Events of Default) occur:

- (a) any representation or warranty made or deemed made in or in connection with any Loan Document or the Loan hereunder, or any representation, warranty, statement or information contained in any report, certificate, financial statement or other instrument furnished in connection with or pursuant to any Loan Document, proves to have been materially false or misleading when so made, deemed made or furnished and a period of ten (10) Business Days shall have elapsed after the occurrence of such event;
- (b) default is made in the payment of any principal of the Loan when and as the same shall become due and payable, whether at the due date thereof or at a date fixed for prepayment thereof or by acceleration thereof or otherwise;
- (c) default is made in the payment of any interest on the Loan or any other amount (other than an amount referred to in (b) above) due under any Loan Document, when and as the same becomes due and payable, and such default continues unremedied for a period of ten (10) Business Days;
- (d) default is made in the due observance or performance by Borrower of any covenant, condition or agreement contained in Section 5.1(a) or in Articles VI or VII, and such default continues unremedied for a period of ten (10) Business Days;
- (e) default is made in the due observance or performance by any Loan Party of any covenant, condition or agreement contained in any Loan Document (other than those specified in (b), (c) or (d) above) and such default continues unremedied for a period of thirty (30) days after notice thereof from Lender to Borrower or after such Loan Party has knowledge of the occurrence thereof;
- (f) Borrower (i) fails to pay any principal or interest, regardless of amount due, in respect of any Indebtedness in a principal amount in excess of \$10,000, when and as the same becomes due and payable, or (ii) fails to observe or perform any other term, covenant, condition or agreement contained in any agreement or instrument evidencing or governing any such Indebtedness if the effect of any failure referred to in this clause (ii) is to cause, or to permit the holder or holders of such Indebtedness or a trustee on its or their behalf (with or without the giving of notice, the lapse of time or both) to cause, such Indebtedness to become due prior to its stated maturity, and such default continues unremedied for a period of ten (10) Business Days;
- (g) an Act of Bankruptcy or Act of Dissolution shall have occurred with respect to Borrower or any other Loan Party;
- (h) one or more judgments for the payment of

money in an aggregate amount in excess of \$100,000 (excluding any portion thereof that an insurance company of recognized standing and creditworthiness has agreed in a writing reasonably satisfactory to Lender to pay) is rendered against any Loan Party, and the same shall remain undischarged for a period of thirty (30) consecutive days during which execution is not effectively stayed, or any action is legally taken by a judgment creditor to levy upon assets or properties of Borrower to enforce any such judgment; or

(i) any security interest purported to be created by any Security Document shall cease to be, or shall be asserted by any Loan Party not to be, a valid, perfected, first priority (except as otherwise expressly provided in this Agreement or such Security Document) security interest in the securities, assets or properties covered thereby;

then, and in every such event (other than an event with respect to Borrower described in paragraph (g) above) and at any time thereafter during the continuance of such event, Lender may by notice to Borrower, take either or both of the following actions, at the same or different times: declare the principal amount then outstanding to be forthwith due and payable in whole or in part, whereupon the principal amount so declared to be due and payable, together with accrued interest thereon and all other liabilities of Borrower accrued hereunder and under any other Loan Document, shall become forthwith due and payable, without presentment demand, protest or any other notice of any kind, all of which are hereby expressly waived by Borrower, anything contained herein or in any other Loan Document to the contrary notwithstanding; and in any event with respect to Borrower described in paragraph (g) above, the principal of the Loan then outstanding, together with accrued interest thereon and all other liabilities of Borrower accrued hereunder and under any other Loan Document, shall automatically become due and payable, without presentment demand, protest or any other notice of any kind, all of which are hereby expressly waived by Borrower, anything contained herein or in any other Loan Document to the contrary notwithstanding.

SECTION 8.2 Other Remedies. In addition to the foregoing, upon the occurrence of an Event of Default, Lender may do any of the following:

(a) Collect and enforce payment of all of Borrowers Deposit Accounts, Accounts, General Intangibles, Chattel Paper, Instruments and Documents and rights and remedies with respect to such Property as would otherwise be exercised by Borrower, including: the power to take possession of and endorse in the name of Borrower, any Items of Payment of any kind and any other documents received; the power to extend the time of payment of, the time to sue for, and the time to give acquittances for, monies due; and the power to withdraw proceeds deposited in the name of Borrower in any bank or savings institution.

(b) Sell or otherwise dispose of the stock Collateral and sell or otherwise dispose of the non-stock Collateral, or any part thereof, at public or private sale (or at any brokers board or on any securities exchange) or otherwise, for cash, upon credit or for future delivery as Lender shall deem appropriate. Each such purchaser at any such sale shall hold the property sold absolutely, free from any claim or right on the part of Borrower, and Borrower hereby waives (to the extent permitted by law) all rights of redemption, stay and appraisal that Borrower now has or may at any time in the future have under any rule of law or statute now existing or

hereafter enacted. Lender shall give Borrower at least five (5) days written notice (which Borrower agrees is reasonable notice within the meaning of Section 9-504(3) of the UCC) of Lenders intention to make any sale of Collateral owned by Borrower, as the case may be. Such notice, in the case of a public sale, shall state the time and place for such sale and, in the case of a sale at a brokers board or on a securities exchange, shall state the board or exchange at which such sale is to be made and the day on which the Collateral, or portion thereof, will first be offered for sale at such board or exchange.

