The following information was derived from press releases of The St. Paul Companies, Inc. dated July 19, 2001 and July 24, 2001:

On July 19, 2001, The St. Paul Companies announced that Marita Zuraitis, currently senior vice president - U.S. Insurance Operations (USIO) was appointed executive vice president - USIO, succeeding Steve Lilienthal, who resigned to become president and chief operating officer of the property and casualty operation of CNA, the Chicago-based insurer. All U.S. field operations and commercial underwriting, including the Commercial Lines Group, will report to Ms. Zuraitis. T. Michael Miller, currently senior vice president - Global Specialties, was named executive vice president with expanded responsibility for the company's global specialty practices.

On July 24, 2001, The St. Paul Companies, Inc. announced second-quarter 2001 operating earnings from continuing operations of \$90.8 million, or \$0.39 per diluted share, compared with \$144.5 million, or \$0.63 per share, in the second quarter of 2000. As the company had previously announced, adverse prior-year development in the Health Care segment, along with higher-than-expected catastrophe losses, lowered second-quarter earnings.

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned thereunto duly authorized.