Any such public sale shall be held at such time or times within ordinary business hours and at such place or places as Lender may fix and state in the notice of such sale, and at any such sale, the Collateral, or portion thereof, to be sold may be sold in one lot as an entirety or in separate parcels, as Lender may (in its discretion) determine. Lender shall not be obligated to make any sale of any Collateral if Lender shall determine not to do so, regardless of the fact that notice of sale of such Collateral shall have been given. Lender may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for sale. Such sale may, without further notice, to Borrower or anyone else, be made at the time and place to which the same was so adjourned. In case any sale of all or any part of the Collateral is made on credit or for future delivery, the Collateral so sold may be retained by Lender until the sale price is paid by the purchaser or purchasers thereof, but Lender shall not incur any liability in case any such purchaser or purchasers shall fail to take up and pay for Collateral so sold and, in case of any such failure, such of the Collateral may be sold again upon notice to Borrower as set forth in this Section.

At any public sale made pursuant to this Section, Lender may bid for or purchase, free (to the extent permitted by law) from any right of redemption, stay or appraisal on the part of Borrower (all said rights being also hereby waived and released to the extent permitted by law), the Collateral or any part thereof offered for sale and may make payment on account thereof by using any claim then due and payable to Lender from Borrower as a credit against the purchase price. Lender may, upon compliance with the terms of sale, hold, retain and dispose of such property without further accountability to Borrower therefor. For purposes hereof, a written agreement to purchase the Collateral or any portion thereof shall be treated as a sale thereof. Lender shall be free to carry out such sale pursuant to such agreement, and Borrower shall not be entitled to the return of the Collateral or any portion thereof subject thereto, notwithstanding the fact that after Lender shall have entered into such an agreement, all Events of Default shall have been remedied and the Obligations paid in full.

(c) As an alternative to exercising the power of sale herein conferred upon Lender, Lender may proceed by a suit or suits at law or in equity to foreclose this Agreement and to sell the Collateral or any portion thereof pursuant to a judgment or decree of a court or courts having competent jurisdiction or pursuant to a proceeding by a court-appointed Receiver. Upon any sale of Collateral by Lender (including a sale pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of Lender or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral being sold, and such purchaser

or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to Lender or such officer or be answerable in any way for the misapplication thereof.

Borrower agrees that in selling or otherwise disposing of the Collateral and in exercising Lenders rights and remedies to the Collateral, Lender and/or any Receiver and/or any designee of Lender and/or any Receiver shall have the unrestricted and irrevocable right (so long as not violative of law) to advertise, sell, lease, license or otherwise dispose of the Collateral under and together with, and shall otherwise have the unrestricted and irrevocable right to use, without limitation, in connection therewith, any and all of Borrowers advertisements in any medium (and other marketing and promotional materials in any medium), brochures, signs, stationery, business forms, packaging and shipping materials, programs, software, licenses, permits, consents, approvals, and Intellectual Property relating to such Collateral and/or Borrowers business, and all agreements with employees and former employees relating to any of the foregoing. Borrower shall indemnify and hold harmless Lender and any Receiver, and their designees, shareholders, directors, officers, employees, agents, attorneys, accountants, and other advisors, from and against any and all claims (including claims for royalties and/or money damages and/or claims for injunctive relief), liabilities, damages, royalties, and penalties of any Person, and Lenders and any Receivers costs and expenses (including attorneys fees) and those of their designees, shareholders, directors, officers, employees, agents, attorneys, accountants, and other advisors, incurred to defend against any thereof.

(d) With regard to all Collateral so collected, sold or otherwise disposed of, to the extent permitted by applicable law, Lender shall have absolute discretion as to the time of application of any such proceeds, moneys or balances in accordance with this Agreement, first, to the settlement of all Liens on the Collateral prior to Lenders Lien; second, to the payment of all costs incurred in connection with the enforcement of the Loan Documents and exercise of remedies; and third, to the payment of all Obligations, and, in case of any deficiency, Lender may collect such deficiency from Borrower (provided however, nothing in this provision shall be construed in derogation or limitation of any guaranty of payment or used to construe any guaranty of payment as being merely a guaranty of collection).

SECTION 8.3 Intellectual Property Remedies. In addition to all other rights and remedies, Lender, following the occurrence of an Event of Default hereunder shall have the following rights and remedies with respect to the Intellectual Property, each of which may be exercised without notice to, or consent by, Borrower except as expressly provided for herein:

(a) Lender may require that Borrower and all Affiliates of Borrower immediately discontinue any existing use of the Intellectual Property and that neither Borrower nor any Affiliate of Borrower make any further use of the Intellectual Property for any purpose whatsoever;

(b) Upon ten (10) days prior notice to Borrower, Lender may grant one or more exclusive or non-exclusive license or licenses relating to any of the Intellectual Property for such term or terms, on such conditions, and in such manner, as Lender shall in its sole discretion deem

appropriate. Such license or licenses may be general, special or otherwise, and may be granted on an exclusive or non-exclusive basis throughout the United States of America, its territories and possessions and all foreign countries;

(c) Upon ten (10) days prior notice to Borrower, Lender may assign, sell or otherwise dispose of the Intellectual Property or any part thereof, either with or without special conditions or stipulations. Lender shall have the power to purchase the Intellectual Property or any part thereof, and Lender shall also have the power to execute all assurances and to perform all other acts that Lender may, in Lenders sole discretion, deem appropriate or proper to complete such assignment, sale or disposition;

(d) Lender may first apply the proceeds actually received from any such license, assignment, sale or other disposition of Intellectual Property to the reasonable costs and expenses thereof, including, without limitation to, reasonable attorneys fees and all legal, travel and other expenses that may be incurred by Lender. Thereafter, Lender may apply any remaining proceeds to such of the Obligations as Lender may in its sole discretion determine. Borrower shall remain liable to Lender for any Obligations or reasonable expenses remaining unpaid after the application of such proceeds, and Borrower will pay Lender on demand any such unpaid amount, together with interest at the default rate of interest specified herein; and

(e) If any such license, assignment, sale or other disposition of the Intellectual Property (or any part thereof) is made after the occurrence of an Event of Default under any of the Loan Documents, Borrower shall supply to Lender or Lenders designee, Borrowers knowledge and expertise relating to the manufacture and sale of the products according to the patented inventions, Borrowers customer lists, and other records relating to the distribution of any products related thereto.

To the extent there may be any inconsistency between this Section 8.3 and the Collateral Assignment of Trademarks and Patents, the Collateral Assignment of Trademarks and Patents shall control.

SECTION 8.4 Receiver. If an Event of Default shall occur and be continuing, Lender shall be entitled as a matter of right and to the extent permitted by law, without notice to any Loan Party, and without regard to the adequacy of security, to the immediate ex parte appointment of a Receiver by a court having jurisdiction in order to carry out all rights and remedies available to Lender upon such Event of Default, and to manage, protect and preserve the Collateral, and any other Property of Borrower and continue to operate or liquidate Borrowers business and to collect all revenues and profits thereof and apply the same to the payment of all expenses and other charges of such receivership, custodianship or similar appointment, including compensation of the Receiver and to the payment of the Obligations, and to the payment of such other claims and expenses as may appear appropriate. If Lender shall apply for the appointment of, or the taking of possession by, a Receiver, to hold, operate or liquidate all or any substantial part of the properties or assets of Borrower, Borrower hereby consents to any such appointment and taking of possession. Borrower shall deliver to any Receiver so appointed upon Lenders request all original Records, and any other records, books, and other information regarding

the Collateral, and any other Property of Borrower and the operations of the business of Borrower.

SECTION 8.5 Waivers. Borrower waives presentment, demand, notice of dishonor, and protest, and all demands and notices of any action taken by Lender under this Agreement, except as otherwise provided herein, are hereby waived, and any indulgence of Lender, substitution for, exchange of or release of collateral, or addition or release of any person liable on the collateral is hereby assented and consented to and shall not operate or be claimed to operate to release or exonerate any other collateral or person or any claim of Lender.

SECTION 8.6 Attorney-In-Fact. Borrower hereby irrevocably appoints Lender as its attorney-in-fact, with power of substitution, to do each of the following in the name of Borrower or in the name of Lender or otherwise, for the use and benefit of Lender, but at the cost and expense of Borrower, and without notice to Borrower:

- (a) notify the debtors or other party(ies) obligated under any of the Accounts, Chattel Paper or General Intangibles to make payments thereon directly to Lender, and to take control of the cash and non-cash proceeds of any Collateral;
- (b) compromise, extend, or renew any of the Collateral or deal with the same as it may deem advisable;
- (c) release, make exchanges, substitutions, or surrender of all or any part of the Collateral;
- (d) remove from Borrowers place of business all Records relating to or evidencing any of the Collateral or without cost or expense to Lender, make such use of Borrowers place(s) of business as may be reasonably necessary to administer, control and collect the Collateral;
- (e) repair, alter or supply goods, if any, necessary to fulfill in whole or in part the purchase order of any account debtor;
- (f) demand, collect, receipt for and give renewals, extensions, discharges and releases of any of the Collateral;
- (g) institute and prosecute legal and equitable proceedings to enforce collection of, or realize upon, any of the Collateral;
- (h) settle, renew, extend, compromise, compound, exchange or adjust claims with respect to any of the Collateral or any legal proceedings brought with respect thereto;
- (i) endorse the name of Borrower upon any items of payment relating to the Collateral or upon any proof of claim in bankruptcy against an account debtor;
- (j) institute and prosecute legal and equitable proceedings to reclaim any of the goods sold to any debtor obligated on an Account, Chattel Paper, or General Intangible at a time when such debtor was insolvent;
- (k) receive and open all mail addressed to Borrower and notify the postal authorities to change the address for the delivery of mail to Borrower to such address as Lender may designate; and
- (l) execute and deliver on behalf of Borrower one or more instruments of assignment of the Intellectual Property (or application, letters patent or recording relating thereto), in form suitable for filing, recording or registration. Notwithstanding anything in this Section 8.6 to the contrary, Lender shall not exercise the foregoing power of attorney at any

SECTION 9.2 Survival of Agreement. All covenants, agreements, representations and warranties made by Borrower herein and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by Lender and shall survive the making by Lender of the Loan, regardless of any

investigation made by Lender or on its behalf and shall continue in full force and effect as long as the principal of or any accrued interest on the Loan or any other amount payable under this Agreement or any other Loan Document is outstanding and unpaid. The provisions of Sections 2.9, and 9.5 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of the Loan, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of Lender.

SECTION 9.3 Binding Effect. This Agreement shall become effective when it shall have been executed by Borrower and Lender and when Lender shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective permitted successors and assigns.

SECTION 9.4 Successors and Assigns.

(a) Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the permitted successors and assigns of such party; and all covenants, promises and agreements by or on behalf of Borrower or Lender that are contained in this Agreement shall bind and inure to the benefit of their respective successors and assigns.

(b) Borrower shall not assign or delegate any of its rights or duties hereunder without the prior written consent of Lender, and any attempted assignment or delegation without such consent shall be null and void.

(c) Lender shall not assign or delegate any of its rights or duties hereunder to a Transferee without the prior written consent of Borrower, and any attempted assignment or delegation without such consent shall be null and void. Notwithstanding the foregoing, the notice and consent requirements of this paragraph (c) shall be in effect only so long as no Event of Default has occurred and is continuing.

SECTION 9.5 Expenses; Indemnity.

(a) Borrower hereby agrees to pay all out-of-pocket expenses (i) incurred by Lender (x) in connection with the preparation and administration of this Agreement and the other Loan Documents and (y) in connection with any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions hereby or thereby contemplated shall be consummated) and (ii) incurred by Lender in connection with the enforcement or protection of its rights in connection with this Agreement and the other Loan Documents, including any suit, action, claim or other activity of Lender to collect the Obligations or any portion thereof, and in connection with the Transaction hereunder, including, in each case, the reasonable fees, charges and disbursements of Piper Marbury Rudnick & Wolfe LLP, counsel for Lender, and, in connection with any such enforcement or protection, the reasonable fees, charges and disbursements of any other counsel for Lender, provided that Borrower shall only be liable for the fees, charges and disbursements of Piper Marbury Rudnick & Wolfe LLP incurred in connection with Section 9.5(a) (i) in an amount not to exceed Fifteen Thousand Dollars (\$15,000).

(b) Borrower will indemnify Lender, and its directors, officers, employees and agents (each such Person

being called an Indemnatee) against, and to hold each Indemnatee harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable counsel fees, charges and disbursements, incurred by or asserted against any Indemnatee arising out of in any way connected with, or as a result of (i) the execution or delivery of this Agreement or any other Loan Document or any agreement or instrument contemplated thereby, the performance by the parties thereto of their respective obligations thereunder or the consummation of the Transaction and the other transactions contemplated thereby, (ii) the use of the proceeds of the Loan, (iii) any claim, litigation investigation or proceeding relating to any of the foregoing, whether or not any Indemnatee is a party thereto, or (iv) any actual or alleged presence or release of hazardous materials on any property owned or operated by Borrower, or any environmental claim, suit or proceeding related in any way to Borrower relating to any environmental issue; provided that such indemnity shall not as to any Indemnatee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnatee.

Edgar Filing: GRAND TOYS INTERNATIONAL INC - Form 10-K

invalidity, illegality, or unenforceability shall not affect any other provision (or remaining part of the affected provision) of this Note, but this Note shall be construed as if such invalid, illegal, or unenforceable provision (or part thereof) had never been contained herein but only to the extent such provision (or part thereof) is invalid, illegal, or unenforceable.

INDEPENDENT AUDITORS REPORT

The Board of Directors and Stockholders
Grand Toys International, Inc.

We have audited the consolidated balance sheets of Grand Toys International, Inc. as at December 31, 2000 and 1999 and the consolidated statements of operations, stockholders equity and comprehensive income and cash flows for each of the years in the three-year period ended December 31, 2000. These consolidated financial statements are the responsibility of the Companys management. Our responsibility is to

Edgar Filing: GRAND TOYS INTERNATIONAL INC - Form 10-K

express an opinion on these consolidated financial statements based on our audits.

With respect to the consolidated financial statements for the year ended December 31, 2000, we conducted our audit in accordance with United States generally accepted auditing standards. With respect to the consolidated financial statements for each of the years in the two-year period ended December 31, 1999, we conducted our audits in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Grand Toys International, Inc. and subsidiaries as at December 31, 2000 and 1999 and the results of its operations and its cash flows for each of the years in the three year period ended December 31, 2000, in conformity with accounting principles generally accepted in the United States.

The accompanying consolidated financial statements have been prepared assuming the Company will continue as a going concern. As discussed in note 1 (a) to the consolidated financial statements, the Company has suffered recurring losses and has had its line of credit cancelled by its banker, which raise substantial doubt about its ability to continue as a going concern. These consolidated financial statements do not include any adjustments that might result from the outcome of this uncertainty.

GRAND TOYS INTERNATIONAL, INC.

Notes to Consolidated Financial Statements

Years ended December 31, 2000, 1999 and 1998

Grand Toys International, Inc., a Nasdaq SmallCap listed Company, is organized under the laws of the State of Nevada. Its principal business activity, through its wholly-owned Canadian and United States operating subsidiaries, is the distribution of toys and related items.

Edgar Filing: GRAND TOYS INTERNATIONAL INC - Form 10-K

1. Significant accounting policies:

(a) Basis of Presentation:

The accompanying financial statements have been prepared on a going concern basis which contemplate continuity of operations, realization of assets and liquidation of its liabilities in the ordinary course of business and do not reflect adjustments that might result if the Company cannot continue as a going concern. The Company has incurred a significant operating loss in the current year primarily as a result of the loss of one of its major product lines and the reduced market demand for certain other products which resulted in a significant write down of inventories. The Company also recognized the permanent impairment of patents and goodwill and wrote-off the balance to nil.

In addition, in October 2000 the Companys banking agreement was amended to reduce the line of credit from \$17,500,000 to \$3,500,000 and change the expiry date to January 5, 2001. The credit facility was not extended beyond January 5, 2001. The Company is seeking a new line of credit with another bank and the application is contingent on the Company furnishing audited financial statements and completion of due diligence procedures.

The above matters raise substantial doubt about the Companys ability to continue as a going concern. The Companys ability to continue as a going concern will depend on its return to profitable operations and the successful conclusion of the negotiations with the financial institution referred to above.

(b) Principles of consolidation:

These consolidated financial statements, presented in U.S. dollars and in accordance with accounting principles generally accepted in the United States, include the accounts of Grand Toys International, Inc. and its subsidiaries (the Company). All significant intercompany balances and transactions have been eliminated.

(c) Inventory:

Inventory is valued at the lower of cost, determined by the first in, first out method, and net realizable value. The only significant class of inventory is finished goods.

GRAND TOYS INTERNATIONAL, INC.

Notes to Consolidated Financial Statements, Continued

Years ended December 31, 2000, 1999 and 1998

(d) Equipment and leasehold improvements:

Equipment and leasehold improvements are stated at cost less accumulated depreciation. Depreciation methods and annual rates adopted by the Company are as follows:

Edgar Filing: GRAND TOYS INTERNATIONAL INC - Form 10-K

Asset Method Rate

Computer equipment	Declining balance	30%
Machinery and equipment	Declining balance	20%
Furniture and fixtures	Declining balance	20%
Trucks and automobiles	Declining balance	30%
Telephone equipment		
Declining balance		30%
Leasehold improvements		
Straight-line	Term of	
	lease plus one	
	renewal term	

e) Deferred financing charges:

Deferred financing charges represent the costs incurred relating to the negotiation of the banking facility. Deferred financing charges are amortized over 36 months, the term of the financing.

f) Intangibles:

Goodwill represents the excess of the purchase price over the fair value of the net identifiable assets acquired. Goodwill is amortized using the straight-line method over a twenty year period. The net book value of goodwill would be written down if the value were permanently impaired. The Company assesses impairment by determining whether the unamortized intangible balances can be recovered through undiscounted future operating cash flows of the acquired assets over their remaining lives, and the write down would be to fair value.

g) Impairment of long-lived Assets and long-lived Assets to be Disposed of:

The Company accounts for long-lived assets in accordance with the provisions of SFAS No. 121, Accounting for the Impairment of Long-Lived Assets and for Long-Lived Assets to Be Disposed Of. This Statement requires that long-lived assets and certain identifiable intangibles be reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future net cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets. Assets to be disposed of are reported at the lower of the carrying amount or fair value less costs to sell.

h) Revenue recognition:

Sales are recognized at the time of shipment of products. The Company estimates liabilities for returns and allowances at the time of shipment. In addition, provisions for customer allowances are recorded when the related revenue is recognized.

GRAND TOYS INTERNATIONAL, INC.

Notes to Consolidated Financial Statements, Continued

Years ended December 31, 2000, 1999 and 1998

i) Foreign currency translation:

(i) Grand Toys Ltd. and Grand Concepts Inc., wholly-owned Canadian subsidiaries, use the Canadian dollar as their functional currency and translate their assets and liabilities into US dollars at the exchange rates prevailing at the balance sheet date and sales, expenses and cash flows are translated at the average exchange rate for the year. The resulting currency translation adjustments are

Edgar Filing: GRAND TOYS INTERNATIONAL INC - Form 10-K

accumulated and reported in other comprehensive income.

(ii) Other monetary assets and liabilities denominated in foreign currencies are translated at the exchange rates prevailing at the balance sheet date. Revenues and expenses denominated in foreign currencies are translated at the rates of exchange prevailing at the transaction dates. All exchange gains and losses are included in income.

j) Earnings (loss) per share:

(i) Basic earnings (loss) per share is determined by dividing the weighted-average number of common shares outstanding during the period into net earnings (loss).

(ii) Diluted earnings (loss) per share gives effect to all potentially dilutive common shares that existed at December 31, 2000.

k) Stock option plan:

The Company accounts for its stock option plan in accordance with the provisions of Accounting Principles Board (APB) Opinion No. 25, Accounting for Stock Issued to Employees. As such, compensation expense is recorded on the date of grant only if the current market price of the underlying stock exceeds the exercise price. FASB Statement No. 123, which became effective in 1996, allows entities to continue to apply the provisions of APB Opinion No. 25 and requires pro-forma net earnings and pro-forma earnings per share disclosures for employee stock option grants made in 1995 and future years as if the fair-value-based method defined in FASB Statement No. 123 had been applied. This disclosure is included in the notes to these statements.

l) Advertising and promotion:

All costs associated with advertising and promoting products are expensed in the period incurred.

m) Use of estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

n) Comprehensive income:

On January 1, 1998, the Company adopted SFAS No. 130, Reporting Comprehensive Income. SFAS No. 130 establishes standards for reporting and presentation of comprehensive income and its components in a full set of financial statements. Comprehensive income consists of net income and cumulative currency translation adjustments and is presented in the consolidated statements of stockholders equity and comprehensive income. The Statement requires only additional disclosures in the consolidated financial statements; it does not affect the Companys financial position or results of operations.

Net income for Ark Creations Inc., has been included in the statement of operations from January 1, 1999. Results of operations for 1998 on a proforma basis have not been presented because the impact would not be significant. The Company terminated the operations of Ark Creations Inc. during 2000. Accordingly, the Company recognized the permanent impairment in value of goodwill and patents of \$2,253,516. The impairment is included in the caption, unusual items, in the Statement of Operations.

In the statement of cash flows for 1999, the financing of the assets and the recognition of the intangibles have not been included as there is no cash impact.

Edgar Filing: GRAND TOYS INTERNATIONAL INC - Form 10-K

5. Bank indebtedness:

During 2000, the Company had secured line of credit of \$ 17,500,000 and could draw down working capital advances and letters of credit in amounts determined by percentages of its accounts receivable and inventory. The working capital advances were secured by all of the assets of the Company. The effective interest rate for 2000 on the Canadian denominated line for 2000 was 7.75% (1999 7.50%; 1998 9.25%), which represents prime plus 1.25% for all years. As at December 31, 2000 the unused portion of the credit facility is approximately \$3,211,515. Standby fees represent .25% of the unused line of credit. In October 2000, the banking agreement was amended to reduce the line of credit to \$3,500,000 and change the expiry date to January 5, 2001. The credit facility terminated on January 5, 2001.

6. Long term debt:

The Companys subsidiary, Ark Creations, Inc., has long term indebtedness in the form of an interest bearing subordinated promissory note in the aggregate principal amount of \$1,500,000 (see note 4). Interest is payable quarterly, commencing April 1, 1999 at a rate of 5.76% per annum until June 1, 1999, 9.76% per annum thereafter until the first principal installment of \$500,000 is paid, and 5.76% per annum thereafter to maturity. The note is secured by a pledge by the Company of 375,000 shares of the Companys common stock. A principal installment of \$500,000 is payable upon the achievement of certain sales targets, with a second installment of \$ 500,000 due six months thereafter, and a final installment of \$500,000 due three months after the second installment. Ark Creations, Inc., ceased operations during 2000 and accordingly ceased making interest payments required under the note. The holder of the note has since caused the 375,000 pledged shares to be registered in his name, although he has not yet taken any action to enforce his rights.

7. Preferred Stock:

Series A Cumulative Convertible Redeemable Preferred Stock

In connection with the acquisition of the assets of Ark Foundation LLC, the Company created and issued a class of 200,000 shares of non-voting Series A Convertible Redeemable Preferred Stock (Series A Stock) with a stated value of \$5.00 per share. The Series A Stock ranks senior to the common stock. The Series A Stock has a cumulative preferred quarterly dividend of 5% per annum of the par value, payable in cash. The Series A Stock is redeemable and convertible at determinable prices on determinable dates. The Series A Stock is convertible beginning on January 1, 2000 into shares of the Companys common stock on a one-for-one basis. A maximum of 50,000 shares may be converted during any six-month period. If upon conversion, the market value of the common stock of the Company is less than \$5.00 per share, the Company is obligated to make up the difference between the market price and \$5.00.

The following conversions took place

Edgar Filing: GRAND TOYS INTERNATIONAL INC - Form 10-K

? January 1, 2000 - 50,000 shares
 ? July 17, 2000 - 50,000 shares

The Company recognized a shortfall of \$118,000 for the conversion of July 17, 2000 between the market value of the common stock and the stated value. The Company is in disagreement with the holder as to the actual date of conversion. A difference does exist, in the calculated shortfall, between these dates.

9. Stock options and warrants:

The Company has a stock option plan (the Option Plan), as amended and restated which provides for the issuance of up to 600,000 options to acquire common stock of the Company. Stock options granted under the Option Plan may be Incentive Stock Options under the requirements of the Internal Revenue Code, or may be Non-statutory Stock Options which do not meet such requirements. Options may be granted under the Option Plan to, in the case of Incentive Stock Options, all employees (including officers) of the Company, or, in the case of Non-statutory Stock Options, all employees (including officers) or non-employee directors of the Company. Options have also been granted outside the Option Plan to two directors, key executives, outside consultants and a supplier. As well, warrants issued to a director in his capacity as an investment banker and a distributor are issued. Some of these options and warrants have either expired or were forfeited. In 1999, 55,000 warrants were granted to a director in his capacity as an investment banker for services rendered. The fair market value of the warrants was determined to be \$275,000, which was recorded as deferred financing charges. The offsetting credit was recorded to additional paid in capital. In the statement of cash flows for 1999, the recognition of the warrants has not been included, as there is no cash impact. In 2000, 200,000 performance based options were issued under the option plan. Under the option plan the exercise price of each option granted has been equal to the market price of the Companys stock on the grant date and an options maximum term is ten years. The range of exercise prices for stock options and warrants outstanding at December 31, 2000 is \$ 0.31 to \$ 21.90.

Pro-forma information regarding net earnings and earnings per share is required by FASB Statement No. 123, and has been determined as if the Company had accounted for its stock options under the fair value method of that statement. The fair value for these options was estimated at the grant date using a Black-Scholes option pricing model with the following assumptions: risk-free interest rate of 5.19% (6.29% in 1999, and 4.68% in 1998) volatility factor of the expected market price of the Companys common stock of 164 % (138% in 1999 and 114% in 1998) and a weighted-average expected life of the option of 3 years, (3 years in 1999 and 1998), with no dividends.

9. Stock options and warrants (continued):

The Black-Scholes option valuation model was developed for use in estimating the fair value of traded options which have no vesting restrictions and are fully transferable. In addition, option valuation models require the input of highly subjective assumptions including the expected stock price volatility. Because the Companys stock options have characteristics significantly different from those of traded options, and because changes in the subjective input assumptions can materially affect their fair value estimate, in managements opinion, the existing models do not necessarily provide a reliable single measure of the fair value of its stock options. The weighted-average grant date fair values of options granted in 2000, 1999 and 1998 are \$ 1.50, \$ 4.30 and \$ 3.85, respectively. The pro-forma losses utilizing the fair value assumptions above for the years 2000, 1999 and 1998 would be \$10,347,760 \$ 1,302,196 and \$ 1,465,142, respectively. Furthermore, pro-forma loss per share would be \$ 3.42, \$ 0.63 and \$ 0.93, respectively.

10. Unusual items:

These expenses comprised the following items:

- The Company settled a lawsuit by a lessor of certain real estate for \$264,000.
- The Company recognized the permanent impairment in value of goodwill and patents from the acquisition of the assets by its Ark Creations subsidiary of \$2,253,516, as a result of its decision to cease operations of its subsidiary.
- The Companys credit line, which was scheduled to expire in 2001, was terminated in January 2001. As a result, the Company has taken a charge against earnings of the full amount of the deferred financing charges of \$535,109.
- The Company has written off \$557,539 as a result of its decision to

Edgar Filing: GRAND TOYS INTERNATIONAL INC - Form 10-K

abandon its proposed acquisition of Limited Treasures, Inc., and providing for an allowance on a loan receivable from Limited Treasures.

(e) The Company reserved \$550,000 to cover a lawsuit commenced by a supplier against Grand Canada for breach of contract.

(f) In 1999, the company discontinued a major product line which resulted in a penalty of \$382,056 and closed the manufacturing facility of Ark Creations Inc. which resulted in costs of \$432,613 in asset write-offs, severances and lease penalties.

11. Income taxes (continued):

(c) The tax effects of temporary differences that give rise to deferred tax assets at December 31, 2000 are presented below:

	2000	1999	
Non-current:			
Net operating loss carry forwards	\$ 4,454,423	\$ 2,325,000	
Valuation allowance	3,769,427	1,640,004	
Total net deferred tax asset	\$ 684,996	\$ 684,996	

Realization of the deferred tax asset is dependent on generating sufficient taxable income prior to expiration of the loss carry forwards. Although realization is not assured, management believes it is more likely than not that the recorded deferred tax asset, net of the valuation allowance provided, will be realized. The valuation allowance increased in 2000 by \$2,129,423 due to the current years loss (1999 decrease of \$ 184,996).

As of December 31, 2000, the Company has \$ 8,350,000 (1999 - \$ 6,642,000) of net operating losses available for tax purposes to reduce future taxable income in the United States, beginning to expire in 2009. Approximately \$2,000,000 of taxable income must be generated by the U.S. operations to allow for the realization of the deferred tax asset before the valuation allowance, prior to the expiration of the losses.

15. Contingencies:

(a) Lawsuits for alleged breach of contract have been filed against the Canadian subsidiary by two former sales representatives. In the opinion of management, these actions have no merit. At this point in time it is difficult to ascertain or estimate the value of a settlement, if any.

(b) On or about April 7, 2000, an action against the Company and certain of its current directors and a former director was filed in the United States District Court for the Southern District of New York by Robert VanDyke, purportedly representing himself and a class of similarly situated purchasers of the companys common stock. The class-action complaint seeks damages and rescission and alleges that the Companys August 4, 1999 press release announcing an exclusive license to manufacture and distribute products in Canada based upon the Pokemon video game and television series was misleading because the license had not yet been executed and, when ultimately executed three weeks later, was non-exclusive. The complaint further alleges that this affected the market price of the Companys stock during the three week period. On November 7, 2000 the action was dismissed against two of the Companys directors.

The Company believes that the suit will be settled at a minimal cost to the Company as a result of any settlement being covered by the directors and officers (D & O) liability insurance policy.

(c) The Company has been named in a lawsuit for breach of contract in a licensing dispute, for recovery totaling in excess of \$600,000. A defense is being filed against the plaintiff, and management has reserved \$550,000 in the event the results are unfavorable.

(d) The Companys Canadian subsidiary is also contingently liable for outstanding letters of credit amounting to \$500,000 as at December 31, 2000.

16. Employee benefit plans:

The Company has a group retirement savings plan for its Canadian employees. The Company contributes to this plan the lesser of (a) 50% of the employees contribution to this plan; (b) 3% of the employees gross earnings; or (c) Cdn. \$3,000 per employee. During the year, the Company contributed approximately \$20,000 (1999-\$27,000; 1998 - \$24,000) to the retirement savings plan for its Canadian employees.

17. Segment information:

(a) Operating and geographic information:

The Company operates primarily in one segment which includes the

Edgar Filing: GRAND TOYS INTERNATIONAL INC - Form 10-K

distribution of toys and related items. Virtually all sales are to Canadian customers. The majority of long-lived assets are located in Canada.

(b) Other information:

Sales of the Companys toy products to five customers accounted for 69% of the Companys gross sales for 2000, two of which represent over 69% or approximately \$8,470,000. For both years 1999 and 1998, five customers accounted for approximately 64% of gross sales, two of which represented over 35% and 38% or \$13,356,000 and \$13,246,000 respectively.

Years ended December 31, 2000 1999 and 1998

17. Segment information, continued:

Sales of toys purchased from the Companys two largest manufacturers and suppliers of toys in aggregate accounted for 49% of gross sales for 2000. The Companys two largest suppliers accounted for 68% and 64% of gross sales for 1999 and 1998 respectively.

18. Financial instruments:

(a) Foreign currency risk management:

The Company enters into forward foreign exchange contracts to minimize its foreign currency exposure on purchases. The contracts oblige the Company to buy US dollars in the future at predetermined exchange rates. The contracts are not used for trading purposes. The Companys policy is to enter into forward foreign exchange contracts on a portion of its purchases anticipated in the next selling season. Gains and losses on forward exchange contracts are recorded in income and generally offset transaction gains or losses on the foreign currency cash flows which they are intended to hedge.

At December 31, 2000, the Company had no contracts to purchase US dollars.

(b) Fair values:

Fair value estimates are made as of a specific point in time, using available information about the financial instruments. These estimates are subjective in nature and often cannot be determined with precision. The fair value of the Companys accounts receivable, due from affiliated companies, bank indebtedness, trade and other payables approximate their carrying value due to the immediate or short-term maturity of these financial instruments. The fair market value of long term debt could not be determined as the repayment terms cannot be identified.

(c) Credit risk and economic dependence:

For the year ended December 31, 2000, approximately 69% (1999 - 64%) of the Companys sales were made to five unrelated companies. Three customers, representing approximately 53% (1999 50%) of total sales, individually accounted for more than 17% (1999 10%) of total sales. The Company regularly monitors its credit risk exposure to these and other customers and takes steps to mitigate the risk of loss.

(d) Interest rate risk:

The Companys principal exposure to interest rate risk is with respect to its short-term financing which bears interest at floating rates.

19. Subsequent events:

a) On January 2, 2001, 50,000 shares of Series A convertible redeemable preferred stock were converted to common stock. The shortfall between the market price and the guaranteed rate of \$5.00 per share represents \$233,774.

b) On March 29, 2001, the Company completed a private placement for \$500,000.
